974.90 N.J. Commission on Taxation of Intangible  
T235 Personal Property. Report of...1945.  
1945

The report listed above is mentioned in the Statement  
to A395 set out below.

#### STATEMENT TO A 395

The purposes of this bill are:

- (1) To establish a simple and defensible tax on corporate  
business in lieu of an ad valorem tax on intangible  
personalty and the present capital stock tax, as part  
of the program recommended in the Report of the Commission  
on Taxation of Intangible Personal Property (March 26, 1945),  
to eliminate "tax lightning" on intangibles.

- (2) To provide a yield sufficient to justify the abandonment of the present authorized tax on corporate intangibles. It is estimated that this yield will be between \$6,000,000 and \$7,000,000 annually, beginning in 1946.
- (3) To provide a tax base which would relieve the burden of taxes on real estate throughout the State. This is accomplished by applying \$4,000,000 of the anticipated yield to reduce the State school tax on local property.
- (4) To have due regard for the tremendous tax burdens of the present day and for the competitive conditions that exist between New Jersey and its neighboring States, in taking this first step in State-wide corporate tax adjustment since 1884.

Hearings were held and recorded.

STATEMENT TO A464

This bill incorporates the several changes in the Corporation Business Tax Act (1945) recommended in the Second Report of the Commission on State Tax Policy.

The bill also provides for a "Short Rate Table" which may be used by corporations having total assets of less than one hundred thousand dollars (\$100,000.00), in lieu of the detailed form of tax return now required. It is estimated that some twenty-five thousand domestic and foreign corporations will be able to compute their tax on this convenient basis.

The bill also contains a number of changes in the corporate franchise tax law which a year's experience in its administration has proved to be desirable. These administrative changes are recommended by the Department of Taxation and Finance.

Assembly Bill No. 464 shows that the definition of "Regulated Investment company" was deleted and that a new term, "Investment company" was defined. (Copy of original A464 § 4 (f) enclosed).

"Investment Company" was defined in L 1947, C. 50 s 4 (f) as,

(f) "Investment company" shall mean any corporation whose business during the period covered by its report consisted, to the extent of at least ninety per centum (90%), thereof of holding, investing and reinvesting in stocks, bonds, notes, mortgages, debentures, patents patent rights and other securities for its own account, but this shall not include any corporation which:  
(1) is a merchant or a dealer of stocks, bonds and other securities, regularly engaged in buying the same and selling the same to customers; or (2) had less than ninety per centum (90%) of its average gross assets in New Jersey, at cost, invested in stocks, bonds, debentures, mortgages, notes, patents, patent rights or other securities or consisting of cash on deposit during the period covered by its report; or (3) owned more than ten per centum (10%) of either the aggregate outstanding shares of capital stock of all classes entitled to vote, or of the aggregate outstanding shares of nonvoting capital stock of any other corporation, during the period covered by its report.

"(g) Regulated investment company shall mean any corporation which, for a period covered by its report, is registered and regulated under the Investment Company Act of 1940 (54 Stat. 789), as amended."

The statement to A552 reads:

The object of this bill is to prescribe a more equitable measure for the assessment of the tax on regulated investment companies doing business in New Jersey. Neighboring States have accorded more favorable and realistic tax treatment to regulated investment companies and there has been an exodus of such companies from the State. This bill is designed to remedy this situation.

This amendment which deleted § 4 (f) (3) was not amended during passage and had no statement of purpose.

ASSEMBLY, No. 464

STATE OF NEW JERSEY

INTRODUCED MARCH 24, 1947

By Mr. DIXON

*Referred to Committee on Taxation*

AN Act to amend and supplement "An act to provide for the imposition of a franchise tax upon certain corporations and for the distribution of the proceeds thereof, repealing sections 54:13 1 through 54:13 8 and chapter thirty-two-A of Title 54 of the Revised Statutes, and making an appropriation for the administration of such tax," approved April thirteenth, one thousand nine hundred and forty-five (P. L. 1945, c. 162).

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

1 1. Section four of the act of which this act is amendatory is amended  
2 to read as follows:

3 4. For the purposes of this act, unless the context requires a different  
4 meaning:

6 tion of the State Department of Taxation and Finance.

20 centum (10%) or more of the aggregate outstanding shares of the taxpay-  
21 er's capital stock of all classes, as of the close of a calendar or fiscal year.  
22 However, if in the opinion of the commissioner, the corporation's books do  
23 not disclose fair valuations the commissioner may make a reasonable deter-  
24 mination of the net worth which, in his opinion, would reflect the fair value of  
25-26 the assets carried on the books of the corporation, in accordance with sound  
27 accounting principles, and such determination shall be used as net worth for  
28 the purpose of this act.

29 (c) "Indebtedness owing directly or indirectly" shall include, without  
30 limitation thereto, all indebtedness owing to any stockholder or shareholder  
31 and to members of his immediate family where a stockholder and members

33 (10%) or more of the aggregate outstanding shares of the taxpayer's capi-  
34 tal stock of all classes.

35 (f) "Investment company" shall mean any corporation whose business  
36 during the period covered by its report consisted, to the extent of at least  
37 ninety per centum (90%) thereof of holding, investing and reinvesting in

39 other securities for its own account, but this shall not include any corpora-  
40 tion which: (1) is a merchant or a dealer of stocks, bonds and other secur-  
41 ities, regularly engaged in buying the same and selling the same to cus-  
42 tomers; or (2) had less than ninety per centum (90%) of its average gross  
43 assets in New Jersey, at cost, invested in stocks, bonds, debentures, mort-  
44 gages, notes, patents, patent rights or other securities or consisting of cash  
45 on deposit during the period covered by its report; or (3) owned more than  
46 ten per centum (10%) of either the aggregate outstanding shares of capi-

47 tal stock of all classes entitled to vote, or of the aggregate outstanding shares  
 47A of nonvoting capital stock, of any other corporation, during the period cov-  
 47B ered by its report.

48 (g) "Taxpayer" shall mean any corporation required to report or to  
 49 pay taxes, interest or penalties under this act.

50 (h) "Fiscal year" shall mean an accounting period ending on any day  
 51 other than the last day of December.

52 (i) "Privilege year" shall mean the calendar year in and for which a  
 53 tax is payable under this act.

1 2. Section five of the act of which this act is amendatory is amended to  
 2 read as follows:

3 5. The franchise tax to be annually assessed to and paid by each tax-  
 4 payer shall be measured by the greater of:

5 (a) that portion of its entire net worth as may be allocable to this  
 6 State as provided in section six; or

7 (b) that proportion of its entire net worth as the average value of  
 8 its total assets in this State during the period covered by its report is to  
 9 the average value of its total assets everywhere during such period (for  
 10 the purpose of which there shall be included as within this State all in-  
 11 tangible personal property of domestic corporations not having a busi-  
 12 ness situs outside this State, one-half of the value of such property having  
 13 a business situs outside this State, and the entire amount of the  
 14 intangible personal property of foreign corporations as would have  
 15 a business situs within this State for the purpose of a property tax);  
 16 at the rate of 8/10 of a mill per dollar on the first one hundred million dollars  
 17 (\$100,000,000.00) of allocated net worth; 4/10 of a mill per dollar on the  
 18 second hundred million dollars (\$100,000,000.00); 3/10 of a mill per dollar on

 20 per dollar on all amounts of allocated net worth in excess of three hundred

 24 twenty-five per centum (25%) of its entire net worth, at the rates here-  
 25 inabove set forth but in no case less than one hundred dollars (\$100.00),

 27-33 subsection of this section.

34 (d) The tax assessed to any taxpayer pursuant to this act, notwith-  
 35 standing the provisions of the preceding subsections of this section, shall  
 36 not be less than the greater of 2/10 of a mill per dollar of total assets al-  
 37 located to this State in accordance with subsection (b) hereof, and  
 38 twenty-five dollars (\$25.00) in the case of a domestic corporation, or fifty  
 39 dollars (\$50.00) in the case of a foreign corporation.

40 (e) In lieu of the tax imposed by subsections (a), (b), (c) and (d)  
 41 of this section, any taxpayer, the value of whose total assets everywhere,  
 42 less reasonable reserves for depreciation, as of the close of the period  
 43 covered by its report, amounts to less than one hundred thousand dollars

1       3. Section ten of the act of which this act is amendatory is amended to  
2 read as follows:

3       10. Whenever it shall appear to the commissioner that any taxpayer con-  
4 ducts its business or maintains its records in such manner as either directly  
5 or indirectly to distort its true net worth under this act or the proportion  
6 thereof properly allocable to this State, or that any taxpayer maintains a  
7 place of business outside this State, or that any agreement, understanding  
8 or arrangement exists between a taxpayer and any other corporation or any  
9 person or firm, for the purpose of evading tax under this act, or whereby the  
10 activity, business, receipts or net worth of the taxpayer is improperly or  
11 inaccurately reflected, the commissioner is authorized and empowered in his  
12 discretion and in such manner as he may determine to adjust and redeter-  
13 mine such net worth, and to adjust items of gross receipts, tangible property  
14 and payrolls within and without the State and the allocation of net worth,  
15 or to make such other adjustments in any tax report or tax returns as may  
16 be necessary. The commissioner may require any person or corporation to  
17 submit such information under oath, or to permit such examination of its  
18 books, papers and documents, as may be necessary to enable him to de-  
19 termine the existence, nature or extent of an agreement, understanding or  
20 arrangement to which this section relates, whether or not such person or  
21 corporation is subject to the tax imposed by this act.

1       4. Section eleven of the act of which this act is amendatory is amended  
2 to read as follows:

3       11. Any receiver, referee, trustee, assignee or other fiduciary, or any  
4 officer or agent appointed by any court, to conduct the business or conserve  
5 the assets of any corporation shall be subject to the tax imposed by this act  
6 in the same manner and to the same extent as a corporation hereunder.

1       5. Section thirteen of the act of which this act is amendatory is amended  
2 to read as follows:

3       13. In the case of any corporation which organizes or qualifies on or  
4 after January first in any year no tax shall be payable in such privilege

5 year; *provided, however*, that this section shall not apply to a foreign cor-  
6 poration, which after January first, one thousand nine hundred and thirty-  
7 seven, and prior to the year in which it qualifies, possessed the privilege of  
8 exercising its corporate franchise in this State, or did business, or employed  
9 or owned capital or property, or maintained an office in this State.

1     6. Section fifteen of the act of which this act is amendatory is amended  
2 to read as follows:

3     15. The tax imposed by this act shall be due and payable with respect  
4 to the calendar year one thousand nine hundred and forty-six, and each year  
5 thereafter, measured by the taxpayer's net worth as of the close of the calen-  
6 dar year or of its fiscal year next preceding the privilege year, except that  
7 in the case of a taxpayer whose fiscal year ends not later than June thirtieth  
8 in the privilege year such measure shall be as of the close of such fiscal year.  
9 For the purpose of this section every taxpayer shall use the same calendar  
10 or fiscal year upon which it reports to the United States Treasury Depart-  
11 ment for Federal income tax purposes.

1     7. Section seventeen of the act of which this act is amendatory is  
2 amended to read as follows:

3     17. (a) On or before the fifteenth day of April, in the case of taxpayers  
4 reporting on a calendar year basis, and on or before the fifteenth day of  
5 April or the fifteenth day of the fourth month following the close of  
6 a fiscal year, whichever is later, in the case of taxpayers reporting on a  
7 fiscal year basis, each taxpayer shall duly execute and file a tax return with  
8 the commissioner, in such form and containing such information as he may  
9 prescribe, which return shall truly and accurately, set forth its liability  
10 under this act; and the full amount of the tax hereunder shall be due and pay-  
11 able to the commissioner on or before the date prescribed herein for the filing  
12 of the return; *provided, however*, that for the privilege year one thousand  
12a nine hundred and forty-seven any return and tax payment which under the  
12b foregoing provisions of this section would be due on or before the fifteenth  
12c day of April or on or before the fifteenth day of May shall be due on or be-

12b fore the thirty-first day of May, one thousand nine hundred and forty-seven.

13 (b) Any taxpayer which shall fail to file its return when due shall be  
14 liable to a penalty of two dollars (\$2.00) for each day of delinquency, which  
15 penalty shall be payable to, and recoverable by, the commissioner as a part  
16 of the tax herein imposed. If any tax be not paid when the same becomes  
17 due, as herein provided, there shall be added to the amount of the tax a sum  
18 equivalent to five per centum (5%) thereof, as a penalty, and, in addition  
19 thereto, interest at the rate of one per centum (1%) per month or fraction  
20 thereof from the date the tax became due until the same be paid. The com-  
21 missioner, if satisfied that the failure to comply with any provision of this  
22 section was excusable, may abate or remit the whole or part of any penalty.

1 8. Section nineteen of the act of which this act is amendatory is amended  
2 to read as follows:

3 19. The commissioner may grant a reasonable extension of time for the  
4 filing of returns or the payment of tax, or both, under such rules and regula-  
5 tions as he shall prescribe, which rules and regulations may require the filing  
6 of a tentative return and the payment of an estimated tax, but no such ex-  
7 tension shall be granted beyond the first day of December of the privilege  
8 year. If the time for filing the return shall be extended, the payment of the  
9 portion of the tax remaining to be paid, if any, shall be postponed to the date  
10 fixed by the extension of the time for the filing of the return, but in every  
11 such case the corporation shall pay, in addition to the unpaid portion of the  
12 tax, interest thereon at the rate of six per centum (6%) per annum from the  
13 time when the return originally was required to be filed to the date of actual  
14 payment under the extension; *provided*, that if such unpaid portion of the tax  
15 is not paid within the time fixed under the extension, the interest on such un-  
16 paid portion shall be computed at the rate of one per centum (1%) per month  
17 or fraction thereof to be calculated from the date the tax was originally due to  
18 the date of actual payment.

1 9. Section twenty-three of the act of which this act is amendatory is  
2 amended to read as follows:

3 23. The administration, collection and enforcement of the tax imposed by  
4 this act shall be subject to the provisions of the State tax uniform procedure  
5 law as therein provided (chapters forty-eight through fifty-two of Title 54  
6 of the Revised Statutes) to the extent that the provisions of such law are  
7 not inconsistent with any provision of this act.

1 10. The act of which this act is amendatory and supplementary is  
2 amended by adding a new section, numbered 19:1, to read as follows:

3 19:1. (a) After a final return in due form is filed, the commissioner shall  
4 cause the same to be examined and may make such further audit or in-  
5 vestigation or reaudit as he may deem necessary, and if therefrom he shall  
6 determine that there is a deficiency with respect to the payment of any tax  
7 due under this act, he shall assess or reassess the additional taxes, penalties  
8 and interest due the State, give notice of such assessment or reassessment  
9 to the taxpayer, and make demand upon him for payment. There shall be  
10 added to the amount of any deficiency assessment or reassessment interest  
11 at the rate of one per centum (1%) for each month or fraction thereof to be  
12 calculated from the date the tax was originally due and payable until the  
13 date of actual payment. If the failure to pay any such tax when due is ex-  
14 plained to the satisfaction of the commissioner, he may remit or waive the  
15 payment of any interest charge in excess of the rate of one-half of one per  
16 centum ( $\frac{1}{2}\%$ ) per month.

17 (b) Except in the case of a willful, false or fraudulent return with in-  
18 tent to evade the tax, the amount of tax due under any return duly made  
19 under this act shall be finally determined by the commissioner within five  
20 years after such return shall have been filed.

1 11. The act of which this act is amendatory and supplementary is  
2 amended by adding a new section, numbered 19:2, to read as follows:

3 19:2. (a) Any aggrieved taxpayer may, within three months after any  
4 decision, order, finding, assessment or action of the commissioner made pur-

5 suant to the provisions of this act, appeal therefrom to the Division of Tax  
6 Appeals, by filing a petition of appeal with said division in the manner and  
7 form prescribed by the said division and on giving security, approved by the  
8 commissioner, conditioned to pay the tax heretofore levied, if the same re-  
9 mains unpaid, with interest and costs.

10 (b) No such appeal shall stay the collection of any tax or the enforce-  
11 ment of the same by entry as a judgment, unless by order of such division,  
12 and then only after security approved by the commissioner or said division  
13 has been furnished to the commissioner. The judgment or order of the Divi-  
14 sion of Tax Appeals respecting any matter arising under the provisions of  
15 this subtitle may be reviewed by certiorari in the same manner as other judg-  
16 ments of said division.

