STATEMENT

34 This bill would supersede any municipality ordinance that is
35 interpreted as permitting the municipality to regulate the solicitation
36 of snow shoveling services within 24 hours of a predicted
37 snowstorm. The bill is in response to an incident in which two
38 teenagers were warned by police that they might be violating the
39 municipality's solicitation regulation ordinance by passing out fliers
40 to homeowners, advertising their availability to shovel driveways
41 the next morning, prior to a predicted snowstorm. Shoveling snow
42 has been a time-honored activity for children when schools are
43 closed, and it is not appropriate for municipal solicitation
44 regulations to be interpreted so broadly as to prohibit children from
45 offering to perform this necessary service within their communities.

ASSEMBLY STATE AND LOCAL GOVERNMENT
COMMITTEE

STATEMENT TO

ASSEMBLY, No. 4213

STATE OF NEW JERSEY

DATED: JUNE 18, 2015

The Assembly State and Local Government Committee reports favorably Assembly Bill No. 4213.

This bill would supersede any municipal ordinance that is interpreted as permitting the municipality to regulate the solicitation of snow shoveling services within 24 hours of a predicted snowstorm. The bill is in response to an incident in which two teenagers were warned by police that they might be violating the municipality's solicitation regulation ordinance by passing out fliers to homeowners, advertising their availability to shovel driveways the next morning, prior to a predicted snowstorm. Shoveling snow has been a time-honored activity for children when schools are closed, and it is not appropriate for municipal solicitation regulations to be interpreted so broadly as to prohibit children from offering to perform this necessary service within their communities.

As reported by the committee, Assembly Bill No. 4213 is identical to Senate Bill No. 2741, also reported by the committee on this date.
