FISCAL NOTE TO

SENATE, No. 298

STATE OF NEW JERSEY

DATED: MARCH 31, 1969

Senate Bill No. 298 would provide that certain career employees of the county clerk shall not be prohibited from participating in cost of living or longevity programs in certain counties.

The Department of Community Affairs estimates that enactment of this legislation would require the expenditure of county funds in the amounts of \$1,860.00 for the present calendar year, \$2,046.00 for the next and \$2,250.00 for the following calendar year.

The Division of Budget and Accounting points out that two other counties are approaching the population figure specified in the bill. If these counties have similar titles, somewhat greater county expenditures may be expected.

In compliance with written request received, there is hereby submitted a fiscal estimate for the above bill, pursuant to P. L. 1962, c. 27.
