P.L. 2024, CHAPTER 103, *approved December 12, 2024*
Assembly, No. 4148 (*First Reprint*)

1 AN ACT concerning information provided on type 1 diabetes in
2 public schools and supplementing chapter 40 of Title 18A of the
3 New Jersey Statutes.

4
5 **BE IT ENACTED** by the Senate and General Assembly of the State
6 of New Jersey:

7
8 1. a. The Department of ¹**【Education】** Health¹, in consultation
9 with the Department of ¹**【Health】** Education¹, shall develop
10 informational materials on type 1 diabetes. The materials shall be
11 posted on the Department of Education’s Internet website. Each
12 school district shall make the informational materials available to the
13 parents or guardians of the students enrolled in the districts.

14 b. The informational materials shall include, at minimum:

15 (1) a description of type 1 diabetes;

16 (2) a description of risk factors and warning signs associated with
17 type 1 diabetes;

18 (3) a recommendation that the parents or guardians of students
19 displaying warning signs associated with type 1 diabetes should
20 consult with the student’s primary care provider to determine if
21 immediate screening for type 1 diabetes is appropriate;

22 (4) a description of the screening process for type 1 diabetes and
23 the implications of test results;

24 (5) a recommendation that, following a type 1 diagnosis, parents
25 or guardians should consult with the student’s primary care provider to
26 develop an appropriate treatment plan, which may include consultation
27 with and examination by a specialty care provider, including, but not
28 limited to, a properly qualified endocrinologist; and

29 (6) information on the provision of diabetes care in school
30 following a type 1 diagnosis pursuant to P.L.2009. c.131 (C.18A:40-
31 12.11 et seq.)

32

33 2. This act shall take effect immediately.

34

35

36

37

38 Requires DOH to develop informational materials on type 1
39 diabetes and DOE to distribute to parents and guardians of enrolled
40 students.

EXPLANATION – Matter enclosed in bold-faced brackets **【thus】** in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

Matter enclosed in superscript numerals has been adopted as follows:

¹Assembly floor amendments adopted June 28, 2024.

CHAPTER 103

AN ACT concerning information provided on type 1 diabetes in public schools and supplementing chapter 40 of Title 18A of the New Jersey Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C.18A:40-12.21a Type 1 diabetes, informational materials, available to parents, guardians of enrolled students.

1. a. The Department of Health, in consultation with the Department of Education, shall develop informational materials on type 1 diabetes. The materials shall be posted on the Department of Education's Internet website. Each school district shall make the informational materials available to the parents or guardians of the students enrolled in the districts.

b. The informational materials shall include, at minimum:

(1) a description of type 1 diabetes;

(2) a description of risk factors and warning signs associated with type 1 diabetes;

(3) a recommendation that the parents or guardians of students displaying warning signs associated with type 1 diabetes should consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate;

(4) a description of the screening process for type 1 diabetes and the implications of test results;

(5) a recommendation that, following a type 1 diagnosis, parents or guardians should consult with the student's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist; and

(6) information on the provision of diabetes care in school following a type 1 diagnosis pursuant to P.L.2009. c.131 (C.18A:40-12.11 et seq.)

2. This act shall take effect immediately.

Approved December 12, 2024.

¹Assembly floor amendments adopted June 28, 2024.

ASSEMBLY EDUCATION COMMITTEE

STATEMENT TO

ASSEMBLY, No. 4148

STATE OF NEW JERSEY

DATED: MAY 6, 2024

The Assembly Education committee reports favorably Assembly Bill No. 4148.

This bill requires the Department of Education, in consultation with the Department of Health, to develop informational materials on type 1 diabetes. The bill also requires that the materials be posted to the Department of Education's Internet website. School districts are to make the informational materials available to the parents or guardians of the students enrolled in the district.

Under the bill, the informational materials, at minimum, are to include: (1) a description of type 1 diabetes; (2) a description of risk factors and warning signs associated with type 1 diabetes; (3) a recommendation that the parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate; (4) a description of the screening process for type 1 diabetes and the implications of test results; (5) a recommendation that, following a type 1 diagnosis, parents or guardians should consult with the student's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including a properly qualified endocrinologist; and (6) information on the provision of diabetes school care following a type 1 diagnosis.

SENATE EDUCATION COMMITTEE

STATEMENT TO

[First Reprint]

ASSEMBLY, No. 4148

STATE OF NEW JERSEY

DATED: SEPTEMBER 30, 2024

The Senate Education Committee favorably reports Assembly Bill No. 4148 (1R).

This bill requires the Department of Health, in consultation with the Department of Education, to develop informational materials on type 1 diabetes. The amended bill also requires that the materials be posted to the Department of Education's Internet website. School districts are to make the informational materials available to the parents or guardians of the students enrolled in the district.

