Trenton, NJ – Governor Chris Christie today took action on legislation, including a package of five bills intended to address the fiscal stability of Atlantic City.

Understanding both the immediate and long-term obstacles facing Atlantic City and its stabilization, the Governor has consistently highlighted the need for comprehensive reform efforts to confront the city's challenges – both from State and local leaders. The Governor remains committed to bringing about the necessary reforms to stabilize Atlantic City and continue an effective long-term transition to an economy that is diversified beyond its traditional gaming industry.

Continuing in that effort, Governor Christie conditionally vetoed A-3981, establishing a payment-in-lieu-of-taxes (PILOT) program for casinos operating in the City, A-3984, reallocating revenue derived from the casino investment alternative tax from the Casino Reinvestment Development Authority to the City to pay debt service on municipal bonds, and A-3985, repealing the Atlantic City Alliance.

"While I commend the Legislature for attempting to devise measures to stabilize the City's budget and finances, I am concerned that the bills, in their present form, fail to recognize the true path to economic revitalization and fiscal stability in the City," Governor Christie said. "While these bills represent the bipartisan efforts of many to provide important, near-term support to the City's immediate challenges, I do not believe they meet the goal of setting a course toward renewed, long-term prosperity and economic growth. To achieve these goals, we must continue our work and go further to ensure that the next step leads to that economically vibrant future for Atlantic City."

In addition, the Governor signed A- 3983, authorizing supplemental school aid to the Atlantic City school district, and vetoed the fifth bill, A-3982, which would add a costly and unjustified new mandate for casino business operation in the City by requiring each casino, as a condition of licensure, to provide to its full time employees "suitable" health care benefits and "suitable" retirement benefits.

"A-3982 would do nothing to enhance the financial condition of Atlantic City," Governor Christie wrote. "To be sure, this bill would make it more costly for casinos to operate in Atlantic City, thereby impeding the industry's ability to grow and expand."

Governor Christie also vetoed legislation designed to revise certain laws concerning domestic violence and firearms. The Christie Administration has made protecting our most vulnerable residents one of its main priorities and has enacted some of the toughest measures to combat domestic violence. Governor Christie has supported a comprehensive approach to addressing the level of violence within our society and recently signed legislation to further penalize aggravated assault perpetuated against domestic violence victims. This legislation, A-4218 (Mosquera, Greenwald, Lagana, Benson, Lampitt, Vainieri Huttie, Danielsen/Weinberg, Gill, Cruz-Perez), substantially restates New Jersey's existing laws that govern firearms and domestic violence and does not offer new and sensible improvements to those current laws. For that reason, rather than restate existing laws, the Governor is proposing significant amendments that will meaningfully deter future acts of violence.

• **Enhanced Penalties For Domestic Violence.** Governor Christie is proposing enhanced criminal penalties imposed against those who are convicted of domestic violence. To demonstrate society's unconditional condemnation of this conduct, perpetrators would receive the maximum available prison sentence under New Jersey law.

• **Tighter Restrictions On Parole Eligibility For Perpetrators Of Domestic Violence.** The Governor's recommended changes will strengthen penalties for perpetrators of domestic abuse by lengthening periods of parole

ineligibility.

- **Prioritizing Victims Who Seek Firearms For Protection.** The Governor is also recommending an immediate codification in statute of new rules currently being processed, giving expedited processing of firearm license applications for victims of domestic violence so that the victims may better defend themselves against future instances of abuse.

"I urge the Legislature to join with me in a bipartisan manner to broaden this bill's approach to reducing domestic violence while simultaneously empowering victims to protect themselves through lawful means," Governor Christie said. "Together, we can enact a more comprehensive approach and reduce the harm that domestic violence inflicts on victims, families, and our society."

The Governor also took the following action on other pending legislation:
