ASSEMBLY, No. 96

STATE OF NEW JERSEY

INTRODUCED JANUARY 24, 1938

By Mr. WILENSKY

Referred to Committee on Housing

AN ACT relating to the creation of local housing authorities, including the definition of their functions and powers, and to public housing projects undertaken by public bodies, and adding a new chapter to the Revised Statutes, to be known as chapter fourteen A of Title 55.

1 BE IT ENACTED *by the Senate and General Assembly of the State of New*
2 *Jersey:*

1 1. That there be added to the Revised Statutes a new chapter to be
2 known as chapter fourteen A of Title 55, Public Housing, as herein provided.

1 2. 55:14A-1. Short Title. This chapter may be referred to as the
2 "Local Housing Authorities Law."

1 3. 55:14A-2. Declaration of necessity of legislation. It is hereby de-
2 clared: (a) that there exist in the State insanitary or unsafe dwelling ac-
3 commodations and that persons of low income are forced to reside in such
4 insanitary or unsafe accommodations; that within the State there is a
5 shortage of safe or sanitary dwelling accommodations available at rents
6 which persons of low income can afford and that such persons are forced
7 to occupy overcrowded and congested dwelling accommodations; that the
8 aforesaid conditions cause an increase in and spread of disease and crime
9 and constitute a menace to the health, safety, morals and welfare of the
10 residents of the State and impair economic values; that these conditions
11 necessitate excessive and disproportionate expenditures of public funds for

2
12 crime prevention and punishment, public health and safety, fire and accident
13 protection, and other public services and facilities; (b) that these areas
14 in the State cannot be cleared, nor can the shortage of safe and sanitary
15 dwellings for persons of low income be relieved, through the operation of
16 private enterprise, and that the construction of housing projects for per-
17 sons of low income (as herein defined) would therefore not be competitive
18 with private enterprise; (c) that the clearance, replanning and reconstruc-
19 tion of the areas in which insanitary or unsafe housing conditions exist and
20 the providing of safe and sanitary dwelling accommodations by any public
21 body for persons of low income are public uses and purposes for which
22 public money may be spent and private property acquired and are govern-
23 mental functions of State concern; (d) that it is in the public interest that
24 work on projects for such purposes be commenced as soon as possible in
25 order to relieve unemployment; and the necessity in the public interest for
26 the provisions hereinafter enacted, is hereby declared as a matter of legis-
27 lative determination.

1 4. 55:14A-3. Definitions. The following terms, wherever used or referred

78 (n) "Director" shall mean the executive officer of the State Housing

1 5. 55:14A-4. Creation of housing authorities. Any governing body
2 may, by resolution or ordinance, create a body corporate and politic to be
3 known as the "Housing Authority of" inserting the name
4 of the municipality or county creating such authority. Such authority
5 shall constitute an agency and instrumentality of the municipality or county
6 creating it. Upon the adoption of a resolution as aforesaid, a copy thereof
7 certified by the clerk shall be filed with the director. Thereupon the di-
8 rector shall make a determination of the necessity of initiating a housing
9 project in the area of operation of the authority, and should the commis-
10 sion determine that such necessity exists it shall issue its certificate setting
11 forth its conclusions, recommendations and findings. Thereupon if a certifi-
12 cate issues the governing body shall appoint five persons as commissioners
13 of the authority. The commissioners who are first appointed shall be desig-
14 nated to serve for terms of one, two, three, four and five years, respectively,
15 from the date of their appointment, but thereafter commissioners shall be
16 appointed as aforesaid for a term of five years, except that all vacancies
17 shall be filled for the unexpired term. The governing body of two or more
18 municipalities may by joint action and resolutions or ordinances create a
19 public body corporate and politic to be known as "..... Regional
20 Housing Authority," with such additional designation as may be provided
21 in the joint resolutions or ordinances. Such regional authority shall consti-
22 tute an agency and instrumentality of the municipalities creating it. Upon
23 the adoption of a joint resolution or ordinance as aforesaid, a copy thereof
24 certified by the clerk of each of the municipalities shall be filed with the
25 director. Thereupon the director shall make a determination of the neces-
26 sity of initiating a housing project in the area of operation of the authority,
27 and should the director determine that such necessity exists it shall issue
28 its certificate setting forth its conclusions, recommendations and findings.
29 Thereupon, if a certificate issues, the respective clerks shall promptly notify

