#### STATEMENT

46

47 This bill would increase the membership of the fire safety  
48 commission from 23 to 27 members. Of the four new members

1 authorized under this bill, two would be appointed jointly by the  
2 President of the Senate and the Speaker of the General Assembly,  
3 and two would be appointed by the Governor. The bill retains the  
4 bipartisan nature of the commission. The bill provides that the four  
5 new members would be members of the general public who are  
6 knowledgeable and experienced in matters related to fire safety.

7 Current law governing the composition of the membership of the  
8 fire safety commission provides that many special interest  
9 organizations are represented on the commission. While current  
10 law ensures a diversity of knowledge, opinion, and perspective on  
11 the commission, current law does not adequately provide for the  
12 appointment to the commission of unaffiliated, knowledgeable  
13 members of the general public.
