## STATEMENT

This bill amends the law concerning membership in PERS. The law presently provides that certain public employees are included in the membership of PERS unless their appointments are temporary or seasonal. This bill makes certain public employees eligible for PERS membership after 12 consecutive months of employment with the State or any municipality or county which participates in PERS. The purpose of this bill is to alleviate inequitable situations created when public employees, identified as seasonal or temporary by Civil Service regulations, continue to be employed by the same employer for several years. ## STATEMENT

This amendment makes the till's language conform with the terminology used by the Department of Civil Service and better serves the bill's intention. Provisional employees are those who are awaiting permanent appointment, whereas temporary employees are not seeking permanent appointment and, therefore, have no desire to join the Public Employees' Retirement System.
