ASSEMBLY, No. 3039

STATE OF NEW JERSEY 209th LEGISLATURE

INTRODUCED DECEMBER 11, 2000

Sponsored by:

Assemblyman JEFFREY W. MORAN

District 9 (Atlantic, Burlington and Ocean)

Assemblyman ANTHONY IMPREVEDUTO

District 32 (Bergen and Hudson)

SYNOPSIS

Revises certain education and experience requirements for out-of-state practitioners of mortuary science seeking licensure in New Jersey.

CURRENT VERSION OF TEXT

As introduced.

A3039 MORAN, IMPREVEDUTO

2

1 AN ACT concerning the licensure of certain persons to practice
2 mortuary science and amending P.L.1999, c.404.

3
4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6
7 1. Section 1 of P.L.1999, c.404 (C.45:7-49.1) is amended to read
8 as follows:

9 1. After successful completion of the law portion of the
10 examination conducted by the board pursuant to section 18 of
11 P.L.1952, c.340 (C.45:7-49), and upon payment to the board of a fee
12 and the submission of a written application on forms provided by it,
13 the board may issue, at its discretion, a practitioner of mortuary
14 science license to a person who holds a valid license or certification
15 issued by another state or possession of the United States or the
16 District of Columbia [which] and who has met education and
17 experience requirements substantially equivalent to the requirements
18 of P.L.1952, c.340 (C.45:7-32 et seq.), and who has been engaged in
19 the practice of mortuary science in that state, possession or district
20 with a valid license or certification for two years immediately prior to
21 application; except that the board may issue, at its discretion, a
22 practitioner of mortuary science license to an applicant who does not
23 meet the practical training and experience requirements of paragraph
24 (2) of subsection a. of section 18 of P.L.1952, c.340 (C.45:7-49) but
25 otherwise meets the requirements specified in this section if the
26 applicant has been engaged in the practice of mortuary science for not
27 less than five years immediately prior to application.
28 (cf: P.L.1999, c.404, s.1)

29

30 2. This act shall take effect immediately.

31

32

STATEMENT

33

34 This bill provides that a practitioner of mortuary science from
35 another state who seeks to obtain a license to practice mortuary
36 science in this State through endorsement must have met education
37 and experience requirements substantially equivalent to the
38 requirements of current law in New Jersey. Under existing law, a
39 practitioner of mortuary science from another state who seeks to
40 obtain a license to practice mortuary science in this State through
41 endorsement must be from a state which has education and experience
42 requirements substantially equivalent to the requirements of current
43 law in New Jersey.

EXPLANATION - Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

ASSEMBLY CONSUMER AFFAIRS AND REGULATED
PROFESSIONS COMMITTEE

STATEMENT TO

ASSEMBLY, No. 3039

STATE OF NEW JERSEY

DATED: JANUARY 18, 2001

The Assembly Consumer Affairs and Regulated Professions Committee reports favorably Assembly Bill No. 3039.

This bill provides that a practitioner of mortuary science from another state who seeks to obtain a license to practice mortuary science in this State through endorsement must have met education and experience requirements substantially equivalent to the requirements of current law in New Jersey. Under existing law, a practitioner of mortuary science from another state who seeks to obtain a license to practice mortuary science in this State through endorsement must be from a state which has education and experience requirements substantially equivalent to the requirements of current law in New Jersey.

SENATE, No. 1992

STATE OF NEW JERSEY
209th LEGISLATURE

INTRODUCED DECEMBER 18, 2000

Sponsored by:

Senator ROBERT W. SINGER

District 30 (Burlington, Monmouth and Ocean)

SYNOPSIS

Revises certain education and experience requirements for out-of-state practitioners of mortuary science seeking licensure in New Jersey.

CURRENT VERSION OF TEXT

As introduced.

