1947

Senate 12. Introduced by Mr. Pascoe.

An Act to amend the title of "An act providing for legal aid to police officers in suits against them arising from incidents in the line of duty", approved April twelfth, one thousand nine hundred and forty-six (P.L. 1946, C. 67), so that the same shall read "An act providing for legal aid to police officers and firemen in suits or other legal proceedings against them arising from incidents in the line of duty", and to amend the body of said act.

Statement:

Chapter 67, P.L. 1946 provides legal aid to members of police departments who are subjected to suits arising out of the performance of their duty. The members of municipal fire departments are entitled to the same consideration as police officers where firemen are subjected to suits arising out of the performance of duty. This bill simply extends equal protection to firemen.

In response to your request for this history and background of Chapter 67, Laws of 1948 and Chapter 103, Laws of 1947, we are sending you the attached schedule of the progress of both laws through the Legislature, along with the statements on the bills.

We have checked for earlier bills on this subject for the period 1940-1945, but find that 1946 is the first year such a bill was introduced. We also checked the Newark News file for the 1946 period, but find they noted only that the bill was passed and signed by the Governor.

The Journal of the Senate and Minutes of the Assembly do not record floor debate or committee reports. Senator Herbert J. Pascoe of Elizabeth, who introduced both bills, died in 1953.

On the copy of Chapter 103, Laws of 1947, which we are enclosing, the material underlined in red indicated the matter added by Assembly amendment to Senate 12, adopted March 10, 1947.

Very truly yours,

Rebecca Schlam
