41 approval of the Director of the Division of Budget and Accounting

42 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
43 following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
44 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
45 consultation with the Commissioner of Community Affairs, is authorized to enter into
46 individualized payment plan agreements with municipalities that receive Transitional Aid
47 for the reimbursement of unemployment benefits paid to former employees of such
48 municipal government units, at reasonable interest rates based on current market conditions,
49 and on such other terms and conditions as may be determined to be appropriate by the
50 Commissioner of Labor and Workforce Development. Any municipality that enters into an
51 individualized payment plan agreement pursuant to this section shall be required to expend
52 all funds budgeted for this activity remaining as of the last day of its budget year for the
53 repayment of outstanding obligations under the plan.

54 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
55 appropriated for Transitional Aid to Localities shall be allocated to provide short-term
56 financial assistance where needed to help a municipality that is in serious fiscal distress meet
57 immediate budgetary needs and regain financial stability. A municipality shall be deemed
58 to be eligible for transitional aid if it is identified by the Director of the Division of Local
59 Government Services as experiencing serious fiscal distress where the director determines
60 that, despite local officials having implemented substantive cost reduction strategies, there
61 continue to exist conditions of serious fiscal distress, which may include but shall not be

1 limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring
revenues; limited ability to raise supplemental non-property tax revenues; extraordinary
3 demands for public safety appropriations; and other factors indicating a constrained ability
to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the
5 fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an
application on a form prescribed by the director, which application, among other things, shall
7 set forth the minimum criteria that must be met in order for an application to be considered
by the director for a determination of eligibility. The director shall determine whether a
9 municipality which files an application meeting such minimum criteria is in serious fiscal
distress, and, if so, what amount of transitional aid should be provided to address the
11 municipality's serious fiscal distress. The transitional aid shall be provided to the
municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144
13 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as
determined by the Director of the Division of Local Government Services for a municipality
15 may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount
not in excess of the amount of Transitional Aid to Localities such municipality received in
17 the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property
Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however,
19 if the Director of the Division of Local Government Services deems an amount of
Transitional Aid to Localities for a municipality as constituting Consolidated Municipal
21 Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from
compliance with the requirements for transitional aid.

23 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
25 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
and non-profit organizations for recreation and conservation purposes shall be retained by
27 the municipality and not apportioned in the same manner as the general tax rate of the
municipality.

29 Notwithstanding the provisions of any law or regulation to the contrary, payments to
municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
31 for recreation and conservation purposes shall be provided only to municipalities whose
payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
33 of the payment amount provided in fiscal year 2010, subject to the approval of the Director
of the Division of Budget and Accounting.

35 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal
37 year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

39 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
appropriated as State Aid and payable to any municipality, which municipality requests and
41 receives the approval of the Local Finance Board, such funds may be pledged as a guarantee
for payment of principal and interest on any bond anticipation notes issued pursuant to
43 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
45 by the State Treasurer upon receipt of a written notification by the Director of the Division
of Local Government Services that the municipality does not have sufficient funds available
47 for prompt payment of principal and interest on such notes, and shall be paid by the State
Treasurer directly to the holders of such notes at such time and in such amounts as specified
by the director, notwithstanding that payment of such funds does not coincide with any date
49 for payment otherwise fixed by law.

51 The State Treasurer, in consultation with the Commissioner of Community Affairs, is
empowered to direct the Director of the Division of Budget and Accounting to transfer
53 appropriations from any State department to any other State department as may be necessary
to provide a loan for a term not to exceed 180 days to a local government unit faced with a
fiscal crisis, including but not limited to a potential default on tax anticipation notes and on
55 such other terms and conditions as may be required by the commissioner.

57 Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary,
a county that assumes responsibility for the provision of local police services in one or more
59 municipalities utilizing a new or expanded county police force may display the anticipated
revenues and appropriations associated with such county police force in its annual budget
by annexing to that budget a statement describing the sources and amounts of anticipated

dedicated revenues and appropriating those dedicated amounts for the purposes of the county police force.

26 Notwithstanding the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i) or any law or
regulation to the contrary, the appropriation for Health Care Subsidy Fund Payments is
subject to the following conditions: the distribution of Charity Care funding shall be
calculated in the following manner: (a) source data for the most recent census data shall be

calendar year (CY) 2019 for documented charity care claims data and hospital-specific gross
revenue for charity care patients and shall include all adjustments and void claims related to
CY 2019 and any prior year submitted claims, as submitted by each acute care hospital or
determined by the Department of Health (DOH); (c) source data used for CY 2019
documented charity care for each hospital's total gross revenue for all patients shall be from
the CY 2019 audited Acute Care Hospital Cost Report as defined by Form E4, Line 1,
Column E data and shall be according to the DOH due date of August 31, 2020, as submitted
by January 31, 2021 by each acute care hospital and audited by March 1, 2021; (d) source
data used for CY 2019 documented charity care shall be from CY 2019 Medicaid Cost
Report submitted by each acute care hospital by February 14, 2021; (e) in the event that an
eligible hospital failed to submit the CY 2019 Acute Care Hospital Cost Report, source data

38

2 from their CY 2018 Acute Care Hospital Cost Report shall be used for hospital-specific
gross revenue for charity care patients and for hospital total gross revenue for all patients as
4 defined by Form E4, Line 1, Column E; (f) in the event that an eligible hospital failed to

6 supplemental 2019 Acute Care Hospital Cost Report shall be used for hospital-specific gross
revenue for charity care patients and for hospital total gross revenue for all patients as
8 defined by Form E4, Line 1, Column E; (g) for each eligible hospital, except those
designated 96% by their hospital-specific reimbursed documented charity care, a
10 proportionate decrease shall be applied to its calculated subsidy based on its percentage of
total subsidy such that the total calculated subsidy for all hospitals shall equal \$342,000,000;
12 and (h) the resulting value will constitute each eligible hospital's SFY 2023 charity care
subsidy allocation.

14 Notwithstanding the provisions of any law or regulation to the contrary, as a condition of the
receipt of any monies hereunder by an acute care hospital that is requesting an advance of
16 charity care/NJ FamilyCare or payments from the "Health Care Facilities Improvement
Fund" or any payments over and above this act, the hospital shall comply with a request by
18 the Commissioner of Health for a review of its finances and operations to ensure that access
to health care is maintained and public funds are utilized for their intended purposes. The
20 cost of such review shall be borne by the acute care hospital and shall comply with any
financial and operational performance requirements imposed by the commissioner as deemed
22 necessary as a result of the review.

24 The amounts hereinabove appropriated for Health Care Subsidy Fund Payments are conditioned
upon the following provision: the Department of Health shall review, examine, or audit any
and all financial information maintained by an acute care hospital to ensure appropriate use
of public funds.

