32 located in, on, along, over or under any such real property, including pub-
33 lic lands, waters, parks, roads, streets, highways, playgrounds and reserva-
34 tions, should be relocated in such real property, including public lands,
35 waters, parks, roads, streets, highways, playgrounds and reservations, or
36 should be removed therefrom, the public utility owning or operating such
37 facilities shall relocate or remove the same in accordance with the order of
38 the sewerage authority; *provided, however*, that the cost and expenses of
39 such relocation or removal, including the cost of installing such facilities in
40 a new location, or new locations, and the cost of any lands or any rights or
41 interest in lands, or any other rights acquired to accomplish such relocation
42 or removal, less the cost of any lands or any rights or interests in lands or
43 any other rights of the public utility paid to the public utility in connection
44 with the relocation or removal of such property, shall be paid by the sewer-
45 age authority and may be included in the cost of such sewerage system. In
46 case of any such relocation or removal of facilities, as aforesaid, the public
47 utility owning or operating the same, its successors or assigns, may maintain
48 and operate such facilities, with the necessary appurtenances, in the new
49 location or new locations for as long a period, and upon the same terms and
50 conditions, as it had the right to maintain and operate such facilities in their
51 former location.

1 6. This act shall take effect immediately.

STATEMENT

The purpose of this bill is to authorize sewerage authorities created pursuant to Chapter 138, P. L. 1946, as amended, to acquire, construct or operate compensating reservoirs within the county of a sewerage authority for the impounding, transportation and release of water for the replenishment in periods of drought or at other necessary times of all or a part of waters in or bordering the State diverted into a sewer, sewage treatment or sewage disposal system operated by the sewerage authority.
