974.90	<u>Report of the New Jersey Commission created</u>
T764	by Joint Resolution No.2, 1920, for the
1921	purpose of investigating vehicular traffic
	and to prepare a <u>Motor Vehicle and Traffic</u>
	<u>Act</u> to the Governor of New Jersey and the
	Legislature of the session of 1921.

JRM/EH
Encl.

3 same shall not be held to affect any other section or provision of this act.

1 41. All acts and parts of acts inconsistent with the provisions of this act be
2 and the same are hereby repealed.

1 42. This act shall take effect January first, one thousand nine hundred and
2 twenty-two.

A 483
(1921)

STATEMENT.

This bill embodies the recommendations of the Motor Traffic Commission created by Joint Resolution No. 2 of the 1920 Legislature. The changes sought to be effected will be found in the Commission's report. All inconsistent legislation is to be repealed by another bill.

12 Any person convicted of displaying a fictitious number as prohibited by section
 13 thirteen, or violating the provisions of section ten shall be subject to a fine not ex-
 14 ceeding five hundred dollars, or to imprisonment in the county jail for a period not
 15 exceeding sixty days.

16 Any person who shall be convicted of a violation of section nine of this act shall
 17 be subject to a fine not exceeding one hundred dollars.

18 Any person who shall be convicted of a violation of subdivision two of section
 19 eleven of this act shall be subject to a fine not exceeding one hundred dollars.

20 Any person who shall be convicted of a violation of section sixteen of this act
 21 shall, for the first offense, be subject to a fine not exceeding one hundred dollars; in
 22 default of the payment of such fine there shall be imposed an imprisonment in the
 23 county jail for a period not exceeding ten days: *provided*, that any offender who
 24 shall be convicted of a second or any subsequent offense of the same violation may
 25 be fined in double the amount herein prescribed for the first offense, or imprisonment
 26 in the county jail for a period not exceeding twenty days and in addition to such
 27 penalties the license of said offender shall be revoked; *provided, further*, that
 28 nothing herein contained shall prevent a revocation of license for the first offense
 29 or for the violation of any provisions of this act.

30 Any person who shall be convicted of violating any of the provisions of section
 31 seven of section fifteen shall be subject to a fine not exceeding twenty-five dollars.

1 10. This act shall take effect immediately.

L. 1924, c. 211, § 145

STATEMENT.

The purpose of this bill is to clarify the Motor Vehicle Act in the following par-
 ticulars.

The definition "commercial motor vehicle" is hereby amended to exempt touring cars
 of the passenger type used by farmers for the transportation of farm products and milk.
 This amendment has the approval of the Agricultural Society of New Jersey and is the
 result of a conference had with their representatives and the Department of Motor Ve-
 hicles.

The word "volunteer" is stricken from section two in order to allow all fire companies an exemption from the payment of the registration fee.

Section seven is amended so as to reduce the candle power of bulbs used in automobile head lamps from 24 candle power to 21 candle power, and to permit the revocation of approval permits whenever a lighting device is deficient.

Section nine of the Motor Vehicle Act is amended to enable the department to commence the issuance of licenses on November fifteenth each year for the succeeding year instead of December first as at present.

The amendment proposed to section eleven is for the purpose of preventing the misuse of dealer plates so that dealer plates now used for individual purposes and by other than bona fide dealers in connection with their business as such will no longer be possible. The same section is amended so as to hold the operator of a motor vehicle who drives the same in an overloaded condition and also fixes a penalty for the operation of a motor vehicle not equipped with rubber tires. The amendment respecting the use of dealers plates has been heartily endorsed by the Dealers Association of New Jersey.

Section fourteen is amended so as to make the offense of operating a motor vehicle without the permission of the owner or placing any sharp or cutting substance upon the highways an indictable offense constituting same as a misdemeanor. The present law omitted this provision. This section is also amended to provide for the commitment of persons convicted of operating a motor vehicle while under the influence of intoxicating liquor to either the county jail or workhouse of the county wherein the offense was committed.

An amendment is also provided to enable the imposition of a fine upon any person or persons who makes any misstatements of facts in his or her application for motor vehicles or driver's license.

Section twenty five is amended to strike out the words "in a summary way" in order that magistrates will not be required to hold hearings at unseemly hours, and to make more difficult reversals of convictions for intoxicated driving where a summary hearing is not given.

