STATEMENT

44

45 This bill extends the use of a person's stored driver's license
46 picture if the person is undergoing medical treatment for an illness
47 and that treatment results in temporary changes to the person's

1 physical characteristics. An example of such treatment would be
2 chemotherapy.

3 The bill requires the Chief Administrator of the New Jersey
4 Motor Vehicle Commission (MVC) to allow a person to use a
5 stored picture to renew a license for one year if the person is ill and
6 undergoing medical treatment that temporarily changes the person's
7 appearance. The person is required to present documentation by a
8 licensed physician. The fee would be \$18 and the person would not
9 be required to pay the digitized picture fee (currently \$6) at that
10 time.

11 A picture of a person undergoing treatment for an illness that
12 results in physical changes is unrepresentative of that person and
13 could serve as an ineffective identifier.

14 Recent news reports have indicated that the MVC does not allow
15 a person undergoing chemotherapy to use a stored picture beyond
16 the period permitted under current law. This bill provides a
17 reasonable and compassionate extension to allow a person
18 undergoing medical treatment for a life-changing illness to use a
19 stored picture on her or his driver's license for one additional year.
