34

#### STATEMENT

35

36 In a contract for the sale, lease or repair of a motor vehicle, this  
37 bill prohibits the use of a non-disclosure clause. For the purposes  
38 of this bill, a non-disclosure clause is a provision in a contract  
39 which imposes a fee or other consequence on a consumer for a  
40 negative review or other statement regarding the motor vehicle, the  
41 manufacturer, the seller or the lessor.

42 Though non-disclosure agreements are rarely incorporated into  
43 contracts for the sale or repair of a motor vehicle, recent press  
44 reports indicate that the use of such agreements is on the rise, in  
45 some cases leading consumers to believe that they will be in  
46 violation of the clause if they report safety issues to the National  
47 Highway Traffic Safety Administration. Additionally, such clauses  
48 prevent consumers from sharing valuable product information with

1 others, thereby diminishing the accountability of the business  
2 imposing the prohibition.

3 This bill prohibits any provision in a consumer contract for the  
4 purchase, lease or repair of a motor vehicle which waives a  
5 consumer's right to make any statement, or penalizes a consumer  
6 for making any statement, including a statement posted on the  
7 Internet, regarding the manufacturer, seller or lessor, or its  
8 employees or agents, or concerning the goods or services rendered.

9 For violations of this prohibition, the bill grants authority to the  
10 Attorney General to impose a civil penalty of up to \$5,000 for a  
11 first offense, and up to \$10,000 for each subsequent offense. It also  
12 creates a private cause of action for aggrieved parties.

13 The bill supplements P.L.1981, c.454 (C.56:12-14 et seq.), and  
14 as such, would apply to all consumer contracts for the purchase,  
15 lease or repair of any motor vehicle. The bill also amends and  
16 supplements P.L.1988, c.123 (C.56:12-29 et seq.), commonly  
17 known as the "Lemon Law," and would thus also apply the  
18 prohibition on non-disclosure clauses to the purchase or lease of a  
19 new motor vehicle and any repairs made in relation thereto for a  
20 defect or condition which substantially impairs the use, value or  
21 safety of that motor vehicle.

Additionally, such clauses prevent consumers from sharing valuable product information with others, thereby diminishing the accountability of the business imposing the prohibition.

This bill prohibits any provision in a consumer contract for the purchase, lease or repair of a motor vehicle which waives a consumer's right to make any statement, or penalizes a consumer for making any statement, including a statement posted on the Internet, regarding the manufacturer, seller or lessor, or its employees or agents, or concerning the goods or services rendered.

For violations of this prohibition, the bill grants authority to the Attorney General to impose a civil penalty of up to \$5,000 for a first offense, and up to \$10,000 for each subsequent offense. It also creates a private cause of action for aggrieved parties.

The bill supplements P.L.1981, c.454 (C.56:12-14 et seq.), and as such, would apply to all consumer contracts for the purchase, lease or repair of any motor vehicle. The bill also amends and supplements P.L.1988, c.123 (C.56:12-29 et seq.), commonly known as the "Lemon Law," and would thus also apply the prohibition on non-disclosure clauses to the purchase or lease of a new motor vehicle and any repairs made in relation thereto for a defect or condition which substantially impairs the use, value or safety of that motor vehicle.
