P.L.2016, CHAPTER 53, *approved September 14, 2016*

Assembly, No. 457

1 AN ACT concerning medical marijuana and amending P.L.2009,
2 c.307.

3
4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6
7 1. Section 3 of P.L.2009, c.307 (C.24:6I-3) is amended to read
8 as follows:

9 3. As used in this act:

10 "Bona fide physician-patient relationship" means a relationship
11 in which the physician has ongoing responsibility for the
12 assessment, care, and treatment of a patient's debilitating medical
13 condition.

14 "Certification" means a statement signed by a physician with
15 whom a qualifying patient has a bona fide physician-patient
16 relationship, which attests to the physician's authorization for the
17 patient to apply for registration for the medical use of marijuana.

18 "Commissioner" means the Commissioner of Health.

19 "Debilitating medical condition" means:

20 (1) one of the following conditions, if resistant to conventional
21 medical therapy: seizure disorder, including epilepsy; intractable
22 skeletal muscular spasticity; post-traumatic stress disorder; or
23 glaucoma;

24 (2) one of the following conditions, if severe or chronic pain,
25 severe nausea or vomiting, cachexia, or wasting syndrome results
26 from the condition or treatment thereof: positive status for human
27 immunodeficiency virus; acquired immune deficiency syndrome; or
28 cancer;

29 (3) amyotrophic lateral sclerosis, multiple sclerosis, terminal
30 cancer, muscular dystrophy, or inflammatory bowel disease,
31 including Crohn's disease;

32 (4) terminal illness, if the physician has determined a prognosis
33 of less than 12 months of life; or

34 (5) any other medical condition or its treatment that is approved
35 by the department by regulation.

36 "Department" means the Department of Health.

37 "Marijuana" has the meaning given in section 2 of the "New
38 Jersey Controlled Dangerous Substances Act," P.L.1970, c.226
39 (C.24:21-2).

40 "Medical marijuana alternative treatment center" or "alternative
41 treatment center" means an organization approved by the
42 department to perform activities necessary to provide registered
43 qualifying patients with usable marijuana and related paraphernalia

EXPLANATION – Matter enclosed in bold-faced brackets **[thus]** in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

1 in accordance with the provisions of this act. This term shall
2 include the organization's officers, directors, board members, and
3 employees.

4 "Medical use of marijuana" means the acquisition, possession,
5 transport, or use of marijuana or paraphernalia by a registered
6 qualifying patient as authorized by this act.

7 "Minor" means a person who is under 18 years of age and who
8 has not been married or previously declared by a court or an
9 administrative agency to be emancipated.

10 "Paraphernalia" has the meaning given in N.J.S.2C:36-1.

11 "Physician" means a person licensed to practice medicine and
12 surgery pursuant to Title 45 of the Revised Statutes with whom the
13 patient has a bona fide physician-patient relationship and who is the
14 primary care physician, hospice physician, or physician responsible
15 for the ongoing treatment of a patient's debilitating medical
16 condition, provided, however, that the ongoing treatment shall not
17 be limited to the provision of authorization for a patient to use
18 medical marijuana or consultation solely for that purpose.

19 "Primary caregiver" or "caregiver" means a resident of the State
20 who:

- 21 a. is at least 18 years old;
- 22 b. has agreed to assist with a registered qualifying patient's
23 medical use of marijuana, is not currently serving as primary
24 caregiver for another qualifying patient, and is not the qualifying
25 patient's physician;
- 26 c. has never been convicted of possession or sale of a
27 controlled dangerous substance, unless such conviction occurred
28 after the effective date of this act and was for a violation of federal
29 law related to possession or sale of marijuana that is authorized
30 under this act;
- 31 d. has registered with the department pursuant to section 4 of
32 this act, and has satisfied the criminal history record background
33 check requirement of section 4 of this act; and
- 34 e. has been designated as primary caregiver on the qualifying
35 patient's application or renewal for a registry identification card or
36 in other written notification to the department.

37 "Qualifying patient" or "patient" means a resident of the State
38 who has been provided with a certification by a physician pursuant
39 to a bona fide physician-patient relationship.

