inations given by the board. An applicant for a license to practice dentistry is required to pass both parts of an examination; the first consisting of 2 days of clinical practical tests, and the second being the written examination given in Trenton. It is the intent of this bill to allow compensation of \$225.00 to the members of the board for each 1 of the practical parts in which they participate, rather than \$225.00 for the entire yearly schedule of examinations, provided, however, that the payments shall be limited in any particular year.
