ASSEMBLY BILL NO. 4403

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14 of the New Jersey Constitution, I am returning Assembly Bill No. 4403 with my recommendations for reconsideration.

Assembly Bill No. 4403 supplements the Fiscal Year 2022 Appropriations Act with an additional net \$71,786,000 in spending authority, reflecting supplemental appropriations of \$71,808,000 and a de-appropriation of \$22,000.

I am pleased to have reached a comprehensive deal with my partners in the Legislature concerning the State's spending plan for Fiscal Year 2023, fulfilling our shared constitutional obligations to enact a single appropriations law governing overall State spending needs for the year. As is the case every year, certain changes that need to be made to the prior year's Appropriations Act to close out the current fiscal year are enacted through an omnibus supplemental appropriations bill. I am advised that the technical amendments I am recommending were agreed to be included in this year's omnibus supplemental appropriations bill but were inadvertently omitted from Assembly Bill No. 4403.

Therefore, I herewith return Assembly Bill No. 4403 and recommend that it be amended as follows:

Delete "A Supplement to the Fiscal Year 2022 appropriations act, P.L.2021, c.133" and insert "An Act to Amend and Supplement 'An Act making appropriations for the support of the State Government and the several public purposes for the fiscal year ending June 30, 2022 and regulating the disbursement thereof,' approved June 29, 2021 (P.L.2021, c.133)"