S1992 SINGER

2

1 AN ACT concerning the licensure of certain persons to practice
2 mortuary science and amending P.L.1999, c.404.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6

7 1. Section 1 of P.L.1999, c.404 (C.45:7-49.1) is amended to read
8 as follows:

9 1. After successful completion of the law portion of the
10 examination conducted by the board pursuant to section 18 of
11 P.L.1952, c.340 (C.45:7-49), and upon payment to the board of a fee
12 and the submission of a written application on forms provided by it,
13 the board may issue, at its discretion, a practitioner of mortuary
14 science license to a person who holds a valid license or certification
15 issued by another state or possession of the United States or the
16 District of Columbia [which] and who has met education and
17 experience requirements substantially equivalent to the requirements
18 of P.L.1952, c.340 (C.45:7-32 et seq.), and who has been engaged in
19 the practice of mortuary science in that state, possession or district
20 with a valid license or certification for two years immediately prior to
21 application; except that the board may issue, at its discretion, a
22 practitioner of mortuary science license to an applicant who does not
23 meet the practical training and experience requirements of paragraph
24 (2) of subsection a. of section 18 of P.L.1952, c.340 (C.45:7-49) but
25 otherwise meets the requirements specified in this section if the
26 applicant has been engaged in the practice of mortuary science for not
27 less than five years immediately prior to application.

28 (cf: P.L.1999, c.404, s.1)

29

30 2. This act shall take effect immediately.

31

32 STATEMENT

33

34 This bill provides that a practitioner of mortuary science from
35 another state who seeks to obtain a license to practice mortuary
36 science in this State through endorsement must have met education
37 and experience requirements substantially equivalent to the
38 requirements of current law in New Jersey. Under existing law, a
39 practitioner of mortuary science from another state who seeks to
40 obtain a license to practice mortuary science in this State through
41 endorsement must be from a state which has education and experience
42 requirements substantially equivalent to the requirements of current
43 law in New Jersey.

EXPLANATION - Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

SENATE COMMERCE COMMITTEE

STATEMENT TO

SENATE, No. 1992

STATE OF NEW JERSEY

DATED: JANUARY 9, 2001

The Senate Commerce Committee reports favorably Senate Bill No. 1992.

This bill provides that a practitioner of mortuary science from another state who seeks to obtain a license to practice mortuary science (funeral director) in this State through endorsement must have met education and experience requirements substantially equivalent to the requirements of current law in New Jersey. Under existing law, a practitioner of mortuary science from another state who seeks to obtain a license to practice mortuary science in this State through endorsement must be from a state which has education and experience requirements substantially equivalent to the requirements of current law in New Jersey.

CHAPTER 83

AN ACT concerning the licensure of certain persons to practice mortuary science and amending P.L.1999, c.404.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. Section 1 of P.L.1999, c.404 (C.45:7-49.1) is amended to read as follows:

C.45:7-49.1 Issuance of license to out-of-State practitioners of mortuary science; conditions.

1. After successful completion of the law portion of the examination conducted by the board pursuant to section 18 of P.L.1952, c.340 (C.45:7-49), and upon payment to the board of a fee and the submission of a written application on forms provided by it, the board may issue, at its discretion, a practitioner of mortuary science license to a person who holds a valid license or certification issued by another state or possession of the United States or the District of Columbia and who has met education and experience requirements substantially equivalent to the requirements of P.L.1952, c.340 (C.45:7-32 et seq.), and who has been engaged in the practice of mortuary science in that state, possession or district with a valid license or certification for two years immediately prior to application; except that the board may issue, at its discretion, a practitioner of mortuary science license to an applicant who does not meet the practical training and experience requirements of paragraph (2) of subsection a. of section 18 of P.L.1952, c.340 (C.45:7-49) but otherwise meets the requirements specified in this section if the applicant has been engaged in the practice of mortuary science for not less than five years immediately prior to application.

2. This act shall take effect immediately.

Approved May 4, 2001.