Section twenty-eight is amended to provide wherein an appeal is taken, it shall be the duty of the attorney for the municipality wherein the alleged violation is committed, or the Attorney-General as the case may be, to represent the municipality at the trial on ap-

peal. This amendment is desired because of the fact that many appeals to reverse conviction for intoxicated driving have been successful, due to the failure of the attorney for the municipality to take action desired to uphold the judgment of the local magistrate.

This bill was unanimously passed by the 1923 legislature but was vetoed by the Governor because it required that farm tractors should be equipped with rubber tires. The objections of the Governor have been eliminated from this draft and as these amendments are very necessary, they are respectfully submitted with the earnest approval of the Department of Motor Vehicles of New Jersey.

12 was committed, not more than ten days after completing his appeal a five days'
 13 written notice thereof, and in cases where the complaint is made by a motor vehicle
 14 inspector or by a member of the State **【Constabulary】** Police, the aforementioned
 15 notice must, within the same period of time, be served upon the Attorney-General of
 16 the State, either personally, or by registered mail; and it shall be the duty of the
 17 prosecutor of the pleas of the county, wherein the alleged violation was committed,
 18 to represent the complainant at the trial on appeal; *provided*, that in cases where the
 19 complaint is made by a motor vehicle inspector, or by a member of the State **【Con-**
 20 **stabulary】** Police, it shall be the duty of the Attorney-General to represent the com-
 21 plainant at the trial or appeal; the prosecutor of the pleas of any county, charged
 22 with the enforcement of the provisions of this section, may request the Attorney-
 23 General to attend personally, or by such assistant or assistants, as he shall designate
 24 to aid in the prosecution of the said appeal, and should the defendant fail to give the
 25 required notice of trial on appeal to the person, and within the time as hereinbefore
 26 provided, then the like proceeding may be had as would by the provisions of this act
 27 follow an appeal taken and a judgment of affirmance thereupon. The court of
 28 common pleas, on appeal, shall, de novo, and in a summary manner try and determine
 29 all such appeals, and in case the defendant is convicted on such appeal, the court of
 30 common pleas shall impose the penalty prescribed by the act of which this act is
 31 amendatory, and in case the defendant is acquitted upon such an appeal, the court of
 32 common pleas shall order the return of all moneys deposited as aforesaid, and all
 33 costs of prosecution paid by the said defendant, to the said defendant. It shall be
 34 lawful for the court of common pleas in any appeal brought before it at all times
 35 to amend all defects and errors for the purpose of determining on the trial of any
 36 appeal the merits of the said case.

1 15. This act shall take effect immediately.

STATEMENT

No. 1. Amendment to section four, subdivision three. This amendment requires
 the production of the license of the driver and *the certificate of registration of the motor*

————— L 1931, c 171, A-171

vehicle from the driver thereof. The present law does not now authorize a motor vehicle inspector to demand the production of the certificate of registration of the motor vehicle from the driver thereof. This amendment will confer this power upon him, and is absolutely essential.

No. 2. This amendment has been drawn so that the Department can keep abreast of the trend of progress in the art of lighting, which is progressing so rapidly that it cannot properly be regulated by specific laws. Other States have elastic laws that permit of new regulations to be promulgated from time to time by the motor vehicle administrators, and it has been impossible to do this in New Jersey, which has made it necessary to appeal to the Legislature each year to amend this section. Under this amendment, the Commissioner may promulgate all lighting regulations.

This amendment also makes compulsory the use of windshield wipers. This omission in the present law was brought forcibly to the attention of the Department during the last Safety Campaign, where it was found that the equipment of motor vehicles with windshield wipers could not legally be insisted upon.

No. 3. At present there is no penalty when a person possessing physical defects violates the conditional license granted to him or her by the Commissioner. Numerous instances occur yearly by persons who violate their conditional licenses and penalties should be created to deter future violations. This is necessary in the opinion of the Commissioner as a safeguard to life and property.

