**ASSEMBLY, No. 3276**

# **STATE OF NEW JERSEY**

DATED: MARCH 16, 2015

The Assembly Appropriations Committee reports favorably Assembly Bill No. 3276 (1R).

This bill requires the Chief Administrator of the New Jersey Motor Vehicle Commission to create and distribute written informational materials detailing the State's graduated driver's license laws to motor vehicle dealers. Motor vehicle dealers are required to distribute the materials to every person buying or leasing a motor vehicle.

This bill is named the "Mainland Memoriam Act" in honor of four Mainland Regional High School football players who were tragically killed in a motor vehicle accident in August 2011.

### FISCAL IMPACT:

The New Jersey Motor Vehicle Commission (MVC) has likely already reviewed the graduated driver's license law and produced web material to inform the public. The estimated cost of purchasing graphic design services necessary to translate this material into a brochure or leaflet that can be easily distributed to motor vehicle dealerships across the State is \$5,000.

There are approximately two million cars sold or leased in New Jersey annually, and assuming a cost of 10 cents per copy for a single information sheet, that would entail an annual cost of \$200,000 for production of the informational material each year. In the first year, there would be a need to produce an additional ten percent of the informational material to ensure that motor vehicle dealerships have an inventory of fliers on hand.

The amendments also provide that the chief administrator is to prescribe the manner in which a dealer provides that written informational material to lessees and purchasers.
