

ASSEMBLY, No. 998

STATE OF NEW JERSEY

INTRODUCED APRIL 6, 1972

By Assemblyman DE KORTE

Referred to Committee on Taxation

AN ACT concerning motor vehicles and amending R. S. 39:3-20.

1 BE IT ENACTED *by the Senate and General Assembly of the State*
2 *of New Jersey:*

1 1. R. S. 39:3-20 is amended to read as follows:

2 39:3-20. An applicant for registration for trucks, road tractors
3 and truck tractors shall pay to the director a fee based on the gross
4 weight of the vehicle and load including the gross weight of all
5 vehicles and load of any combination of vehicles of which the truck,
6 road tractor or truck tractor is the drawing vehicle in such com-
7 bination of vehicles. The plates to be used for commercial motor
8 vehicles shall display the word "commercial," and the numerals
9 shall be prefixed by the letter "X." Trailer plates shall have the
10 letter "T." The fee for trucks, road tractors and truck tractors
11 shall be paid in accordance with the following [table]:

12 When the gross weight of vehicle and load, including the gross
13 weight of all vehicles and load of any combination of vehicles of
14 which the truck, road tractor or truck tractor is the drawing vehicle
15 in such combination of vehicles, is [

35	60,001 to 64,000 pounds	431 00
36	64,001 to 68,000 pounds	457 00
37	68,001 to 72,000 pounds	483 00
38	<i>5,000 pounds or less, the minimum registration fee shall be \$40.00</i>	
39	<i>and where greater than 5,000 pounds, the registration fee shall be</i>	
40	<i>\$40.00 for the first 5,000 pounds and \$8.00 for each additional 1,000</i>	
41	<i>pounds or portion thereof up to a maximum of 72,000 pounds.</i>	

42 An applicant for registration for trailers and semitrailers shall
43 pay to the director a fee of \$15.00 for each such vehicle.

44 In addition to the registrations authorized to be issued pursuant
45 to the aforesaid provisions of this section, the director shall issue
46 registrations for automobile commercial vehicles, trailers, semi-
47 trailers, and tractors providing for the gross weight of vehicle
48 and load over 40,000 pounds but not exceeding 70,000 pounds, upon
49 application therefor and proof to the satisfaction of the director
50 that the applicant is actually engaged in construction work or in the
51 business of supplying material, transporting material, or using such
52 registered vehicle for construction work. The license plate so issued
53 shall be marked "constructor" and shall be placed upon the vehicle
54 or vehicles registered under this section. In no event shall a vehicle
55 or combination of vehicles, operating as a unit, registered under
56 this section and using "constructor" registration plates exceed a
57 maximum gross weight, inclusive of load, of 70,000 pounds.

58 The applicant for "constructor" registration plates authorized
59 herein shall pay therefor on each vehicle at the rate of \$10.00 per
60 thousand pounds of gross weight of vehicle and load.

61 Vehicles registered and using "constructor" registration plates
62 may not be operated at a distance greater than 30 miles from the
63 point established as a headquarters for the particular construction
64 operation and such vehicles, except as hereafter provided, must
65 comply with the speed limitations of Title 39 of the Revised Stat-
66 utes. Such vehicles when carrying a gross weight of vehicle and
67 load less than 50% of the certificate of registration shall comply
68 with applicable speed laws and shall not move along a highway at
69 a speed greater than 40 miles per hour. When carrying a gross

70 weight of vehicle and load in excess of 50% of the certificate of
71 registration, such vehicle shall comply with applicable speed laws
72 and shall not move along a highway at a speed greater than 30
73 miles per hour.

74 It shall be unlawful for any vehicle registered under this act
75 having gross weight of load and vehicle including the gross weight
76 of all vehicles and load in any combination of vehicles in excess of
77 the gross weight provided on the registration certificate to be
78 operated on the highways of this State.

79 In the event that a truck, road tractor or truck tractor registered
80 under this act is found on a highway in combination with a trailer
81 or semitrailer duly registered in any other State or Federal district
82 which imposes registration weight fees on such trailers or semi-
83 trailers, the drawing vehicle of the combination registered under
84 this act shall have a gross weight registration equal to at least $\frac{1}{2}$
85 of the combined gross weight of all the vehicles and load in the
86 combination of vehicles. If it does not, the operation of said com-
87 bination of vehicles on the highways of this State shall be unlawful.