No. 4. This amendment changes the date for the issuance of registrations and licenses and for the use of licenses. The Department cannot now issue registration certificates or drivers' licenses before November fifteenth for use in the following year. It will help relieve congestion at Motor Vehicle Agencies if authority is granted to issue registration plates from November first. This section is also amended to permit the use of drivers' licenses as well as registration certificates for the following year on the fifteenth day of December of the year for which such license is issued. At the present time, the registration certificate only can be used on December fifteenth, and there seems to be no good reason why the new driving license cannot be used also. It is believed that this permission will assist the Department's efforts to obtain the co-operation of the public in applying early, and thus facilitate the work at the agencies and be for the conven-

This amendment corrects an omission in the present law of a few words which were evidently left out inadvertently when preparing previous amendments which were passed, and which now makes the section (nine-three) read in such a way as not to make sense.

This amendment further makes it necessary for the registration certificate to be available at all times when the motor vehicle is being operated. The law as originally passed used the word "holder" which was liberally construed to mean either the owner or the operator. It was impossible to impose a penalty for failure to have registration certificate in possession, unless the owner or holder of the certificate of registration happened to be in the vehicle at the time of the violation. This amendment makes it necessary for the operator or person in charge of the vehicle to have the registration card in his possession, in order to be produced on request of police officials.

The present law demands the production of the registration certificate from *the holder thereof*. It is necessary for proper law enforcement that the registration certificate be in the possession of the operator and there is no penalty at the present time if the driver or operator fails to produce the registration certificate. This situation requires immediate correction.

In the amendment to subdivision four of section nine, the Commissioner of Motor Vehicles at the place underlined has been substituted for the Secretary of State.

The Commissioner of Motor Vehicles would appear to be the proper official to receive papers to be served by registered mail on non-residents, in damage suits arising from accidents. At the time the law was originally passed, the Department of Motor Vehicles was a part of the Department of State, but since the Act of 1926 was passed separating the Department of Motor Vehicles from the Department of State, there does not appear to be any good reason for continuing the service work through the office of the Secretary of State.

No. 5. There is no provision in the law to punish fraudulent examination takers. It is essential to life and property that only competent persons be permitted to drive motor cars and when persons are detected who either take examinations for others or who procure licenses for others without the necessity of examination, they should be promptly punished.

The amendment to subdivision three of section ten simply strengthens provision nine-three which requires that the registration certificate must be in the motor vehicle

when such vehicle is operated over the highways, and that such certificate must be produced on request of a police officer or magistrate.

The amendment to subdivision four of section ten provides that omnibuses traveling through the State not registered under the New Jersey Act be permitted only the fifteen-day reciprocity privilege accorded to commercial vehicles. Omnibuses should not be given the ninety-day reciprocity privilege accorded to visiting passenger cars.

The amendment to subdivision five of section ten allows non-resident drivers to operate cars bearing New Jersey plates, during the ninety day reciprocity period, but does not allow this privilege to any non-resident driver under the age of seventeen years, or to any non-resident driver whose home State does not require a driving license.

No. 6. There are so few "M" plates issued yearly that it is advisable to discontinue the manufacture thereof and issue "D" plates.

With reference to amendment to subdivision four of section eleven, the problem of truck overloading is a serious one. It causes damage to our roads in an amount that is difficult to compute. Under our present law, the operator is promptly punished by a mandatory minimum penalty of one hundred dollars (\$100.00) with a maximum of two hundred and fifty dollars (\$250.00) for the first offense and for a subsequent offense a minimum of two hundred and fifty dollars (\$250.00) and a maximum of five hundred dollars (\$500.00). The experience of the department discloses that in most instances the operator is not primarily responsible for the overloading, and that he was merely carrying out the orders of his superior. In many instances, truck owners do not pay the fine of the truck driver and let him shift for himself and such demands have proven of great financial embarrassment. I suggest that the punishment be shifted to where it belongs. Place the responsibility for overloading upon the owner and make him, or the corporation, if it be the owner, be compelled to pay the fine for the offense. I believe it will tend to reduce the overloading violations in this State. If situations develop where the operator is responsible for the overloading, the owner is in a position to punish the operator by dismissal.

Motor vehicle inspectors discover numerous situations where trucks and other commercial vehicles are operated with badly worn solid rubber tires. Our present law provides for no punishment for such an offense. A penalty comparable to the penalty

imposed for failure to operate a motor vehicle with rubber tires is essential to mitigate this type of abuse.

The amendment to subdivision seven of section eleven allows the half-rate fee for registrations to go into effect on the first day of August, which was no doubt the original intent, but the law was not so worded.