26 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to
28 the following condition: A disproportionate share hospital eligible for funding through the
Charity Care program may decline Charity Care payments for the fiscal year by notifying
30 the Commissioner of Health on a form designated by the Department of Health on or before
the fifteenth day following enactment. If a disproportionate share hospital declines Charity
32 Care payments for the fiscal year the amount declined will be redistributed in accordance
with the provisions of section 3 of P.L.2004, c.113 (C.26:2H-18.59i), as modified by this act.

34 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Charity Care Subsidy is subject to the condition that participating
36 hospitals shall demonstrate participation in the New Jersey Department of Health's New
Jersey Health Information Network (NJHIN). For purposes of this paragraph, demonstrated
38 participation in the NJHIN shall mean: (1) the hospital has directly, or indirectly through
another Trusted Data Sharing Organization, executed the NJHIN Data Use and Reciprocal
40 Support Agreement and the NJHIN Business Associate Agreement; (2) the hospital executed
and participates in the NJHIN Core Use Case; and (3) the hospital executed and participates
42 in the Statewide Admission, Discharge, Transfer Notification Use Case, as determined by
the Commissioner of Health.

44 There are appropriated such additional sums as are required to pay all amounts due from the
State pursuant to any contract entered into between the State Treasurer and the New Jersey
46 Health Care Facilities Financing Authority pursuant to section 6 of P.L.2000, c.98
(C.26:2I-7.1) in connection with the Hospital Asset Transformation Program.

48 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to
50 the following condition: In a manner determined by the Commissioner of Health and subject
to the approval of the Director of the Division of Budget and Accounting, eligible hospitals
52 shall receive (1) their charity care subsidy payments beginning in July 2022, and (2) their
January 2023 payments in December 2022. If an eligible hospital closes before June 30,
54 2023, the hospital shall reimburse to the State upon closure any subsidy payments attributed
on the normal monthly payment basis to after the hospital's date of closure.

56 Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise
provided and subject to such modifications as may be required by the Centers for Medicare
58 and Medicaid Services in order to achieve any required federal approval and full Federal
Financial Participation, \$24,000,000 from the amounts hereinabove appropriated from
60 Graduate Medical Education (GME) shall be designated as Supplemental Graduate Medical
Education Subsidy (GME-S), and shall be available to hospitals that meet the following
62 eligibility criteria: (a) an eligible hospital has a Relative Medicaid Percentage (RMP) that

2 is among the top fourteen acute care hospitals with a residency program; (b) the RMP is a
ratio calculated using the 2019 Audited Acute Care Hospital (ACH) Cost Reports according
4 to the DOH due date of August 31, 2020, as submitted by January 31, 2021 by each acute
care hospital and audited by March 1, 2021; (c) the RMP numerator equals a hospital's gross
6 revenue from patient care for Medicaid and Medicaid HMO payers as reported on Forms E5
and E6, Line 1, Column D & Column H; (d) the RMP denominator equals a hospital's gross
8 revenue from patient care as reported on Form E4, Line 1, Column E; (e) for instances where
hospitals that have a single Medicaid identification number submit a separate ACH Cost
10 Report for each individually licensed hospital, the ACH Cost Report data for those hospitals
shall be consolidated to the single Medicaid identification number; (f) the GME-S Subsidy
12 shall be calculated using the same methodology as the GME Subsidy is calculated in this act,
except the total amount of the GME-S Subsidy payments shall not exceed \$24,000,000.

14 Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise
provided and subject to such modifications as may be required by the Centers for Medicare
and Medicaid Services in order to achieve any required federal approval and full Federal
16 Financial Participation, \$218,000,000 from amounts hereinabove appropriated for Graduate
Medical Education (GME) shall be designated the GME Subsidy, and shall be calculated as
18 follows: (a) the subsidy payment shall be split into a Direct Medical Education (DME)
portion and an Indirect Medical Education (IME) portion; (b) source data used for the GME
20 calculation shall come from the Medicaid cost report for calendar year (CY) 2019 submitted
by each acute care hospital by February 14, 2021 and Medicaid Managed Care encounter
22 payments data for Medicaid and NJ FamilyCare clients as reported by insurers to the State
for the following reporting period: services dates between January 1, 2019 and December
24 31, 2019; payment dates between January 1, 2019 and December 31, 2020; and a run-date
of not later than February 15, 2021; (c) in the event that a hospital reported less than 12
26 months of 2019 Medicaid costs, the number of reported months of data regarding days, costs,
or payments shall be annualized. In the event the hospital completed a merger, acquisition,
28 or business combination resulting in two cost reports filed during the calendar year, two cost
reports will be combined into one or a supplemental cost report for the calendar year 2019
30 submitted by the affected acute care hospital by January 31, 2021 shall be used. In the event
that a hospital did not report its Medicaid managed care days on the cost report utilized in
32 this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care
encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State
34 as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with
the intern and residency program costs using the 2019 submitted Medicaid cost report total
36 residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I
Column 22 Line 22 divided by the 2019 resident full time equivalent employees (FTE),
38 reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident
FTE for each hospital; (e) median cost per resident FTE is calculated based on the average
40 cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied
by the 2019 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop
42 total median residency program cost for each hospital; (g) median residency costs are
multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column
44 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line
14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the
46 Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost
is defined as the Medicare IME factor multiplied by Medicaid managed care encounter
48 payments as per source data defined in (b) above; (i) the IME factor is calculated using the
Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x" is the ratio of
50 submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by
the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less
52 nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2019 Medicaid
managed care GME costs shall equal total 2019 Medicaid managed care IME costs plus total
54 2019 Medicaid managed care DME costs; (k) the 2019 total Medicaid managed care DME
costs is divided by the total 2019 Medicaid managed care GME costs; (l) the DME allocation
56 portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m)
each hospital's percentage of total 2019 Medicaid managed care DME costs shall be
58 multiplied by the DME allocation to calculate its DME payment; (n) the 2019 total Medicaid
managed care IME costs are divided by the total 2019 Medicaid managed care GME costs;
60 (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the
ratio in (n) above; (p) each hospital's percentage of total 2019 Medicaid managed care IME
62 costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of

a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2023, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. To satisfy this condition, participating hospitals may develop an internal training program, enter into a partnership with a school or university, or provide financial support for residents and fellows to participate in independent educational programs or conferences that provide continuing medical education credits that are specifically focused in the subject area of addiction. To document compliance, participating hospitals shall complete a report to the Department of Health no later than May 31, 2022.