1 12. This act shall take effect immediately, and shall apply to taxes due  
2 and payable in the year one thousand nine hundred and forty-seven and  
3 thereafter.

MAY 21, 1971

FOR RELEASE  
IMMEDIATE

Governor William T. Cahill today signed into law Assembly Bill 2510 which amends the Corporation Business Tax Act by deleting the ten percent stock ownership requirements in the case of investment companies.

"The effect of such an amendment," the Governor said, "permits a corporation otherwise qualified, to obtain the benefits of the twenty-five percent allocation provision although it may hold ten percent or more of the stock of another corporation. This means that such companies will pay taxes on the basis of twenty-five percent of their net income and twenty-five percent of their net worth instead of 100 percent as previously required."

At the same time, the Governor stressed that "there would be no revenue loss from existing taxpayers" under the provisions of this legislation. He said that a survey of the 300 largest corporate tax returns plus a random survey of other corporate tax returns confirmed this.

"While there will be no anticipated loss of revenue to the State," the Governor said, "the signing of this bill should stimulate more companies to locate in New Jersey with resultant increased job opportunities and added revenues to the State."

Present at the signing was Russell McFall, President of the Western Union Telegraph Company. McFall's interest in the legislation was manifested by this announcement that Western Union will be the first company to take advantage of the legislation by relocating in New Jersey.

The Governor said that on September 1st, Western Union, a corporation that qualifies under the new legislation, will move from New York City to Mahwah.

The Governor went on to say that this would not be the only benefit to the State of New Jersey "in as much as investment companies today

transportation problem. The tax would be retroactive to January 1, 1971.

 7 ment of this act. He shall cause a supply thereof to be printed and  
 8 shall furnish appropriate blank forms to each taxpayer upon  
 9 application or otherwise as he may deem necessary. Failure to  
 10 receive a form shall not relieve any taxpayer from the obligation  
 11 to file a return under the provisions of this act. Each such return  
 12 shall be made upon the oath or affirmation [of the president, vice-  
 13 president, or secretary or treasurer of a corporation, or] of a

1 7. Section 4 of P. L. 1945, c. 162 (C. 54:10A-4) is amended to

3 4. For the purposes of this act, unless the context requires a  
4 different meaning:

5 (a) "Commissioner" shall mean the Director of the Division  
6 of Taxation of the State Department of the Treasury.

7 (b) "Allocation factor" shall mean the proportionate part of  
8 a taxpayer's net worth or entire net income used to determine a  
9 measure of its tax under this act.

10 (c) "Corporation" shall mean any corporation, joint-stock com-  
11 pany or association and any business conducted by a trustee or  
12 trustees wherein interest or ownership is evidenced by a certificate  
13 of interest or ownership or similar written instrument.

14 (d) "Net worth" shall mean the aggregate of the values dis-  
15 closed by the books of the corporation for (1) issued and outstand-  
16 ing capital stock, (2) paid-in or capital surplus, (3) earned surplus  
17 and undivided profits, (4) surplus reserves which can reasonably  
18 be expected to accrue to holders or owners of equitable shares, not  
19 including reasonable valuation reserves, such as reserves for de-  
20 preciation or obsolescence or depletion, and (5) the amount of all  
21 indebtedness owing directly or indirectly to holders of 10% or more  
22 of the aggregate outstanding shares of the taxpayer's capital stock  
23 of all classes, as of the close of a calendar or fiscal year. The fore-  
24 going aggregate of values shall be reduced by 50% of the amount  
25 disclosed by the books of the corporation for investment in the  
26 capital stock of one or more subsidiaries, which investment is de-  
27 fined as ownership (1) of at least 80% of the total combined voting  
28 power of all classes of stock of the subsidiary entitled to vote and  
29 (2) of at least 80% of each class, if any, of nonvoting stock. In  
30 the case of investment in an entity organized under the laws of a  
31 foreign country, the foregoing requisite degree of ownership shall  
32 effect a like reduction of such investment from net worth of the  
33 taxpayer, if the foreign entity is considered a corporation for any  
34 purpose under the United States Federal income tax laws, such as  
35 (but not by way of sole examples) for the purpose of supplying  
36 deemed-paid foreign tax credits or for the purpose of status as a  
37 controlled foreign corporation. In calculating the net worth of a  
38 taxpayer entitled to reduction for investment in subsidiaries, the  
39 amount of liabilities of the taxpayer shall be reduced by such pro-  
40 portion of the liabilities as corresponds to the ratio which the ex-  
41 cluded portion of the subsidiary values bears to the total assets  
42 of the taxpayer.

43 If in the opinion of the commissioner, the corporation's books  
44 do not disclose fair valuations the commissioner may make a rea-  
45 sonable determination of the net worth which, in his opinion, would  
46 reflect the fair value of the assets, exclusive of subsidiary invest-  
47 ments as defined aforesaid, carried on the books of the corporation,  
48 in accordance with sound accounting principles, and such determi-  
49 nation shall be used as net worth for the purpose of this act.

50 (e) "Indebtedness owing directly or indirectly" shall include,  
51 without limitation thereto, all indebtedness owing to any stock-  
52 holder or shareholder and to members of his immediate family

55 outstanding shares of the taxpayer's capital stock of all classes.

56 (f) "Investment company" shall mean any corporation whose  
57 business during the period covered by its report consisted, to the  
58 extent of at least 90% thereof of holding, investing and reinvesting  
59 in stocks, bonds, notes, mortgages, debentures, patents, patent  
60 rights and other securities for its own account, but this shall not  
61 include any corporation which: (1) is a merchant or a dealer of  
62 stocks, bonds and other securities, regularly engaged in buying the  
63 same and selling the same to customers; or (2) had less than 90%  
64 of its average gross assets in New Jersey, at cost, invested in  
65 stocks, bonds, debentures, mortgages, notes, patents, patent rights  
66 or other securities or consisting of cash on deposit during the period  
67 covered by its report or (3) is a banking corporation or a financial  
68 business corporation as defined in the Corporation Business Tax  
69 Act.

70 (g) "Regulated investment company" shall mean any corpora-  
71 tion which for a period covered by its report, is registered and  
72 regulated under the Investment Company Act of 1940 (54 Stat.  
73 789), as amended.

74-75 (h) "Taxpayer" shall mean any corporation required to report  
76 or to pay taxes, interest or penalties under this act.

77 (i) "Fiscal year" shall mean an accounting period ending on  
78 any day other than the last day of December on the basis of which  
79 the taxpayer is required to report for Federal income tax purposes.

81 the calendar or fiscal accounting period for which a tax is payable  
82 under this act.

83 (k) "Entire net income" shall mean total net income from all  
84 sources, whether within or without the United States, and shall  
85 include the gain derived from the employment of capital or labor,

86 or from both combined, as well as profit gained through a sale or  
87 conversion of capital assets. For the purpose of this act, the  
88 amount of a taxpayer's entire net income shall be deemed prima  
89 facie to be equal in amount to the taxable income, before net op-  
90 erating loss deduction and special deductions, which the taxpayer  
91 is required to report to the United States Treasury Department  
92 for the purpose of computing its Federal income tax; provided,  
93 however, that in the determination of such entire net income,

94 (1) Entire net income shall exclude 100% of dividends which  
95 were included in computing such taxable income for Federal income  
96 tax purposes, paid to the taxpayer by one or more subsidiaries  
97 owned by the taxpayer to the extent of the 80% or more owner-  
98 ship of investment described in subsection (d) of this section. With  
99 respect to other dividends, entire net income shall not exclude 50%  
100 of the total included in computing such taxable income for Federal  
101 income tax purposes;

102 (2) Entire net income shall be determined without the exclusion,  
103 deduction or credit of:

104 (A) the amount of any specific exemption or credit allowed in  
105 any law of the United States imposing any tax on or measured by  
106 the income of corporations;

107 (B) any part of any income from dividends or interest on any  
108 kind of stock, securities or indebtedness, except as provided in  
109 subsection (k)(1) of this section;

110 (C) taxes paid or accrued to the United States on or measured  
111 by profits or income, or the tax imposed by this act, or any tax  
112 paid or accrued with respect to subsidiary dividends excluded from  
113 entire net income as provided in subsection (k)(1) of this section;

114 (D) net operating losses sustained during any year or period  
115 other than that covered by the report;

116 (E) 90% of interest on indebtedness owing directly or indirectly  
117 to holders of 10% or more of the aggregate outstanding shares of  
118 the taxpayer's capital stock of all classes; except that such interest  
119 may, in any event, be deducted

120 (i) up to an amount not exceeding \$1,000.00,

121 (ii) in full to the extent that it relates to bonds or other  
122 evidences of indebtedness issued, with stock, pursuant to a  
123 bona fide plan of reorganization, to persons, who, prior to  
124 such reorganization, were bona fide creditors of the corpora-  
125 tion or its predecessors, but were not stockholders or share-  
126 holders thereof;

127 (3) The commissioner may, whenever necessary to properly

128 reflect the entire net income of any taxpayer, determine the year or

130 without being limited to the method of accounting employed by  
131 the taxpayer.

132 (l) "Real estate investment trust" shall mean any unincor-  
133 porated trust or unincorporated association qualifying and electing  
134 to be taxed as a real estate investment trust under Federal law.

135 (m) "*Financial business corporation*" shall mean any corporate  
136 enterprise which is (1) in substantial competition with the business  
137 of national banks and which (2) employs moneyed capital with the  
138 object of making profit by its use as money, through discounting and  
139 negotiating promissory notes, drafts, bills of exchange and other  
140 evidences of debt; buying and selling exchange; making of or deal-  
141 ing in secured or unsecured loans and discounts; dealing in securities  
142 and shares of corporate stock by purchasing and selling such secu-  
143 rities and stock without recourse, solely upon the order and for the  
144 account of customers; or investing and reinvesting in marketable  
145 obligations evidencing indebtedness of any person, copartnership,  
146 association or corporation in the form of bonds, notes or debentures  
147 commonly known as investment securities; or dealing in or under-  
148 writing obligations of the United States, any State or any political  
149 subdivision thereof, or of a corporate instrumentality of any of  
150 them. This shall include, without limitation of the foregoing busi-

1 8. (New section) The aggregate amount of tax, penalty and

11 taxing districts of this State during the tax year. The tax, penalty  
12 and interest collected by the director shall be apportioned one-half  
13 to the State, one-quarter to such county and one-quarter to the  
14 taxing districts in which the financial business corporation has an

17 the receipts at all offices of such financial business corporations in  
18 such county during the taxpayers' fiscal or calendar year accounting  
19 period bear to the total receipts of all offices of such financial  
20 business corporations in this State during the taxpayers' fiscal or  
21 calendar year accounting period. Each taxing district is entitled  
22 to that proportion of one-quarter of the tax collected by the  
23 director as the receipts at all offices of such financial business  
24 corporations in such district during the taxpayers' fiscal or calendar  
25 year accounting period bear to the total receipts of all offices of  
26 such financial business corporations in such county during the tax-  
27 payers' fiscal or calendar year accounting period. The director  
28 shall forthwith certify such apportionment to the State Treasurer

STATEMENT

This bill is presented as part of the business tax reform package of the Assembly Taxation Committee. It replaces an unfair tax with a fairer one, and does not cost the State any revenue.

ASSEMBLY TAXATION COMMITTEE

STATEMENT TO

ASSEMBLY, No. 3339

STATE OF NEW JERSEY

DATED: APRIL 28, 1975

This bill proposes to bring corporations now taxed under the Financial Business Tax Act under the provisions of the Corporation Franchise Tax Act. It is in keeping with the action of the committee in releasing Assembly Bill No. 1915 (OCR) favorably which brings Banking Corporations under the Corporation Franchise Tax Act, but remains inoperative until Assembly Bill No. 1915 is enacted.

Provision is made in the bill for the apportionment of receipts under this act among the counties and municipalities in the same account and same proportion as is presently made under the Financial Business Tax Act.

Furthermore, a "save harmless" provision is incorporated in the bill to insure that the revenues under this bill are equal to or greater than those due in 1975 under the Financial Business Tax Act.

The committee believes this to be a bill which should be acted upon favorably by the Legislature as a further step in restructuring business taxes in the State.

I have signed into law the supplemental appropriations bill and the tax and other revenue bills to finance it. These revenues will keep the buses and trains in operation and will restore the other programs that a majority of the Legislature adjudged to be vital to the public welfare.

Even with these restorations, New Jersey remains the most tight-fisted state in the nation. We will spend in this fiscal year about \$75 million less than we spent last year, despite the toll of continuing inflation which falls as heavily on government as it does on household budgets. And this Administration will continue its effort to cut corners and realize further economies wherever possible to make stretch every tax dollar as far as it will go.

The new taxes included in this revenue package are far less regressive than some of the taxes that the Legislature considered and wisely rejected. For the most part, the burden falls most heavily on segments of the economy that are able to bear that additional burden. And one of them -- the capital gains or unearned income tax -- is truly progressive.

Nevertheless, I take no particular pride in signing these taxes into law. And I noticed that few members of the Legislature exhibited much pride in enacting them. For this is strictly a stopgap revenue program and we must not lose sight of what it fails to do, as well as what it accomplishes.

This revenue package does nothing to meet our commitment -- the Legislature's and mine -- to fund the new education formula under which the State is to assume a greater portion of the costs of operating our public schools. The State Supreme Court has ordered that this be done and the Legislature has publicly declared its intention to deal with that commitment beginning on November 10.

This revenue package does nothing to reform New Jersey's patchwork tax structure and provide relief from rising and too often confiscatory property taxes, a goal to which I remain personally committed. The most we can say for these new taxes is that they will not make that tax structure measurably more regressive than it is.

And several of the bills I signed today are, by design, temporary sources of revenue. The funds they provide will, of necessity, have to be replaced from some other source next year if the programs they finance are to continue. These temporary measures, together with other fiscal facts of life, increase the already inevitable need for substantial new revenues next year.

The Legislature has demonstrated dramatically in the past several months that there are no easy taxes -- nor should there be. The true test of a potential new tax or tax increase should not be whether it will be easy to pass, but how equitably its burden will be distributed on those who will pay it.

I am confident that the Legislature will work for true tax reform in addressing our unmet obligations in the months ahead. I will, as always, be ready to work with it in a pursuit of that goal.

ASSEMBLY, No. 395

STATE OF NEW JERSEY

INTRODUCED MARCH 27, 1945

By Mr. W. H. JONES

Referred to Committee on Judiciary

AN ACT to provide for the imposition of a franchise tax upon certain corporations and for the distribution of the proceeds thereof, repealing sections 54:13-1 through 54:13-8 and chapter thirty-two-A of Title 54, of the Revised Statutes, and making an appropriation for the administration of such tax.

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

1 1. This act shall be known as the Corporation Business Tax Act (1945).

1 2. Every domestic or foreign corporation which is not hereinafter ex-  
2 empted shall pay an annual franchise tax for the year one thousand nine  
3 hundred and forty-six and each year thereafter, as hereinafter provided, for  
4 the privilege of having or exercising its corporate franchise in this State,  
5 or for the privilege of doing business, employing or owning capital or prop-  
6 erty, or maintaining an office, in this State. And such franchise tax shall  
7 be in lieu of all other State, county or local taxation upon or measured by  
8 intangible personal property used in business by corporations liable to  
9 taxation under this act.

1 3. The following corporations shall be exempt from the tax imposed by  
2 this act:

3 (a) corporations subject to a tax under the provisions of article  
4 two of chapter thirteen of Title 54 of the Revised Statutes, or to a tax as-  
5 sessed upon the basis of gross receipts or insurance premiums collected;

6 (b) railway, canal or banking corporations, savings banks;

7 (c) cemetery corporations not conducted for pecuniary profit of any  
8 private shareholder or individual;

9 (d) non-profit corporations, associations or organizations estab-  
10 lished, organized or chartered, without capital stock, under the provisions  
11 of Titles 15, 16 or 17 of the Revised Statutes, or under a special charter  
12 or under any similar general or special law of this or any other State,  
13 and not conducted for pecuniary profit of any private shareholder or  
14 individual;

15 (e) corporations subject to a tax under the provisions of chapter  
16 four of the laws of one thousand nine hundred and forty, or chapter five  
17 of the laws of one thousand nine hundred and forty, or any statute or  
18 law imposing a similar tax or taxes.

1 4. For the purposes of this act, unless the context requires a different  
2 meaning:

3 "Commissioner" shall mean the director of the division of taxation of  
4 the State Department of Taxation and Finance.