88 The 5% allowance provided by section 5 of P. L. 1950, chapter
89 142 shall be applicable as heretofore to all registered weight limi-
90 tations provided in this section, except that in no event shall the
91 gross weight of any vehicle or combination of vehicles, including
92 load, exceed the Federal maximum of 73,280 pounds or as such
93 may be amended from time to time. In the case of a truck, road
94 tractor or truck tractor registered under this act in combination
95 with a trailer or semitrailer duly registered in any other State or
96 Federal district which imposes registration weight fees on such
97 trailers or semitrailers, known as a mixed combination, the 5%
98 allowance shall be applied by adding to the registered weight of the
99 drawing vehicle registered under this act 5% of said registered
100 weight. If the resulting sum is equal at least to $\frac{1}{2}$ of the com-
101 bined gross weight of the mixed combination, then the mixed
102 combination shall be in compliance with the registration require-
103 ments of this section.

104 Moneys realized from the increase of the fees for registrations
105 issued pursuant to the provisions of this act shall be paid into the
106 State treasury and credited to the General State Fund and avail-
107 able for general State purposes.

108 This section shall not be construed to supersede or repeal the
109 provisions of either sections 39:3-84 or 39:4-75 of this Title.

1 2. This act shall take effect on the first day of the month follow-
2 ing enactment.

STATEMENT

The purpose of this bill is to alter the fee structure for the registration of trucks, road tractors and truck tractors based on weight of vehicles and loads and thereby produce additional revenues to the State of New Jersey.

36	64,001 to 68,000 pounds	457 00
37	68,001 to 72,000 pounds	483 00
38	<i>5,000 pounds or less, the minimum registration fee shall be \$40.00</i>	
39	<i>and where greater than 5,000 pounds, the registration fee shall be</i>	
40	<i>\$40.00 for the first 5,000 pounds and \$8.00 for each additional 1,000</i>	
41	<i>pounds or portion thereof up to a maximum of 72,000 pounds.</i>	

42 An applicant for registration for trailers and semitrailers shall
43 pay to the director a fee of \$15.00 for each such vehicle.

44 In addition to the registrations authorized to be issued pursuant
45 to the aforesaid provisions of this section, the director shall issue
46 registrations for automobile commercial vehicles, trailers, semi-
47 trailers, and tractors providing for the gross weight of vehicle
48 and load over 40,000 pounds but not exceeding 70,000 pounds, upon
49 application therefor and proof to the satisfaction of the director
50 that the applicant is actually engaged in construction work or in the
51 business of supplying material, transporting material, or using such
52 registered vehicle for construction work. The license plate so issued
53 shall be marked "constructor" and shall be placed upon the vehicle
54 or vehicles registered under this section. In no event shall a vehicle
55 or combination of vehicles, operating as a unit, registered under
56 this section and using "constructor" registration plates exceed a
57 maximum gross weight, inclusive of load, of 70,000 pounds.

58 The applicant for "constructor" registration plates authorized
59 herein shall pay therefor on each vehicle at the rate of \$16.00 per
60 thousand pounds of gross weight of vehicle and load.

61 Vehicles registered and using "constructor" registration plates
62 may not be operated at a distance greater than 30 miles from the
63 point established as a headquarters for the particular construction
64 operation and such vehicles, except as hereafter provided, must
65 comply with the speed limitations of Title 39 of the Revised Stat-
66 utes. Such vehicles when carrying a gross weight of vehicle and
67 load less than 50% of the certificate of registration shall comply
68 with applicable speed laws and shall not move along a highway at
69 a speed greater than 40 miles per hour. When carrying a gross

70 weight of vehicle and load in excess of 50% of the certificate of
71 registration, such vehicle shall comply with applicable speed laws
72 and shall not move along a highway at a speed greater than 30
73 miles per hour.

74 It shall be unlawful for any vehicle registered under this act
75 having gross weight of load and vehicle including the gross weight
76 of all vehicles and load in any combination of vehicles in excess of
77 the gross weight provided on the registration certificate to be
78 operated on the highways of this State.

79 In the event that a truck, road tractor or truck tractor registered
80 under this act is found on a highway in combination with a trailer
81 or semitrailer duly registered in any other State or Federal district
82 which imposes registration weight fees on such trailers or semi-
83 trailers, the drawing vehicle of the combination registered under
84 this act shall have a gross weight registration equal to at least $\frac{1}{2}$
85 of the combined gross weight of all the vehicles and load in the
86 combination of vehicles. If it does not, the operation of said com-
87 bination of vehicles on the highways of this State shall be unlawful.

88 The 5% allowance provided by section 5 of P. L. 1950, chapter
89 142 shall be applicable as heretofore to all registered weight limi-
90 tations provided in this section, except that in no event shall the
91 gross weight of any vehicle or combination of vehicles, including
92 load, exceed the Federal maximum of 73,280 pounds or as such
93 may be amended from time to time. In the case of a truck, road
94 tractor or truck tractor registered under this act in combination
95 with a trailer or semitrailer duly registered in any other State or
96 Federal district which imposes registration weight fees on such
97 trailers or semitrailers, known as a mixed combination, the 5%
98 allowance shall be applied by adding to the registered weight of the
99 drawing vehicle registered under this act 5% of said registered
100 weight. If the resulting sum is equal at least to $\frac{1}{2}$ of the com-
101 bined gross weight of the mixed combination, then the mixed
102 combination shall be in compliance with the registration require-
103 ments of this section.