In order to permit flexibility in the handling of appropriations and ensure timely payments to hospitals, amounts may be transferred from the State, dedicated, and federal Quality Improvement Program-New Jersey (QIP-NJ) program accounts to the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the amount hereinabove appropriated for Health Care Systems Analysis, an amount not to exceed \$1,000,000 is appropriated from amounts assessed and collected by the Department of Banking and Insurance pursuant to section 9 of P.L.2007, c.330 (C.17:1D-2), for the purpose of funding costs associated with the development and maintenance of the New Jersey Health Information Network, subject to a plan prepared by the Department of Health and approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Nurse-Midwife Education is subject to the following condition: the Department of Health shall enter into a partnership agreement with the American College of Nurse Midwives to develop the criteria and deliverables to be set forth in the application for this grant application.

Funds appropriated to Hackensack Meridian School of Medicine are authorized to be used as necessary by the Director of the Division of Budget and Accounting and the Division of Medical Assistance and Health Services, to the extent allowed pursuant to federal law and consistent with Centers for Medicare and Medicaid Services guidelines, solely to maximize federal Medicaid payments to faculty physicians and non-physician professionals who are affiliated with the aforementioned medical school.

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

10

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period January 1 to June 30 such that the total amount to be paid by the State on behalf of county indigent patients for the calendar year shall not exceed 85 percent of the total reasonable per capita cost; and further provided that the rate at which the State will reimburse the county psychiatric hospitals shall not exceed 100 percent of the per capita rate at which each county pays to the State for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's rate established for the period January 1 to December 31 by the Commissioner of Human Services in consultation with the Commissioner of Health. The initial determination of whether a county hospital rate exceeds the per capita rate that counties pay to the State on behalf of applicable patients residing in a State psychiatric facility will be based on a comparison of estimated cost used to set reimbursement rates for the upcoming calendar year. A second comparison of the actual per diem costs of the county psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports for the period are available including an inflationary adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the State will exclude costs found to exceed 100 percent of the actual cost rate of the State psychiatric facilities.

50

52

54

56

The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional amounts as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), (3) the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, with respect to the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals, commencing January 1, 2010, the State shall pay to each county an amount equal to 35 percent of the total per capita costs for the reasonable cost of maintenance and clothing of county patients in State psychiatric facilities.

10 to the State shall be considered final two years after payment is made; provided further that
11 a third party shall agree not to deny a claim submitted by the State solely on the basis of the
12 date of submission of the claim, the type or format of the claim form, a failure to obtain prior
13 authorization, or a failure to present proper documentation at the point-of-sale that is the
14 basis of the claim, if both of the following apply: the claim is submitted by the State within
15 the three-year period beginning on the date on which the item or service was furnished; and

29 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
30 claims to providers of medical services, amounts may be transferred to and from accounts

32 Assistance and Health Services. All such transfers are subject to the approval of the Director
33 of the Division of Budget and Accounting. Notice thereof shall be provided to the
34 Legislative Budget and Finance Officer on the effective date of the approved transfer.

37 following conditions: the base payment rate per medical encounter, as described in
38 N.J.A.C.10:66-4.1, for a federally qualified health center (FQHC) shall be equal to 100
39 percent of the Medicare FQHC prospective payment system base rate, as adjusted according

54 P.L.1968, c.413 (C.30:4D-6), or any other law or regulation to the contrary, the amounts
55 hereinabove appropriated in the General Medical Services program classification are subject
56 to the following conditions: in order to encourage home and community services as an
57 alternative to nursing home placement, consistent with the federally approved Section 1115
58 Medicaid demonstration waiver and any approved amendments thereto, the Commissioner
59 of Human Services is authorized to adjust financial eligibility and other requirements and
60 services for medically needy eligibility groups and the Managed Long Term Services and
61 Supports population, subject to the approval of the Director of the Division of Budget and
62 Accounting and subject to any other required federal approval.

2 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
3 appropriated in the General Medical Services program classification are subject to the
4 following condition: effective January 1, 2015, the Commissioner of Human Services is
5 authorized to provide any or all types and levels of services that are provided through the

7 applicants described in subparagraphs (1), (2), (4), (6), (7), (9), (10), (11), (12), (13), (16(a)),
8 (17), (18) and (19) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3), subject to
9 the approval of the Director of the Division of Budget and Accounting and subject to any
10 required federal approval.

11 Notwithstanding the provisions of any law or regulation to the contrary and subject to any
12 required federal approval, the amounts appropriated for the General Medical Services
13 program classification are subject to the following condition: premiums shall not be required
14 to be collected from families enrolled in the NJ FamilyCare program established pursuant
15 to P.L.2005, c.156 (C.30:4J-8 et al.), as amended.

16 Notwithstanding the provisions of subsection f. of section 5 of P.L.2015, c.154 (C.30:4J-12) or
17 any other law or regulation to the contrary and subject to any required federal approval, the
18 amounts appropriated for the General Medical Services program classification are subject
19 to the following condition: disenrollment from employer-sponsored group or other health
20 insurance coverage shall not cause a child or parent to be ineligible to enroll in the NJ
21 FamilyCare program established pursuant to P.L.2005, c.156 (C.30:4J-8 et al.), as amended.

22 Notwithstanding the provisions of any law or regulation to the contrary, all object accounts
23 appropriated in the General Medical Services program classification shall be conditioned
24 upon the following provision: when any action by a county welfare agency, whether alone
25 or in combination with the Division of Medical Assistance and Health Services, results in
26 a recovery of improperly granted medical assistance, the Division of Medical Assistance and
27 Health Services may reimburse the county welfare agency in the amount of 25 percent of the
28 gross recovery.

29 In addition to the amounts hereinabove appropriated for payments to providers on behalf of
30 medical assistance recipients, such additional amounts as may be required are appropriated
31 from the General Fund to cover costs consequent to the establishment of presumptive
32 eligibility for children, pregnant women, single adults or couples without dependent
33 children, and parents and caretaker relatives in the NJ FamilyCare program, as established
34 pursuant to P.L.2005, c.156 (C.30:4J-8 et al.).

35 Of the amount hereinabove appropriated within the General Medical Services program
36 classification, the Division of Medical Assistance and Health Services, subject to federal
37 approval, shall implement policies that would limit the ability of persons who have the
38 financial ability to provide for their own long-term care needs to manipulate current NJ
39 FamilyCare rules to avoid payment for that care. The Division shall require, in the case of
40 a married individual requiring long-term care services, that the portion of the couple's

42 purchase of long-term care services.

54 Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal
55 approval, of the amounts appropriated in the General Medical Services program
56 classification, the Commissioner of Human Services is authorized to develop and introduce
57 optional service plan innovations to enhance client choice for users of NJ FamilyCare
58 optional services, while containing expenditures.

