Gov. Christie Whitman today signed the following legislation:

S-2001, sponsored by Senator Robert Littell (R- Sussex/Hunterdon/Morris) and Assembly Members Richard Bagger (R- Middlesex/Morris/Somerset/Union) and Joseph Charles (D-Hudson), makes various FY 1998 supplemental appropriations totaling \$105,403,932 in state funds and \$579,254 in federal funds and appropriates \$15 million in bond funds. Projects funded through this bill include: \$400,000 for the purchase of protective vests for law enforcement, \$750,000 to support a toll free telephone system for dealing with the Division of Motor Vehicles services, \$285,000 for computer equipment to run criminal history background checks on school employees, and \$15 million in property tax relief aid to the City of Camden and the creation of a financial oversight board for the city, and \$15 million for sewer overflow abatement projects for the Passaic River/Newark Bay Restoration Program.

A-2141, sponsored by Assembly Member Francis Blee (R-Atlantic) and Senators Louis Bassano (R-Essex/Union) and Leonard Connors (R-Atlantic/Burlington/Ocean), establishes an annual assessment of 5.8 percent of gross revenue on all intermediate care facilities for the mentally retarded. The revenue generated by the assessment will be used to reduce the Developmental Disabilities waiting list for placement in community residences.

A-673, sponsored by Assembly Members Jack Gibson and Nicholas Asselta and Senator James Cafiero (all R-Cape May/Atlantic/Cumberland), authorizes municipalities to regulate skateboards and roller skates upon roadways and public properties under their jurisdiction. This law supplements legislation signed January 19, requiring helmets for skaters under 14 years of, by ensuring that municipalities have the ability to regulate skating activities to protect skaters, motorists and other pedestrians in their communities.

A-553, sponsored by Assembly Members David Russo (R- Bergen/Passaic) and Gerald Zecker (R-Essex/Passaic) and Senators Jack Sinagra (R-Middlesex) and John Adler (D-Camden), prohibits smoking in child care centers when children are present.

A-1902, sponsored by Assembly Member Richard Bagger (R-Middlesex/Morris/Somerset/Union) and Louis Romano (D-Hudson) and Senator Robert Littell (R-Sussex/Hunterdon/Morris), authorizes the State Treasurer to determine the salary of the Director and Deputy Director of the Division of Investment and authorizes the Treasurer to designate an additional deputy director.

S-851, sponsored by Senators Joseph Palaia (R-Monmouth) and Norman M.

Robertson (R-Essex/Passaic) and Assembly Member Christopher "Kip" Bateman (R-Morris/Somerset), revises statutes providing for criminal history record checks of school employees and school bus drivers. The bill expands the list of disqualifying crimes; deletes a provision authorizing the employment of a persons with a disqualifying crime if rehabilitation has been demonstrated and prohibits schools from provisionally hiring candidates pending completion of their criminal history record checks, except in limited circumstances.

A-1996, gives the state Treasurer the authority to bundle old, difficult to collect tax debt represented as tax certificates and enter into a contract with a financial institution after public bidding. The financial institution would assume ownership of the debt and replace the state as the collector. The bill was sponsored by Assembly Members Paul DiGaetano (R- Bergen/Essex/Passaic) and Richard Bagger (R-Middlesex/Morris /Somerset/Union) and Senators Walter Kavanaugh (R-Morris/Somerset) and Peter Inverso (R-Mercer/Middlesex).

S-1002, which amends the state's Business Employment Incentive Program (BEIP) Act to encourage partnerships and limited liability companies to participate in the BEIP program and locate or expand in New Jersey. Companies that create jobs in New Jersey by either moving to the state or expanding operations are eligible to receive incentive grants which are based upon the income taxes paid by the newly-hired employees. The new legislation amends the law to allow estimated taxes paid by partners to be included in the BEIP calculation, thereby increasing the amount of the BEIP grant for partnerships and limited liability companies and providing them with an incentive to move to New Jersey. The bill was sponsored by Senators Joseph Kyrillos, Jr. (R- Middlesex/Monmouth) and Bernard Kenny, Jr. (D-Hudson) and Assembly Members Steve Corodemus (R-Monmouth) and Joseph Azzolina (R- Middlesex/Monmouth).

A-2190, sponsored by Assembly Members Francis Blee (R-Atlantic) and Carol Murphy (R-Essex/Morris/Passaic), expands the Drug Utilization Review Board in the Department of Human Services for state-funded pharmaceutical benefits programs. The powers of the Board will include review of the Pharmaceutical Assistance to the Aged and Disabled (PAAD) and the AIDS Drug Distribution programs. Membership of the Board shall include individuals with expertise in the prescribing of medication to the geriatric and AIDS populations to address specific needs of these individuals. The bill appropriates \$90,000 for establishment of the Review Board.

A- 1690, eliminates the requirement in the current charity care law that the Commissioner of Health and Senior Services (DHSS) seek federal approval to establish a permanent state-wide program for providing hospital charity care services on a managed care basis. The bill permits the Commissioner of Human Services to seek federal approval to establish a demonstration managed charity care program, within a single region or county, for a two-year period in order to test the programmatic and fiscal viability of delivering charity care services by this alternative means. The bill was sponsored by Assembly Members Nicholas Asselta (R-Cape May/Atlantic/Cumberland) and Joseph Doria, Jr. ((D-Hudson) and by Senators John Matheussen (R-Camden/Gloucester) and John Bennett (R-Monmouth).

S-990, sponsored by Senator Louis Bassano (R-Essex/Union) and Bernard Kenny (D-Hudson), establishes the New Jersey Supplementary Food Stamp Program in the Department of Human Services. The legislation, an administration initiative,

extends the availability of food stamps to certain noncitizens covered under E.O. 74, which expires today. The program provides broader coverage than the legislation passed in Congress earlier this month. The bill will also provide coverage for individuals who are considered unemployable under the WorkFirst New Jersey Program and are ineligible for federal Supplemental Security Income benefits.