30 the respective governing bodies of such adoption. Upon receiving such not-
31 ice, each governing body shall appoint two persons as commissioners of the
32 regional authority for a term of five years except that all vacancies shall
33 be filled for the unexpired term. The governing body of the municipality
34 which has the greatest population of any of the municipalities creating the
35 regional authority shall appoint one additional person as commissioner of
36 the authority for a like term. The clerks of the governing bodies shall
37 file with the director the names of persons appointed as commissioners
38 of an authority. The director may appoint a person as a member ex-officio
39 of each housing authority. Said person shall not be entitled to vote in
40 affairs of the authority, but shall be entitled to all other privileges of mem-
41 bership on such authority. The director may remove such person and desig-
42 nate a new one at any time or may fill the vacancy caused by the death or
43 resignation of such person. No municipality which has created an authority
44 pursuant to this section shall thereafter join in the creation of a regional
45 authority. No municipality which has been included (with its consent) with-
46 in the area of operation of a county housing authority shall thereafter
47 create an authority or join in the creation of a regional authority.

1 6. 55:14A-5. Proof of existence of authority. In any suit, action or pro-
2 ceeding involving the validity or enforcement of, or relating to, any contract
3 of an authority, the authority shall be conclusively deemed to have become
4 established and authorized to transact business and exercise its powers
5 hereunder upon proof of the adoption by the governing body of the resolu-
6 tion or ordinance aforesaid or by the governing bodies of the joint resolu-
7 tions or ordinances as aforesaid. A copy of such resolution or ordinance
8 or joint resolutions or ordinances duly certified by the clerk or clerks re-
9 spectively shall be admissible in evidence in any suit, action or proceeding.

1 7. 55:14A-6. Authority; commissioners; misconduct; removal. No
2 commissioner of any authority may be an officer or employee of the munici-
3 pality or county for which the authority is created. A commissioner shall
4 hold office until his successor has been appointed and has qualified. A cer-

5 tificate of the appointment or reappointment of any commissioner shall be
6 filed with the clerk and such certificate shall be conclusive evidence of the
7 due and proper appointment of such commissioner. A commissioner shall
8 receive no compensation for his services but he shall be entitled to the neces-
9 sary expenses, including traveling expenses incurred in the discharge of
10 his duties. The powers of each authority shall be vested in the commis-
11 sioners thereof in office from time to time. A majority, excluding the ex-
12 officio member, shall constitute a quorum of the authority for the purpose of
13 conducting its business and exercising its powers and for all other purposes.
14 Action may be taken by the authority upon a vote of the majority of the
15 commissioners present, unless in any case the by-laws of the authority shall
16 require a larger number. The authority shall select a chairman and a vice-
17 chairman from among its commissioners, and it may employ a secretary
18 (who shall be executive director), technical experts and such other officers,
19 agents and employees, permanent and temporary, as it may require, and
20 shall determine their qualifications, duties and compensation. For such le-
21 gal services as it may require, an authority may call upon any chief law
22 officers of the municipality, municipalities or the county, as the case may be,
23 or may employ its own counsel and legal staff. An authority may dele-
24 gate to one or more of its agents or employees such powers and duties as
25 it may deem proper. No commissioner or employee of an authority shall
26 acquire any interest direct or indirect in any housing project or in any
27 property included or planned to be included in the project nor shall he have
28 any interest direct or indirect in any contract or proposed contract for ma-
29 terials or services to be furnished or used in connection with any housing
30 project. If any commissioner or employee of an authority owns or controls
31 an interest direct or indirect in any property included or planned to be in-
32 cluded in a housing project he immediately shall disclose the same in writing
33 to the authority and such disclosure shall be entered upon the minutes of
34 the authority. Failure so to disclose such interest shall constitute miscon-
35 duct in office. Upon such disclosure such commissioner or employee shall

36 not participate in any action by the authority affecting such property.
37 For inefficiency or neglect of duty or misconduct in office, a commissioner of
38 an authority may be removed by the governing body which made the origi-
39 nal appointment, but a commissioner shall be removed only after he shall
40 have been given a copy of the charges at least ten days prior to the hear-
41 ing thereon and had an opportunity to be heard in person or by counsel.
42 In the event of the removal of any commissioner, a record of the proceed-
43 ings, together with the charges and findings thereon, shall be filed in the
44 office of the clerk.

