ASSEMBLY APPROPRIATIONS COMMITTEE

STATEMENT TO

SENATE, No. 2527

STATE OF NEW JERSEY

DATED: DECEMBER 12, 2019

The Assembly Appropriations Committee reports favorably Senate Bill No. 2527.

This bill requires the Department of Agriculture, in cooperation with the Department of Education, to develop promotional material for the "School Meal Program" and to provide every school district with the promotional material, which will include, but need not be limited to, pamphlets, presentation material, webinars, and sample letters that schools may send to parents.

The "School Meal Program" promotional material is intended to highlight and promote the value and importance of the National School Lunch Program, the federal School Breakfast Program, and the federal Summer Food Service Program, and the importance of providing a nutritious meal to all children for their general health and their success in school.

As reported by the committee, this bill is identical to Assembly Bill No. 4062, which also was reported by the committee on this same date.

FISCAL IMPACT:

The Office of Legislative Services (OLS) estimates that there would be an annual cost of \$75,000 for materials and supplies, and to mail promotional materials to each school district.

This estimate contrasts with the Executive estimate of \$196,600 annually. In addition to the \$75,000 for materials, supplies, and mailing of promotional materials, the Executive estimates \$121,600 each year for salaries, employee fringe benefits, and other employee benefits for an agricultural marketing specialist. However, the OLS believes that agricultural marketing would be subsumed within existing staff duties and would not require additional expenditures.

The OLS notes that there could be a minimal one-time expenditure increase to the Department of Agriculture (DOA) to hire a temporary employee for up to one year to help develop promotional material.
