STATEMENT

The purpose of this bill is to correlate and consolidate articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12 of Title 24, chapter 10 of the Revised Statutes. The present statute is in many respects obsolete due to the fact that new methods and practices concerning the production, handling and distribution of dairy products have improved since the passage of the law. This bill has the approval of farmers, the industry, and the New Jersey Health Officers' Association.
