SENATE, No. 146

STATE OF NEW JERSEY

INTRODUCED MARCH 16, 1942

By Mr. PASCOE

Referred to Committee on Education

AN ACT concerning the computation of length of service determining seniority rights of certain supervising principals, principals or teachers, and amending section 18:13-19 of the Revised Statutes.

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*
2 *Jersey:*

1 1. Section 18:13-19 of the Revised Statutes is amended to read as follows:
2 18:13-19. Nothing contained in sections 18:13-16 to 18:13-18 of this Title
3 shall be held to limit the right of any school board to reduce the number of
4 supervising principals, principals or teachers employed in the school district
5 when the reduction is due to a natural diminution of the number of pupils in
6 the district. Dismissals resulting from such reduction shall not be by reason
7 of residence, age, sex, marriage, race, religion or political affiliation. When
8 principals, supervising principals or teachers under tenure are dismissed by
9 reason of such reduction those principals, supervising principals or teachers
10 having the least number of years of service to their credit shall be dismissed
11 in preference to those having longer terms of service. In computing length of
12 service within the district, the time of service by such supervising principals,
13 principals or teachers in or with the military or naval forces of the United
14 States of America or of this State subsequent to September first, one thousand
15 nine hundred and forty, shall be credited in determining seniority under this
16 act as though such supervising principals, principals or teachers had been

17 regularly employed within the district during the time of such military
18 service. Should any supervising principal, principal or teacher under tenure
19 be dismissed as a result of such reduction such person shall be and remain
20 upon a preferred eligible list in the order of years of service for re-employ-
21 ment whenever vacancies occur and shall be re-employed by the body caus-
22 ing dismissal in such order when and if a vacancy in a position for which
23 such supervising principal, principal or teacher shall be qualified. Such re-
24 employment shall give full recognition to previous years of service.

25 The services of any principal or teacher may be terminated, without
26 charge or trial, who is not the holder of a proper teacher's certificate in full
27 force and effect.

1 2. This act shall take effect immediately.

STATEMENT

When there is an excess of tenure teachers in relation to pupils enrolled in a school district, the board is authorized to dismiss teachers beginning with those having the least number of years of service to their credit in that district. The purpose of this bill is to provide that teachers who are serving in the military services shall not lose their relative seniority rank upon resuming service in the school district.
