Statement:

The purpose of this bill is to permit the adoption of simple geographical location names for municipal courts established for a number of municipalities instead of the use of the names of all of the constituent municipalities, thus the "Municipal Court of North Hunterdon" instead of the "Municipal Court of the Townships of Clinton, Tewksbury, Lebanon, and Franklin, and the Boroughs of Hampton, Glen Gardner and Califon."

L. 1953, Chapter 396, § 1 - A524
Introduced March 16 by Bowkley.
Concerns names of municipal courts.

"to be presided over by qualified persons and . . ."

In other words, that sentence will then read:

"... an efficient inferior court system to be presided over by qualified persons and to become effective if . . ."

A new paragraph has been proposed to be inserted, to be known as Paragraph No. 2, which will read:

"That the Legislature consider the enactment of legislation to provide that all judges of the inferior courts receive reasonable fixed compensation which shall have no relation to fees received."

That suggestion was made by Delegate Jorgensen, and I think it has considerable merit and can well be recommended by this Convention to the Legislature. Paragraph 2 would then be considered Paragraph 3.

Mr. President, I would like consent to those two amendments.

Mr. President, suppose I read from "Now therefore be it resolved," and read the entire language of the body of the resolution, as amended.

PRESIDENT: Please do so.

MR. LEWIS (*reading*):

"Now Therefore be it Resolved:

(1) That the Legislature is hereby memorialized to consider the entire inferior court system of this State and to take such action as may be deemed necessary to establish a modern and efficient inferior court system to be presided over by qualified persons and to become effective if at all possible, by September 15, 1948, the date that the Judicial Article adopted by this Convention is to become effective.

(2) That the Legislature consider the enactment of legislation to provide that all judges of the inferior courts receive reasonable fixed compensation which shall have no relation to fees received.

(3) The Secretary of this Convention is hereby directed to transmit a duly authenticated copy of this resolution to the Governor forthwith, and to each house of the Legislature at the opening of the next regular session."

I move the resolution as amended.

PRESIDENT: Is the motion seconded?

FROM THE FLOOR: Seconded.

PRESIDENT: Is there any discussion?

(*Silence*)

PRESIDENT: Are you ready for the question?

FROM THE FLOOR: Question!

PRESIDENT: All in favor, please say "Aye."

(*Chorus of "Ayes"*)

PRESIDENT: Opposed, "No."

(*Silence*)

PRESIDENT: The resolution is adopted. . . . Mr. Smith.

MR. GEORGE F. SMITH: I have a resolution which I would like the Secretary to read.

SECRETARY: Resolution by Mr. George F. Smith (*reading*):