1 8. 55:14A-7. Powers of authority. An authority shall constitute a pub-
2 lic body corporate and politic, exercising public and essential governmental
3 functions, and having all the powers necessary or convenient to carry out
4 and effectuate the purposes and provisions of this chapter, including the fol-
5 lowing powers in addition to others herein granted:

6 (a) To sue and be sued; to have a seal and to alter the same at pleas-
7 ure; to have perpetual succession; to make and execute contracts and
8 other instruments necessary or convenient to the exercise of the powers
9 of the authority; and to make and from time to time amend and repeal
10 by-laws, rules and regulations, not inconsistent with this chapter, to
11 carry into effect the powers and purposes of the authority.

12 (b) Within its area of operation; to prepare, carry out, acquire,
13 lease and operate housing projects; to provide for the construction, re-
14 construction, improvement, alteration or repair of any housing project
15 or any part thereof.

16 (c) To arrange or contract for the furnishing by any person or agency,
17 public or private, of services, privileges, works or facilities for, or in
18 connection with, a housing project or the occupants thereof; and (not-
19 withstanding anything to the contrary contained in this chapter or in
20 any other provision of law) to include in any contract let in connection
21 with a project, stipulations requiring that the contractor and any sub-
22 contractors comply with requirements as to minimum wages and maxi-

23 num hours of labor, and comply with any conditions which the Federal
24 Government may have attached to its financial aid of the project. Every
25 construction, material and equipment contract shall be awarded to the
26 lowest responsible bidder, after every opportunity has been given for
27 free, open and competitive bidding; *provided*, that in the selection of
28 equipment or materials the authority may, in the interest of standardi-
29 zation or ultimate economy, if the advantage of such standardization or
30 such ultimate economy is clearly evident, award a contract to a respons-
31 ible bidder other than the lowest in price.

32 (d) To lease or rent any dwellings, houses, accommodations, lands,
33 buildings, structures or facilities embraced in any housing project and
34 (subject to the limitations contained in this chapter) to establish and re-
35 vise the rents or charges therefor; to own, hold and improve real or
36 personal property; to purchase, lease, obtain options upon, acquire by
37 gift, grant, bequest, devise, or otherwise, any real or personal property
38 or any interest therein; to acquire by the exercise of the power of emi-
39 nent domain any real property; to sell, lease, exchange, transfer, as-
40 sign, pledge or dispose of any real or personal property or any interest
41 therein; to insure or provide for the insurance of any real or personal
42 property or operations of the authority against any risks or hazards;
43 to procure or agree to the procurement of insurance or guarantees
44 from the Federal Government of the payment of any bonds or parts
45 thereof issued by an authority, including the power to pay premiums on
46 any such insurance.

47 (e) To invest any funds held in reserve or sinking funds, or any funds
48 not required for immediate disbursement, in property or securities in
49 which savings banks may legally invest funds subject to their control;
50 to purchase its bonds at a price not more than the principal amount
51 thereof and accrued interest, all bonds so purchased to be cancelled.

52 (f) Within its area of operation; to investigate into living, dwelling
53 and housing conditions and into the means and methods of improving

54 such conditions; to determine where slum areas exist or where there is
55 a shortage of decent, safe and sanitary dwelling accommodations for
56 persons of low income; to make studies and recommendations relating
57 to the problem of clearing, replanning and reconstructing of slum areas,
58 and the problem of providing dwelling accommodations for persons of
59 low income, and to co-operate with any public body in action taken in
60 connection with such problems; and to engage in research, studies and
61 experimentation on the subject of housing.

62 (g) To exercise all or any part or combination of powers herein
63 granted.

1 9. 55:14A-8. Rental policies of authority. It is hereby declared to be
2 the policy of this State that each housing authority shall manage and oper-
3 ate its housing projects in an efficient manner so as to enable it to fix the
4 rentals for dwelling accommodations at the lowest possible rates consistent
5 with its providing decent, safe and sanitary dwelling accommodations, and
6 that no housing authority shall construct or operate any such project for
7 profit, or as a source of revenue to the municipality or the county. To this
8 end an authority shall fix the rentals for dwellings in its projects at no
9 higher rates than it shall find to be necessary in order to produce revenues
10 which (together with all other available moneys, revenues, income and re-
11 ceipts of the authority from whatever sources derived) will be sufficient (a) to
12 pay, as the same become due, the principal and interest on the bonds of the
13 authority; (b) to meet the cost of, and to provide for, maintaining and
14 operating the projects (including the cost of any insurance) and the admin-
15 istrative expenses of the authority; and (c) to create (during not less than
16 the six years immediately succeeding its issuance of any bonds) a reserve suf-
17 ficient to meet the largest principal and interest payments which will be due
18 on such bonds in any one year thereafter and to maintain such reserve.
19 In the operation or management of housing projects an authority shall at
20 all times observe the following duties with respect to rentals and tenant
21 selection; (a) it may rent or lease the dwelling accommodations therein only

