STATEMENT

This bill increases the maximum amount a county with a population of more than 75,000 but less than 100,000 may pay its part-time prosecutor from \$15,500.00 to \$24,000.00. Only Sussex county falls within the classification at the present time. This change would also affect the salaries of assistant prosecutors whose salaries may be within fixed percentage ranges of the prosecutor's salary (60% to 90% for first assistant prosecutors and 50% to 80% for other assistant prosecutors).

Governor Brendan Byrne today signed A-852, sponsored by Assemblyman Robert E. Littell (R-Sussex), which raises the maximum salary of a part-time Prosecutor in any county having a population between 75,000 and 100,000 from \$15,000 to \$24,000. The minimum salary remains unchanged at \$8,500.

Presently, the only county with a part-time Prosecutor and a population between 75,000 and 100,000 is Sussex County, though the 1980 census will most likely put Warren County's population within that range.
