Senate Bill No. 1032 would amend the "Interlocal Services Aid Act" to permit municipalities to apply for grants to conduct feasibility studies and to establish joint maintenance of administration of insurance programs.

The bill is endorsed by the Department of Community Affairs, which indicates that the city of Newark among other municipalities has expressed an interest in such a program.

PAT SWEENEY

Governor Brendan Byrne has signed the following bills into law:

S-1373, sponsored by Senator Eugene J. Bedell (D-Monmouth), which permits state-chartered savings and loan companies and banks to issue second mortgages.

The bill is a state legislative response to the federal deregulations of federally chartered institutions. The Federal Depository Institutions Deregulation and Monetary Control Act of 1960 permitted federally chartered savings and loans to issue second mortgages.

S-1032, sponsored by Senator S. Thomas Gagliano (R-Monmouth), which amends the Interlocal Services Aid Act to permit the disbursement of grants for the study of the feasibility of "pooling" of self insurance by municipalities.

S-1412, sponsored by Senator James S. Cafiero (R-Cumberland), which provides greater uniformity in the procedures governing the discharge of county and municipal employees not protected by Civil Service (Title II).

The procedure is now similar to that governing civil service municipal and county employees.

AJR-15, sponsored by Assemblyman Jimmy Zangari (D-Essex), which designates March 12 through 21 as "Poison Prevention Week" in New Jersey.