40 "Registry identification card" means a document issued by the
41 department that identifies a person as a registered qualifying patient
42 or primary caregiver.

43 "Usable marijuana" means the dried leaves and flowers of
44 marijuana, and any mixture or preparation thereof, and does not
45 include the seeds, stems, stalks or roots of the plant.

46 (cf: P.L.2012, c.17, s.90)

2 c.307.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State
5 of New Jersey:

6

7 1. Section 3 of P.L.2009, c.307 (C.24:6I-3) is amended to read
8 as follows:

9 3. As used in this act:

10 "Bona fide physician-patient relationship" means a relationship
11 in which the physician has ongoing responsibility for the
12 assessment, care, and treatment of a patient's debilitating medical
13 condition.

14 "Certification" means a statement signed by a physician with
15 whom a qualifying patient has a bona fide physician-patient
16 relationship, which attests to the physician's authorization for the
17 patient to apply for registration for the medical use of marijuana.

18 "Commissioner" means the Commissioner of Health.

19 "Debilitating medical condition" means:

20 (1) one of the following conditions, if resistant to conventional
21 medical therapy: seizure disorder, including epilepsy; intractable
22 skeletal muscular spasticity; post-traumatic stress disorder; or
23 glaucoma;

24 (2) one of the following conditions, if severe or chronic pain,
25 severe nausea or vomiting, cachexia, or wasting syndrome results
26 from the condition or treatment thereof: positive status for human
27 immunodeficiency virus; acquired immune deficiency syndrome; or
28 cancer;

29 (3) amyotrophic lateral sclerosis, multiple sclerosis, terminal
30 cancer, muscular dystrophy, or inflammatory bowel disease,
31 including Crohn's disease;

32 (4) terminal illness, if the physician has determined a prognosis
33 of less than 12 months of life; or

34 (5) any other medical condition or its treatment that is approved
35 by the department by regulation.

36 "Department" means the Department of Health.

37 "Marijuana" has the meaning given in section 2 of the "New
38 Jersey Controlled Dangerous Substances Act," P.L.1970, c.226
39 (C.24:21-2).

40 "Medical marijuana alternative treatment center" or "alternative
41 treatment center" means an organization approved by the
42 department to perform activities necessary to provide registered
43 qualifying patients with usable marijuana and related paraphernalia
44 in accordance with the provisions of this act. This term shall
45 include the organization's officers, directors, board members, and
46 employees.

1 "Medical use of marijuana" means the acquisition, possession,
2 transport, or use of marijuana or paraphernalia by a registered
3 qualifying patient as authorized by this act.

4 "Minor" means a person who is under 18 years of age and who
5 has not been married or previously declared by a court or an
6 administrative agency to be emancipated.

7 "Paraphernalia" has the meaning given in N.J.S.2C:36-1.

8 "Physician" means a person licensed to practice medicine and
9 surgery pursuant to Title 45 of the Revised Statutes with whom the
10 patient has a bona fide physician-patient relationship and who is the
11 primary care physician, hospice physician, or physician responsible
12 for the ongoing treatment of a patient's debilitating medical
13 condition, provided, however, that the ongoing treatment shall not
14 be limited to the provision of authorization for a patient to use
15 medical marijuana or consultation solely for that purpose.

16 "Primary caregiver" or "caregiver" means a resident of the State
17 who:

18 a. is at least 18 years old;

19 b. has agreed to assist with a registered qualifying patient's
20 medical use of marijuana, is not currently serving as primary
21 caregiver for another qualifying patient, and is not the qualifying
22 patient's physician;

23 c. has never been convicted of possession or sale of a
24 controlled dangerous substance, unless such conviction occurred
25 after the effective date of this act and was for a violation of federal
26 law related to possession or sale of marijuana that is authorized
27 under this act;

28 d. has registered with the department pursuant to section 4 of
29 this act, and has satisfied the criminal history record background
30 check requirement of section 4 of this act; and

31 e. has been designated as primary caregiver on the qualifying
32 patient's application or renewal for a registry identification card or
33 in other written notification to the department.

