STATE OF NEW JERSEY

INTRODUCED JANUARY 10, 1984

By Assemblymen LITTELL and HAYTAIAN

AN ACT concerning boards of education of county vocational-technical schools and amending P. L. 1983, c. 396.

1 BE IT ENACTED by the Senate and General Assembly of the State
2 of New Jersey:

1 1. Section 1 of P. L. 1983, c. 396 (C. 18A:54-16.8) is amended
2 to read as follows:

3 1. **[In]** *Notwithstanding any contrary provisions of chapter 54*
4 *of Title 18A of the New Jersey Statutes, in all counties of the third*
5 *class with a population greater than 110,000 but less than 125,000*
6 *as of the latest federal decennial census the board of education*
7 *of the county vocational-technical school shall consist of five mem-*
8 *bers to be appointed by the appointing authority of the county.*

1 2. Section 2 of P. L. 1983, c. 396 (C. 18A:54-16.9) is amended
2 to read as follows:

3 2. The board members elected pursuant to section 1 of P. L.

5 in which this act takes effect shall remain in office until their suc-
6 cessors are appointed and qualified which shall occur no later than
7 December 31, 1983. In making the first appointments to a board
8 one person shall be appointed to serve for one year, one person
9 for two years, one for three years and **[one]** *two* for four years;
10 *thereafter, members shall serve for terms of four years. Vacancies*
11 *in the membership of the board shall be filed in the same manner*
12 *as the original appointments were made.*

1 3. This act shall take effect immediately.

EXPLANATION—Matter enclosed in bold-faced brackets **[thus]** in the above bill
is not enacted and is intended to be omitted in the law.
Matter printed in italics *thus* is new matter.

STATEMENT

The purpose of this bill is to clarify the intention of P. L. 1983, c. 396 in prescribing the membership of county vocational-technical boards of education in counties of greater than 110,000 but less than 125,000 population.

P. L. 1983, c. 196 provided that in those counties the appointing authority of the county must appoint five members to the board. This caused some confusion because in most other counties the board consists of five members, one of whom shall be the county superintendent of schools. Although the county superintendent of schools is not an appointee on those boards, but is statutorily constituted a member, it is the purpose of this bill to make clear that the county superintendent was not intended to be one of the persons appointed to boards in the counties described in P. L. 1983, c. 396.

OFFICE OF THE GOVERNOR

RELEASE: IMMEDIATE

CONTACT: PAUL WOLCOTT

THURSDAY, FEBRUARY 23, 1984

Governor Thomas H. Kean has signed legislation which appropriates \$60,000 for the hiring of additional inspectors to enforce the State's clamming regulations.

The bill, S-1045, is sponsored by State Senator Leonard T. Connors, Jr., R-Ocean. The money it appropriates will allow the Department of Environmental Protection to better supervise clam relay programs in which commercial clammers take shellfish from polluted waters and relay them to clean water, where the clams cleanse themselves of the impurities acquired in polluted areas.

The Governor also signed the following bills:

A-793, sponsored by Assemblyman John O. Bennett, R-Monmouth, which changes the definitions of "solid waste" and "solid waste disposal" in the State Solid Waste Management Act to be consistent with the definitions used in federal legislation. The changes broaden the definition of solid waste to include liquids treated in public sewage treatment plants, and of solid waste disposal to include "discharge, deposit, injection, spilling or leaking of solid hazardous waste."

A-819, sponsored by Assemblyman Robert E. Littell, R-Sussex, which clarifies the intention of existing laws in prescribing the membership of county vocational-technical boards of education in counties of population greater than 110,000 but less than 125,000 (Sussex) so that the county superintendent of schools will not be a member of the board.

A-825, sponsored by Assemblyman Garabed Haytaian, R-Warren, which provides that district election workers be paid within 30 days of an election regardless of whether a recount is ordered.
