STATEMENT

This bill has been drafted by the Division of Law Revision of the Legislative Services Agency in furtherance of its duty to conduct a continuous study of the statutory law of this State and to advise the Legislature of conflicting and overlapping provisions found in the law.

N. J. S. 40A:4-119 authorizes municipalities to provide for the acquisition of lands and buildings useful and necessary for the purposes of a police department. This section is cumulative to the authority vested in municipalities under the provisions of the Local Lands and Buildings Law, P. L. 1971, c. 199 (C. 40A:12-1 et seq.) to acquire lands and buildings and for the equipment thereof which are necessary for the exercise of any power expressly or impliedly conferred upon a municipality. The retention of this section is unnecessary.

N. J. S. 40A:14-120 provides that a municipality may lease any building for the use of a police department for a term not exceeding 5 years and renew the same for a similar term. The Local Lands and Buildings Law, P. L. 1971, c. 199 (C. 40A:12-1 et seq.) authorizes municipalities to lease lands and buildings which are necessary for the exercise of any power expressly or impliedly con-

ferred upon a municipality without any limitation as to the term of the lease. The limitation imposed by the section as to the length of the term does not make for economic feasibility, and, as it is also in conflict with the Local Lands and Buildings Law, the section should be repealed.

N. J. S. 40A:14-121 provides that municipalities may contract for the furnishing of vehicles for the police department. This section is cumulative to the provisions of the Local Public Contracts Law, P. L. 1971, c. 198 (C. 40A:11-1 et seq.), relating to contracts by municipalities for the performance of any work or the furnishing or hiring of materials or supplies, which includes the purchase of motor vehicles. The retention of this section is unnecessary.

STATEMENT TO

SENATE, No. 3043

—•—
STATE OF NEW JERSEY
—•—

DATED: MAY 17, 1977

The purpose of this bill is to repeal the statutory sections noted therein for the reason that these sections are cumulative for authority vested in local units under the provisions of the Local Lands and Buildings Law and are superfluous, and that their retention as part of the statutory law in this State is no longer necessary.

SENATE COUNTY AND MUNICIPAL
GOVERNMENT COMMITTEE

STATEMENT TO

SENATE, No. 3043

with Senate committee amendments

STATE OF NEW JERSEY

DATED: APRIL 18, 1977

Senate Bill No. 3043 repeals three sections of law which are deemed to be superfluous. The sponsor's statement adequately summarizes the contents of the repealed sections.

The Senate committee amendments repeal N. J. S. 40A:14-8, which section contains provisions, concerning fire departments, that are similar to those in the other sections repealed by Senate Bill No. 3043.