59 The appropriations within the General Medical Services program classification are subject to the
60 following conditions: the Division of Medical Assistance and Health Services, in
61 coordination with the county welfare agencies, shall continue a program to outstation
62 eligibility workers in disproportionate share hospitals and federally qualified health centers,
provided, however, that if an alternate eligibility function at an outstanding location

complies with the outstation process at 42 U.S.C. s.1396a(a)(55), the county welfare agency worker may be removed from the outstation location.

For the purposes of account balance maintenance, all object accounts appropriated in the General Medical Services program classification shall be considered as one object. This will allow timely payment of claims to providers of medical services but ensure that no overspending will occur in the program classification.

The amounts hereinabove appropriated for the General Medical Services program classification are conditioned upon the Commissioner of Human Services making changes to such programs to make them consistent with the federal "Deficit Reduction Act of 2005," Pub.L.109-171.

All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.) during the current fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

The hourly rate for personal care services shall be \$24.52.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following conditions: as of January 1, 2014 or on such date established by the federal government for the Health Insurance Marketplace pursuant to the "Patient Protection and Affordable Care Act," the following groups of current enrollees shall be transitioned to the State Health Insurance Exchange for continued health care coverage: a) adults or couples without dependent children who were enrolled in the New Jersey Health ACCESS program on October 31, 2001; b) all parents or caretakers who: (i) have gross family income that does not exceed 200 percent of the poverty level; (ii) have no health insurance, as determined by the Commissioner of Human Services; (iii) are ineligible for NJ FamilyCare, or (iv) are adult aliens lawfully admitted for permanent residence, but who have lived in the United States for less than five full years after such lawful admittance, and are enrolled in NJ FamilyCare; and c) Essential Persons (Spouses) whose coverage is funded solely by the State.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the

2 following condition: Effective July 1, 2011, the following services, which were previously
covered by NJ FamilyCare fee-for-service, shall be covered and provided instead through

14 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated for the General Medical Services program classification are subject to the
16 following condition: the Director of the Division of Medical Assistance and Health Services
may restrict the number of provider agreements with managed care entities, if such
18 restriction does not substantially impair access to services.

In addition to the amounts hereinabove appropriated for the General Medical Services program
20 classification, there are appropriated such amounts as may be necessary for the same
purpose, subject to the approval of the Director of the Division of Budget and Accounting.

22 Notwithstanding the provisions of any law or regulation to the contrary, effective at the
beginning of the current fiscal year and subject to federal approval, of the amounts
24 hereinabove appropriated for the General Medical Services program classification, inpatient
medical services provided through the Division of Medical Assistance and Health Services
26 shall be conditioned upon the following provision: No funds shall be expended for hospital

be based on the 340B ceiling price. In the absence of a 340B ceiling price, the alternative
58 benchmark used shall be the WAC minus a volume discount of 25 percent. The 340B ceiling
price or the alternative benchmark shall only apply when its price is the lowest compared to
60 the pricing formulas described by (i) through (v) above. Reimbursement for covered

mandate ongoing submission of current drug acquisition data by providers of pharmaceutical
10 services and no funds hereinabove appropriated shall be paid to any entity that fails to submit

2 FamilyCare beneficiaries who have recovered or may recover payments from any third party
3 as defined in subsection m. of section 3 of P.L.1968, c.413 (C.30:4D-3) or in 42
4 U.S.C.s.1396a(a)(25)(A), for the purpose of coordination of benefits and recovery when
5 appropriate, utilizing, if necessary, personal identifying information as common identifiers

29 Subject to federal approval, the appropriations for those programs within the General Medical
30 Services program classification are conditioned upon the Department of Human Services
31 implementing policies that would limit the ability of individuals who have the financial
32 ability to provide for their own long-term care needs to manipulate current NJ FamilyCare
33 rules to avoid payment for that care. The Division of Medical Assistance and Health Services
34 shall require, in the case of a married individual requiring long-term care services, that the
35 portion of the couple's resources which are not protected for the needs of the community
36 spouse be used solely for the purchase of long-term care services.

37 Notwithstanding the provisions of any law or regulation to the contrary, no payment for NJ

54 care services shall be conditioned on the following provision: effective August 15, 2010, no
55 payments for NJ FamilyCare adult medical day care services shall be provided on behalf of
56 any beneficiary who received prior authorization for these services based exclusively on the
57 need for medication administration.

60 within the General Medical Services program classification for medical day care services
61 shall be subject to the following condition: the daily reimbursement for fee-for-service
62 pediatric medical day care services shall remain at the rate established in the preceding fiscal

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the General Medical Services program classification are subject to the following condition: nursing facilities shall not receive payments for bed hold or therapeutic leave days for NJ FamilyCare beneficiaries, provided that nursing facilities shall continue to reserve beds for NJ FamilyCare beneficiaries who are hospitalized or on therapeutic leave as required by N.J.A.C. 8:85-1.14.

28 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove

Services coordinating the benefits of the PAAD programs with the prescription drug benefits
32 of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003,"
Pub.L.108-173, as the primary payer due to the current federal prohibition against State
34 automatic enrollment of PAAD program recipients in the federal program. The PAAD

2 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
(C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to

8 accounts to fund costs incurred in realizing these additional receipts or savings, subject to
9 the approval of the Director of the Division of Budget and Accounting.

10 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
11 program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount
12 Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits,
13 notwithstanding any provisions contained in contracts, wills, agreements, or other
14 instruments. Any provision in a contract of insurance, will, trust agreement, or other
15 instrument which reduces or excludes coverage or payment to an individual because of that
16 individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount
17 Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount
18 Program payments shall be made as a result of any such provision.

19 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated

23 conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be
24 calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National
25 Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance
26 with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition
27 Cost less a volume discount, in the absence of a NADAC price, that is consistent with the
28 NJ FamilyCare Program; (iii) the federal upper limit; or (iv) the State upper limit (SUL); and
29 (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name
30 multi-source drugs and multi-source drugs in the absence of any alternative pricing
31 benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be
32 calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with
33 the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of
34 cost acquisition data submitted by providers of pharmaceutical services for brand-name
35 multi-source and multi-source drugs, where an alternative pricing benchmark is not
36 available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a
37 provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the
38 calculation of single-source and brand-name multi-source legend and non-legend drug costs
39 where an alternative pricing benchmark is not available, the Department of Human Services
40 shall mandate ongoing submission of current drug acquisition data by providers of
41 pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that
42 fails to submit required data.

43 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
44 for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
45 P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program
46 (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when
47 PAAD or Senior Gold is the primary payer, unless participating pharmaceutical
48 manufacturing companies execute contracts with the Department of Human Services. Name
49 brand manufacturers must provide for the payment of rebates to the State on the same basis
50 as provided for in subsections (a) through (c) of section 1927 of the federal Social Security
51 Act, 42 U.S.C. s.1396r-8.

