12 STATEMENT
13

14 This bill limits to 90 days the period during which members of
15 the State Police Retirement System can be kept on past their
16 scheduled retirement dates. The bill also gives the Superintendent
17 of the State Police discretion in permitting these extensions of
18 service based on a need to supplement available staffing or in
19 consideration of the member's specific assignment or expertise.

20 Under current law, the retirement may be extended for an
21 indefinite period. At the beginning of the COVID-19 pandemic, the
22 law was changed to allow members of the State Police Retirement
23 System, at their request, to delay their mandatory retirement at age
24 55 until the end of the emergency. The change did not apply only
25 to the COVID-19 pandemic, but to all future emergency periods.
26 The change was meant to address the concerns of a reduction in
27 members through retirement when their expertise and services were
28 urgently needed.

29 Members have been able to stay on past their retirement,
30 blocking promotional opportunities as more individuals continue to
31 be added to the extended retirement list.

32 This bill will help ensure the emergency relief aspect of the law
33 is better implemented and not solely based on a member's own
34 discretion, but on the needed response to an emergency.