5 "Allocation factor" shall mean the proportionate part of a taxpayer's  
6 net worth used to determine a measure of its tax under this act.

7 "Corporation" shall mean any corporation, joint-stock company or  
8 association and any business conducted by a trustee or trustees wherein  
9 interest or ownership is evidenced by a certificate of interest or ownership  
10 or similar written instrument.

11 "Net worth" shall mean the fair market value of a taxpayer's total  
12 assets less liabilities (in the determination of which the commissioner may  
13 consider book value, earnings value and the aggregate market value of a  
14 corporation's capital stock) plus the amount of all indebtedness owing di-  
15 rectly or indirectly to holders of ten per centum (10%) or more of the  
16 aggregate fair market value of the taxpayer's capital stock, as of the close  
17 of a calendar or fiscal year.

18 "Taxpayer" shall mean any corporation required to report or to pay  
19 taxes, interest or penalties under this act.

20 "Fiscal year" shall mean an accounting period ending on the last day  
21 of any month other than December.

22 "Privilege year" shall mean the calendar year in and for which a tax  
23 is payable under this act.

1 5. The franchise tax to be annually assessed to and paid by each tax-  
2 payer shall be measured by the greater of:

3 (a) that portion of its entire net worth as may be allocable to this  
4 State as provided in section six; or

5 (b) that proportion of its entire net worth as the average value of  
6 its assets in this State during the period covered by its report is to the  
7 average value of its assets everywhere during such period (for the pur-  
8 pose of which there shall be included as within this State all intangi-  
9 ble personal property of domestic corporations, and such intangible per-  
10 sonal property of other corporations as would have a business situs  
11 within this State for the purpose of a property tax)

12 at the rate of  $\frac{8}{10}$  of a mill on the first one hundred million dollars  
13 (\$100,000,000.00) of allocated net worth;  $\frac{4}{10}$  of a mill on the second one  
14 hundred million dollars (\$100,000,000.00);  $\frac{3}{10}$  of a mill on the third one  
15 hundred million dollars (\$100,000,000.00); and  $\frac{2}{10}$  of a mill on all amounts  
16 of allocated net worth in excess of three hundred million dollars (\$300,000,-  
17 000.00); but not less than twenty-five dollars (\$25.00) in the case of domes-  
18 tic corporations, or fifty dollars (\$50.00) in the case of foreign corporations.

1 6. In the case of a taxpayer which maintains a regular place of business  
2 outside this State other than a statutory office, the portion of its entire net  
3 worth to be used as a measure of the tax imposed by section five (a) of this  
4 act shall be determined by multiplying such entire net worth by an alloca-  
5 tion factor which shall be the average of the fractions computed in (A),  
6 (B) and (C) below, or of so many of them as may be applicable, that is:

7 (A) The average value of the taxpayer's real and tangible personal  
8 property within the State during the period covered by its report divided

9 by the average value of all the taxpayer's real and tangible personal prop-  
10 erty wherever situated during such period;

11 (B) The receipts of the taxpayer, computed on the cash or accrual  
12 basis according to the method of accounting used in the computation of its  
13 net income for Federal tax purposes, arising during such period from

14 (1) sales of its tangible personal property located within the State  
15 at the time of the receipt of or appropriation to the orders,

16 (2) sales of any such property not located at the time of the receipt  
17 of or appropriation to the orders at any permanent or continuous place  
18 of business maintained by the taxpayer without the State, where the  
19 orders were received or accepted within the State,

20 (3) services performed within the State,

21 (4) rentals from property situated, and royalties from the use of  
22 patents or copyrights, within the State,

23 (5) all other business receipts earned within the State,

24 divided by the total amount of the taxpayer's receipts, similarly computed,  
25 arising during such period from all sales of its tangible personal property,  
26 services, rentals, royalties and all other business receipts, whether within or  
27 without the State;

28 (C) The total wages, salaries and other personal service compensation,  
29 similarly computed, during such period of officers and employees within the  
30 State divided by the total wages, salaries and other personal service com-  
31 pensation, similarly computed, during such period of all the taxpayer's  
32 officers and employees within and without the State; *provided*, that the  
33 amount of compensation in excess of twenty-five thousand dollars  
34 (\$25,000.00) per annum of any individual officer or employee shall be  
35 excluded from both the numerator and the denominator of such fraction.

1 7. As used in section six (C), compensation of officers and employees  
2 within this State shall include the entire amount of wages, salaries and  
3 other personal service compensation for services performed within or both  
4 within and without this State if:

5 (a) The service is performed entirely within this State; or

6 (b) The service is performed both within and without this State,  
7 but the service performed without this State is incidental to the  
8 individual's service within the State, for example, is temporary or  
9 transitory in nature or consists of isolated transactions;

10 (c) The service is not performed entirely in any State but some of  
11 the service is performed in this State, and (1) the base of operation,  
12 or, if there is no base of operations, then the place from which such  
13 service is directed or controlled, is in this State; or (2) the base of  
14 operations or place from which such service is directed or controlled is  
15 not in any State in which some part of the service is performed, but the  
16 individual's residence is in this State;

17 (d) Contributions are not required and paid with respect to such  
18 services under an unemployment compensation law of any other State.

1 8. If it shall appear to the commissioner that an allocation factor de-  
2 termined pursuant to section six does not properly reflect the activity, busi-  
3 ness, receipts or capital of a taxpayer reasonably attributable to the State,  
4 he may adjust it by:

5 (a) excluding one or more of the factors therein;

6 (b) including one or more other factors, such as expenses, pur-  
7 chases, contract values (minus subcontract values);

8 (c) excluding one or more assets in computing entire net worth; or

9 (d) applying any other similar or different method calculated to  
10 effect a fair and proper allocation according to the receipts, activity,  
11 business and capital reasonably attributable to the State.

12 The commissioner shall from time to time publish his rulings with respect  
13 to any application of the provisions of this section. Nothing herein shall  
14 be construed to require or permit the commissioner to adjust an allocation  
15 factor determined pursuant to section five (b).

1 9. Any taxpayer which holds capital stock of a subsidiary during all or  
2 part of any year may, for the purposes of the tax imposed by this act, de-  
3 duct from its net worth such proportion, not exceeding fifty per centum

4 (50%), of the average value of such holdings less net liabilities (if any) to  
5 subsidiaries, as the ratio of the subsidiary's taxable net worth, for the same  
6 year under this act, to its entire net worth; *provided, however*, that if the  
7 subsidiary is subject to a franchise tax measured by gross receipts under any  
8 other law of this State, such deductible portion of such holdings shall be  
9 determined as the ratio of the subsidiary's business within the State to its  
10 business everywhere during its next preceding taxable year under such law,  
11 but shall not exceed seventy-five per centum (75%) of the average value of  
12 such holdings. For the purpose of this section, a subsidiary shall be deemed  
13 to be any corporation in which a taxpayer is the beneficial owner of at least  
14 eighty per centum (80%) of the total combined voting power of all classes of  
15 stock entitled to vote and of at least eighty per centum (80%) of the total  
16 number of shares of all other classes of stock except nonvoting stock which  
17 is limited and preferred as to dividends.

1     10. Whenever it shall appear to the commissioner that any taxpayer  
2 maintains a place of business outside this State, or that any agreement,  
3 understanding or arrangement exists between a taxpayer and any other cor-  
4 poration or any person or firm, for the purpose of evading tax under this act,  
5 or whereby the activity, business, receipts or net worth of the taxpayer is  
6 improperly or inaccurately reflected, the commissioner is authorized and em-  
7 powered in his discretion and in such manner as he may determine, to  
8 adjust items of gross receipts, tangible property and payrolls within and with-  
9 out the State and the allocation of net worth, or to make such other adjust-  
10 ments in any tax report or tax returns as may be necessary. The commis-  
11 sioner may require any person or corporation to submit such information  
12 under oath, or to permit such examination of its books, papers and documents,  
13 as may be necessary to enable him to determine the existence, nature or ex-  
14 tent of an agreement, understanding or arrangement to which this section  
15 relates, whether or not such person or corporation is subject to the tax im-  
16 posed by this act.

1 11. Any receiver, referee, trustee, assignee or other fiduciary, or any  
2 officer or agent appointed by any court, who conducts the business of any  
3 taxpayer shall be subject to the tax imposed by this act in the same manner  
4 and to the same extent as if the business were conducted by the agents or  
5 officers of such taxpayer. A dissolved taxpayer which continues to conduct  
6 business in the process of liquidation shall also be subject to the tax imposed  
7 by this act.

1 12. No domestic corporation shall dissolve, liquidate or distribute any  
2 assets to its stockholders, nor shall any other corporation withdraw from  
3 the State in any privilege year without having first duly filed its return under  
4 this act and paid or secured the tax, interest and penalties due thereon for  
5 the year in which such dissolution or withdrawal occurs as well as all de-  
6 linquent taxes, interest, and penalties then due.

1 13. In the case of any corporation which organizes or qualifies on or  
2 after January first in any year no tax shall be payable with respect to such  
3 year.

1 14. The commissioner may by general rule or by special notice require  
2 any taxpayer to submit copies or pertinent extracts of its Federal income  
3 tax returns, or of any other tax return made to any agency of the Federal  
4 Government, or of this or any other State, or of any statement or registra-  
5 tion made pursuant to any State or Federal law pertaining to securities or  
6 securities exchange regulation.

1 15. The tax imposed by this act shall be due and payable with respect  
2 to the calendar year one thousand nine hundred and forty-six, and each year  
3 thereafter, measured by the taxpayer's net worth as of the close of the cal-  
4 endar year or of its fiscal year next preceding the privilege year, except  
5 that in the case of a taxpayer whose fiscal year ends not later than July  
6 first in the privilege year such measure shall be as of the close of such fiscal  
7 year. For the purpose of this section every taxpayer shall use the same  
8 calendar or fiscal year upon which it reports to the United States Treasury  
9 Department for Federal income tax purposes.

1       16. The tax imposed by this act shall constitute a lien on all of the tax-  
2 payer's property and franchises on and after January first of the year in  
3 which it is due and payable, and all interest, penalties, and costs of collec-  
4 tion which thereafter fall due or accrue shall be added to and become a  
5 part of such lien.

1       17. On or before the fifteenth day of April, in the case of taxpayers  
2 reporting on a calendar year basis, and on or before the fifteenth day of  
3 January or the one hundred fifth day following the close of a fiscal year,  
4 whichever is later, in the case of taxpayers reporting on a fiscal year basis,  
5 each taxpayer shall duly execute and file a tax return with the commis-  
6 sioner, in such form and containing such information as he may prescribe,  
7 which return shall truly and accurately set forth its liability under this act;  
8 and the full amount of the tax hereunder shall be due and payable to the  
9 commissioner together with such return.

1       18. The commissioner shall design a form of return and forms for such  
2 additional statements or schedules as he may require to be filed therewith.  
3 Such forms shall provide for the setting forth of such facts as the commis-  
4 sioner may deem necessary for the proper enforcement of this act. He shall  
5 cause a supply thereof to be printed and shall furnish appropriate blank  
6 forms to each taxpayer upon application or otherwise as he may deem neces-  
7 sary. Failure to receive a form shall not relieve any taxpayer from the obli-  
8 gation to file a return under the provisions of this act. Each such return  
9 shall be made upon the oath or affirmation of the president, vice-president,  
10 or secretary or treasurer of the taxpayer, and in the case of a corporation  
11 in liquidation or in the hands of a receiver or trustee, shall be made on the  
12 oath or affirmation of the person responsible for the conduct of the affairs  
13 of such corporation.

1       19. The commissioner may grant a reasonable extension of time for the  
2 filing of returns or the payment of tax, or both, under such rules and regu-  
3 lations as he shall prescribe, but no such extension shall be granted beyond  
4 the first day of December of the privilege year. If the time for filing the

5 return shall be extended, the payment of the tax shall be postponed to the  
6 date fixed by the extension of the time for the filing of the return, but in  
7 every such case the corporation shall pay, in addition to the tax, interest  
8 thereon at the rate of six per centum (6%) per annum from the time when  
9 the return originally was required to be filed to the time of payment under  
10 the extension.

1       20. In addition to other remedies for the collection of the tax imposed  
2 by this chapter, it shall be lawful for the Attorney-General either of his  
3 own motion or upon the request of the commissioner, whenever any tax due  
4 under this chapter shall have remained in arrears for a period of three  
5 months after the tax shall have become payable, to apply to the Court of  
6 Chancery, by petition in the name of the State, on five days' notice to such  
7 corporation, which notice may be served in such manner as the Chancellor  
8 may direct, for an injunction to restrain such corporation from the exer-  
9 cise of any franchise, or the transaction of any business within this State  
10 until the payment of such tax and penalties and interest due thereon, and  
11 the costs of such application, to be fixed by the Chancellor; the said court is  
12 hereby authorized to grant such injunction, if a proper case appear, and  
13 upon the granting and service of such injunction it shall not be lawful for  
14 such company thereafter to exercise any franchise or transact any business  
15 in this State until such injunction be dissolved.

1       21. In the event of failure or neglect of any taxpayer which is a foreign  
2 corporation to pay the tax imposed by this chapter, on or before the first  
3 day of December in each year, immediate notice thereof shall be given by  
4 the commissioner to the Secretary of State who shall immediately revoke  
5 the certificate of authority of said corporation to do business in the State  
6 of New Jersey and notice of such revocation shall be given by the Secretary  
7 of State to the corporation affected and thereafter such corporation, so far  
8 as the further transaction of business in the State of New Jersey is con-  
9 cerned, shall be in the same condition as if no certificate of authority  
10 had ever been issued to it by the Secretary of State, but remedies provided

11 by this chapter for the collection of the tax and interest and penalties shall  
12 remain unimpaired. After the revocation of any such certificate of authority,  
13 no new certificate shall be issued by the Secretary of State to such de-  
14 faulting corporation until the payment of all assessments imposed hereunder  
15 and remaining unpaid with penalties and interest and any costs that may have  
16 accrued, such payment to be evidenced by a certificate of the commissioner.

1     22. Any corporation of this State failing to pay the tax imposed by this  
2 act shall be subject to the forfeiture of its charter as provided by chapter  
3 eleven of Title 54 of the Revised Statutes.

1     23. The administration, collection and enforcement of the tax imposed by  
2 this act shall be subject to the provisions of the State tax uniform procedure  
3 law as therein provided (chapters forty-eight through fifty-two of Title 54  
4 of the Revised Statutes).

1     24. Out of the proceeds of the taxes, interest and penalties collected  
2 pursuant to this act, there is hereby appropriated, for the purpose of main-  
3 taining free public schools, the sum of four million dollars (\$4,000,000.00) an-  
4 nually, which sum shall on or before December twentieth in each year be  
5 transferred by the State Treasurer to the State school tax account. Such ap-  
6 propriation shall be applied toward reduction of the State school tax as pro-  
7 vided by section 18:10-18 of the Revised Statutes, and shall be apportioned  
8 and distributed in the same manner and for the same purposes as the pro-  
9 ceeds of the State school tax.

1     25. If any clause, sentence, paragraph, section or part of this act shall  
2 be adjudged by any court of competent jurisdiction to be invalid, such judg-  
3 ment shall not affect, impair or invalidate the remainder thereof, but shall be  
4 confined in its operation to the clause, sentence, paragraph, section or part  
5 thereof directly involved in the controversy in which such judgment shall  
6 have been rendered.

1     26. There is hereby appropriated for the expense of administering this  
2 act during the fiscal year ending June thirtieth, one thousand nine hundred  
3 and forty-six, the sum of seventy-five thousand dollars (\$75,000.00) in addi-  
4 tion to such other sums as may have been appropriated for the division of  
5 taxation.

1 27. Sections 54:13-1 through 54:13-8 and chapter thirty-two-A of Title  
2 54 of the Revised Statutes are repealed; *provided, however*, that this  
3 shall not affect the obligation of any corporation to pay accrued taxes or  
4 interest, penalties or costs with respect thereto, nor to invalidate any assess-  
5 ments or proceedings pending upon the effective date hereof.

1 28. The commissioner shall prescribe and issue such rules and regula-  
2 tions, not inconsistent herewith, for the interpretation and application of the  
3 provisions of this act, as he may deem necessary.

