ASSEMBLY APPROPRIATIONS COMMITTEE

STATEMENT TO

ASSEMBLY, No. 4223

with committee amendments

STATE OF NEW JERSEY

DATED: JUNE 18, 2019

The Assembly Appropriations Committee reports favorably Assembly Bill No. 4223, with committee amendments.

Assembly Bill No. 4223 requires the State Treasurer to reimburse the county treasurer for any expenses incurred by the office of the county prosecutor for the oversight of the operations of a State or interstate law enforcement agency. The amended bill applies to expenses incurred beginning January 1, 2017 until the date on which the county prosecutor is no longer required to oversee the operations of the State or interstate law enforcement agency.

The reimbursement for expenses incurred prior to the bill's enactment would be paid upon the submission by the county treasurer of any documentation that the State Treasurer may require. Reimbursement for expenses incurred following the bill's enactment would be paid on a quarterly basis until the county prosecutor is no longer required to oversee the operations of the State or interstate law enforcement agency.

The bill requires the county treasurer to transfer the payments to the office of the county prosecutor to be used to carry out the functions of that office.

COMMITTEE AMENDMENTS

The committee amended the bill to:

1) require that expenses incurred beginning on January 1, 2017 are to be reimbursed to the county prosecutor and are to continue until the date on which the county prosecutor is no longer required to oversee the State or interstate law enforcement agency; as introduced, the bill applied to expenses incurred following the bill's enactment.

2) require the reimbursement for expenses incurred prior to the bill's enactment to be paid upon the submission by the county treasurer of any documentation that the State Treasurer may require; and

3) clarify that reimbursement for expenses incurred following the bill's enactment are to be made on a quarterly basis.

FISCAL IMPACT:

The Office of Legislative Services (OLS) estimates that the bill will result in an indeterminate increase in State expenditures. Definitive information on the total amount of reimbursement due to counties upon enactment of the bill is unavailable at this time and the OLS cannot predict the amount to be owed in the future, as these costs will be primarily driven by frequency with which a county prosecutor is required to exercise oversight over the operations of a State or interstate law enforcement agency.
