SENATE BUDGET AND APPROPRIATIONS COMMITTEE

STATEMENT TO

ASSEMBLY, No. 3908

STATE OF NEW JERSEY

DATED: JUNE 15, 2017

The Senate Budget and Appropriations Committee reports favorably Assembly Bill No. 3908.

This bill directs the Division of Travel and Tourism in the Department of State to establish a 9/11 Memorial Registry to provide the location and condition of all 9/11 memorials in the State owned, operated, or maintained by a governmental entity. Under this bill, the division would develop and maintain an interactive Internet website providing information concerning 9/11 memorials in the State. The terrorist attacks on September 11, 2001 caused the largest loss of life from a foreign attack on American soil, and the largest single loss of rescue personnel in American history. Communities throughout the State have erected monuments to remember and honor those that served and died on September 11, 2001. This bill would create a Statewide registry of 9/11 memorials erected in New Jersey to preserve the memory of those who served and perished on September 11, 2001.

As reported, this bill is identical to Senate Bill No. 3021, as also reported by the committee.

FISCAL IMPACT:

The Office of Legislative Services (OLS) estimates that the bill would cause an indeterminate State expenditure increase. To the extent that the Department of State purchases new information technology systems that allow for the creation of a searchable, interactive map of 9/11 memorials in the State and the receipt of submissions from the public recommending 9/11 memorials for inclusion on the 9/11 Memorial Registry, additional costs would be incurred.

The OLS notes that the Division of Travel and Tourism in the Department of State currently maintains a searchable Internet website that lists activities, attractions, and historical sites located in the State that could potentially be adapted to include a searchable, interactive map of 9/11 memorials in the State.

BILL DESCRIPTION

Assembly Bill No. 3908 of 2017 directs the Division of Travel and Tourism in the Department of State to establish a 9/11 Memorial Registry to provide the location and condition of all 9/11 memorials in the State owned, operated, or maintained by a governmental entity. FISCAL ANALYSIS

EXECUTIVE BRANCH

OFFICE OF LEGISLATIVE SERVICES

The OLS estimates that the bill would cause an indeterminate State expenditure increase. The Department of State may need to purchase new information technology systems that allow for the creation of a searchable, interactive map of 9/11 memorials in the State and the receipt of submissions from the public recommending 9/11 memorials for inclusion on the 9/11 Memorial Registry. The Department of State would further have to designate an employee to serve as a contact person to intake and process submissions from the public recommending 9/11 memorials for inclusion on the registry. The OLS has no information upon which to base an estimate of the costs associated with maintaining such an interactive website and cannot predict whether the agency would use its own staff or a third party contractor to design and maintain the website.

However, the OLS notes that the Division of Travel and Tourism in the Department of State currently maintains a searchable Internet website that lists activities, attractions, and historical sites located in the State that could potentially be adapted to include a searchable, interactive map of 9/11 memorials in the State.