1 29. This act shall take effect January first, one thousand nine hundred  
2 and forty-six, except that the commissioner may prior thereto take such action  
3 as he may deem appropriate in anticipation or in preparation for the opera-  
4 tion of the provisions hereof, and except further that the appropriation con-  
5 tained herein for the reduction of the State school tax shall be first made for  
6 the fiscal year beginning July first, one thousand nine hundred and forty-six.

#### STATEMENT

The purposes of this bill are:

(1) To establish a simple and defensible tax on corporate business in lieu of an ad valorem tax on intangible personalty and the present capital stock tax, as part of the program recommended in the Report of the Commission on Taxation of Intangible Personal Property (March 26, 1945), to eliminate "tax lightning" on intangibles.

(2) To provide a yield sufficient to justify the abandonment of the present authorized tax on corporate intangibles. It is estimated that this yield will be between \$6,000,000 and \$7,000,000 annually, beginning in 1946.

(3) To provide a tax base which would relieve the burden of taxes on real estate throughout the State. This is accomplished by applying \$4,000,000 of the anticipated yield to reduce the State school tax on local property.

(4) To have due regard for the tremendous tax burdens of the present day and for the competitive conditions that exist between New Jersey and its neighboring States, in taking this first step in State-wide corporate tax adjustment since 1884.

2 empted shall pay an annual franchise tax for the year one thousand nine  
3 hundred and forty-six and each year thereafter, as hereinafter provided, for  
4 the privilege of having or exercising its corporate franchise in this State,  
5 or for the privilege of doing business, employing or owning capital or prop-  
6 erty, or maintaining an office, in this State. And such franchise tax shall  
7 be in lieu of all other State, county or local taxation upon or measured by  
8 intangible personal property used in business by corporations liable to  
9 taxation under this act.

10 A foreign corporation shall not be deemed to be doing business, employ-  
11 ing or owning capital or property in the State, for the purposes of this act,  
12 by reason of (1) the maintenance of cash balances with banks or trust com-  
13 panies in this State, or (2) the ownership of shares of stock or securities in

14 this State if such shares or securities are pledged as collateral security, or  
15 deposited with one or more banks or trust companies or brokers who are  
16 members of a recognized security exchange, in safekeeping or custody ac-  
17 counts, or (3) the taking of any action by any such bank or trust company  
18 or broker, which is incidental to the rendering of safekeeping or custodian  
19 service to such corporation.

1 3. The following corporations shall be exempt from the tax imposed by  
2 this act:

3 (a) corporations subject to a tax under the provisions of article  
4 two of chapter thirteen of Title 54 of the Revised Statutes, or to a tax as-  
5 sessed upon the basis of gross receipts or insurance premiums collected;

6 (b) railway, canal or banking corporations, savings banks, or build-  
6½ ing and loan or savings and loan associations;

7 (c) cemetery corporations not conducted for pecuniary profit of any  
8 private shareholder or individual;

9 (d) non-profit corporations, associations or organizations estab-  
10 lished, organized or chartered, without capital stock, under the provisions  
11 of Titles 15, 16 or 17 of the Revised Statutes, or under a special charter  
12 or under any similar general or special law of this or any other State,  
13 and not conducted for pecuniary profit of any private shareholder or  
14 individual;

15 (e) corporations subject to a tax under the provisions of chapter  
16 four of the laws of one thousand nine hundred and forty, or chapter five  
17 of the laws of one thousand nine hundred and forty, or any statute or  
18 law imposing a similar tax or taxes.

1 4. For the purposes of this act, unless the context requires a different  
2 meaning:

3 "Commissioner" shall mean the director of the division of taxation of  
4 the State Department of Taxation and Finance.

5 "Allocation factor" shall mean the proportionate part of a taxpayer's  
6 net worth used to determine a measure of its tax under this act.

7. "Corporation" shall mean any corporation, joint-stock company or  
8 association and any business conducted by a trustee or trustees wherein  
9 interest or ownership is evidenced by a certificate of interest or ownership  
10 or similar written instrument.

11. "Net worth" shall mean the aggregate of the values disclosed by the  
12 books of the corporation for (1) issued and outstanding capital stock, (2)  
13 paid-in or capital surplus, (3) earned surplus and undivided profits, (4) sur-  
14 plus reserves which can reasonably be expected to accrue to holders or owners  
15 of equitable shares, not including reasonable valuation reserves, such as re-  
16 serves for depreciation or obsolescence or depletion and (5) the amount of  
17 all indebtedness owing directly or indirectly to holders of ten per centum  
18 (10%) or more of the aggregate outstanding shares of the taxpayer's capi-  
19 tal stock of all classes, as of the close of a calendar or fiscal year. However,  
20 if in the opinion of the commissioner, the corporation's books do not disclose  
21 fair valuations the commissioner may require any additional information  
22 which may be necessary for a reasonable determination of the net worth  
23 which, in his opinion, would reflect the fair value of the assets carried on the  
24 books of the corporation, in accordance with sound accounting principles,  
25 and such determination shall be used as net worth for the purpose of this act.

26. "Regulated investment company" shall mean any corporation which, for  
27 the period covered by its report, is registered and regulated under the In-  
28 vestment Company Act of 1940 (54 Stat. 789, as amended) and meets the re-  
29 quirements of and is taxable under "Supplement Q" of the Internal Rev-  
30 enue Code (53 Stat. 1, 98, as amended).

31. "Taxpayer" shall mean any corporation required to report or to pay  
32 taxes, interest or penalties under this act.

33. "Fiscal year" shall mean an accounting period ending on the last day  
34 of any month other than December.

35. "Privilege year" shall mean the calendar year in and for which a tax  
36 is payable under this act.

1 5. The franchise tax to be annually assessed to and paid by each tax-  
2 payer shall be measured by the greater of:

3 (a) that portion of its entire net worth as may be allocable to this  
4 State as provided in section six; or

5 (b) that proportion of its entire net worth as the average value of  
6 its assets in this State during the period covered by its report is to the  
7 average value of its assets everywhere during such period (for the pur-  
8 pose of which there shall be included as within this State all intangi-  
9 ble personal property of domestic corporations, and such intangible per-  
10 sonal property of other corporations as would have a business situs  
11 within this State for the purpose of a property tax)

12 at the rate of 8/10 of a mill on the first one hundred million dollars  
13 (\$100,000,000.00) of allocated net worth; 4/10 of a mill on the second one  
14 hundred million dollars (\$100,000,000.00); 3/10 of a mill on the third one  
15 hundred million dollars (\$100,000,000.00); and 2/10 of a mill on all amounts  
16 of allocated net worth in excess of three hundred million dollars (\$300,000,-  
17 000.00); but not less than twenty-five dollars (\$25.00) in the case of domes-  
18 tic corporations, or fifty dollars (\$50.00) in the case of foreign corporations.

19 (c) *Provided, however,* that the franchise tax to be annually assessed  
20 to and paid by any regulated investment company shall be measured by  
21 that proportion of its entire net worth, but not less than ten per centum  
22 (10%) thereof, as the average aggregate value of its capital stock of all  
23 classes held by residents of this State during the period covered by its  
24 report bears to the average aggregate value of all its shares of stock  
25 issued and outstanding during such period, at the rates hereinabove set  
26 forth; but in no case less than one hundred dollars (\$100.00).

1 6. In the case of a taxpayer which maintains a regular place of business  
2 outside this State other than a statutory office, the portion of its entire net  
3 worth to be used as a measure of the tax imposed by section five (a) of this  
4 act shall be determined by multiplying such entire net worth by an alloca-  
5 tion factor which shall be the average of the fractions computed in (A),

6 (B) and (C) below, or of so many of them as may be applicable, that is:

7 (A) The average value of the taxpayer's real and tangible personal  
8 property within the State during the period covered by its report divided  
9 by the average value of all the taxpayer's real and tangible personal prop-  
10 erty wherever situated during such period;

11 (B) The receipts of the taxpayer, computed on the cash or accrual  
12 basis according to the method of accounting used in the computation of its  
13 net income for Federal tax purposes, arising during such period from

14 (1) sales of its tangible personal property located within the State  
15 at the time of the receipt of or appropriation to the orders,

16 (2) sales of any such property not located at the time of the receipt  
17 of or appropriation to the orders at any permanent or continuous place  
18 of business maintained by the taxpayer without the State, where the  
19 orders were received or accepted within the State,

20 (3) services performed within the State,

21 (4) rentals from property situated, and royalties from the use of  
22 patents or copyrights, within the State,

23 (5) all other business receipts earned within the State,

24 divided by the total amount of the taxpayer's receipts, similarly computed,  
25 arising during such period from all sales of its tangible personal property,  
26 services, rentals, royalties and all other business receipts, whether within or  
27 without the State;

28 (C) The total wages, salaries and other personal service compensation,  
29 similarly computed, during such period of officers and employees within the  
30 State divided by the total wages, salaries and other personal service com-  
31 pensation, similarly computed, during such period of all the taxpayer's  
32 officers and employees within and without the State.

33 In the case of a taxpayer which does not maintain a regular place of  
34 business outside this State other than a statutory office, the allocation factor  
35 shall be one hundred per centum (100%).

1 7. As used in section six (C), compensation of officers and employees  
2 within this State shall include the entire amount of wages, salaries and

3 other personal service compensation for services performed within or both  
4 within and without this State if:

5 (a) The service is performed entirely within this State; or

6 (b) The service is performed both within and without this State,  
7 but the service performed without this State is incidental to the  
8 individual's service within the State, for example, is temporary or  
9 transitory in nature or consists of isolated transactions;

10 (c) The service is not performed entirely in any State but some of  
11 the service is performed in this State, and (1) the base of operation,  
12 or, if there is no base of operations, then the place from which such  
13 service is directed or controlled, is in this State; or (2) the base of  
14 operations or place from which such service is directed or controlled is  
15 not in any State in which some part of the service is performed, but the  
16 individual's residence is in this State;

17 (d) Contributions are not required and paid with respect to such  
18 services under an unemployment compensation law of any other State.

1 8. If it shall appear to the commissioner that an allocation factor de-  
2 termined pursuant to section six does not properly reflect the activity, busi-  
3 ness, receipts or capital of a taxpayer reasonably attributable to the State,  
4 he may adjust it by:

5 (a) excluding one or more of the factors therein;

6 (b) including one or more other factors, such as expenses, pur-  
7 chases, contract values (minus subcontract values);

8 (c) excluding one or more assets in computing entire net worth; or

9 (d) applying any other similar or different method calculated to  
10 effect a fair and proper allocation according to the receipts, activity,  
11 business and capital reasonably attributable to the State.

12 The commissioner shall from time to time publish his rulings with respect  
13 to any application of the provisions of this section. Nothing herein shall  
14 be construed to require or permit the commissioner to adjust an allocation  
15 factor determined pursuant to section five (b).

1       9. Any taxpayer which holds capital stock of a subsidiary during all or  
2 part of any year may, for the purposes of the tax imposed by this act, de-  
3 duct from its net worth such proportion, not exceeding fifty per centum  
4 (50%), of the average value of such holdings less net liabilities (if any) to  
5 subsidiaries, as the ratio of the subsidiary's taxable net worth, for the same  
6 year under this act, to its entire net worth; *provided, however*, that if the  
7 subsidiary is subject to a franchise tax measured by gross receipts under any  
8 other law of this State, such deductible portion of such holdings shall be  
9 determined as the ratio of the subsidiary's business within the State to its  
10 business everywhere during its next preceding taxable year under such law,  
11 but shall not exceed seventy-five per centum (75%) of the average value of  
12 such holdings. For the purpose of this section, a subsidiary shall be deemed  
13 to be any corporation in which a taxpayer is the beneficial owner of at least  
14 eighty per centum (80%) of the total combined voting power of all classes of  
15 stock entitled to vote and of at least eighty per centum (80%) of the total  
16 number of shares of all other classes of stock except nonvoting stock which  
17 is limited and preferred as to dividends.

1       10. Whenever it shall appear to the commissioner that any taxpayer  
2 maintains a place of business outside this State, or that any agreement,  
3 understanding or arrangement exists between a taxpayer and any other cor-  
4 poration or any person or firm, for the purpose of evading tax under this act,  
5 or whereby the activity, business, receipts or net worth of the taxpayer is  
6 improperly or inaccurately reflected, the commissioner is authorized and em-  
7 powered in his discretion and in such manner as he may determine, to  
8 adjust items of gross receipts, tangible property and payrolls within and with-  
9 out the State and the allocation of net worth, or to make such other adjust-  
10 ments in any tax report or tax returns as may be necessary. The commis-  
11 sioner may require any person or corporation to submit such information  
12 under oath, or to permit such examination of its books, papers and documents,  
13 as may be necessary to enable him to determine the existence, nature or ex-  
14 tent of an agreement, understanding or arrangement to which this section

15 relates, whether or not such person or corporation is subject to the tax im-  
16 posed by this act.

1 11. Any receiver, referee, trustee, assignee or other fiduciary, or any  
2 officer or agent appointed by any court, who conducts the business of any  
3 taxpayer shall be subject to the tax imposed by this act in the same manner  
4 and to the same extent as if the business were conducted by the agents or  
5 officers of such taxpayer. A dissolved taxpayer which continues to conduct  
6 business in the process of liquidation shall also be subject to the tax imposed  
7 by this act.

1 12. No domestic corporation shall dissolve, liquidate or distribute any  
2 assets in dissolution or liquidation to its stockholders, nor shall any other  
3 corporation withdraw from the State in any privilege year without having  
4 first duly filed its return under this act and paid or secured the tax, interest  
5 and penalties due thereon for the year in which such dissolution or with-  
6 drawal occurs as well as all delinquent taxes, interest, and penalties then due.

1 13. In the case of any corporation which organizes or qualifies on or  
2 after January first in any year no tax shall be payable in such privilege.

1 14. The commissioner may by general rule or by special notice require  
2 any taxpayer to submit copies or pertinent extracts of its Federal income  
3 tax returns, or of any other tax return made to any agency of the Federal  
4 Government, or of this or any other State, or of any statement or registra-  
5 tion made pursuant to any State or Federal law pertaining to securities or  
6 securities exchange regulation.

1 15. The tax imposed by this act shall be due and payable with respect  
2 to the calendar year one thousand nine hundred and forty-six, and each year  
3 thereafter, measured by the taxpayer's net worth as of the close of the cal-  
4 endar year or of its fiscal year next preceding the privilege year, except  
5 that in the case of a taxpayer whose fiscal year ends not later than July  
6 first in the privilege year such measure shall be as of the close of such fiscal  
7 year. For the purpose of this section every taxpayer shall use the same  
8 calendar or fiscal year upon which it reports to the United States Treasury  
9 Department for Federal income tax purposes.

1       16. The tax imposed by this act shall constitute a lien on all of the tax-  
2 payer's property and franchises on and after January first of the year in  
3 which it is due and payable, and all interest, penalties, and costs of collec-  
4 tion which thereafter fall due or accrue shall be added to and become a  
5 part of such lien.

1       17. On or before the fifteenth day of April, in the case of taxpayers  
2 reporting on a calendar year basis, and on or before the fifteenth day of  
3 January or the fifteenth day of the fourth month following the close of a  
4 fiscal year, whichever is later, in the case of taxpayers reporting on a fiscal  
5 year basis, each taxpayer shall duly execute and file a tax return with the  
6 commissioner, in such form and containing such information as he may pre-  
7 scribe, which return shall truly and accurately set forth its liability under this  
8 act; and the full amount of the tax hereunder shall be due and payable to the  
9 commissioner together with such return.

1       18. The commissioner shall design a form of return and forms for such  
2 additional statements or schedules as he may require to be filed therewith.  
3 Such forms shall provide for the setting forth of such facts as the commis-  
4 sioner may deem necessary for the proper enforcement of this act. He shall  
5 cause a supply thereof to be printed and shall furnish appropriate blank  
6 forms to each taxpayer upon application or otherwise as he may deem neces-  
7 sary. Failure to receive a form shall not relieve any taxpayer from the obli-  
8 gation to file a return under the provisions of this act. Each such return  
9 shall be made upon the oath or affirmation of the president, vice-president,  
10 or secretary or treasurer of the taxpayer, and in the case of a corporation  
11 in liquidation or in the hands of a receiver or trustee, shall be made on the  
12 oath or affirmation of the person responsible for the conduct of the affairs  
13 of such corporation.