No. 7. This amendment has been drawn to make our requirements similar to those of other states which extend the maximum height of the license plates to forty-eight inches.

No. 8. During 1930, Judge Truax of the Monmouth County Court of Common Pleas decided that he could not impose the punishment provided for a second offender because the complaint against the defendant did not set forth that he was a second offender. He was guided in his determination by *Weeks vs. State*, 101 N. J. L. P. 15 and *State vs. Garton*, 102 N. J. P. 318. Rarely is the court of the complainant in a "drunken driving" case able to determine at the time complaint is made that the defendant has been previously convicted for said offense, and should this determination of Judge Truax be followed in other jurisdictions a second offender in fact is likely to escape the penalty intended by law. No injustice will be imposed upon a defendant who *in fact* has been a previous offender, if the complaint against him does not recite a previous conviction.

There never has been a penalty imposed for a person failing to notify the Commissioner of Motor Vehicles of a change of residence; neither has there been a penalty for applying for a license at a department agency after the applicant's license has been revoked.

No. 9. This amendment to section seventeen provides a penalty for failure of a magistrate to return fines either to the Commissioner of Motor Vehicles or to the financial officer of the county. The law heretofore provided no penalty for this offense.

This amendment also provides that a magistrate must give a receipt for a fine when a defendant requests such a receipt. Countless complaints have been received by the Department from persons who have paid fines, and who have been denied receipts by the convicting magistrates. Such defendants are certainly entitled to receipts, which will also serve the double purpose of being a check on the magistrate and will assist in securing the proper return to the State or county of all moneys collected in fines for violation

of the Motor Vehicle Act. Penalty is also provided for failure to forward revoked license cards to the Commissioner.

No. 10. In section twenty-one the most important change is the addition of a table setting forth the tire sizes and the gross weight allowed for commercial vehicles bearing pneumatic tires. Previously, the law specified the table for solid-tired vehicles only.

A penalty is also provided for violation of section twenty-one, which was missing from our previous law.

No. 11. This amendment permits thirty days from the date of the *discovery* of violations as the time in which complaints may be made. This is necessary in certain cases, as violations with reference to improper applications for registrations and licenses are sometimes not discovered until more than thirty days have elapsed from the date of the application. The law at present restricts the bringing of a complaint to thirty days from the date of a violation.

No. 12. Heretofore, regardless of who made the complaint, notice of appeal has been served upon the prosecutor of the pleas. It is desired that the notice of appeal be served upon the Attorney General, where the complaint is made by a motor vehicle inspector or State police officer, in view of the fact that the Attorney General represents the State on appeal where either a motor vehicle inspector or a State Police officer is the complainant.

No. 13. The words "State Police" have been substituted for the words "State Constabulary." It is merely a technical change. There is no State Department known as the "State Constabulary."

L. 1932, c. 81, §-160

2

STATEMENT

The purpose of this act is as expressed in its title

17 39:4-129 of this Title at any time within one year after the commission of
18 the offense.

19 All complaints shall be made before a magistrate of the municipality in
20 which it is alleged that the violation occurred but in the event there shall
21 be no magistrate in said municipality, or the magistrate in said municipality
22 shall be disqualified because of his interest in said proceedings, said com-
23 plaint shall be made to a magistrate in the next nearest municipality to the
24 one in which it is alleged such a violation occurred.

1 2. This act shall take effect immediately.

STATEMENT

The purpose of this bill is to require that complaints be made and jurisdiction be vested solely in magistrates in the municipality wherein a motor vehicle violation allegedly occurred or if there be no magistrate in said municipality, in the next nearest municipality, so that the unfair practice of taking defendants to magistrates far removed from the scene of the alleged violation may be stopped.

1928 (9-21)

STATEMENT

This amendment is for the purpose of providing a uniform procedure for enforcing the provisions of Title 39 in its entirety.

The law now provides a method of enforcement only for "subtitle 1." Title 39 is divided into subtitle 1 and subtitle 2. As subtitle 2 is equally as important as subtitle 1, the same method of enforcement should apply to subtitle 2. It is for this reason that the word "subtitle" which is exclusively used in Chapter 5 is changed to the word "title."

