DATED: DECEMBER 10, 2015

The Assembly Health and Senior Services Committee reports favorably and with committee amendments Assembly Bill No. 4098.

As amended, this bill prohibits the sale and distribution of liquid nicotine that is sold in a liquid nicotine container for use in a vapor product unless the liquid nicotine is sold, offered for sale, given, furnished, or distributed in a child-resistant container that meets the federal effectiveness specifications set forth in 16 C.F.R. 1700.15 and the special packaging testing requirements set forth in 16 C.F.R. 1700.20, such that it is designed and constructed to make it significantly difficult for a child five years of age or younger to open the package or otherwise risk exposure to liquid nicotine.

The bill defines “liquid nicotine” to mean any solution containing nicotine which is designed or sold for use with an electronic smoking device.

As amended, the bill defines “liquid nicotine container” to mean a bottle or other container of a liquid, wax, gel, or other substance containing nicotine, where the liquid or other contained substance is sold, marketed, or intended for use in a vapor product. Under the bill, “liquid nicotine containers” will not include cartridges that: (1) are prefilled and sealed by a manufacturer, with the seal remaining permanently intact through retail purchase and use; (2) are only disposable and not refillable; and (3) are not intended to be opened by the consumer.

As amended, the bill defines “vapor product” to mean any non-combustible product containing nicotine that employs a heating element, power source, electronic circuit, or other electronic, chemical, or mechanical means, regardless of shape or size, to produce vapor from nicotine in a solution or any form. The term “vapor product” will not include any product that is approved, and that is regulated as a prescription drug delivery service,

by the United States Food and Drug Administration under Chapter V of the Food, Drug, and Cosmetic Act.

Violations of the bill will be punishable by a civil penalty of not less than \$250 for a first violation, not less than \$500 for a second violation, and \$1,000 for a third or subsequent violation. The licensee would also be subject to administrative charges, based on a schedule issued by the Director of the Division of Taxation, which may provide for a monetary penalty in lieu of a suspension.