52 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
53 for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program pursuant to
54 P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program,
55 pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating
56 pharmaceutical manufacturing companies execute contracts with the Department of Human
57 Services, providing for the payment of rebates to the State. Furthermore, rebates from
58 pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program
59 and the Senior Gold Prescription Discount Program shall continue during the current fiscal
60 year, provided that the manufacturer's rebates for PAAD claims paid as secondary to
61 Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to
62 the amount paid by the State under the PAAD and Senior Gold Prescription Discount

2 Programs. All revenues from such rebates during the current fiscal year are appropriated for
the PAAD program and the Senior Gold Prescription Discount Program.

4 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled and the Senior Gold Prescription Discount programs, there are
6 appropriated such additional amounts from the General Fund and available federal matching
funds as may be required for the payment of claims, credits, and rebates, subject to the
approval of the Director of the Division of Budget and Accounting.

8 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold
10 Prescription Discount Program are conditioned upon the Department of Human Services
coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy
12 in a Medicare Part D provider network or private third party liability plan network for
beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary
14 prescription coverage that requires use of mail order. The mail-order program may waive,
discount, or rebate the beneficiary copayment and mail-order pharmacy providers may
16 dispense up to a 90-day supply on prescription refills with the voluntary participation of the
beneficiary, subject to the approval of the Commissioner of Human Services and the Director
18 of the Division of Budget and Accounting.

20 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
22 State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical
Assistance to the Aged and Disabled (PAAD) programs and Senior Gold Prescription
24 Discount Program recipients, no funds hereinabove appropriated to the PAAD program or
Senior Gold Prescription Discount Program accounts shall be expended for any individual
26 unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount
Program provides all data necessary to enroll the individual in Medicare Part D, including
28 data required for the subsidy assistance, as outlined by the Centers for Medicare and
Medicaid Services.

30 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
32 to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount
Program shall be conditioned upon the following provision: no funds shall be appropriated
for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription
34 Discount Program as the primary payer until such time as the original prescription is 85
percent finished.

36 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
38 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
materials and supplies which are covered under the federal Medicare Part B program, or for
40 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin
42 conditions.

44 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
or the Senior Gold Prescription Discount Program shall be expended to cover medications
46 not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
48 by the PAAD program and Senior Gold Prescription Discount Program which are
specifically excluded by the federal Medicare Prescription Drug Program. In addition, this
50 exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription
Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical
52 necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

54 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold
Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based
56 Senior Programs are available for the payment of obligations applicable to prior fiscal years.
From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
58 Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$2,850,000
may be transferred to various accounts as required, including Direct State Services accounts,
60 subject to the approval of the Director of the Division of Budget and Accounting.

62 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior

Gold Prescription Discount Program accounts shall be available as payment as a PAAD program or the Senior Gold Prescription Discount Program benefit to any pharmacy that is not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription Discount Program is conditioned on the Senior Gold Prescription Discount Program being designated the authorized representative for the purpose of coordinating benefits with the Medicare drug program, including appeals of coverage determinations. The Senior Gold Prescription Discount Program is authorized to represent program beneficiaries in the pursuit of such coverage. Senior Gold Prescription Discount Program representation shall include, but not be limited to, the following actions: pursuit of appeals, grievances, and coverage determinations.

In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as part of Community Based Senior Programs, amounts may be transferred between Direct State Services and Grants-In-Aid accounts, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled program, there are appropriated such additional amounts as may be required from the Casino Revenue Fund and available federal matching funds for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the current fiscal year's annual appropriations act may be transferred to administration accounts to fund costs incurred in realizing these additional receipts or savings, subject to the approval of the Director of the Division of Budget and Accounting.

The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the payment of obligations applicable to prior fiscal years.

Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits, notwithstanding any provision contained in contracts, wills, agreements, or other instruments. Any provision in a contract of insurance, will, trust agreement, or other instrument which reduces or excludes coverage or payment to an individual because of that individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments shall be made as a result of any such provision.

Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand name drugs.

Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval of a plan by the Commissioner of Human Services, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program shall continue during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid as secondary to Medicare Part D shall apply only to the amount paid by the State under the PAAD program. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program.

2 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
4 Department of Human Services coordinating benefits with any voluntary prescription drug
mail-order or specialty pharmacy in a Medicare Part D provider network or private third
6 party liability plan network for beneficiaries enrolled in a Medicare Part D program or
beneficiaries with primary prescription coverage that requires use of mail-order. The
8 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order
pharmacy providers may dispense up to a 90-day supply on prescription refills with the
voluntary participation of the beneficiary, subject to the approval of the Commissioner of
10 Human Services and the Director of the Division of Budget and Accounting.

12 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
is conditioned upon the Department of Human Services coordinating the benefits of the
14 PAAD program with the prescription drug benefits of the federal "Medicare Prescription
Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer
16 due to the current federal prohibition against State automatic enrollment of PAAD program
recipients in the federal program. The PAAD program benefit and reimbursement shall only
18 be available to cover the beneficiary cost share to in-network pharmacies and for deductible
and coverage gap costs, as determined by the Commissioner of Human Services, associated
20 with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold
Prescription Discount Program, and for Medicare Part D premium costs for PAAD program
22 beneficiaries.

24 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
Gold Prescription Discount Program accounts shall be available as payment as a PAAD
26 program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

28 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
30 State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD)
program recipients, no funds hereinabove appropriated from the PAAD account shall be
32 expended for any individual enrolled in the PAAD program unless the individual provides
all data that may be necessary to enroll the individual in Medicare Part D, including data
34 required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
Services.

36 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
38 shall be conditioned upon the following provision: no funds shall be appropriated for the
refilling of a prescription drug paid by PAAD as a primary payer until such time as the
40 original prescription is 85 percent finished.

42 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
shall be expended to cover medications not on the formulary of a PAAD program
44 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
by PAAD which are specifically excluded by the federal Medicare Prescription Drug
46 Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by
the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003,"
48 Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary
of a Medicare Part D plan.

50 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
52 shall be expended for diabetic testing materials and supplies which are covered under the
federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for
54 the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs
used for baldness, weight loss, and skin conditions.

56 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled program classification and the
58 Senior Gold Prescription Discount Program account shall be expended for fee-for-service
prescription drug claims with no Medicare Part D coverage except under the following
60 conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be
calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National
62 Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance

with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, \$172,000 shall be charged to the Casino Simulcasting Fund.

provided in this act.

