Trenton, NJ – Governor Chris Christie today took action on dozens of bills, including S-359/A-2320 (Codey, Vitale/Vainieri Huttle, Conaway, Jimenez, Lampitt, Jasey, Sumter), which raises the minimum age from 19 to 21 of a person to whom a vendor may sell, offer for sale, distribute, give or furnish tobacco products in New Jersey. This new law also amends various related statues concerning penalties, fines, signage requirements, non-face-to-face transactions, and enforcement provisions to reflect the increased minimum age.

“By raising the minimum age to purchase tobacco products to 21, we are giving young people more time to develop a maturity and better understanding of how dangerous smoking can be and that it is better to not start smoking in the first place,” Governor Christie said. “My mother died from the effects of smoking, and no one should lose their life due to any addictive substance. Additionally, the less people who develop costly tobacco habits that can cause health problems, such as lung cancer, heart disease and developmental issues, the less strain there will be on our healthcare system.”