1       19. The commissioner may grant a reasonable extension of time for the  
2 filing of returns or the payment of tax, or both, under such rules and regu-  
3 lations as he shall prescribe, but no such extension shall be granted beyond  
4 the first day of December of the privilege year. If the time for filing the

5 return shall be extended, the payment of the tax shall be postponed to the  
6 date fixed by the extension of the time for the filing of the return, but in  
7 every such case the corporation shall pay, in addition to the tax, interest  
8 thereon at the rate of six per centum (6%) per annum from the time when  
9 the return originally was required to be filed to the time of payment under  
10 the extension.

1       20. In addition to other remedies for the collection of the tax imposed  
2 by this chapter, it shall be lawful for the Attorney-General either of his  
3 own motion or upon the request of the commissioner, whenever any tax due  
4 under this chapter shall have remained in arrears for a period of three  
5 months after the tax shall have become payable, to apply to the Court of  
6 Chancery, by petition in the name of the State, on five days' notice to such  
7 corporation, which notice may be served in such manner as the Chancellor  
8 may direct, for an injunction to restrain such corporation from the exer-  
9 cise of any franchise, or the transaction of any business within this State  
10 until the payment of such tax and penalties and interest due thereon, and  
11 the costs of such application, to be fixed by the Chancellor; the said court is  
12 hereby authorized to grant such injunction, if a proper case appear, and  
13 upon the granting and service of such injunction it shall not be lawful for  
14 such company thereafter to exercise any franchise or transact any business  
15 in this State until such injunction be dissolved.

1       21. In the event of failure or neglect of any taxpayer which is a foreign  
2 corporation to pay the tax imposed by this chapter, on or before the first  
3 day of December in each year, immediate notice thereof may be given by  
4 the commissioner to the Secretary of State who shall immediately revoke  
5 the certificate of authority of said corporation to do business in the State  
6 of New Jersey and notice of such revocation shall be given by the Secretary  
7 of State to the corporation affected and thereafter such corporation, so far  
8 as the further transaction of business in the State of New Jersey is con-  
9 cerned, shall be in the same condition as if no certificate of authority  
10 had ever been issued to it by the Secretary of State, but remedies provided

11 by this chapter for the collection of the tax and interest and penalties shall  
12 remain unimpaired. After the revocation of any such certificate of authority,  
13 no new certificate shall be issued by the Secretary of State to such de-  
14 faulting corporation until the payment of all assessments imposed hereunder  
15 and remaining unpaid with penalties and interest and any costs that may have  
16 accrued, such payment to be evidenced by a certificate of the commissioner.

1 22. Any corporation of this State failing to pay the tax imposed by this  
2 act shall be subject to the forfeiture of its charter as provided by chapter  
3 eleven of Title 54 of the Revised Statutes.

1 23. The administration, collection and enforcement of the tax imposed by  
2 this act shall be subject to the provisions of the State tax uniform procedure  
3 law as therein provided (chapters forty-eight through fifty-two of Title 54  
4 of the Revised Statutes).

1 24. Out of the proceeds of the taxes, interest and penalties collected  
2 pursuant to this act, there is hereby appropriated, for the purpose of main-  
3 taining free public schools, the sum of four million dollars (\$4,000,000.00) an-  
4 nually, which sum shall on or before December twentieth in each year be  
5 transferred by the State Treasurer to the State school tax account. Such ap-  
6 propriation shall be applied toward reduction of the State school tax as pro-  
7 vided by section 18:10-18 of the Revised Statutes, and shall be apportioned  
8 and distributed in the same manner and for the same purposes as the pro-  
9 ceeds of the State school tax.

1 25. If any clause, sentence, paragraph, section or part of this act shall  
2 be adjudged by any court of competent jurisdiction to be invalid, such judg-  
3 ment shall not affect, impair or invalidate the remainder thereof, but shall be  
4 confined in its operation to the clause, sentence, paragraph, section or part  
5 thereof directly involved in the controversy in which such judgment shall  
6 have been rendered.

1 26. There is hereby appropriated for the expense of administering this  
2 act during the fiscal year ending June thirtieth, one thousand nine hundred  
3 and forty-six, the sum of seventy-five thousand dollars (\$75,000.00) in addi-

4 tion to such other sums as may have been appropriated for the division of  
5 taxation.

1 27. Sections 54:13-1 through 54:13-8 and chapter thirty-two-A of Title  
2 54 of the Revised Statutes are repealed; *provided, however*, that this  
3 shall not affect the obligation of any corporation to pay accrued taxes or  
4 interest, penalties or costs with respect thereto, nor to invalidate any assess-  
5 ments or proceedings pending upon the effective date hereof, nor to affect the  
6 legal authority to assess and collect taxes which may have been due and pay-  
7 able prior to the effective date hereof together with such interest and pen-  
8 alties as would have accrued thereon, under any provisions of law herein re-  
9 pealed; nor shall such repeal affect the tenure or employment of any employ-  
10 ees heretofore appointed pursuant to any such repealed provision or section.

1 28. The commissioner shall prescribe and issue such rules and regula-  
2 tions, not inconsistent herewith, for the interpretation and application of the  
3 provisions of this act, as he may deem necessary.

1 29. This act shall take effect January first, one thousand nine hundred  
2 and forty-six, except that the commissioner may prior thereto take such action  
3 as he may deem appropriate in anticipation of or in preparation for the opera-  
4 tion of the provisions hereof, and except further that the appropriation con-  
5 tained herein for the reduction of the State school tax shall be first made for  
6 the fiscal year beginning July first, one thousand nine hundred and forty-six.

ASSEMBLY, No. 464

STATE OF NEW JERSEY

INTRODUCED MARCH 24, 1947

By Mr. DIXON

Referred to Committee on Taxation

AN ACT to amend and supplement "An act to provide for the imposition of a franchise tax upon certain corporations and for the distribution of the proceeds thereof, repealing sections 54:13-1 through 54:13-8 and chapter thirty-two-A of Title 54 of the Revised Statutes, and making an appropriation for the administration of such tax," approved April thirteenth, one thousand nine hundred and forty-five (P. L. 1945, c. 162).

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

1 1. Section four of the act of which this act is amendatory is amended  
2 to read as follows:

3 4. For the purposes of this act, unless the context requires a different  
4 meaning:

5 (a) "Commissioner" shall mean the director of the division of taxa-  
6 tion of the State Department of Taxation and Finance.

7 (b) "Allocation factor" shall mean the proportionate part of a tax-  
8 payer's net worth used to determine a measure of its tax under this act.

9 (c) "Corporation" shall mean any corporation, joint-stock company or  
10 association and any business conducted by a trustee or trustees wherein  
11 interest or ownership is evidenced by a certificate of interest or ownership  
12 or similar written instrument.

13 (d) "Net worth" shall mean the aggregate of the values disclosed by  
14 the books of the corporation for (1) issued and outstanding capital stock,  
15 (2) paid-in or capital surplus, (3) earned surplus and undivided profits,  
16 (4) surplus reserves which can reasonably be expected to accrue to holders  
17 or owners of equitable shares, not including reasonable valuation reserves,  
18 such as reserves for depreciation or obsolescence or depletion and (5) the  
19 amount of all indebtedness owing directly or indirectly to holders of ten per  
20 centum (10%) or more of the aggregate outstanding shares of the taxpay-  
21 er's capital stock of all classes, as of the close of a calendar or fiscal year.  
22 However, if in the opinion of the commissioner, the corporation's books do  
23 not disclose fair valuations the commissioner may make [require any addi-  
24 tional information which may be necessary for] a reasonable determination  
25 of the net worth which, in his opinion, would reflect the fair value of the  
26 assets carried on the books of the corporation, in accordance with sound  
27 accounting principles, and such determination shall be used as net worth for  
28 the purpose of this act.

29 (e) "Indebtedness owing directly or indirectly" shall include, without  
30 limitation thereto, all indebtedness owing to any stockholder or shareholder  
31 and to members of his immediate family where a stockholder and members  
32 of his immediate family together or in the aggregate own ten per centum  
33 (10%) or more of the aggregate outstanding shares of the taxpayer's capi-  
34 tal stock of all classes.

35 (f) "[Regulated] Investment company" shall mean any corporation  
36 [which, for the period covered by its report, is registered and regulated  
37 under the investment company act of one thousand nine hundred and forty  
38 (54 Stat. 789, as amended) and meets the requirements of and is taxable  
39 under "Supplement Q" of the Internal Revenue Code (53 Stat. 1, 98, as  
40 amended).] whose business during the period covered by its report consists  
41 principally of holding, investing and reinvesting in stocks, bonds, notes,  
42 mortgages, debentures, patents, patent rights and other securities for

43 its own account, but this shall not include any corporation which: (1) is  
 44 a merchant or a dealer of stocks, bonds and other securities, regularly en-  
 45 gaged in buying the same and selling the same to customers; or (2) has  
 46 less than ninety per centum (90%) of its average gross assets in New Jer-  
 47 sey, at cost, invested in stocks, bonds, debentures, mortgages, notes, pat-  
 48 ents, patent rights or other securities or consisting of cash on deposit dur-  
 49 ing the period covered by its report; or (3) has more than ten per centum  
 50 (10%) of its average gross assets in New Jersey, at cost, invested in the

6 of a tentative return and the payment of an estimated tax, but no such ex-

7 tension shall be granted beyond the first day of December of the privileg,  
8 year. If the time for filing the return shall be extended, the payment of the  
9 portion of the tax remaining to be paid, if any, shall be postponed to the date  
10 fixed by the extension of the time for the filing of the return, but in every  
11 such case the corporation shall pay, in addition to the unpaid portion of the  
12 tax, interest thereon at the rate of six per centum (6%) per annum from the  
13 time when the return originally was required to be filed to the date of actual  
14 [time of] payment under the extension; provided, that if such unpaid por-

7 due under this act, he shall assess or reassess the additional taxes, penalties  
8 and interest due the State, give notice of such assessment or reassessment  
9 to the taxpayer, and make demand upon him for payment. There shall be  
10 added to the amount of any deficiency assessment or reassessment interest

11 at the rate of one per centum (1%) for each month or fraction thereof to be  
12 calculated from the date the tax was originally due and payable until the  
13 date of actual payment. If the failure to pay any such tax when due is ex-  
14 plained to the satisfaction of the commissioner, he may remit or waive the  
15 payment of any interest charge in excess of the rate of one-half of one per  
16 centum ( $\frac{1}{2}\%$ ) per month.

17 (b) Except in the case of a willful, false or fraudulent return with in-  
18 tent to evade the tax, the amount of tax due under any return duly made

1 11. The act of which this act is amendatory and supplementary is  
2 amended by adding a new section, numbered 19:2, to read as follows:

3 19:2. (a) Any aggrieved taxpayer may, within three months after any  
4 decision, order, finding, assessment or action of the commissioner made pur-  
5 suant to the provisions of this act, appeal therefrom to the Division of Tax  
6 Appeals, by filing a petition of appeal with said division in the manner and  
7 form prescribed by the said division and on giving security, approved by the  
8 commissioner, conditioned to pay the tax heretofore levied, if the same re-  
9 mains unpaid, with interest and costs.

10 (b) No such appeal shall stay the collection of any tax or the enforce-  
11 ment of the same by entry as a judgment, unless by order of such division,  
12 and then only after security approved by the commissioner or said division  
13 has been furnished to the commissioner. The judgment or order of the Divi-  
14 sion of Tax Appeals respecting any matter arising under the provisions of  
15 this subtitle may be reviewed by certiorari in the same manner as other judg-  
16 ments of said division.

1 12. This act shall take effect immediately, and shall apply to taxes due  
2 and payable in the year one thousand nine hundred and forty-seven and  
3 thereafter.

## STATEMENT

This bill incorporates the several changes in the Corporation Business Tax Act (1945) recommended in the Second Report of the Commission on State Tax Policy.

The bill also provides for a "Short Rate Table" which may be used by corporations having total assets of less than one hundred thousand dollars (\$100,000.00), in lieu of the detailed form of tax return now required. It is estimated that some twenty-five thousand domestic and foreign corporations will be able to compute their tax on this convenient basis.

The bill also contains a number of changes in the corporate franchise tax law which a year's experience in its administration has proved to be desirable. These administrative changes are recommended by the Department of Taxation and Finance.

25-26 the assets carried on the books of the corporation, in accordance with sound  
27 accounting principles, and such determination shall be used as net worth for  
28 the purpose of this act.

29 (e) "Indebtedness owing directly or indirectly" shall include, without  
30 limitation thereto, all indebtedness owing to any stockholder or shareholder  
31 and to members of his immediate family where a stockholder and members

36 during the period covered by its report consists principally of holding, in-

40 and other securities, regularly engaged in buying the same and selling the  
41 same to customers; or (2) has less than ninety per centum (90%) of its aver-

45 ten per centum (10%) of its average gross assets in New Jersey, at cost, in-  
46 vested in the stocks of any corporation other than an investment company as  
47 herein defined, during the period covered by its report.

48 (g) "Taxpayer" shall mean any corporation required to report or to  
49 pay taxes, interest or penalties under this act.

4 payer shall be measured by the greater of:

5 (a) that portion of its entire net worth as may be allocable to this  
6 State as provided in section six; or

7 (b) that proportion of its entire net worth as the average value of  
8 its total assets in this State during the period covered by its report is to

12 ness situs outside this State, one-half of the value of such property having  
13 a business situs outside this State, and the entire amount of the  
14 intangible personal property of foreign corporations as would have  
15 a business situs within this State for the purpose of a property tax);

40 (e) In lieu of the tax imposed by subsections (a), (b), (c) and (d)  
 41 of this section, any taxpayer, the value of whose total assets everywhere,

 5 or indirectly to distort its true net worth under this act or the proportion

6 thereof properly allocable to this State, or that any taxpayer maintains a

20 arrangement to which this section relates, whether or not such person or  
21 corporation is subject to the tax imposed by this act.

1 4. Section eleven of the act of which this act is amendatory is amended  
2 to read as follows:

3 11. Any receiver, referee, trustee, assignee or other fiduciary, or any  
4 officer or agent appointed by any court, to conduct the business or conserve  
5 the assets of any corporation shall be subject to the tax imposed by this act  
6 in the same manner and to the same extent as a corporation hereunder.

1 5. Section thirteen of the act of which this act is amendatory is amended  
2 to read as follows:

3 13. In the case of any corporation which organizes or qualifies on or  
4 after January first in any year no tax shall be payable in such privilege  
5 year; *provided, however,* that this section shall not apply to a foreign cor-  
6 poration, which after January first, one thousand nine hundred and thirty-  
7 seven, and prior to the year in which it qualifies, possessed the privilege of  
8 exercising its corporate franchise in this State, or did business, or employed  
9 or owned capital or property, or maintained an office in this State.

1       6. Section fifteen of the act of which this act is amendatory is amended  
2 to read as follows:

3       15. The tax imposed by this act shall be due and payable with respect  
4 to the calendar year one thousand nine hundred and forty-six, and each year  
5 thereafter, measured by the taxpayer's net worth as of the close of the calen-  
6 dar year or of its fiscal year next preceding the privilege year, except that  
7 in the case of a taxpayer whose fiscal year ends not later than June thirtieth  
8 in the privilege year such measure shall be as of the close of such fiscal year.  
9 For the purpose of this section every taxpayer shall use the same calendar  
10 or fiscal year upon which it reports to the United States Treasury Depart-  
11 ment for Federal income tax purposes.

1       7. Section seventeen of the act of which this act is amendatory is  
2 amended to read as follows:

3       17. (a) On or before the fifteenth day of April, in the case of taxpayers  
4 reporting on a calendar year basis, and on or before the fifteenth day of  
5 April or the fifteenth day of the fourth month following the close of  
6 a fiscal year, whichever is later, in the case of taxpayers reporting on a  
7 fiscal year basis, each taxpayer shall duly execute and file a tax return with  
8 the commissioner, in such form and containing such information as he may  
9 prescribe, which return shall truly and accurately, set forth its liability  
10 under this act; and the full amount of the tax hereunder shall be due and pay-  
11 able to the commissioner on or before the date prescribed herein for the filing  
12 of the return.

13       (b) Any taxpayer which shall fail to file its return when due shall be  
14 liable to a penalty of two dollars (\$2.00) for each day of delinquency, which  
15 penalty shall be payable to, and recoverable by, the commissioner as a part  
16 of the tax herein imposed. If any tax be not paid when the same becomes  
17 due, as herein provided, there shall be added to the amount of the tax a sum  
18 equivalent to five per centum (5%) thereof, as a penalty, and, in addition  
19 thereto, interest at the rate of one per centum (1%) per month or fraction  
20 thereof from the date the tax became due until the same be paid. The com-  
21 missioner, if satisfied that the failure to comply with any provision of this  
22 section was excusable, may abate or remit the whole or part of any penalty.