4 In addition to the federal funds appropriated in this act, there are appropriated the following
federal funds, subject to the approval of the Director of the Division of Budget and
6 Accounting: emergency disaster aid funds including grants for preventive measures;
pass-through grants to political subdivisions of the State over which the State is not
8 permitted to exercise discretion in the use or distribution of the funds and for which no
State matching funds are required; the first \$500,000 of unanticipated grant awards plus
10 an additional 25 percent of any remaining award amount that is greater than \$500,000, and
up to 25 percent of increases in previously anticipated grant awards for which no State
12 matching funds are required except, for the purpose of this section, federal funds received
by one executive agency that are ultimately expended by another executive agency shall
14 not be considered pass-through grants; federal financial aid funds for students attending
post-secondary educational institutions in excess of the amount specifically appropriated;
16 and any such grants intended to prevent threats to homeland security up to 100 percent of
previously anticipated or unanticipated grant award amounts for which no State matching
18 funds are required, provided, however, that the Director of the Division of Budget and
Accounting shall notify the Legislative Budget and Finance Officer of such grants.

20 For the purposes of federal funds appropriations, "political subdivisions of the State" means
counties, municipalities, school districts, or agencies thereof, regional, county or municipal
22 authorities, or districts other than interstate authorities or districts; "discretion" refers to
any action in which an agency may determine either the amount of funds to be allocated
24 or the recipient of the allocation; and "grants" refers to one-time, or time limited awards,
which are received pursuant to submission of a grant application in competition with other
26 grant applications.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated
28 for the same purposes. The Director of the Division of Budget and Accounting shall
inform the Legislative Budget and Finance Officer by November 1 of the current fiscal
30 year of any unexpended balances which are continued, including any unexpended balances
of federal Coronavirus State Fiscal Recovery Fund assistance.

Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any purchase by the State or by a State agency or local government unit of equipment, goods or services related to homeland security and domestic preparedness, that is paid for or reimbursed by federal funds awarded by the U.S. Department of Homeland Security or other federal agency, appropriated in the current fiscal year, may be made through the receipt of public bids or as an alternative to public bidding and subject to the provisions of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of

2 the governing body of the local government unit entering into the grant agreement. Such
3 resolution may, without subsequent action of the local governing body, simultaneously

12 from the various items of the appropriations listed below or may be used for such other
purposes permitted under ARRA subject to the approval of the Director of the Division of
14 Budget and Accounting and upon the recommendation of the State Treasurer. The federal
funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes
16 allowed under part D of Title III of the Energy Policy and Conservation Act (42 U.S.C.
6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block

to the preceding paragraph are hereby cancelled, and such unexpended funds are hereby
18 appropriated, subject to the approval of the USDOE and the Director of the Division of
Budget and Accounting to the New Jersey Department of the Treasury to establish a
20 revolving energy efficiency project fund (Energy Efficiency Project Fund) for the purposes

9 otherwise provided in this act, apply to the Director of the Division of Budget and Accounting
10 for permission to transfer funds from one item of appropriation to a different item of
11 appropriation. For the purposes of this section, "item of appropriation" means the spending
12 authority identified by an organization code, appropriation source, and program code, unique to
13 the item. If the Director consents to the transfer, the amount transferred shall be credited by the
14 Director to the designated item of appropriation and notice thereof shall be provided to the

16 the Director, after consenting thereto, shall submit the following transfer requests to the
17 Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise

28 effect a change in the legislative intent of the appropriations;

29 (4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items
30 of appropriation in different departments or between items of appropriation in different
31 appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid,
32 Capital Construction and Debt Service;

34 item of appropriation to another item of appropriation, if the amount of the transfer to an item
35 in combination with the amount of the appropriation to that item would result in an amount in
36 excess of the appropriation authority for that item, as defined by the program class;

37 (6) Requests for such other transfers as are appropriate in order to ensure compliance with
38 the legislative intent of this act.

39 b. The Joint Budget Oversight Committee or its successor may review all transfer requests

47 supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove
48 requests for the transfer of funds, the request shall be deemed to be approved by the Legislative
49 Budget and Finance Officer if, within 20 working days of the physical receipt of the request, the
50 officer has not disapproved the request and so notified the requesting officer. However, this time
51 period shall not pertain to any transfer request under review by the Joint Budget Oversight
52 Committee or its successor, provided notice of such review has been given to the Director.

53 d. No amount appropriated for any capital improvement shall be used for any temporary
54 purpose except extraordinary snow removal or extraordinary transportation maintenance, subject
55 to the approval of the Director of the Division of Budget and Accounting. However, an amount
56 from any appropriation for an item of capital improvement may be transferred to any other item
57 of capital improvement subject to the approval of the Director, and, if in an amount greater than
58 \$300,000, subject to the approval of the Legislative Budget and Finance Officer.

59 e. The provisions of subsections a. through d. of this section shall not apply to appropriations
60 made to the Legislative or Judicial branches of State government. To permit flexibility in the
handling of these appropriations, amounts may be transferred to and from the various items of

2 appropriation by the appropriate officer or designee with notification given to the Director on the
effective date thereof.

4 f. Notwithstanding any provisions of this section to the contrary, transfers to and from the
Special Purpose appropriation to the Governor for emergency or necessity under the Other

12 available in accordance with legislative intent. Such correction shall be by written ruling,
reciting in appropriate detail the facts thereof, and reasons therefore, attested by the signature of
14 the Director of the Division of Budget and Accounting and filed in the Division of Budget and
Accounting of the Department of the Treasury as an official record thereof, and any action
16 thereunder, including disbursement and the audit thereof, shall be legally binding and of full
force and virtue. An official copy of each such written ruling shall be transmitted to the
Legislative Budget and Finance Officer, upon the effective date of the ruling.

18
20 19. The Legislative Budget and Finance Officer with the cooperation and assistance of the
Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill

24 20. None of the funds appropriated to the Executive Branch of State government for
Information Processing, Development, Telecommunications, and Related Services and
26 Equipment shall be available to pay for any of these services or equipment without the review
of the Office of Information Technology, and compliance with Statewide policies and standards
28 and an approved department Information Technology Strategic Plan.

30 21. If the amount provided in this act for a State Aid payment pursuant to formula is

of Budget and Accounting.

34
36 22. When the duties or responsibilities of any department or branch, except for the

38 the duty of the Director of the Division of Budget and Accounting and the Director is hereby
empowered to transfer funds appropriated for the maintenance and operation of any such
40 department or branch to such department or branch as shall be charged with the responsibility
of administering the functions so transferred. The Director of the Division of Budget and
42 Accounting shall have the authority to create such new accounts as may be necessary to carry

effect such transactions hereinabove described and to notify the Director of the Division of
48 Budget and Accounting upon the effective date thereof.

