STATEMENT

This bill allows a county college trustee chairman to designate an alternate to sit and vote as a member of the Council of County Colleges in the event that the chairman cannot attend the meeting. The bill also changes the date of the annual council organizational meeting from June to December. The county college trustee boards are statutorily required to reorganize in November of each year. This presents a situation in which an officer of the council elected in June may be displaced in November if he is not reelected or reappointed as chairman of the local board of trustees. Changing the reorganization date to December ensures that the terms of council members will be concurrent with their terms on the trustee boards. Finally, this bill permits county college trustee boards to reorganize on any date during the month of November rather than on a specific date.

TRENTON, N.J. 08625

Release: FRIDAY, MAY 31,

Governor Thomas H. Kean today signed legislation reinstating the age of 55 years as the mandatory retirement age for members of the New Jersey State Police.

The legislation, A-3294, was sponsored by Assemblyman Jimmy Zangari, D-Essex. It is effective in 90 days.

The bill will force the retirement of 61 officers currently on the force. The bill contains special pension rights protection for these officers.

The Governor pointed out that the retirement age provision will result in "greatly increased upward mobility for younger troopers."

"Additionally, the physical skills of younger troopers are in most instances greater and allows them to perform properly," Kean said.

Other bills signed by the Governor are:

S-1008, sponsored by Senator Matthew Feldman, D-Bergen, to provide that library records which are used for the control of library materials shall be confidential.

S-2199, sponsored by Senator Matthew Feldman, D-Bergen, to permit a county college trustee chairman to designate an alternate to vote as a member of the Council of County Colleges.

S-2214, sponsored by Senator Wynona Lipman, D-Essex, to appropriate \$227,000 in Federal funds to the Department of Environmental Protection for the restoration of Weequahic Lake in Essex County.