34 "Qualifying patient" or "patient" means a resident of the State
35 who has been provided with a certification by a physician pursuant
36 to a bona fide physician-patient relationship.

37 "Registry identification card" means a document issued by the
38 department that identifies a person as a registered qualifying patient
39 or primary caregiver.

40 "Usable marijuana" means the dried leaves and flowers of
41 marijuana, and any mixture or preparation thereof, and does not
42 include the seeds, stems, stalks or roots of the plant.

43 (cf: P.L.2012, c.17, s.90)

44

45 2. This act shall take effect immediately.

1 STATEMENT

2

3 This bill adds post-traumatic stress disorder (PTSD) to the list of
4 debilitating medical conditions that would qualify a patient to
5 receive medical marijuana under the New Jersey Compassionate
6 Use Medical Marijuana Act.

7 PTSD is a mental health condition that is triggered by a
8 traumatic event such as a physical or sexual assault, childhood
9 neglect or physical abuse, a natural disaster, exposure to combat, or
10 other extreme or life-threatening events. Symptoms can include
11 flashbacks, nightmares, severe anxiety, uncontrollable thoughts
12 about the event, emotional distress, physical symptoms, feelings of
13 numbness or detachment, engaging in dangerous or self-destructive
14 behavior, and experiencing suicidal thoughts.

15 To qualify for medical marijuana, the patient's PTSD symptoms
16 would have to be resistant to conventional medical therapy, which
17 generally combines psychotherapy with antidepressants and anti-
18 anxiety medications. To be authorized for use of medical
19 marijuana, the patient would have to meet the other requirements of
20 the New Jersey Compassionate Use Medical Marijuana Act as well,
21 including obtaining certification of the patient's condition from a
22 physician with whom the patient has a bona fide physician-patient
23 relationship.

ASSEMBLY REGULATORY OVERSIGHT AND REFORM AND
FEDERAL RELATIONS COMMITTEE

STATEMENT TO

ASSEMBLY, No. 457

STATE OF NEW JERSEY

DATED: JUNE 2, 2016

The Assembly Regulatory Oversight and Reform and Federal Relations Committee reports favorably Assembly, No. 457.

This bill adds post-traumatic stress disorder (PTSD) to the list of debilitating medical conditions that would qualify a patient to receive medical marijuana under the “New Jersey Compassionate Use Medical Marijuana Act.”

PTSD is a mental health condition that is triggered by a traumatic event such as a physical or sexual assault, childhood neglect or physical abuse, a natural disaster, exposure to combat, or other extreme or life-threatening events. Symptoms can include flashbacks, nightmares, severe anxiety, uncontrollable thoughts about the event, emotional distress, physical symptoms, feelings of numbness or detachment, engaging in dangerous or self-destructive behavior, and experiencing suicidal thoughts.

To qualify for medical marijuana, the patient’s PTSD symptoms would have to be resistant to conventional medical therapy, which generally combines psychotherapy with antidepressants and anti-anxiety medications. To be authorized for use of medical marijuana, the patient would have to meet the other requirements of the “New Jersey Compassionate Use Medical Marijuana Act” as well, including obtaining certification of the patient’s condition from a physician with whom the patient has a bona fide physician-patient relationship.

This bill was pre-filed for introduction in the 2016-2017 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.

46 employees.

EXPLANATION – Matter enclosed in bold-faced brackets **[thus]** in the above bill is
not enacted and is intended to be omitted in the law.

Matter underlined thus is new matter.

1 "Medical use of marijuana" means the acquisition, possession,
2 transport, or use of marijuana or paraphernalia by a registered
3 qualifying patient as authorized by this act.

4 "Minor" means a person who is under 18 years of age and who
5 has not been married or previously declared by a court or an
6 administrative agency to be emancipated.

7 "Paraphernalia" has the meaning given in N.J.S.2C:36-1.

8 "Physician" means a person licensed to practice medicine and
9 surgery pursuant to Title 45 of the Revised Statutes with whom the
10 patient has a bona fide physician-patient relationship and who is the
11 primary care physician, hospice physician, or physician responsible
12 for the ongoing treatment of a patient's debilitating medical
13 condition, provided, however, that the ongoing treatment shall not
14 be limited to the provision of authorization for a patient to use
15 medical marijuana or consultation solely for that purpose.

