OFFICE OF THE GOVERNOR

RELEASE: IMMEDIATE

CONTACT: PAUL WOLCOTT

WEDNESDAY, OCTOBER 26, 1983

Governor Thomas H. Kean has signed the following bills:

A-1293/S-3126, sponsored by Assemblyman James Zangari, D-Essex and State Senator Donald T. DiFrancesco, R-Union, which requires the identification of major motor vehicle component parts. The bill requires vehicle parts to contain either a manufacturer's part number, a dealer's identification number, or an identification number assigned by the Division of Motor Vehicles. The bill is designed to help thwart auto theft, which is, nationally, a \$2 billion-a-year business. Since a major motive for auto theft is sale of the component parts, this bill attempts to deal with that problem by setting up a method of accountability for such parts.

AJR-3032, sponsored by Assemblyman John W. Markert, R-Bergen, which extends the reporting date and expiration date of the Alcoholic Beverage Control Study Commission from July, 1983 to January 1, 1984.

A-3106, sponsored by Assemblywoman Marie S. Muehler, R-Monmouth, which extends the date for submission of the report of a commission charged with studying the creation of a chair of women's studies at Douglass College. Although the commission has already made its report and the Governor has authorized creation of the chair, the bill is still needed to bring the report into technical compliance with the law which established the commission.

S-1716, sponsored by State Senator Matthew Feldman, D-Bergen, which allows Bergen Pines Hospital to employ managers and executives in the unclassified service of Civil Service.
