ASSEMBLY COUNTY GOVERNMENT COMMITTEE
STATEMENT TO
SENATE, No. 1925
STATE OF NEW JERSEY

DATED: JANUARY 13, 1987

The Assembly County Government Committee reports Senate Bill No. 1925 favorably.

Senate Bill No. 1925 amends section 2 of P. L. 1978, c. 170 (C. 40:23-5.28) to eliminate the \$7,500.00 cap currently imposed on the amount the governing body of a county may annually appropriate to private, nonprofit health and welfare councils and permit the appropriation of whatever amounts its members deemed necessary.

The councils eligible to receive the appropriations authorized under this bill are those private, nonprofit health and welfare councils which are engaged in reviewing, developing, promoting and coordinating health and welfare programs and services offered by public or private agencies in the county. The moneys received are to be used by the councils to help defray the costs incurred in providing those services.

SENATE COUNTY AND MUNICIPAL GOVERNMENT
COMMITTEE

STATEMENT TO

SENATE, No. 1925

STATE OF NEW JERSEY

DATED: OCTOBER 2, 1986

The Senate County and Municipal Government Committee reports favorably Senate Bill No. 1925.

Senate Bill No. 1925 permits the governing body of any county to annually appropriate any sum deemed necessary to certain private, nonprofit health and welfare councils. Currently, the county is limited to appropriations of not more than \$7,500.00 for those purposes.

Private, nonprofit councils eligible to receive appropriations are those councils engaged in reviewing, developing, promoting and coordinating health and welfare programs and services offered by public or private agencies in the county. The money received is to help defray the expenses of the council in providing its services.