Under the bill, the informational materials, at minimum, are to include: (1) a description of type 1 diabetes; (2) a description of risk factors and warning signs associated with type 1 diabetes; (3) a recommendation that the parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate; (4) a description of the screening process for type 1 diabetes and the implications of test results; (5) a recommendation that, following a type 1 diagnosis, parents or guardians should consult with the student's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including a properly qualified endocrinologist; and (6) information on the provision of diabetes school care following a type 1 diagnosis.

As reported by the committee, Assembly Bill No. 4148 (1R) is identical to Senate Bill No. 3057, which was also amended and reported by the committee on this date.

STATEMENT TO
ASSEMBLY, No. 4148

with Assembly Floor Amendments
(Proposed by Assemblywoman LAMPITT)

ADOPTED: JUNE 28, 2024

These Assembly floor amendments require the Department of Health, in consultation with the Department of Education, to develop informational materials on type 1 diabetes, which are to be posted on the Department of Education's Internet website and made available by each school district to the parents and guardians of the students enrolled in that district.

¹Senate SED committee amendments adopted September 30, 2024.

SENATE EDUCATION COMMITTEE

STATEMENT TO

SENATE, No. 3057

with committee amendments

STATE OF NEW JERSEY

DATED: SEPTEMBER 30, 2024

The Senate Education Committee favorably reports Senate Bill No. 3057 with committee amendments.

As amended, this bill requires the Department of Health, in consultation with the Department of Education, to develop informational materials on type 1 diabetes. The amended bill also requires that the materials be posted to the Department of Education's Internet website. School districts are to make the informational materials available to the parents or guardians of the students enrolled in the district.

Under the amended bill, the informational materials, at minimum, are to include: (1) a description of type 1 diabetes; (2) a description of risk factors and warning signs associated with type 1 diabetes; (3) a recommendation that the parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate; (4) a description of the screening process for type 1 diabetes and the implications of test results; (5) a recommendation that, following a type 1 diagnosis, parents or guardians should consult with the student's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including a properly qualified endocrinologist; and (6) information on the provision of diabetes school care following a type 1 diagnosis.

As amended and reported by the committee, this bill is identical to Assembly Bill No. 4148 (1R), which was also reported by the committee on this date.

COMMITTEE AMENDMENTS:

The committee amended the bill to require the Department of Health, in consultation with the Department of Education, to develop informational materials on type 1 diabetes.

Governor Murphy Takes Action on Legislation

12/12/2024

TRENTON – Today, Governor Murphy signed the following bills into law:

S-871/A-2286 (A.M. Bucco, Sarlo/Lopez, Dunn) - Establishes eligibility for enrollment in PERS and subsequent retirement benefits for certain county fire instructors under certain conditions

S-1430/A-586 (McKnight, Singleton/Stanley, Atkins, Reynolds-Jackson) - Provides for expanded use of affordable housing voucher program funding

S-1433/A-4433 (Singleton/Conaway) - Designates bridge over Crosswicks Creek on Interstate Highway Route 295 North as “Benjamin Moore and the 693rd Sapper Company Memorial Highway”

S-3611/A-4970 (Scutari, Vitale/Carter, Speight, Reynolds-Jackson) - Provides grant to study and map mental health care resources for children; makes appropriation

SJR-29/AJR-50 (Diegnan, Sarlo/Karabinchak, Stanley) - Designates August of each year as “Professional Engineers Month” in NJ and first Wednesday in August of each year as “Professional Engineering Day”

SJR-71/AJR-25 (Beach, Mukherji/DeAngelo, Danielsen, Venezia) - Designates first week of May of each year as Wounded Warrior Appreciation Week

SJR-103/AJR-60 (Diegnan, Corrado/Conaway, DeAngelo, Speight) - Declares NJ “Purple Heart State”

A-4043/S-3310 (Verrelli, Sampson, Sumter/Lagana, Turner) - Redirects portion of worker’s unemployment compensation trust fund contribution to unemployment compensation administration fund

A-4047/S-2949 (Sampson, Verrelli, Miller/Moriarty, Mukherji) - Revises unemployment compensation law

A-4148/S-3057 (Lampitt, Conaway, Speight/McKnight, Turner) - Requires DOH to develop informational materials on type 1 diabetes and DOE to distribute to parents and guardians of enrolled students

Governor Murphy conditionally vetoed the following bills:

S-2788/A-4569 (Cruz-Perez, Turner/Freiman, Katz, Simmons) – **CONDITIONAL** -Appropriates \$128.241 million from constitutionally dedicated CBT revenues to State Agriculture Development Committee for farmland preservation purposes