54 improvements and equipment, and compensation awards, to credit or transfer to the Department
of the Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any
56 other department, branch or non-State fund source out of funds appropriated or credited thereto,
such amounts as may be required to cover the costs of such payment attributable to such other
58 department, branch or non-State fund source, or to reimburse the Department of the Treasury,
an Interdepartmental account, or the General Fund for reductions made representing Statewide
60 savings in the above expense classifications, as the Director shall determine. With respect to
payment of expenses classified as utilities and maintenance contracts, the Director is empowered
62 and it shall be the Director's duty in the disbursement of funds to credit or transfer to the

2 Department of the Treasury, to an Interdepartmental account, or to the General Fund, as
3 applicable, from any other department or non-State fund source, but not from the Legislature or
4 the Judiciary, out of funds appropriated or credited thereto, such amounts as may be required to
5 cover the costs of such payment attributable to such other department or non-State fund source,
6 or to reimburse the Department of the Treasury, an Interdepartmental account, or the General

24 to any other agency or department; provided further, however, that funds have been appropriated
25 or allocated to such agency or department for the purpose of purchasing these services.

28 27. Notwithstanding the provisions of any law or regulation to the contrary, should
29 appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the

32 undesignated fund balances are available from the General Fund, as determined by the Director
33 of the Division of Budget and Accounting.

34 28. Notwithstanding the provisions of any law or regulation to the contrary, should
35 appropriations in the Casino Revenue Fund exceed available revenues, the Director of the

38 fund balances are available from the General Fund, as determined by the Director of the Division
39 of Budget and Accounting.

42 29. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), amounts
43 appropriated for services for the various State departments and agencies may be expended for
44 the purchase of contract services from the New Jersey Sea Grant Consortium or the New Jersey
45 Community College Consortium for Workforce and Economic Development as if each were a
46 State government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

48 30. Out of the amounts hereinabove appropriated, the Director of the Division of Budget and
49 Accounting is empowered to approve payment of obligations applicable to prior fiscal years,

47 distress; provided, however, that notwithstanding the provisions of any law or regulation to
the contrary, the Director of the Division of Local Government Services may direct that part
49 of any such allocation be paid to an affected school district or county, or to both, in the same
manner as if the award of Transitional Aid were raised as revenue from the municipal tax
51 levy; and provided further that a local government unit determined to be experiencing
financial distress because of the loss or destruction of a major local business ratable shall not
53 be required to be subject to any additional conditions, requirements, orders, or other
operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144
55 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division
of Local Government Services.

57 Of the amount hereinabove appropriated for Transitional Aid to Localities, amounts may be
allocated by the Director of the Division of Local Government Services to any State agency
59 or department, county, or county improvement authority to pay for services provided to or
on behalf of a participating municipal government unit pursuant to a memorandum of
61 understanding between that State agency or department, county, or county improvement

1 authority, as applicable and the Division of Local Government Services, subject to the
2 approval of the Director of the Division of Budget and Accounting

3 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
4 following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
5 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
6 consultation with the Commissioner of Community Affairs, is authorized to enter into
7 individualized payment plan agreements with municipalities that receive Transitional Aid
8 for the reimbursement of unemployment benefits paid to former employees of such
9 municipal government units, at reasonable interest rates based on current market conditions,
10 and on such other terms and conditions as may be determined to be appropriate by the
11 Commissioner of Labor and Workforce Development. Any municipality that enters into an
12 individualized payment plan agreement pursuant to this section shall be required to expend
13 all funds budgeted for this activity remaining as of the last day of its budget year for the
14 repayment of outstanding obligations under the plan.

15 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
16 appropriated for Transitional Aid to Localities shall be allocated to provide short-term
17 financial assistance where needed to help a municipality that is in serious fiscal distress meet
18 immediate budgetary needs and regain financial stability. A municipality shall be deemed
19 to be eligible for transitional aid if it is identified by the Director of the Division of Local
20 Government Services as experiencing serious fiscal distress where the director determines
21 that, despite local officials having implemented substantive cost reduction strategies, there
22 continue to exist conditions of serious fiscal distress, which may include but shall not be
23 limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring
24 revenues; limited ability to raise supplemental non-property tax revenues; extraordinary
25 demands for public safety appropriations; and other factors indicating a constrained ability
26 to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the
27 fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an
28 application on a form prescribed by the director, which application, among other things, shall
29 set forth the minimum criteria that must be met in order for an application to be considered
30 by the director for a determination of eligibility. The director shall determine whether a
31 municipality which files an application meeting such minimum criteria is in serious fiscal
32 distress, and, if so, what amount of transitional aid should be provided to address the
33 municipality's serious fiscal distress. The transitional aid shall be provided to the
34 municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144
35 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as
36 determined by the Director of the Division of Local Government Services for a municipality
37 may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount
38 not in excess of the amount of Transitional Aid to Localities such municipality received in
39 the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property
40 Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however,
41 if the Director of the Division of Local Government Services deems an amount of
42 Transitional Aid to Localities for a municipality as constituting Consolidated Municipal
43 Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from
44 compliance with the requirements for transitional aid.

45 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
46 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
47 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
48 and non-profit organizations for recreation and conservation purposes shall be retained by
49 the municipality and not apportioned in the same manner as the general tax rate of the
50 municipality.

51 Notwithstanding the provisions of any law or regulation to the contrary, payments to
52 municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
53 for recreation and conservation purposes shall be provided only to municipalities whose
54 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
55 of the payment amount provided in fiscal year 2010, subject to the approval of the Director
56 of the Division of Budget and Accounting.

57 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
58 municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal
59 year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

60 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
61 appropriated as State Aid and payable to any municipality, which municipality requests and
receives the approval of the Local Finance Board, such funds may be pledged as a guarantee

1 for payment of principal and interest on any bond anticipation notes issued pursuant to
 3 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
 5 to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
 7 by the State Treasurer upon receipt of a written notification by the Director of the Division
 9 of Local Government Services that the municipality does not have sufficient funds available
 for prompt payment of principal and interest on such notes, and shall be paid by the State
 Treasurer directly to the holders of such notes at such time and in such amounts as specified
 by the director, notwithstanding that payment of such funds does not coincide with any date
 for payment otherwise fixed by law.

11 The State Treasurer, in consultation with the Commissioner of Community Affairs, is
 13 empowered to direct the Director of the Division of Budget and Accounting to transfer
 15 appropriations from any State department to any other State department as may be necessary
 to provide a loan for a term not to exceed 180 days to a local government unit faced with a
 fiscal crisis, including but not limited to a potential default on tax anticipation notes and on
 such other terms and conditions as may be required by the commissioner.

17 Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary,
 19 a county that assumes responsibility for the provision of local police services in one or more
 21 municipalities utilizing a new or expanded county police force may display the anticipated
 23 revenues and appropriations associated with such county police force in its annual budget
 by annexing to that budget a statement describing the sources and amounts of anticipated
 dedicated revenues and appropriating those dedicated amounts for the purposes of the county
 police force.

