ASSEMBLY STATE AND LOCAL GOVERNMENT
COMMITTEE

STATEMENT TO

[First Reprint]
SENATE, No. 358

with committee amendments

STATE OF NEW JERSEY

DATED: NOVEMBER 18, 2019

The Assembly State and Local Government Committee reports favorably and with committee amendments Senate Bill No. 358 (1R).

This bill, as amended, establishes in the Division of Elections in the Department of State a database containing the contact information for certain elected public official in this State, including the gender identity or expression and race of the elected public official.

As amended, the bill provides that no later than the 21st day after an individual has been certified as elected to any elective public office in this State, the officer responsible under the statutes for issuing certificates to successful candidates is to transmit to the individual a form for completion that records: 1) the individual's contact information, including full name, and the mailing address, telephone number, and e-mail address of the individual's public office, if any; 2) gender identity or expression; and 3) race, using the same racial categories as required on the federal decennial census of the United States by the federal Bureau of the Census.

The division is to use the information from the forms to establish separate databases of information on elected individuals, with at least one database sorted by gender identity or expression and at least one sorted by race.

The information in each database would be reviewed and updated by the appropriate officer on a regular basis, but not less than annually, and is to be made available to the public at a convenient location on the website of the division.

The bill, as amended, would not apply to elected public officials in a special district, on a board of education, or on a board of fire commissioners. Thus, only elected public officials at the State, county, and municipal levels are included in the database.

COMMITTEE AMENDMENTS

The committee amended the bill to:

- specify that the information regarding gender that is required to be included with the contact information of

each public official is the person's gender identity or expression;

- provide that the form transmitted to the elected official requesting contact information must be transmitted by the 21st day after that person has been certified as elected, rather than the seventh day;
- provide that the officer responsible under the statutes for issuing certificates to successful candidates will be the person who transmits and collects the form requesting contact information; and
- remove the provision requiring county clerks to assist in reviewing and updating the information in the database.

HISTORIC PRESERVATION COMMITTEE

STATEMENT TO

SENATE, No. 358

STATE OF NEW JERSEY

DATED: FEBRUARY 26, 2018

The Senate State Government, Wagering, Tourism and Historic Preservation Committee reports favorably Senate Bill No. 358.

This bill establishes in the Division of Elections in the Department of State a database containing the contact information for every elected public official in this State, including the gender and race of the elected public official.

The bill provides that no later than the seventh day after an individual has been certified as elected to any elective public office in this State, the division is to transmit to the individual a form for completion that records: 1) the individual's contact information, including full name, and the mailing address, telephone number, and e-mail address of the individual's public office, if any; 2) gender; and 3) race, using the same racial categories as required on the federal decennial census of the United States by the federal Bureau of the Census.

The division is to use the information from the forms to establish separate databases of information on elected individuals, with at least one database sorted by gender and at least one sorted by race.

The information in each database would be reviewed and updated by the division on a regular basis, and available to the public at a convenient location on the website of the division.

This bill was pre-filed for introduction in the 2018-2019 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.

STATEMENT TO

SENATE, No. 358

with Senate Floor Amendments
(Proposed by Senator RICE)

ADOPTED: APRIL 12, 2018

These Senate amendments exempt individuals serving in elected positions in a special district, on a board of education, or on a board of fire commissioners from the database of contact information for elected public officials established by the bill. Thus, only elected public officials at the State, county, and municipal levels are included in the database. The amendments also clarify that municipal clerks will coordinate with the Division of Elections to transmit the form requesting contact information to elected public officials in municipalities.

ASSEMBLY STATE AND LOCAL GOVERNMENT
COMMITTEE

STATEMENT TO

ASSEMBLY, No. 4587

with committee amendments

STATE OF NEW JERSEY

DATED: NOVEMBER 18, 2019

The Assembly State and Local Government Committee reports favorably and with committee amendments Assembly Bill No. 4587.

This bill, as amended, establishes in the Division of Elections in the Department of State a database containing the contact information for certain elected public official in this State, including the gender identity or expression and race of the elected public official.

As amended, the bill provides that no later than the 21st day after an individual has been certified as elected to any elective public office in this State, the officer responsible under the statutes for issuing certificates to successful candidates is to transmit to the individual a form for completion that records: 1) the individual's contact information, including full name, and the mailing address, telephone number, and e-mail address of the individual's public office, if any; 2) gender identity or expression; and 3) race, using the same racial categories as required on the federal decennial census of the United States by the federal Bureau of the Census.

The division is to use the information from the forms to establish separate databases of information on elected individuals, with at least one database sorted by gender identity or expression and at least one sorted by race.

The information in each database would be reviewed and updated by the appropriate officer on a regular basis, but not less than annually, and is to be made available to the public at a convenient location on the website of the division.

The bill, as amended, would not apply to elected public officials in a special district, on a board of education, or on a board of fire commissioners. Thus, only elected public officials at the State, county, and municipal levels are included in the database.

COMMITTEE AMENDMENTS

The committee amended the bill to:

- specify that the information regarding gender that is required to be included with the contact information of

each public official is the person's gender identity or expression;

- exempt individuals serving in elected positions in a special district, on a board of education, or on a board of fire commissioners from the database of contact information for elected public officials established by the bill. Thus, only elected public officials at the State, county, and municipal levels are included in the database;
- clarify that municipal clerks will coordinate with the Division of Elections to transmit the form requesting contact information to elected public officials in municipalities;
- provide that the form transmitted to the elected official requesting contact information must be transmitted by the 21st day after that person has been certified as elected, rather than the seventh day;
- provide that the officer responsible under the statutes for issuing certificates to successful candidates will be the person who transmits and collects the form requesting contact information; and
- remove the provision requiring county clerks to assist in reviewing and updating the information in the database.