104 Moneys realized from the increase of the fees for registrations
105 issued pursuant to the provisions of this act shall be paid into the
106 State treasury and credited to the General State Fund and avail-
107 able for general State purposes.

108 This section shall not be construed to supersede or repeal the
109 provisions of either sections 39:3-84 or 39:4-75 of this Title.

1 2. This act shall take effect on the first day of the month follow-
2 ing enactment.

 41 *additional 1,000 pounds or portion thereof up to a maximum of*
 42 *72,000 pounds.*

42 An applicant for registration for trailers and semitrailers shall
 43 pay to the director a fee of \$15.00 for each such vehicle.

44 In addition to the registrations authorized to be issued pursuant
 45 to the aforesaid provisions of this section, the director shall issue
 46 registrations for automobile commercial vehicles, trailers, semi-
 47 trailers, and tractors providing for the gross weight of vehicle
 48 and load over 40,000 pounds but not exceeding 70,000 pounds, upon
 49 application therefor and proof to the satisfaction of the director
 50 that the applicant is actually engaged in construction work or in the
 51 business of supplying material, transporting material, or using such
 52 registered vehicle for construction work. The license plate so issued
 53 shall be marked "constructor" and shall be placed upon the vehicle
 54 or vehicles registered under this section. In no event shall a vehicle
 55 or combination of vehicles, operating as a unit, registered under
 56 this section and using "constructor" registration plates exceed a
 57 maximum gross weight, inclusive of load, of 70,000 pounds.

58 The applicant for "constructor" registration plates authorized
 59 herein shall pay therefor on each vehicle at the rate of \$16.00 per
 60 thousand pounds of gross weight of vehicle and load.

61 Vehicles registered and using "constructor" registration plates
 62 may not be operated at a distance greater than 30 miles from the
 63 point established as a headquarters for the particular construction
 64 operation and such vehicles, except as hereafter provided, must
 65 comply with the speed limitations of Title 39 of the Revised Stat-
 66 utes. Such vehicles when carrying a gross weight of vehicle and
 67 load less than 50% of the certificate of registration shall comply
 68 with applicable speed laws and shall not move along a highway at
 69 a speed greater than 40 miles per hour. When carrying a gross

70 weight of vehicle and load in excess of 50% of the certificate of
71 registration, such vehicle shall comply with applicable speed laws
72 and shall not move along a highway at a speed greater than 30
73 miles per hour.

74 It shall be unlawful for any vehicle registered under this act
75 having gross weight of load and vehicle including the gross weight
76 of all vehicles and load in any combination of vehicles in excess of
77 the gross weight provided on the registration certificate to be
78 operated on the highways of this State.

79 In the event that a truck, road tractor or truck tractor registered
80 under this act is found on a highway in combination with a trailer
81 or semitrailer duly registered in any other State or Federal district
82 which imposes registration weight fees on such trailers or semi-
83 trailers, the drawing vehicle of the combination registered under
84 this act shall have a gross weight registration equal to at least $\frac{1}{2}$
85 of the combined gross weight of all the vehicles and load in the
86 combination of vehicles. If it does not, the operation of said com-
87 bination of vehicles on the highways of this State shall be unlawful.

88 The 5% allowance provided by section 5 of P. L. 1950, chapter
89 142 shall be applicable as heretofore to all registered weight limi-
90 tations provided in this section, except that in no event shall the
91 gross weight of any vehicle or combination of vehicles, including
92 load, exceed the Federal maximum of 73,280 pounds or as such
93 may be amended from time to time. In the case of a truck, road
94 tractor or truck tractor registered under this act in combination
95 with a trailer or semitrailer duly registeed in any other State or
96 Federal district which imposes registration weight fees on such
97 trailers or semitrailers, known as a mixed combination, the 5%
98 allowance shall be applied by adding to the registered weight of the
99 drawing vehicle registered under this act 5% of said registered
100 weight. If the resulting sum is equal at least to $\frac{1}{2}$ of the com-
101 bined gross weight of the mixed combination, then the mixed
102 combination shall be in compliance with the registration require-
103 ments of this section.

104 Moneys realized from the increase of the fees for registrations
105 issued pursuant to the provisions of this act shall be paid into the
106 State treasury and credited to the General State Fund and avail-
107 able for general State purposes.

108 This section shall not be construed to supersede or repeal the
109 provisions of either sections 39:3-84 or 39:4-75 of this Title.

1 2. This act shall take effect on the first day of the month follow-
2 ing enactment.
