

STATE OF NEW JERSEY

INTRODUCED JANUARY 17, 1927.

By Mr. MATHIS.

Referred to Committee on Commerce and Navigation.

AN ACT empowering and authorizing the Board of Commerce and Navigation of New Jersey to improve such creeks, streams, rivers or inlets, as connect with or are tributaries to the Inland Waterway System, or that connect with or flow through any of the tidal waters bordering or adjacent to the Atlantic ocean.

1 BE IT ENACTED by the Senate and General Assembly of the State of New Jersey:

1 1. The Board of Commerce and Navigation shall have power to improve the
2 Metedeconk river, Toms river, Forked river, Oyster creek, Double creek, West
3 creek, Parker run, or either one or all of them, as well as such other streams, creeks,
4 rivers or inlets as connect with or are tributaries to the Inland Waterway System of
5 this State or that connect with or flow through any of the tidal waters bordering or
6 adjacent to the Atlantic ocean as said board shall deem advisable to improve by
7 deepening or widening the same. And the said board shall have power to so improve
8 any or all such streams, creeks, rivers or inlets in conjunction with any municipality
9 or county through which any of such streams or rivers flow or are adjacent to.

1 2. Any such stream, creek, river or inlet that may be improved under and by
2 virtue of the provisions of this act shall when so improved constitute and form a
3 part of the Inland Waterway System of the State of New Jersey, and shall hereafter
4 be maintained as such by the State.

1 3. Said board is authorized to proceed with and make any or all of such im-
2 provement or improvements, and to enter into a contract or contracts for the neces-
3 sary work to be done therefor, after first advertising as required by law, when the
4 funds necessary and required therefor shall have been provided for and included in
5 any annual or supplemental appropriation bill.

1 4. This act shall take effect immediately.