1 8. Section nineteen of the act of which this act is amendatory is amended  
2 to read as follows:

3 19. The commissioner may grant a reasonable extension of time for the  
4 filing of returns or the payment of tax, or both, under such rules and regula-  
5 tions as he shall prescribe, which rules and regulations may require the filing  
6 of a tentative return and the payment of an estimated tax, but no such ex-  
7 tension shall be granted beyond the first day of December of the privilege  
8 year. If the time for filing the return shall be extended, the payment of the  
9 portion of the tax remaining to be paid, if any, shall be postponed to the date  
10 fixed by the extension of the time for the filing of the return, but in every  
11 such case the corporation shall pay, in addition to the unpaid portion of the  
12 tax, interest thereon at the rate of six per centum (6%) per annum from the  
13 time when the return originally was required to be filed to the date of actual  
14 payment under the extension; *provided*, that if such unpaid portion of the tax  
15 is not paid within the time fixed under the extension, the interest on such un-  
16 paid portion shall be computed at the rate of one per centum (1%) per month  
17 or fraction thereof to be calculated from the date the tax was originally due to  
18 the date of actual payment.

1 9. Section twenty-three of the act of which this act is amendatory is  
2 amended to read as follows:

3 23. The administration, collection and enforcement of the tax imposed by  
4 this act shall be subject to the provisions of the State tax uniform procedure  
5 law as therein provided (chapters forty-eight through fifty-two of Title 54  
6 of the Revised Statutes) to the extent that the provisions of such law are  
7 not inconsistent with any provision of this act.

1 10. The act of which this act is amendatory and supplementary is  
2 amended by adding a new section, numbered 19:1, to read as follows:

3 19:1. (a) After a final return in due form is filed, the commissioner shall  
4 cause the same to be examined and may make such further audit or in-  
5 vestigation or reaudit as he may deem necessary, and if therefrom he shall  
6 determine that there is a deficiency with respect to the payment of any tax  
7 due under this act, he shall assess or reassess the additional taxes, penalties

8 and interest due the State, give notice of such assessment or reassessment  
9 to the taxpayer, and make demand upon him for payment. There shall be  
10 added to the amount of any deficiency assessment or reassessment interest  
11 at the rate of one per centum (1%) for each month or fraction thereof to be  
12 calculated from the date the tax was originally due and payable until the  
13 date of actual payment. If the failure to pay any such tax when due is ex-  
14 plained to the satisfaction of the commissioner, he may remit or waive the  
15 payment of any interest charge in excess of the rate of one-half of one per  
16 centum ( $\frac{1}{2}\%$ ) per month.

17 (b) Except in the case of a willful, false or fraudulent return with in-  
18 tent to evade the tax, the amount of tax due under any return duly made  
19 under this act shall be finally determined by the commissioner within five  
20 years after such return shall have been filed.

1 11. The act of which this act is amendatory and supplementary is  
2 amended by adding a new section, numbered 19:2, to read as follows:

3 19:2. (a) Any aggrieved taxpayer may, within three months after any  
4 decision, order, finding, assessment or action of the commissioner made pur-  
5 suant to the provisions of this act, appeal therefrom to the Division of Tax  
6 Appeals, by filing a petition of appeal with said division in the manner and  
7 form prescribed by the said division and on giving security, approved by the  
8 commissioner, conditioned to pay the tax heretofore levied, if the same re-  
9 mains unpaid, with interest and costs.

10 (b) No such appeal shall stay the collection of any tax or the enforce-  
11 ment of the same by entry as a judgment, unless by order of such division,  
12 and then only after security approved by the commissioner or said division  
13 has been furnished to the commissioner. The judgment or order of the Divi-  
14 sion of Tax Appeals respecting any matter arising under the provisions of  
15 this subtitle may be reviewed by certiorari in the same manner as other judg-  
16 ments of said division.

1 12. This act shall take effect immediately, and shall apply to taxes due  
2 and payable in the year one thousand nine hundred and forty-seven and  
3 thereafter.

L. 1945, c. 162).

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

1 1. Section four of the act of which this act is amendatory is amended  
2 to read as follows:

3 4. For the purposes of this act, unless the context requires a different

22 However, if in the opinion of the commissioner, the corporation's books do  
23 not disclose fair valuations the commissioner may make a reasonable deter-  
24 mination of the net worth which, in his opinion, would reflect the fair value of  
25-26 the assets carried on the books of the corporation, in accordance with sound  
27 accounting principles, and such determination shall be used as net worth for  
28 the purpose of this act.

29 (e) "Indebtedness owing directly or indirectly" shall include, without  
30 limitation thereto, all indebtedness owing to any stockholder or shareholder  
31 and to members of his immediate family where a stockholder and members

34 tal stock of all classes.

35 (f) "Investment company" shall mean any corporation whose business  
36 during the period covered by its report consisted, to the extent of at least  
37 ninety per centum (90%) thereof of holding, investing and reinvesting in

39 other securities for its own account, but this shall not include any corpora-  
40 tion which: (1) is a merchant or a dealer of stocks, bonds and other secur-  
41 ities, regularly engaged in buying the same and selling the same to cus-  
42 tomers; or (2) had less than ninety per centum (90%) of its average gross

45 on deposit during the period covered by its report; or (3) owned more than  
46 ten per centum (10%) of either the aggregate outstanding shares of capi-

47 tal stock of all classes entitled to vote, or of the aggregate outstanding shares  
47A of nonvoting capital stock, of any other corporation, during the period cov-  
47B ered by its report.

48 (g) "Taxpayer" shall mean any corporation required to report or to

2 read as follows:

3 5. The franchise tax to be annually assessed to and paid by each tax-  
4 payer shall be measured by the greater of:

5 (a) that portion of its entire net worth as may be allocable to this  
6 State as provided in section six; or

7 (b) that proportion of its entire net worth as the average value of  
8 its total assets in this State during the period covered by its report is to  
9 the average value of its total assets everywhere during such period (for  
10 the purpose of which there shall be included as within this State all in-  
11 tangible personal property of domestic corporations not having a busi-  
12 ness situs outside this State, one-half of the value of such property having  
13 a business situs outside this State, and the entire amount of the  
14 intangible personal property of foreign corporations as would have  
15 a business situs within this State for the purpose of a property tax);  
16 at the rate of 8/10 of a mill per dollar on the first one hundred million dollars  
17 (\$100,000,000.00) of allocated net worth; 4/10 of a mill per dollar on the

 37 located to this State in accordance with subsection (b) hereof, and  
 38 twenty-five dollars (\$25.00) in the case of a domestic corporation, or fifty  
 39 dollars (\$50.00) in the case of a foreign corporation.

40 (e) In lieu of the tax imposed by subsections (a), (b), (c) and (d)  
 41 of this section, any taxpayer, the value of whose total assets everywhere,  
 42 less reasonable reserves for depreciation, as of the close of the period

1       3. Section ten of the act of which this act is amendatory is amended to  
2 read as follows:

3       10. Whenever it shall appear to the commissioner that any taxpayer con-  
4 ducts its business or maintains its records in such manner as either directly  
5 or indirectly to distort its true net worth under this act or the proportion

7 place of business outside this State, or that any agreement, understanding  
8 or arrangement exists between a taxpayer and any other corporation or any  
9 person or firm, for the purpose of evading tax under this act, or whereby the

16 be necessary. The commissioner may require any person or corporation to  
17 submit such information under oath, or to permit such examination of its

3       11. Any receiver, referee, trustee, assignee or other fiduciary, or any

1       5. Section thirteen of the act of which this act is amendatory is amended  
2 to read as follows:

3       13. In the case of any corporation which organizes or qualifies on or

6 dar year or of its fiscal year next preceding the privilege year, except that  
7 in the case of a taxpayer whose fiscal year ends not later than June thirtieth  
8 in the privilege year such measure shall be as of the close of such fiscal year.  
9 For the purpose of this section every taxpayer shall use the same calendar  
10 or fiscal year upon which it reports to the United States Treasury Depart-  
11 ment for Federal income tax purposes.

1     7. Section seventeen of the act of which this act is amendatory is

12A nine hundred and forty-seven any return and tax payment which under the  
12B foregoing provisions of this section would be due on or before the fifteenth

11 such case the corporation shall pay, in addition to the unpaid portion of the  
12 tax, interest thereon at the rate of six per centum (6%) per annum from the  
13 time when the return originally was required to be filed to the date of actual

1 1. Section five of the act of which this act is amendatory is amended to

10 of which there shall be included as within this State all intangible personal  
11 property of domestic corporations not having a business situs outside this  
12 State, one-half of the value of such property having a business situs out-  
13 side this State, and the entire amount of the intangible personal property

14 of foreign corporations as would have a business situs within this State  
 15 for the purpose of a property tax); at the rate of  $\frac{3}{100}$  of a mill per dollar on

 24 case of a regulated investment company by fifteen per centum (15%) of its  
 25 entire net worth, at the rates hereinabove set forth but in no case less than

 29 tions (a) and (b) [, notwithstanding the provisions of the preceding sub-

#### STATEMENT

Subsection (c) was originally intended to give to an investment company a fixed allocation percentage of twenty-five per centum (25%) of its entire net worth and to a regulated investment company a fixed allocation percentage of fifteen per centum (15%) of its entire net worth regardless of assets or activity of the taxpayer in New Jersey and without requiring taxpayer to allocate such assets and activity under the statutory allocation formulae applicable to ordinary business corporations. However, the practical effect of the present subsection (d) is to subject nearly every investment company to a tax greater than an amount measured by twenty-five per centum (25%) of its net worth and every regulated investment company to a tax not less than an amount measured by twenty-five per centum (25%) of its net worth, unless such investment company or regulated investment company elects not to file under subsection (c) and remain taxable under the other subsections of section 5.

This bill is designed to secure for taxpayers which elect and qualify under the categories enumerated in subsection (c) the fixed respective percentages of allocation of entire net worth therein prescribed.

L. 1945, c. 162), as amended and supplemented.

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

1 1. Section 4 of the act of which this act is amendatory is amended to read  
2 as follows:

6 of the State Department of [Taxation and Finance] *the Treasury.*

20 amount of all indebtedness owing directly or indirectly to holders of 10%  
21 or more of the aggregate outstanding shares of the taxpayer's capital stock  
22 of all classes, as of the close of a calendar or fiscal year. However, if in the  
23 opinion of the commissioner, the corporation's books do not disclose fair  
24 valuations the commissioner may make a reasonable determination of the net  
25 worth which, in his opinion, would reflect the fair value of the assets car-  
26 ried on the books of the corporation, in accordance with sound accounting  
27 principles, and such determination shall be used as net worth for the pur-  
28 pose of this act.

29 (e) "Indebtedness owing directly or indirectly" shall include, without  
30 limitation thereto, all indebtedness owing to any stockholder or shareholder

39 or a dealer of stocks, bonds and other securities, regularly engaged in buy-  
40 ing the same and selling the same to customers; or (2) had less than 90%

62 the purpose of this act, the amount of a taxpayer's entire net income shall be  
63 deemed prima facie to be equal in amount to the taxable income before net  
64 operating loss deduction and special deductions which the taxpayer is re-  
65 quired to report to the United States Treasury Department, for the purpose  
66 of computing its Federal income tax; provided, however, that in the de-  
67 termination of such entire net income,

68 (1) Entire net income shall not include 50% of dividends which were in-  
69 cluded in computing such taxable income for Federal income tax purposes;

70 (2) Entire net income shall be determined without the exclusion, deduc-  
71 tion or credit of:

 88 dences of indebtedness issued, with stock, pursuant to a bona fide  
 89 plan of reorganization, to persons, who, prior to such reorganization,  
 90 were bona fide creditors of the corporation or its predecessors, but  
 91 were not stockholders or shareholders thereof;

92 (3) The commissioner may, whenever necessary to properly reflect the  
 93 entire net income of any taxpayer, determine the year or period in which any  
 94 item of income or deduction shall be included, without being limited to the  
 95 method of accounting employed by the taxpayer.

1 2. Section 5 of the act of which this act is amendatory is amended to  
 2 read as follows:

13. property of domestic corporations not having a business situs outside this  
14. State, 40% of the value of such property having a business situs outside this

20. on all amounts of allocated net worth in excess of \$300,000,000.00 [.] ; or

21. [(c) Provided, however, that the franchise tax to be annually assessed to  
22. and paid by any investment company, other than a regulated investment

33. all amounts in excess of \$100,000,000.00 of total assets allocated to this State  
34. in accordance with subsection (b) hereof, and \$25.00 in the case of a domestic

14 wherever situated during such period;

15       (B) The receipts of the taxpayer, computed on the cash or accrual basis  
16 according to the method of accounting used in the computation of its net in-

16 *reasonably attributable to the State.*

17 Nothing herein shall be construed to require or permit the commissioner  
18 to adjust an allocation factor determined pursuant to section 5(b).

1 5. Section 10 of the act of which this act is amendatory is amended to  
2 read as follows:

3 **[10.** Whenever it shall appear to the commissioner that any taxpayer  
4 conducts its business or maintains its records in such manner as either di-  
5 rectly or indirectly to distort its true net worth under this act or the propor-  
6 tion thereof properly allocable to this State, or that any taxpayer maintains  
7 a place of business outside this State, or that any agreement, understanding  
8 or arrangement exists between a taxpayer and any other corporation or any  
9 person or firm, for the purpose of evading tax under this act, or whereby the  
10 activity, business, receipts or net worth of the taxpayer is improperly or in-  
11 accurately reflected, the commissioner is authorized and empowered in his  
12 discretion and in such manner as he may determine to adjust and redeter-  
13 mine such net worth, and to adjust items of gross receipts, tangible property  
14 and payrolls within and without the State and the allocation of net worth,  
15 or to make such other adjustments in any tax report or tax returns as may be  
16 necessary. The commissioner may require any person or corporation to submit  
17 such information under oath, or to permit such examination of its books,  
18 papers and documents, as may be necessary to enable him to determine the  
19 existence, nature or extent of an agreement, understanding or arrangement

20 to which this section relates, whether or not such person or corporation is  
21 subject to the tax imposed by this act.]

22       10. Whenever it shall appear to the commissioner that any taxpayer fails  
23 to maintain its records in accordance with sound accounting principles or  
24 conducts its business or maintains its records in such manner as either di-  
25 rectly or indirectly to distort its true entire net income or its true entire net  
26 worth under this act or the proportion thereof properly allocable to this State,  
27 or whenever any taxpayer maintains a place of business outside this State, or  
28 whenever any agreement, understanding or arrangement exists between a tax-  
29 payer and any other corporation or any person or firm, for the purpose of  
30 evading tax under this act, or whereby the activity, business, receipts, ex-  
31 penses, assets, liabilities, income or net worth of the taxpayer are improperly  
32 or inaccurately reflected, the commissioner is authorized and empowered, in  
33 his discretion and in such manner as he may determine, to adjust and rede-  
34 termine such items, and to adjust items of gross receipts, tangible or intan-  
35 gible property and payrolls within and without the State and the allocation  
36 of entire net income or entire net worth or to make any other adjustments in  
37 any tax report or tax returns as may be necessary to make a fair and reason-  
38 able determination of the amount of tax payable under this act. Where (a)  
39 any taxpayer conducts its activity or business under any agreement, arrange-  
40 ment or understanding in such manner as either directly or indirectly to bene-  
41 fit its members or stockholders, or any of them, or any person or persons di-  
42 rectly or indirectly interested in such activity or business, by entering into  
43 any transaction at more or less than a fair price which, but for such agree-  
44 ment, arrangement or understanding, might have been paid or received  
45 therefor, or (b) any taxpayer, a substantial portion of whose capital stock  
46 is owned either directly or indirectly by or through another corporation,  
47 enters into any transaction with such other corporation on such terms as  
48 to create an improper loss or net income, the commissioner may include in  
49 the entire net income of the taxpayer the fair profits which, but for such  
50 agreement, arrangement or understanding, the taxpayer might have derived

51 from such transaction. The commissioner may require any person or corpora-  
52 tion to submit such information under oath or affirmation, or to permit such  
53 examination of its books, papers and documents, as may be necessary to  
54 enable him to determine the existence, nature or extent of an agreement,  
55 understanding or arrangement to which this section relates, whether or not  
56 such person or corporation is subject to the tax imposed by this act.