22 to persons of low income and at rentals within the financial reach of such
23 persons of low income; (b) it may rent or lease to a tenant dwelling ac-
24 commodations consisting of the number of rooms (but no greater number)
25 which it deems necessary to provide safe and sanitary accommodations to
26 the proposed occupants thereof, without overcrowding; (c) it shall not ac-
27 cept any person as a tenant in any housing project if the person or per-
28 sons who would occupy the dwelling accommodations have an aggregate
29 annum income in excess of five times the annual rental of the quarters to
30 be furnished such person or persons, except that in the case of families
31 with three or more minor dependents, such ratio shall not exceed six to one;
32 in computing the rental for this purpose of selecting tenants, there shall be
33 included in the rental the average annual cost (as determined by the au-
34 thority) to occupants of heat, water, electricity, gas, cooking range and
35 other necessary services or facilities, whether or not the charge for such
36 services and facilities is in fact included in the rental.

1 10. 55:14A-9. Default. Foreclosure. Nothing contained in this or the
2 preceding section shall be construed as limiting the power of an authority
3 to vest in an obligee the right, in the event of a default by the authority, to
4 take possession of a housing project or cause the appointment of a receiver
5 thereof or acquire title thereto through foreclosure proceedings, free from all
6 the restrictions imposed by this or the preceding section; *provided, however,*
7 that in the event of a default by the authority which results in possession
8 or title passing to a private mortgagee, any tax exemption privilege or other
9 special privilege accorded to such housing project because of its public
10 nature, shall cease.

1 11. 55:14A-10. Right of eminent domain. An authority shall have the
2 right to acquire by the exercise of the power of eminent domain any real
3 property which it may deem necessary for its purposes under this chapter
4 after the adoption by it or a resolution declaring that the acquisition of the
5 real property described therein is necessary for such purposes. Property
6 already devoted to a public use may be acquired in like manner provided

7 that no real property belonging to a public body or corporation itself pos-
8 sessing the power of eminent domain may be acquired without its consent.

1 12. 55:14A-11. Projects subject to local laws. All housing projects of
2 an authority shall be subject to the planning, zoning, sanitary and build-
3 ing laws, ordinances and regulations applicable to the locality in which the
4 housing project is situated. In the planning and location of any housing
5 project, an authority shall take into consideration the relationship of the
6 project to any larger plan or long range program for the development of
7 the area in which the housing authority functions.

1 13. 55:14A-12. Bonds: power to issue. An authority shall have the
2 power to issue bonds from time to time in its discretion, for any of its cor-
3 porate purposes. An authority shall also have power to issue refunding
4 bonds for the purpose of paying or retiring bonds previously issued by it.
5 An authority may issue such types of bonds as it may determine, including
6 (without limiting the generality of the foregoing) bonds on which the prin-
7 cipal and interest are payable: (a) exclusively from the income and revenues
8 of the housing project financed with the proceeds of such bonds; (b) exclu-
9 sively from the income and revenues of certain designated housing projects
10 whether or not they are financed in whole or in part with the proceeds of such
11 bonds; or (c) from its revenues generally. Any such bonds may be addi-
12 tionally secured by a pledge of any grant or contributions from the Federal
13 Government or other source, or a pledge of any income or revenues of the
14 authority, or a mortgage of any housing project, projects or other property
15 of the authority.

1 14. 55:14A-13. Bonds: liability. Neither the commissioners of an au-
2 thority nor any person executing the bonds shall be liable personally on the
3 bonds by reason of the issuance thereof. The bonds and other obligations
4 of an authority (and such bonds and obligations shall so state on their face)
5 shall not be a debt of the State or any political subdivision thereof and
6 neither the State nor any political subdivision thereof shall be liable there-
7 on, nor in any event shall such bonds or obligations be payable out of any

8 funds or properties other than those of said authority. The bonds shall
9 not constitute an indebtedness within the meaning of any debt limitation or
10 restriction. Bonds of an authority are declared to be issued for an essen-
11 tial public and governmental purpose and to be public instrumentalities,
12 and, together with interest thereon and income therefrom, shall be exempt
13 from taxes.

