ASSEMBLY MUNICIPAL GOVERNMENT COMMITTEE

STATEMENT TO

SENATE, No. 1202

with Assembly committee amendments

STATE OF NEW JERSEY

DATED: SEPTEMBER 8, 1982

Senate Bill No. 1202, as amended by the committee, supplements Title 19 of the Revised Statutes in order to permit municipalities which are holding "Cap" referenda to conduct those referenda, with respect to the provision of polling places and the compensation of election workers, pursuant to the provisions of Title 18A of the New Jersey Statutes.

THURSDAY, FEBRUARY 17, 1983

Governor Thomas H. Kean has signed the following bills:

S-3100, sponsored by State Seantor John A. Lynch, D-Middlesex, which extends the municipal budget calendar for 1983. The bill provides for a five week extension on various filing deadlines for municipal budget preparation. It was made necessary by delays in revisions to the cap law and in obtaining State and Federal aid figures. The extension applies for this year only.

A-3046, sponsored by Assemblyman Walter J. Kavanaugh, R-Somerset, which amends the County College Contracts Law to permit county colleges to prepare separate plans and specifications for the various aspects of a construction, repair or alteration job when the total cost of the work to be done exceeds \$4,500.

S-1187, sponsored by State Senator John H. Dorsey, R-Morris, which permits local boards of health and county health departments to enforce the Solid Waste Management Act.

A-1074, sponsored by Assemblyman Walter M.D. Kern, R-Bergen, which will permit public libraries to keep and use revenues realized from the operation photocopy machines. Currently, libraries can charge for the use of the machines, but must turn the revenues over to the municipality rather than use them itself.

S-1202, sponsored by State Senator Carmen A. Orechio, D-Essex, which allows municipalities to conduct "cap" referenda using school election laws concerning polling places and compensation of election workers. The bill is intended to save money for a municipality, since school elections are conducted in a less expensive manner than normal municipal elections.
