Governor Christie Takes Action On Pending Legislation

Thursday, May 11, 2017 Tags: [Bill Action](#)

Trenton, NJ - Governor Chris Christie today signed into law additional bills to support New Jersey's military members, veterans, and their families and show pride in the state's military history. On May 1, he signed a number of bills impacting veterans and the military, including a law creating a program to divert certain veterans accused of non-violent offenses from the criminal justice system and into appropriate mental health and substance use services.

Today, Governor Christie signed A450/S750 (Mazzeo, Andrzejczak, Mukherji, Moriarty, Benson, Daniels, Houghtaling/Beach, Van Drew) creating the Wounded Warrior Caregivers Relief Act, which provides a gross income tax credit of up to \$675 to family caregivers of totally disabled veterans whose injuries occurred as a result of serving on active duty on or after September 11, 2001.

"We must do all we can do to make it easier for military members who have been left with debilitating injuries in the line of duty and their family members who now care for them," said Governor Christie. "This compassionate new law provides a tax credit to ease some of the financial burden on those families and show our appreciation for the many sacrifices they have made to keep their loved ones safe and at home."

Other military and veterans bills signed by Governor Christie allow active duty members of the U.S. Armed Forces who have completed basic training to wear their dress uniform at their high school graduation and require the Department of Military and Veterans' Affairs to work with the Division of Travel and Tourism and the New Jersey Historical Commission to develop an online list with a historic tour of war battles fought and places of historical military significance in New Jersey and its State waters.

Governor Christie also took action on the following bills:
