6/22/81

ASSEMBLY, No. 3422

STATE OF NEW JERSEY

INTRODUCED MAY 14, 1981

By Assemblyman JACKMAN

(Without Reference)

AN ACT concerning administrators of the New Jersey Firemen's Home and supplementing chapter 7 of Title 30 of the Revised Statutes.

1 BE IT ENACTED *by the Senate and General Assembly of the State*
2 *of New Jersey:*

1 1. Notwithstanding the requirement in section 1 of P. L. 1968,
2 c. 356 (C. 30:11-11) concerning licensure of a nursing home
3 administrator, the New Jersey Firemen's Home established pur-
4 suant to R. S. 30:7-1 et seq. shall not be required to have a licensed
5 administrator in order to operate as a nursing home.

1 2. This act shall take effect immediately.

STATEMENT

This bill exempts the New Jersey Fireman's Home in Boonton, New Jersey from the requirement of having a licensed administrator. The Fireman's Home, created pursuant to R. S. 30:7-1 et seq., is a residential health care facility with an infirmary and had been licensed by the Department of Health as a Level-C Intermediate Care Facility. This category of licensure, however, has been eliminated and the home is now seeking to upgrade its services and obtain licensure as a long-term care facility (nursing home). The home's administrator or superintendent has traditionally been selected from among the residents at the home. This bill will permit this selection practice to continue.

This category of licensure, however, has been eliminated and the home is now seeking to upgrade its services and obtain licensure as a long-term care facility (nursing home). The home's administrator or superintendent has traditionally been selected from among the residents at the home. This bill will permit this selection practice to continue.

AUGUST 3, 1981

-2-

A-3196, sponsored by Assemblyman Charles Mays (D-Hudson), is designed to provide State credit unions parity with federal credit unions.

It permits the Commissioner of Banking to make regulations authorizing State credit unions to exercise powers and make loans and investments to the same extent as federal credit unions and lifts the 1% per month interest ceiling of credit union loans, permitting the credit unions to charge rates agreed to by the union and its members.

~~A-3422~~
A-3244, sponsored by Assemblyman Christopher J. Jackman (D-Hudson), which exempts the Firemen's Home in Boonton from the Department of Health regulation requiring that nursing homes have licensed administrators.

A-3523, sponsored by Assemblyman Albert Burstein (D-Bergen), requires foreign insurance companies to make an additional prepayment of current taxes in an amount equal to 25% of taxes paid in the prior year. The payment is to be made annually on October 1.

The current prepayment requirement is an amount equal to 50% of the tax paid in the prior year and is payable March 1 annually. Upon repeal of the tax, this bill will require domestic insurance companies to pay equivalent installment payments during the course of the tax year. The total payments, due by August 1, will now be due by June 1 annually.

A-1427, sponsored by Assemblyman Robert C. Janiszewski (D-Hudson), provides for the enforcement of court orders concerning support payments when the parties involved reside in different jurisdictions. The bill replaces the Uniform Reciprocal Enforcement of Support Act adopted in 1950 with the Revised Enforcement of Support Act.

The Governor conditionally vetoed the original bill on June 11 for technical reasons, and recommended deleting from the bill a section concerning criminal immunity. The Legislature adopted his recommendation.