16 "Primary caregiver" or "caregiver" means a resident of the State
17 who:

18 a. is at least 18 years old;

19 b. has agreed to assist with a registered qualifying patient's
20 medical use of marijuana, is not currently serving as primary
21 caregiver for another qualifying patient, and is not the qualifying
22 patient's physician;

23 c. has never been convicted of possession or sale of a
24 controlled dangerous substance, unless such conviction occurred
25 after the effective date of this act and was for a violation of federal
26 law related to possession or sale of marijuana that is authorized
27 under this act;

28 d. has registered with the department pursuant to section 4 of
29 this act, and has satisfied the criminal history record background
30 check requirement of section 4 of this act; and

31 e. has been designated as primary caregiver on the qualifying
32 patient's application or renewal for a registry identification card or
33 in other written notification to the department.

34 "Qualifying patient" or "patient" means a resident of the State
35 who has been provided with a certification by a physician pursuant
36 to a bona fide physician-patient relationship.

37 "Registry identification card" means a document issued by the
38 department that identifies a person as a registered qualifying patient
39 or primary caregiver.

40 "Usable marijuana" means the dried leaves and flowers of
41 marijuana, and any mixture or preparation thereof, and does not
42 include the seeds, stems, stalks or roots of the plant.

43 (cf: P.L.2012, c.17, s.90)

44

45 2. This act shall take effect immediately.

1 STATEMENT

2

3 This bill adds post-traumatic stress disorder (PTSD) to the list of
4 debilitating medical conditions that would qualify a patient to
5 receive medical marijuana under the New Jersey Compassionate
6 Use Medical Marijuana Act.

7 PTSD is a mental health condition that is triggered by a
8 traumatic event such as a physical or sexual assault, childhood
9 neglect or physical abuse, a natural disaster, exposure to combat, or
10 other extreme or life-threatening events. Symptoms can include
11 flashbacks, nightmares, severe anxiety, uncontrollable thoughts
12 about the event, emotional distress, physical symptoms, feelings of
13 numbness or detachment, engaging in dangerous or self-destructive
14 behavior, and experiencing suicidal thoughts.

15 To qualify for medical marijuana, the patient's PTSD symptoms
16 would have to be resistant to conventional medical therapy, which
17 generally combines psychotherapy with antidepressants and anti-
18 anxiety medications. To be authorized for use of medical
19 marijuana, the patient would have to meet the other requirements of
20 the New Jersey Compassionate Use Medical Marijuana Act as well,
21 including obtaining certification of the patient's condition from a
22 physician with whom the patient has a bona fide physician-patient
23 relationship.

SENATE HEALTH, HUMAN SERVICES AND SENIOR
CITIZENS COMMITTEE

STATEMENT TO

SENATE, No. 2345

STATE OF NEW JERSEY

DATED: JUNE 16, 2016

The Senate Health, Human Services and Senior Citizens Committee reports favorably Senate Bill No. 2345.

This bill adds post-traumatic stress disorder (PTSD) to the list of debilitating medical conditions that would qualify a patient to receive medical marijuana under the New Jersey Compassionate Use Medical Marijuana Act.

PTSD is a mental health condition that is triggered by a traumatic event such as a physical or sexual assault, childhood neglect or physical abuse, a natural disaster, exposure to combat, or other extreme or life-threatening events. Symptoms can include flashbacks, nightmares, severe anxiety, uncontrollable thoughts about the event, emotional distress, physical symptoms, feelings of numbness or detachment, engaging in dangerous or self-destructive behavior, and experiencing suicidal thoughts.

To qualify for medical marijuana, the patient's PTSD symptoms would have to be resistant to conventional medical therapy, which generally combines psychotherapy with antidepressants and anti-anxiety medications. To be authorized for use of medical marijuana, the patient would have to meet the other requirements of the New Jersey Compassionate Use Medical Marijuana Act as well, including obtaining certification of the patient's condition from a physician with whom the patient has a bona fide physician-patient relationship.
