STATEMENT

16

17 This bill authorizes a municipality to adopt an ordinance that
18 provides a civil penalty of up to \$200 for smoking in a public place.

19 The current law limits the discretion of a municipality in regard
20 to imposing a penalty for such activity by requiring that the penalty
21 be for a petty disorderly persons offense, which would include
22 imprisonment for up to 30 days or (notwithstanding the provisions
23 of N.J.S.2C:43-3 to the contrary) a criminal fine of up to \$200, or
24 both.

25 This bill would provide a municipality with the option to adopt
26 an ordinance that penalizes smoking in a public place without
27 making it a criminal offense or subjecting an offender to possible
28 incarceration, while still permitting the municipality to instead
29 make such activity a disorderly persons offense as it is authorized to
30 do under current law.
