L. 1968, c. 410 (C. 52:14B-2(a)).

The effect of this bill is to provide that unless a specific request is made by the agency, no administrative law judge shall be assigned by the director to hear contested cases with respect to the management or operation by any agency of a State custodial, penal or correctional institution or program, insofar as the acts of the agency relate to the internal affairs of the institution or program, unless sanctions arising from a single incident involve the loss of 365 days or more of time credits awarded pursuant to R. S. 30:4-140.

Under the bill this act will expire on December 31, 1987.
