13 the employee organization designated by the employee in such
14 request.

15 Any such written authorization may be withdrawn by such per-

20 withdrawal is filed.

1 3. This act shall take effect immediately.

STATEMENT

This bill will allow changes in the voluntary payroll deduction law for school and other public employees. Currently, the withdrawal date for payroll deduction is January 1 and this does not coincide with the school year. By permitting withdrawal on July 1 as well as January 1, school business officials can better accommodate requests for withdrawal since it gives them sufficient time to adjust payroll records prior to the beginning of the next school year.