When carrying out the primary purpose of the amendment, it was noticed there were various other sections in Chapter 5 which needed improving as follows:

39:5-8. The law at the present time does not state how forfeited bail money should be disposed of. Forfeited bail money should be treated in the same manner as fines are treated. The amendment provides for the proper disposition of forfeited bail moneys.

39:5-17. At the present time if a defendant fails to file a notice of appeal, or the appeal is not perfected, the magistrate cannot proceed on the original offense.

39:5-29. The form of conviction as it now appears in the act was ruled to be defective by the courts. A new form has therefore been inserted in the amendment.

39:5-36. This amendment provides for imprisonment in default of payment of the fine in all cases where there is no specific provision to this effect. The law as it now stands provides only for imprisonment in default of payment of fine for violations of Chapter 3. The minimum jail sentence prescribed is now left to the magistrate's discretion, who may, therefore, give one day or one hour for a \$100.00 fine. The maximum jail sentence is now one day per \$1.00. The amendment will prescribe a minimum jail sentence in sections providing for a mandatory fine, of one day per \$10.00.

Sections 39:5-40 and 39:5-41 have been amended to provide for the disposition of moneys received in Title 39. The law at the present time refers only to moneys received under Chapter 3 and certain sections of Chapter 4. This is very confusing and the amendment clarifies the sections in order to have them apply to the entire Title.

25 should the magistrates in any such municipality be disqualified because of
26 personal interest in the proceedings, or for any other legal cause, said com-
27 plaint shall be made to a magistrate in the next nearest municipality to the
28 one in which it is alleged such a violation occurred, except in those counties
29 where a county traffic court has been created or may be created. In such
30 case, complaints may be made before the magistrate of the municipality in
31 which the violation occurred or in the county traffic court, which court shall
32 have concurrent jurisdiction.

1 2. This act shall take effect immediately.

L-1951, C-25, A-648

STATEMENT

Under the statute, as presently written, where the center line of a street is the dividing line between two municipalities and a police officer in one municipality wishes to enforce the motor vehicle act in the other municipality, it is necessary for the arresting officer to go to the magistrate's court in the municipality in which the offense took place to make out a complaint and appear as a witness. At times this would necessitate the police officer taking time off from his police duties to appear in the neighboring municipality to testify in the prosecution of the case, whereas the case could be handled more efficiently and with greater speed in the municipality by which the arresting officer was employed; for instance, an arrest made on the dividing line between the city of Newark and Irvington. If the offense took place in Newark, the officer from Irvington would have to travel to the municipal court of the city of Newark to

make the complaint and again to appear as a witness. This would involve far greater travel and time than if the complaint were made in Irvington.

Every large city in the State and the smaller municipalities surrounding the same would be greatly benefited by the enactment of this legislation.

18 ing such jurisdiction be disqualified because of personal interest in the pro-
 19 ceedings, or for any other legal cause, said proceeding shall be brought be-
 20 fore a magistrate having jurisdiction in the nearest municipality to the one
 21 in which it is alleged such a violation occurred, except in those counties
 22 where there is a county traffic court. In such case, the proceeding may be
 23 brought before a magistrate as aforesaid or in the county traffic court,
 24 which court shall have concurrent jurisdiction.

1 2. This act shall take effect immediately.

L. 1959, C. 58, § 30

STATEMENT

Prosecution for a violation of R. S. 39:3-40 should not be limited by the
 30-day rule. With the revocation of license power one of the most impor-
 tant weapons in our traffic safety program, enforcement of violation of revo-
 cation is a basic necessity. In many cases at the time of arrest of a driver who
 cannot exhibit a driver's license, the arresting officer is unable to determine
 whether or not a driver is actually in the revoked status or has simply failed
 to carry his driver's license. In this circumstance he cannot properly charge
 a violation of R. S. 39:3-40, and after he has ascertained that such is actually
 the case, he may have considerable difficulty in locating the violator. This
 amendment would assure that all violators of this vital statute would have to
 answer for their true offense.

SENATE COMMITTEE AMENDMENTS TO

SENATE, No. 30

STATE OF NEW JERSEY

ADOPTED FEBRUARY 2, 1959

Amend page 1, section 1, line 8, delete "39:3-40,".

Amend page 1, section 1, line 9, add before "." "and for a violation of section 39:3-40 of this Title, at any time within 90 days after the commission of the offense".