Office of the Governor
NEWS RELEASE

PO BOX 004
TRENTON, NJ 08625

CONTACT: Rae Hutton
609-777-2600

RELEASE: May 4 , 2001

Acting Governor Donald T. DiFrancesco signed the following legislation today:

S-2026, sponsored by Senators William Gormley (R-Atlantic) and John Matheussen (R-Camden/Gloucester) transfers the Bureau of Parole in the Department of Corrections to the State Parole Board thus consolidating the Bureau of Parole and the State Parole Board under one direct authority.

A-2083, sponsored by Senators Diane Allen (R-Burlington/Camden) and Robert Littell (R-Sussex/Hunterdon/Morris) and Assembly members Joseph Azzolina (R-Middlesex/Monmouth) and Charlotte Vandervalk (R-Bergen) establishes a statewide Sexual Assault Nurse Examiner program (SSANE) in the Office of the Attorney General. The SSANE program is aimed at ensuring more accurate collection of forensic evidence for use in prosecuting suspected rapists and creates a compassionate way to treat sexual assault victims.

S-1708, sponsored by Joseph Kyrillos (R-Middlesex/Monmouth) and Henry McNamara (R-Bergen/Passaic) and Assemblymen Samuel Thompson (R-Middlesex/ Monmouth) and Joseph Azzolina (R-Middlesex/Monmouth) requires the New Jersey Department of Transportation to prepare a plan for litter pickup and removal along the highways maintained by the department.

S-1709, sponsored by Senators Joseph Kyrillos (R-Middlesex/Monmouth) and Henry McNamara (R-Bergen/Passaic) and Assemblymen Joseph Azzolina (R-Middlesex/Monmouth) and Samuel Thompson (R-Middlesex/Monmouth) increases the penalties for littering by establishing a minimum penalty of \$100 for the offense of littering and a minimum fine of \$250 for any person convicted of littering within six months of a previous conviction for littering.

S-1079, sponsored by Senator John Cafiero (R-Cape May/Atlantic/Cumberland) and Assemblymen Michael Carroll (R-Morris) and Richard Merkt (R-Morris) establishes a ten-year limitation on surveyors' liability for deficiencies in a survey. There is an exception for adverse possession cases where the statute of limitations for surveying would be the same as the time period required for the adverse possession.

S-269, sponsored by Senators John Bennett (R-Monmouth) and John Lynch (D-Middlesex/Somerset/Union) and Assemblyman Michael Carroll (R-Morris) exempts from current post-employment restrictions any partnership, firm or corporation engaged in the practice of law with which a former member of the Judiciary is associated and any partner, officer, director or employee of the partnership, firm or corporation if the former member of the Judiciary 1) is associated with the firm in an 'of counsel' position without any equity interest and 2) is screened for a period of two years subsequent to termination of the former member's employment from any personal participation in any representation, appearance for or negotiation on behalf of any holder of or applicant for, a casino license.

A-2548, sponsored by Assembly members Loretta Weinberg (D-Bergen) and Ken Zisa (D-Bergen) allows municipalities to require owners of multiple dwellings comprised of more than 20 dwelling units to prepare an emergency evacuation plan. The plan must be prepared in coordination with local fire and emergency response agencies.

A-2793, sponsored by Senators William Schluter (R-Warren/Hunterdon/Mercer) and Joseph Littell (R-Sussex/Hunterdon/Morris) and Assemblyman Leonard Lance (R-Warren/Hunterdon/Mercer) requires the release of water from the Spruce Run and Round Valley reservoirs into the south branch of the Raritan River for the purpose of supporting recreational water use. Additionally, there is an appropriation for \$350,000 that creates a non-lapsing fund to defray the expense in releasing water from the Round Valley reservoir incurred by the New Jersey Water Supply Authority.

A-3039, sponsored by Senator Robert Singer (R-Burlington/Monmouth/Ocean) and Assemblymen Jeffrey Moran (R-Atlantic/Burlington/Ocean) and Anthony Impreveduto (D-Bergen/Hudson) allows any mortician who holds a license or certification from another state to become licensed in New Jersey through endorsement provided he has met education and experience requirements substantially equivalent to the requirements of current New Jersey law.
