Bills

*Members of the State Advisory Board of Public Movers and Warehousemen be compensated at the rate of \$50 per diem.

"This legislation will give the Division of Consumer Affairs the authority to crackdown on illegal movers who take advantage of unsuspecting persons who contract to move household belongings and furnishings," Kean said. "There have been incidents of unlicensed and illegal movers making off with personal possessions, overcharging persons, and damaging goods in their care. These tough, new provisions will afford protection to people against these kinds of abuses and illegal practices."

Kean also signed <u>S-1115</u>, sponsored by Senator John Lynch, D-Middlesex, which permits redevelopment agencies to sell notes for a period not to exceed five years at a private sale without advertisement.

The Governor also signed <u>A-2150</u>, sponsored by Assemblyman John Doyle, D-Ocean, which provides Civil Service coverage to employees of autonomous authorities which have been dissolved by a county or municipality.