1       6. Section 13 of the act of which this act is amendatory is amended to  
2 read as follows:

3       [13. In the case of any corporation which organizes or qualifies on or

16 any tax imposed by the United States, such taxpayer shall report such  
17 changed or corrected taxable income, or the results of such renegotiation, or  
18 such computation or recomputation, within 90 days after the final determina-

23 90 days thereafter an amended report with the commissioner.

2 read as follows:

3        [15. The tax imposed by this act shall be due and payable with respect  
4 to the calendar year 1946, and each year thereafter, measured by the taxpay-

6 preceding the privilege year, except that in the case of a taxpayer whose  
7 fiscal year ends not later than June 30 in the privilege year such measure  
8 shall be as of the close of such fiscal year. For the purpose of this section  
9 every taxpayer shall use the same calendar or fiscal year upon which it re-

29 *Such tax shall be computed upon the basis of its entire net income, or upon*  
30 *such other basis as may be applicable, as herein provided, for each and every*

2 read as follows:

3       [16. For the privilege year 1946, the tax imposed by this act shall con-  
4 stitute a lien on all of the taxpayer's property and franchises on and after  
5 January 1 of such year, and all interest, penalties, and costs of collection  
6 which fall due or accrue shall be added to and become a part of such lien.

7       For the privilege year 1947 and thereafter, the tax imposed by this act  
8 shall constitute a lien on all of the taxpayer's property and franchises on and  
9 after January 1 of the year next succeeding the privilege year in which it is  
10 due and payable, and all interest, penalties and costs of collection which fall  
11 due or accrue shall be added to and become a part of such lien. Notwithstand-

15 of the taxpayer's property and franchises until January 1, 1956, or until the

16 expiration of 10 years after January 1 of the privilege year in which they

18     16. *The tax imposed by this act shall constitute a lien on all of the tax-*  
19 *payer's property and franchises on and after January 1 of the year next suc-*

26 *chises until the expiration of 10 years after January 1 of the year in which*

1     9. Section 17 of the act of which this act is amendatory is amended to  
2 read as follows:

3     17. [(a) on or before April 15, in the case of taxpayers reporting on a  
4 calendar year basis, and on or before April 15 or the fifteenth day of the  
5 fourth month following the close of a fiscal year, whichever is later, in the  
6 case of taxpayers reporting on a fiscal year basis, each taxpayer shall duly  
7 execute and file a tax return with the commissioner, in such form and con-  
8 taining such information as he may prescribe, which return shall truly and  
9 accurately, set forth its liability under this act; and the full amount of the  
10 tax hereunder shall be due and payable to the commissioner on or before the  
11 date prescribed herein for the filing of the return; provided, however, that  
12 for the privilege year 1947 any return and tax payment which under the  
13 foregoing provisions of this section would be due on or before April 15 or  
14 on or before May 15 shall be due on or before May 31, 1947.] (a) *If the period*  
15 *covered by the report under this act is other than the period covered by the*  
16 *report to the United States Treasury Department or is a period of less than*  
17 *12 calendar months, the commissioner may, under regulations prescribed by*  
18 *him, determine the entire net worth and entire net income of the taxpayer in*  
19 *such manner as shall properly reflect its entire net worth and entire net in-*  
20 *come for the period covered by its report under this act.*

21 (b) Any taxpayer which shall fail to file its return when due shall be  
22 liable to a penalty of \$2.00 for each day of delinquency, which penalty shall  
23 be payable to, and recoverable by, the commissioner as a part of the tax  
24 herein imposed. If any tax be not paid when the same becomes due, as herein  
25 provided, there shall be added to the amount of the tax a sum equivalent to  
26 5% thereof, as a penalty, and, in addition thereto, interest at the rate of 1%  
27 per month or fraction thereof from the date the tax became due until the same  
28 be paid. The commissioner, if satisfied that the failure to comply with any  
29 provision of this [section] act was excusable, may abate or remit the whole  
30 or part of any penalty.

1 10. Section 18 of the act of which this act is amendatory is amended to  
2 read as follows:

3 [18. The commissioner shall design a form of return and forms for such  
4 additional statements or schedules as he may require to be filed therewith.  
5 Such forms shall provide for the setting forth of such facts as the commis-  
6 sioner may deem necessary for the proper enforcement of this act. He shall  
7 cause a supply thereof to be printed and shall furnish appropriate blank  
8 forms to each taxpayer upon application or otherwise as he may deem neces-  
9 sary. Failure to receive a form shall not relieve any taxpayer from the ob-  
10 ligation to file a return under the provisions of this act. Each such return  
11 shall be made upon the oath or affirmation of the president, vice-president,  
12 or secretary or treasurer of the taxpayer, and in the case of a corporation in  
13 liquidation or in the hands of a receiver or trustee, shall be made on the oath  
14 or affirmation of the person responsible for the conduct of the affairs of such  
15 corporation.]

16 18. *The commissioner shall design a form of return and forms for such*  
17 *additional statements or schedules as he may require to be filed therewith.*  
18 *Such forms shall provide for the setting forth of such facts as the commis-*  
19 *sioner may deem necessary for the proper enforcement of this act. He shall*  
20 *cause a supply thereof to be printed and shall furnish appropriate blank*  
21 *forms to each taxpayer upon application or otherwise as he may deem neces-*

22 sary. Failure to receive a form shall not relieve any taxpayer from the ob-  
23 ligation to file a return under the provisions of this act. Each such return  
24 shall have annexed thereto a certification by the president, vice-president,  
25 comptroller, secretary, treasurer, assistant treasurer, accounting officer of the  
26 taxpayer or any other officer of the taxpayer duly authorized so to act to the  
27 effect that the statements contained therein are true. The fact that an indi-  
28 vidual's name is signed on a certification of the report shall be prima facie  
29 evidence that such individual is authorized to sign and certify the report on  
30 behalf of the corporation. In the case of a corporation in liquidation or in  
31 the hands of a receiver or trustee, certification shall be made by the person  
32 responsible for the conduct of the affairs of such corporation.

1       11. Section 19 of the act of which this act is amendatory is amended to  
2 read as follows:

3       19. The commissioner may grant a reasonable extension of time for the  
4 filing of returns or the payment of tax, or both, under such rules and regu-  
5 lations as he shall prescribe, which rules and regulations may require the fil-  
6 ing of a tentative return and the payment of an estimated tax[, but no such  
7 extension shall be granted beyond December 1 of the privilege year.]. If the  
8 time for filing the return shall be extended, the payment of the portion of  
9 the tax remaining to be paid, if any, shall be postponed to the date fixed by  
10 the extension of the time for the filing of the return, but in every such case  
11 the corporation shall pay, in addition to the unpaid portion of the tax,  
12 interest thereon at the rate of 6% per annum from the time when the return  
13 originally was required to be filed to the date of actual payment under the  
14 extension; provided, that if such unpaid portion of the tax is not paid within  
15 the time fixed under the extension, the interest on such unpaid portion shall  
16 be computed at the rate of 1% per month or fraction thereof to be calculated  
17 from the date the tax was originally due to the date of actual payment.

1       12. This act shall take effect immediately, except that the amended sub-  
2 section (c) of section 5 of the act of which this act is amendatory shall take  
3 effect on January 1, 1959.

## STATEMENT

This bill is designed to revise the Corporation Business Tax Act (1945) which is the corporation franchise tax law applicable to general business corporations chartered and doing business in this State. The net worth base of the present law would be supplemented by an additional alternative measure of tax computed at the rate of 3½% on the taxpayer's net income allocable to New Jersey. The taxpayer would pay the greater, not both, of the amounts computed separately on the basis of each of these 2 alternative measures. New York and Connecticut are among other States using this alternative measure method.

The proposed amendment would adjust the corporate tax burden in this State more nearly to the ability-to-pay principle. Thirty-three States, including the 4 States adjoining New Jersey, now impose corporate net income taxes. State franchise taxes are deductible by a corporation in computing its liability for Federal income taxes.

ASSEMBLY, No. 501

STATE OF NEW JERSEY

INTRODUCED APRIL 17, 1958

By Assemblyman KURTZ

Referred to Committee on Appropriations

AN ACT to revise the laws imposing a franchise tax upon certain corporations, and amending and supplementing an act entitled "An act to provide for the imposition of a franchise tax upon certain corporations and for the distribution of the proceeds thereof, repealing sections 54:13-1 through 54:13-8 and chapter 32-A of Title 54, of the Revised Statutes, and making an appropriation for the administration of such tax," approved April 13, 1945 (P. L. 1945, c. 162), as amended and supplemented.

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

1 1. Section 4 of the act of which this act is amendatory is amended to read  
2 as follows:

3 4. For the purposes of this act, unless the context requires a different  
4 meaning:

5 (a) "Commissioner" shall mean the Director of the Division of Taxation  
6 of the State Department of [Taxation and Finance] *the Treasury.*

7 (b) "Allocation factor" shall mean the proportionate part of a tax-

20 amount of all indebtedness owing directly or indirectly to holders of 10%  
21 or more of the aggregate outstanding shares of the taxpayer's capital stock  
22 of all classes, as of the close of a calendar or fiscal year. However, if in the  
23 opinion of the commissioner, the corporation's books do not disclose fair  
24 valuations the commissioner may make a reasonable determination of the net  
25 worth which, in his opinion, would reflect the fair value of the assets car-  
26 ried on the books of the corporation, in accordance with sound accounting  
27 principles, and such determination shall be used as net worth for the pur-  
28 pose of this act.

29 (e) "Indebtedness owing directly or indirectly" shall include, without  
30 limitation thereto, all indebtedness owing to any stockholder or shareholder  
31 and to members of his immediate family where a stockholder and members

36 90% thereof of holding, investing and reinvesting in stocks, bonds, notes,

38 account, but this shall not include any corporation which: (1) is a merchant  
39 or a dealer of stocks, bonds and other securities, regularly engaged in buy-  
40 ing the same and selling the same to customers; or (2) had less than 90%  
41 of its average gross assets in New Jersey, at cost, invested in stocks, bonds,  
42 debentures, mortgages, notes, patents, patent rights or other securities or

43 consisting of cash on deposit during the period covered by its report; or  
44 (3) owned more than 10% of either the aggregate outstanding shares of  
45 capital stock of all classes entitled to vote, or of the aggregate outstanding  
46 shares of nonvoting capital stock, of any other corporation, during the  
47 period covered by its report.

48 (g) "Regulated investment company" shall mean any corporation which  
49 for a period covered by its report, is registered and regulated under the In-  
50 vestment Company Act of 1940 (54 Stat. 789), as amended.

52 pay taxes, interest or penalties under this act.

53 (i) "Fiscal year" shall mean an accounting period ending on any day  
54 other than the last day of December *on the basis of which the taxpayer is*  
55 *required to report for Federal income tax purposes.*

61 *well as profit gained through a sale or conversion of capital assets. For*  
62 *the purpose of this act, the amount of a taxpayer's entire net income, shall be*  
63 *deemed prima facie to be equal in amount to the taxable income before net*  
64 *operating loss deduction and special deductions, which the taxpayer is re-*  
65 *quired to report to the United States Treasury Department [.] for the pur-*  
66 *pose of computing its Federal income tax; provided, however, that in the de-*  
67 *termination of such entire net income,*

68 (1) *Entire net income shall not include 50% of dividends which were in-*  
69 *cluded in computing such taxable income for Federal income tax purposes;*

82 (E) 90% of interest on indebtedness owing directly or indirectly to

 85 event, be deducted

86 (i) up to an amount not exceeding \$1,000.00,

87 (ii) in full to the extent that it relates to bonds or other evi-  
 88 dences of indebtedness issued, with stock, pursuant to a bona fide  
 89 plan of reorganization, to persons, who, prior to such reorganization,  
 90 were bona fide creditors of the corporation or its predecessors, but  
 91 were not stockholders or shareholders thereof;

92 (3) The commissioner may, whenever necessary to properly reflect the  
 93 entire net income of any taxpayer, determine the year or period in which any  
 94 item of income or deduction shall be included, without being limited to the  
 95 method of accounting employed by the taxpayer.

14 State, 40% of the value of such property having a business situs outside this  
15 State, and the entire amount of the intangible personal property of foreign  
16 corporations as would have a business situs within this State for the purpose  
17 of a property tax) **;** at the rate of **]** multiplied by the following rates: 2 mills

2 as follows:

3 6. In the case of a taxpayer which maintains a regular place of business  
4 outside this State other than a statutory office, the portion of its entire net  
5 worth to be used as a measure of the tax imposed by section 5(a) of this act,  
6 and the portion of its entire net income to be used as a measure of the tax im-  
7 posed by section 5(c) of this act, shall be determined by multiplying such en-  
8 tire net worth and entire net income, respectively, by an allocation factor  
9 which shall be the average of the fractions computed in (A), (B) and (C)  
10 below, or of so many of them as may be applicable, that is:

11 (A) The average value of the taxpayer's real and tangible personal  
12 property within the State during the period covered by its report divided by  
13 the average value of all the taxpayer's real and tangible personal property  
14 wherever situated during such period;

15 (B) The receipts of the taxpayer, computed on the cash or accrual basis  
16 according to the method of accounting used in the computation of its net in-  
17 come for Federal tax purposes, arising during such period from

18 (1) sales of its tangible personal property located within this State at  
19 the time of the receipt of or appropriation to the orders where shipments are  
20 made to points within this State,

21 (2) sales of tangible personal property located within this State at the  
22 time of the receipt of or appropriation to the orders where shipment is made  
23 to points outside of the State and sales of tangible personal property located  
24 without the State at the time of the receipt of or appropriation to the orders  
25 where shipment is made to points within the State, but only to the extent of  
26 50% of the receipts from the sales referred to in this subsection (2),

27 (3) sales of any such property not located at the time of the receipt of or  
28 appropriation to the orders at any permanent or continuous place of business  
29 maintained by the taxpayer without the State, where the orders were received  
30 or accepted within the State, but only to the extent of 50% of the receipts  
31 from the sales referred to in this subsection (3). For the purposes of this  
32 subsection (3), an order shall be deemed received or accepted within the  
33 State if it has been received or accepted by an employee, agent, agency or in-

48 and employees within and without the State.

49 In the case of a taxpayer which does not maintain a regular place of busi-  
50 ness outside this State other than a statutory office, the allocation factor shall  
51 be 100%.

1 4. Section 8 of the act of which this act is amendatory is amended to read  
2 as follows:

3 8. If it shall appear to the commissioner that an allocation factor deter-  
4 mined pursuant to section 6 does not properly reflect the activity, business,  
5 receipts, [or] capital, *entire net worth* or *entire net income* of a taxpayer rea-  
6 sonably attributable to the State, he may adjust it by:

7 (a) excluding 1 or more of the factors therein;

8 (b) including 1 or more other factors, such as expenses, purchases, con-  
9 tract values (minus subcontract values);

10 (c) excluding 1 or more assets in computing entire net worth; or

17 Nothing herein shall be construed to require or permit the commissioner  
18 to adjust an allocation factor determined pursuant to section 5(b).