1 15. 55:14A-14. Bonds: provisions. Bonds of an authority shall be au-
2 thorized by its resolution and may be issued in one or more series and shall
3 bear such date or dates, mature at such time or times, bear interest at such
4 rate or rates, not exceeding six per centum (6%) per annum, be in such
5 denomination or denominations, be in such form, either coupon or regis-
6 tered, carry such conversion or registration privileges, have such rank
7 or priority, be executed in such manner, be payable in such medium
8 of payment, at such place or places, and be subject to such terms
9 of redemption (with or without premium) as such resolution, its
10 trust indenture or mortgage may provide. The bonds may be sold
10½ at not less than par at public sale held after notice published
11 once at least five days prior to such sale in a newspaper having a general cir-
12 culation in the area of operation and in a financial newspaper published in the
13 city of Philadelphia, Pennsylvania, or in the city of New York, New York;
14 *provided, however*, that such bonds may be sold at not less than par to the Fed-
15 eral Government at private sale without any public advertisement.

16 Bonds: validity. In case any of the commissioners or officers of the
17 authority whose signatures appear on any bonds or coupons shall cease to
18 be such commissioners or officers before the delivery of such bonds, such
19 signatures shall, nevertheless, be valid and sufficient for all purposes, the
20 same as if such commissioners or officers had remained in office until such
21 delivery. Any provision of any law to the contrary notwithstanding, any
22 bonds issued pursuant to this act shall be fully negotiable.

23 Bonds: suit. In any suit, action or proceedings involving the validity
24 or enforceability of any bond of an authority or the security therefor, any

25 such bond reciting in substance that it has been issued by the authority to
26 aid in financing a housing project to provide dwelling accommodations for
27 persons of low income shall be conclusively deemed to have been issued for
28 a housing project of such character and said project shall be conclusively
29 deemed to have been planned, located and constructed in accordance with
30 the purposes and provisions of this subtitle.

1 16. 55:14A-15. Bonds: powers of authority. In connection with the is-
2 suance of bonds or the incurring of obligations under leases and in order to
3 secure the payment of such bonds or obligations, an authority, in addition
4 to its other powers, shall have power:

5 (a) To pledge all or any part of its gross or net rents, fees or revenues
6 to which its right then exists or may thereafter come into existence.

7 (b) To mortgage all or any part of its real or personal property,
8 then owned or thereafter acquired.

9 (c) To covenant against pledging all or any part of its rents, fees and
10 revenues, or against mortgaging all or any part of its real or personal
11 property, to which its right or title then exists or may thereafter come
12 into existence or against permitting or suffering any lien on such rev-
13 enues or property; to covenant with respect to limitations on its right

2 the right in addition to all other rights which may be conferred on such ob-
3 ligees, subject only to any contractual restrictions binding upon such ob-
4 ligees;

5 (a) By mandamus, suit, action or proceeding at law or in equity to

8 contained in any contract of said authority with or for the benefit of
9 such obligee, and to require the carrying out of any or all such cove-
10 nants and agreements of said authority and the fulfillment of all duties
11 imposed upon said authority by this chapter.

12 (b) By suit, action or proceedings in equity, to enjoin any acts or
13 things which may be unlawful, or the violation of any of the rights of
14 such obligee of said authority.

1 18. 55:14A-17. Powers of authority after default. An authority shall
2 have power by its resolution, trust indenture, mortgage, lease or other con-
3 tract to confer upon any obligee holding or representing a specified amount
4 in bonds, or holding a lease, the right (in addition to all rights, that may

14 same, and collect and receive all fees, rents, revenues, or other charges

16 account or accounts and apply the same in accordance with the obliga-
17 tions of said authority as the court shall direct.

18 (c) To require said authority and the commissioners thereof to ac-

1 19. 55:14A-18. Real property exempt from levy. All real property of an
2 authority shall be exempt from levy and sale by virtue of an execution, and
3 no execution or other judicial process shall issue against the same nor shall
4 any judgment against an authority be a charge or lien upon its real prop-
5 erty; *provided, however*, that the provisions of this section shall not apply
6 to or limit the right of obligees to foreclose or otherwise enforce any mort-
7 gage of any authority or the right of obligees to pursue any remedies for
8 the enforcement of any pledge or lien given by an authority on its rents, fees
9 or revenues.

