FISCAL NOTE TO
SENATE No. 802

STATE OF NEW JERSEY

DATED: JULY 1, 1970

Senate Bill No. 802 is permissive legislation which would allow the governing body of any municipality to assume the entire cost of health insurance premiums for employees and their dependents, if the employee retired after 25 years of service. What this would mean in terms of cost to local governments is speculative as there is no way to determine how many municipalities would exercise this option.

Adoption of this legislation would not bring about additional costs to the State.

In compliance with written request received, there is hereby submitted a fiscal estimate for the above bill, pursuant to P. L. 1962, c. 27.