1 5. Section 10 of the act of which this act is amendatory is amended to  
2 read as follows:

3 [10. Whenever it shall appear to the commissioner that any taxpayer  
4 conducts its business or maintains its records in such manner as either di-  
5 rectly or indirectly to distort its true net worth under this act or the propor-  
6 tion thereof properly allocable to this State, or that any taxpayer maintains  
7 a place of business outside this State, or that any agreement, understanding  
8 or arrangement exists between a taxpayer and any other corporation or any  
9 person or firm, for the purpose of evading tax under this act, or whereby the  
10 activity, business, receipts or net worth of the taxpayer is improperly or in-  
11 accurately reflected, the commissioner is authorized and empowered in his  
12 discretion and in such manner as he may determine to adjust and redeter-  
13 mine such net worth, and to adjust items of gross receipts, tangible property

14 and payrolls within and without the State and the allocation of net worth,  
15 or to make such other adjustments in any tax report or tax returns as may be  
16 necessary. The commissioner may require any person or corporation to submit  
17 such information under oath, or to permit such examination of its books,  
18 papers and documents, as may be necessary to enable him to determine the

25 *rectly or indirectly to distort its true entire net income or its true entire net*  
26 *worth under this act or the proportion thereof properly allocable to this State,*  
27 *or whenever any taxpayer maintains a place of business outside this State, or*  
28 *whenever any agreement, understanding or arrangement exists between a tax-*  
29 *payer and any other corporation or any person or firm, for the purpose of*  
30 *evading tax under this act, or whereby the activity, business, receipts, ex-*  
31 *penses, assets, liabilities, income or net worth of the taxpayer are improperly*  
32 *or inaccurately reflected, the commissioner is authorized and empowered, in*  
33 *his discretion and in such manner as he may determine, to adjust and rede-*  
34 *termine such items, and to adjust items of gross receipts, tangible or intan-*  
35 *gible property and payrolls within and without the State and the allocation*  
36 *of entire net income or entire net worth or to make any other adjustments in*  
37 *any tax report or tax returns as may be necessary to make a fair and reason-*  
38 *able determination of the amount of tax payable under this act. Where (a)*  
39 *any taxpayer conducts its activity or business under any agreement, arrange-*  
40 *ment or understanding in such manner as either directly or indirectly to bene-*  
41 *fit its members or stockholders, or any of them, or any person or persons di-*  
42 *rectly or indirectly interested in such activity or business, by entering into*  
43 *any transaction at more or less than a fair price which, but for such agree-*  
44 *ment, arrangement or understanding, might have been paid or received*

45 therefor, or (b) any taxpayer, a substantial portion of whose capital stock  
46 is owned either directly or indirectly by or through another corporation,  
47 enters into any transaction with such other corporation on such terms as  
48 to create an improper loss or net income, the commissioner may include in  
49 the entire net income of the taxpayer the fair profits which, but for such  
50 agreement, arrangement or understanding, the taxpayer might have derived  
51 from such transaction. The commissioner may require any person or corpora-  
52 tion to submit such information under oath or affirmation, or to permit such  
53 examination of its books, papers and documents, as may be necessary to  
54 enable him to determine the existence, nature or extent of an agreement,  
55 understanding or arrangement to which this section relates, whether or not  
56 such person or corporation is subject to the tax imposed by this act.

1       6. Section 13 of the act of which this act is amendatory is amended to  
2 read as follows:

3       [13. In the case of any corporation which organizes or qualifies on or  
4 after January 1 in any year no tax shall be payable in such privilege year;

13 or other competent authority, or where a renegotiation of a contract or sub-  
14 contract with the United States results in a change in said taxable income, or  
15 where a recovery of a war loss results in a computation or recomputation of  
16 any tax imposed by the United States, such taxpayer shall report such  
17 changed or corrected taxable income, or the results of such renegotiation, or  
18 such computation or recomputation, within 90 days after the final determina-  
19 tion of such change or correction or renegotiation, or such computation or

20 recomputation, or as required by the commissioner, and shall concede the  
21 accuracy of such determination or state wherein it is erroneous. Any tax-  
22 payer filing an amended return with such department shall also file within

6 preceding the privilege year, except that in the case of a taxpayer whose  
7 fiscal year ends not later than June 30 in the privilege year such measure

 39 separately with respect to each such fiscal or calendar accounting year or  
 40 part thereof on the basis of which a franchise tax has not previously  
 41 accrued as aforesaid, on a report which shall be filed on or before April

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*  
2 *Jersey:*

23 opinion of the commissioner, the corporation's books do not disclose fair  
24 valuations the commissioner may make a reasonable determination of the net  
25 worth which, in his opinion, would reflect the fair value of the assets car-  
26 ried on the books of the corporation, in accordance with sound accounting  
27 principles, and such determination shall be used as net worth for the pur-  
28 pose of this act.

29 (e) "Indebtedness owing directly or indirectly" shall include, without

62 *the purpose of this act, the amount of a taxpayer's entire net income shall be*  
63 *deemed prima facie to be equal in amount to the taxable income, before net*  
64 *operating loss deduction and special deductions, which the taxpayer is re-*  
65 *quired to report to the United States Treasury Department [.] for the pur-*  
66 *pose of computing its Federal income tax; provided, however, that in the de-*  
67 *termination of such entire net income,*

68 (1) *Entire net income shall not include 50% of dividends which were in-*

87 (ii) in full to the extent that it relates to bonds or other evi-  
 88 dences of indebtedness issued, with stock, pursuant to a bona fide  
 89 plan of reorganization, to persons, who, prior to such reorganization,  
 90 were bona fide creditors of the corporation or its predecessors, but  
 91 were not stockholders or shareholders thereof;

92 (3) The commissioner may, whenever necessary to properly reflect the  
 93 entire net income of any taxpayer, determine the year or period in which any  
 94 item of income or deduction shall be included, without being limited to the  
 95 method of accounting employed by the taxpayer.

6 and the portion of its entire net income to be used as a measure of the tax im-

9 which shall be the average of the fractions computed in (A), (B) and (C)  
10 below, or of so many of them as may be applicable, that is:

11 (A) The average value of the taxpayer's real and tangible personal  
12 property within the State during the period covered by its report divided by  
13 the average value of all the taxpayer's real and tangible personal property  
14 wherever situated during such period;

15 (B) The receipts of the taxpayer, computed on the cash or accrual basis  
16 according to the method of accounting used in the computation of its net in-

18 (1) sales of its tangible personal property located within this State at  
19 the time of the receipt of or appropriation to the orders where shipments are  
20 made to points within this State,

21 (2) sales of tangible personal property located within this State at the  
22 time of the receipt of or appropriation to the orders where shipment is made  
23 to points outside of the State and sales of tangible personal property located  
24 without the State at the time of the receipt of or appropriation to the orders  
25 where shipment is made to points within the State, but only to the extent of  
26 50% of the receipts from the sales referred to in this subsection (2),

27 (3) sales of any such property not located at the time of the receipt of or  
28 appropriation to the orders at any permanent or continuous place of business  
29 maintained by the taxpayer without the State, where the orders were received

49 In the case of a taxpayer which does not maintain a regular place of busi-

51 be 100%.

1 4. Section 8 of the act of which this act is amendatory is amended to read  
2 as follows:

3 8. If it shall appear to the commissioner that an allocation factor deter-  
4 mined pursuant to section 6 does not properly reflect the activity, business,  
5 receipts, [or] capital, *entire net worth or entire net income* of a taxpayer rea-  
6 sonably attributable to the State, he may adjust it by:

7 (a) excluding 1 or more of the factors therein;

17 Nothing herein shall be construed to require or permit the commissioner  
18 to adjust an allocation factor determined pursuant to section 5(b).

2 read as follows:

3 **[10.** Whenever it shall appear to the commissioner that any taxpayer  
4 conducts its business or maintains its records in such manner as either di-  
5 rectly or indirectly to distort its true net worth under this act or the propor-  
6 tion thereof properly allocable to this State, or that any taxpayer maintains  
7 a place of business outside this State, or that any agreement, understanding  
8 or arrangement exists between a taxpayer and any other corporation or any  
9 person or firm, for the purpose of evading tax under this act, or whereby the  
10 activity, business, receipts or net worth of the taxpayer is improperly or in-  
11 accurately reflected, the commissioner is authorized and empowered in his  
12 discretion and in such manner as he may determine to adjust and redeter-  
13 mine such net worth, and to adjust items of gross receipts, tangible property

14 and payrolls within and without the State and the allocation of net worth,  
15 or to make such other adjustments in any tax report or tax returns as may be  
16 necessary. The commissioner may require any person or corporation to submit  
17 such information under oath, or to permit such examination of its books,  
18 papers and documents, as may be necessary to enable him to determine the

25 *rectly or indirectly to distort its true entire net income or its true entire net*  
26 *worth under this act or the proportion thereof properly allocable to this State,*  
27 *or whenever any taxpayer maintains a place of business outside this State, or*  
28 *whenever any agreement, understanding or arrangement exists between a tax-*  
29 *payer and any other corporation or any person or firm, for the purpose of*  
30 *evading tax under this act, or whereby the activity, business, receipts, ex-*

32 *or inaccurately reflected, the commissioner is authorized and empowered, in*  
33 *his discretion and in such manner as he may determine, to adjust and rede-*  
34 *termine such items, and to adjust items of gross receipts, tangible or intan-*  
35 *gible property and payrolls within and without the State and the allocation*  
36 *of entire net income or entire net worth or to make any other adjustments in*

39 *any taxpayer conducts its activity or business under any agreement, arrange-*  
40 *ment or understanding in such manner as either directly or indirectly to bene-*  
41 *fit its members or stockholders, or any of them, or any person or persons di-*  
42 *rectly or indirectly interested in such activity or business, by entering into*  
43 *any transaction at more or less than a fair price which, but for such agree-*  
44 *ment, arrangement or understanding, might have been paid or received*

45 therefor, or (b) any taxpayer, a substantial portion of whose capital stock  
46 is owned either directly or indirectly by or through another corporation,  
47 enters into any transaction with such other corporation on such terms as  
48 to create an improper loss or net income, the commissioner may include in  
49 the entire net income of the taxpayer the fair profits which, but for such  
50 agreement, arrangement or understanding, the taxpayer might have derived  
51 from such transaction. The commissioner may require any person or corpora-  
52 tion to submit such information under oath or affirmation, or to permit such  
53 examination of its books, papers and documents, as may be necessary to  
54 enable him to determine the existence, nature or extent of an agreement,  
55 understanding or arrangement to which this section relates, whether or not  
56 such person or corporation is subject to the tax imposed by this act.

1       6. Section 13 of the act of which this act is amendatory is amended to  
2 read as follows:

3       [13. In the case of any corporation which organizes or qualifies on or  
4 after January 1 in any year no tax shall be payable in such privilege year;

16 any tax imposed by the United States, such taxpayer shall report such  
17 changed or corrected taxable income, or the results of such renegotiation, or

9 after January 1 of the year next succeeding the privilege year in which it is  
10 due and payable, and all interest, penalties and costs of collection which fall  
11 due or accrue shall be added to and become a part of such lien. Notwithstand-  
12 ing the provisions of any other law, all such taxes, interest, penalties and costs

15 of the taxpayer's property and franchises until January 1, 1956, or until the  
16 expiration of 10 years after January 1 of the privilege year in which they  
17 became or become due and payable, whichever shall be later, and no longer.]

18 *16. The tax imposed by this act shall constitute a lien on all of the tax-*  
19 *payer's property and franchises on and after January 1 of the year next suc-*  
20 *ceeding the year in which it is due and payable, and all interest, penalties*  
21 *and costs of collection which fall due or accrue shall be added to and become*  
22 *a part of such lien. Notwithstanding the provisions of any other law, all such*  
23 *taxes, interest, penalties and costs heretofore or hereafter imposed or in-*  
24 *curred, whether levied or assessed or not, under this act shall, unless sooner*  
25 *paid, continue and remain a lien on all of the taxpayer's property and fran-*  
26 *chises until the expiration of 10 years after January 1 of the year in which*  
27 *they became or become due and payable.*

1 9. Section 17 of the act of which this act is amendatory is amended to  
2 read as follows:

3 17. [(a) on or before April 15, in the case of taxpayers reporting on a  
4 calendar year basis, and on or before April 15 or the fifteenth day of the

6 case of taxpayers reporting on a fiscal year basis, each taxpayer shall duly  
7 execute and file a tax return with the commissioner, in such form and con-  
8 taining such information as he may prescribe, which return shall truly and  
9 accurately, set forth its liability under this act; and the full amount of the  
10 tax hereunder shall be due and payable to the commissioner on or before the  
11 date prescribed herein for the filing of the return; provided, however, that  
12 for the privilege year 1947 any return and tax payment which under the  
13 foregoing provisions of this section would be due on or before April 15 or

14 on or before May 15 shall be due on or before May 31, 1947.] (a) *If the period*  
15 *covered by the report under this act is other than the period covered by the*  
16 *report to the United States Treasury Department or is a period of less than*  
17 *12 calendar months, the commissioner may, under regulations prescribed by*  
18 *him, determine the entire net worth and entire net income of the taxpayer in*  
19 *such manner as shall properly reflect its entire net worth and entire net in-*  
20 *come for the period covered by its report under this act.*

21 (b) Any taxpayer which shall fail to file its return when due shall be  
22 liable to a penalty of \$2.00 for each day of delinquency, which penalty shall  
23 be payable to, and recoverable by, the commissioner as a part of the tax  
24 herein imposed. If any tax be not paid when the same becomes due, as herein  
25 provided, there shall be added to the amount of the tax a sum equivalent to  
26 5% thereof, as a penalty, and, in addition thereto, interest at the rate of 1%  
27 per month or fraction thereof from the date the tax became due until the same  
28 be paid. The commissioner, if satisfied that the failure to comply with any  
29 provision of this [section] act was excusable, may abate or remit the whole  
30 or part of any penalty.

1 10. Section 18 of the act of which this act is amendatory is amended to  
2 read as follows:

3 [18. The commissioner shall design a form of return and forms for such  
4 additional statements or schedules as he may require to be filed therewith.  
5 Such forms shall provide for the setting forth of such facts as the commis-  
6 sioner may deem necessary for the proper enforcement of this act. He shall  
7 cause a supply thereof to be printed and shall furnish appropriate blank  
8 forms to each taxpayer upon application or otherwise as he may deem neces-  
9 sary. Failure to receive a form shall not relieve any taxpayer from the ob-  
10 ligation to file a return under the provisions of this act. Each such return  
11 shall be made upon the oath or affirmation of the president, vice-president,  
12 or secretary or treasurer of the taxpayer, and in the case of a corporation in  
13 liquidation or in the hands of a receiver or trustee, shall be made on the oath  
14 or affirmation of the person responsible for the conduct of the affairs of such  
15 corporation.]

16 18. *The commissioner shall design a form of return and forms for such*  
17 *additional statements or schedules as he may require to be filed therewith.*  
18 *Such forms shall provide for the setting forth of such facts as the commis-*  
19 *sioner may deem necessary for the proper enforcement of this act. He shall*  
20 *cause a supply thereof to be printed and shall furnish appropriate blank*  
21 *forms to each taxpayer upon application or otherwise as he may deem neces-*  
22 *sary. Failure to receive a form shall not relieve any taxpayer from the ob-*  
23 *ligation to file a return under the provisions of this act. Each such return*  
24 *shall have annexed thereto a certification by the president, vice-president,*  
25 *comptroller, secretary, treasurer, assistant treasurer, accounting officer of the*  
26 *taxpayer or any other officer of the taxpayer duly authorized so to act to the*  
27 *effect that the statements contained therein are true. The fact that an indi-*  
28 *vidual's name is signed on a certification of the report shall be prima facie*  
29 *evidence that such individual is authorized to sign and certify the report on*  
30 *behalf of the corporation. In the case of a corporation in liquidation or in*  
31 *the hands of a receiver or trustee, certification shall be made by the person*  
32 *responsible for the conduct of the affairs of such corporation.*

1 11. Section 19 of the act of which this act is amendatory is amended to  
2 read as follows:

3 19. The commissioner may grant a reasonable extension of time for the  
4 filing of returns or the payment of tax, or both, under such rules and regu-  
5 lations as he shall prescribe, which rules and regulations may require the fil-  
6 ing of a tentative return and the payment of an estimated tax[, but no such  
7 extension shall be granted beyond December 1 of the privilege year.]. If the  
8 time for filing the return shall be extended, the payment of the portion of  
9 the tax remaining to be paid, if any, shall be postponed to the date fixed by  
10 the extension of the time for the filing of the return, but in every such case  
11 the corporation shall pay, in addition to the unpaid portion of the tax,  
12 interest thereon at the rate of 6% per annum from the time when the return  
13 originally was required to be filed to the date of actual payment under the  
14 extension; provided, that if such unpaid portion of the tax is not paid within

15 the time fixed under the extension, the interest on such unpaid portion shall  
16 be computed at the rate of 1% per month or fraction thereof to be calculated  
17 from the date the tax was originally due to the date of actual payment.

1 [12. This act shall take effect immediately, except that the amended sub-  
2 section (c) of section 5 of the act of which this act is amendatory shall take  
3 effect on January 1, 1959.]

4 12. *The provisions of this act shall be effective with respect to the tax*  
5 *payable in the year 1959 and thereafter and, with respect to the tax payable*  
6 *in 1958 and prior years, shall not affect the provisions of, or any obligations*  
7 *heretofore incurred under, the Corporation Business Tax Act (1945).*