1 20. 55:14A-19. Powers of authority pertaining to Federal Government.
2 In addition to the powers conferred upon any authority by other provisions
3 of this chapter, an authority is empowered to borrow money or accept con-
4 tributions; grants or other financial assistance from the Federal Govern-
5 ment for or in aid of any housing project within its area of operation, to
6 take over or lease or manage any housing project or undertaking constructed
7 or owned by the Federal Government, and to these ends, to comply with such
8 conditions and enter into such mortgages, trust indentures, leases or agree-
9 ments as may be necessary, convenient or desirable. It is the purpose and
10 intent of this chapter to authorize every authority to do any and all things
11 necessary or desirable to secure the financial aid or co-operation of the
12 Federal Government in the undertaking, construction, maintenance or oper-
13 ation of any housing project by such authority.

1 21. 55:14A-20. Property exempt from taxes. All housing projects of
2 housing authority, including all property of the public body or bodies or

3 housing authority or authorities comprising such housing projects, are
4 hereby declared to be public property devoted to an essential public and
5 governmental purpose. All such public property devoted to such a public
6 purpose shall be exempt from all taxes and special assessments of the State
7 or any political subdivision, thereof; *provided, however*, that in lieu of such
8 taxes, the public body which owns or holds such property may agree to make
9 payments to a political subdivision for the services, improvements or facili-
10 ties furnished by it for the benefit of a housing project, but in no event shall
11 such payments exceed the amount last levied as the annual tax of such politi-
12 cal subdivision upon the property included in said project prior to the time
13 of its acquisition by the aforesaid public body.

1 22. 55:14A-21. Bonds: legal investment for banks and trustees. The
2 State and all public officers and public bodies, all banks, bankers, trust com-
3 panies, saving banks and institutions, building and loan associations, savings
4 and loan associations, investment companies and other persons carrying on
5 a banking business, all insurance companies, insurance associations and other
6 persons carrying on an insurance business, and all executors, administrators,
7 guardians, trustees and other fiduciaries may legally invest funds belonging
8 to them or within their control in any bonds of an authority when they are
9 secured by a pledge of the revenues of a housing project, and when they are
10 additionally secured by a pledge of annual contributions to be paid to an
11 authority by the Federal Government; *provided*, that building and loan asso-
12 ciations may only invest in such securities when they are additionally se-
13 cured by a first mortgage on such project, which mortgage, when made,
14 shall not exceed eighty per centum (80%) of the appraised value of the
15 property. The provisions of this section shall not be construed as limiting
16 the powers granted by the housing co-operation law and the powers granted
17 by any other law, but shall be supplemented thereto; *provided, however*,
18 that nothing contained in this section may be construed as relieving any per-
19 son, firm or corporation from any duty of exercising reasonable care in se-
20 lecting securities.

1 23. 55:14A-22. Relationship between authority and director. Upon com-
2 pletion of an application of an authority for the financial assistance of any
3 agency of the Federal Government in connection with a housing project, the
4 authority shall present to the director the said application and supporting
5 data. The application and data shall be transmitted by the director within
6 twenty days from the receipt thereof to the Federal agency in question,
7 with the recommendations of the director. Should the director fail, within
8 the said twenty-day period, to forward said application and documents to
9 the Federal Government, or its appropriate agency, the authority shall be
10 permitted, anything in this chapter to the contrary notwithstanding, to pre-
11 sent its application to the Federal Government, or its agency. During the
12 pendency of an application to the Federal Government, or its agency, for its
13 assistance as aforesaid, the authority shall file with the director copies of all
14 correspondence agreements and documents that may be exchanged between
15 the authority and representatives of the Federal Government in connection
16 with the project. The authority, its members and personnel, shall co-oper-
17 ate with the director and its representatives in the performance of the di-
18 rector's functions and in particular in the director's capacity of serving as a
19 central bureau through which statistical and other information, pertaining
20 to slum clearance and low-cost housing, will be disseminated. Authorities
21 shall co-operate in the director's duties of co-ordinating all housing agencies
22 in the State of New Jersey and of integrating their activities with the Fed-
23 eral Government and its agencies.

1 24. 55:14A-23. Criticism of project; changes. Any change proposed
2 to be made in an approved project shall be filed with the director by the
3 authority. Should the director at any time submit to an authority its sug-
4 gestions with reference to any project or change in a project of the author-
5 ity, said authority shall give consideration to such suggestions at a regular
6 or special meeting of the authority.

1 25. 55:14A-24. Reports to director. At least once a year, an authority
2 shall file with the clerk and with the director a report of its activities for

3 the preceding year, and shall make recommendations with reference to such
4 additional legislation or other action as it deems necessary in order to carry
5 out the purposes of this chapter.

1 26. 55:14A-25. Validity of chapter. Notwithstanding any other evi-
2 dence of legislative intent, it is hereby declared to be the controlling legis-
3 lative intent that if any provision of this chapter, or the application thereof
4 to any person or circumstances, is held invalid, the remainder of the chap-
5 ter and the application of such provision to persons or circumstances other
6 than those as to which it is held invalid, shall not be affected thereby.

1 27. 55:14A-26. Chapter paramount over inconsistent laws. Insofar
2 as the provisions of this chapter are inconsistent with the provisions of any
3 other law, the provisions of this chapter shall be controlling.

1 28. This act shall take effect immediately.

STATEMENT

This bill establishes the right of any municipality and county to create housing authorities for the purpose of slum clearance and low-cost housing as separate entities. It complies with the requirements of the United States Housing Act of 1937 and permits federal aid in such venture. Proper restrictions and safeguards are included for an efficient economical administration of the authority.

It is the aim of this act to provide the machinery for local authorities co-operating with the State and Federal Governments in providing adequate, safe and decent housing facilities for low income persons. Allotments will be made available for a period of three years, upon passage of this and other enabling legislation, by the United States Housing Authority.

2 *Jersey:*

1 1. Section seven of the act of which this act is amendatory is amended to
2 read as follows:

3 7. Authority; commissioners; misconduct; removal. **[No]** Not more
4 than one commissioner of any authority may be an officer or employee of the
5 municipality or county for which the authority is created. A commissioner
6 shall hold office until his successor has been appointed and has qualified. A
7 certificate of the appointment or reappointment of any commissioner shall
8 be filed with the clerk and such certificate shall be conclusive evidence of the
9 due and proper appointment of such commissioner. A commissioner shall
10 receive no compensation for his services but he shall be entitled to the nec-
11 essary expenses, including traveling expenses incurred in the discharge of
12 his duties. The powers of each authority shall be vested in the commis-
13 sioners thereof in office from time to time. A majority, excluding the ex-

14 officio member, shall constitute a quorum of the authority for the purpose of
15 conducting its business and exercising its powers and for all other purposes.
16 Action may be taken by the authority upon a vote of the majority of the
17 commissioners present, unless in any case the by-laws of the authority shall
18 require a larger number. The authority shall select a chairman and a vice-
19 chairman from among its commissioners, and it may employ a secretary
20 (who shall be executive director), technical experts and such other officers,
21 agents and employees, permanent and temporary, as it may require, and
22 shall determine their qualifications, duties and compensation. For such legal
23 services as it may require, an authority may call upon any chief law officers
24 of the municipality, municipalities or the county, as the case may be, or may
25 employ its own counsel and legal staff. An authority may delegate to one or
26 more of its agents or employees such powers and duties as it may deem
27 proper. No commissioner or employee of an authority shall acquire any in-
28 terest direct or indirect in any housing project or in any property included or
29 planned to be included in the project nor shall he have any interest direct or
30 indirect in any contract or proposed contract for materials or services to be
31 furnished or used in connection with any housing project. If any commis-
32 sioner or employee of an authority owns or controls an interest direct or in-
33 direct in any property included or planned to be included in a housing project
34 he immediately shall disclose the same in writing to the authority and such
35 disclosure shall be entered upon the minutes of the authority. Failure so to
36 disclose such interest shall constitute misconduct in office. Upon such dis-
37 closure such commissioner or employee shall not participate in any action
38 by the authority affecting such property. For inefficiency or neglect of duty
39 or misconduct in office, a commissioner of an authority may be removed by
40 the governing body which made the original appointment, but a commissioner
41 shall be removed only after he shall have been given a copy of the charges
42 at least ten days prior to the hearing thereon and had an opportunity to be
43 heard in person or by counsel. In the event of the removal of any commis-

44 sioner, a record of the proceedings, together with the charges and findings
45 thereon, shall be filed in the office of the clerk.