38 district and the 2007-2008 payments of Charter School Aid and Charter Schools - Council
on Local Mandates Aid and to ensure that such total payments provide a 2022-2023 per pupil
40 amount that is no less than the 2007-2008 per pupil amount based on average daily
enrollment; and 2) to provide amounts pursuant to section 12 of P.L.1995, c.426
42 (C.18A:36A-12). A charter school shall also receive an allocation to provide that in the
2022-2023 school year, the charter school receives no less total support from the State and
44 resident school district than in the 2021-2022 school year and to ensure that such total
payments provide a 2022-2023 per pupil amount that is not less than the 2021-2022 per pupil
46 amount based on average daily enrollment. This allocation shall be adjusted based on the

32 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated from the Health Care Subsidy Fund for Charity Care payments are subject to
34 the following condition: In a manner determined by the Commissioner of Health and subject

38 2023, the hospital shall reimburse to the State upon closure any subsidy payments attributed
on the normal monthly payment basis to after the hospital's date of closure.

40 Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise
provided and subject to such modifications as may be required by the Centers for Medicare
42 and Medicaid Services in order to achieve any required federal approval and full Federal
Financial Participation, \$24,000,000 from the amounts hereinabove appropriated from
44 Graduate Medical Education (GME) shall be designated as Supplemental Graduate Medical

48 ratio calculated using the 2019 Audited Acute Care Hospital (ACH) Cost Reports according
to the DOH due date of August 31, 2020, as submitted by January 31, 2021 by each acute
50 care hospital and audited by March 1, 2021; (c) the RMP numerator equals a hospital's gross

revenue from patient care as reported on Form E4, Line 1, Column E; (e) for instances where
54 hospitals that have a single Medicaid identification number submit a separate ACH Cost
Report for each individually licensed hospital, the ACH Cost Report data for those hospitals
56 shall be consolidated to the single Medicaid identification number; (f) the GME-S Subsidy
shall be calculated using the same methodology as the GME Subsidy is calculated in this act,
58 except the total amount of the GME-S Subsidy payments shall not exceed \$24,000,000.

60 Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise

In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2019 submitted by the affected acute care hospital by January 31, 2021 shall be used. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2019 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2019 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 2019 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2019 Medicaid managed care GME costs shall equal total 2019 Medicaid managed care IME costs plus total 2019 Medicaid managed care DME costs; (k) the 2019 total Medicaid managed care DME costs is divided by the total 2019 Medicaid managed care GME costs; (l) the DME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m) each hospital's percentage of total 2019 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment; (n) the 2019 total Medicaid managed care IME costs are divided by the total 2019 Medicaid managed care GME costs; (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (n) above; (p) each hospital's percentage of total 2019 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2023, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be

provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. To satisfy this condition, participating hospitals may develop an internal training program, enter into a partnership with a school or university, or provide financial support for residents and fellows to participate in independent educational programs or conferences that provide continuing medical education credits that are specifically focused in the subject area of addiction. To document compliance, participating hospitals shall complete a report to the Department of Health no later than May 31, 2022.

In order to permit flexibility in the handling of appropriations and ensure timely payments to hospitals, amounts may be transferred from the State, dedicated, and federal Quality Improvement Program-New Jersey (QIP-NJ) program accounts to the General Medical Services program classification in the Division of Medical Assistance and Health Services in the Department of Human Services, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Nurse-Midwife Education is subject to the following condition: the Department of Health shall enter into a partnership agreement with the American College of Nurse Midwives to develop the criteria and deliverables to be set forth in the application for this grant application.

Funds appropriated to Hackensack Meridian School of Medicine are authorized to be used as necessary by the Director of the Division of Budget and Accounting and the Division of Medical Assistance and Health Services, to the extent allowed pursuant to federal law and consistent with Centers for Medicare and Medicaid Services guidelines, solely to maximize federal Medicaid payments to faculty physicians and non-physician professionals who are affiliated with the aforementioned medical school.

08	Support of Patients in County Psychiatric Hospitals (PTRF)	(\$122,711,000)
----	--	-----------------

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period January 1 to June 30 such that the total amount to be paid by the

2 State on behalf of county indigent patients for the calendar year shall not exceed 85 percent
of the total reasonable per capita cost; and further provided that the rate at which the State
4 will reimburse the county psychiatric hospitals shall not exceed 100 percent of the per capita
rate at which each county pays to the State for the reasonable cost of maintenance and
6 clothing of each patient residing in a State psychiatric facility, excluding the depreciation,
interest and carry-forward adjustment components of this rate, and including the
8 depreciation, interest, and carry-forward adjustment components of each individual county
psychiatric hospital's rate established for the period January 1 to December 31 by the
Commissioner of Human Services in consultation with the Commissioner of Health. The
10 initial determination of whether a county hospital rate exceeds the per capita rate that
counties pay to the State on behalf of applicable patients residing in a State psychiatric
12 facility will be based on a comparison of estimated cost used to set reimbursement rates for
the upcoming calendar year. A second comparison of the actual per diem costs of the county
14 psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports
for the period are available including an inflationary adjustment for the six-month difference
16 in fiscal reporting periods between State and county hospitals. The county hospital
carry-forward adjustment to be included in rates paid by the State will exclude costs found
18 to exceed 100 percent of the actual cost rate of the State psychiatric facilities.

20 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
following provision: payments to county psychiatric hospitals will only be made after receipt
22 of their claims by the Division of Mental Health and Addiction Services. County psychiatric
hospitals shall submit such claims no less frequently than quarterly and within 15 days of the
24 close of each quarter.

26 With the exception of all past, present, and future revenues representing federal financial
participation received by the State from the United States that is based on payments to
hospitals that serve a disproportionate share of low-income patients, which shall be retained
28 by the State, the sharing of revenues received to defray the State Aid appropriation for the
costs of maintaining patients in State and county psychiatric hospitals shall be based on the
30 same percent as costs are shared between the State and counties.

32 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
of patients in county psychiatric facilities shall be limited to inpatient services only, except
that such reimbursement shall be paid to a county for outpatient and partial hospitalization
34 services as defined by the Department of Human Services, if outpatient and/or partial
hospitalization services had been previously provided at the county psychiatric facility prior
36 to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
38 services provided during calendar year 1997. In addition, any revision or expansion to the
number of inpatient beds or inpatient services provided at such hospitals which will have a
40 material impact on the amount of State Aid payments made for such services, must first be
approved by the Department of Human Services before such change is implemented.

42 The amount hereinabove appropriated for the Division of Mental Health and Addiction Services
for State facility operations and the amount appropriated as State Aid for the costs of county
44 facility operations are first charged to the federal Disproportionate Share Hospital (DSH)
reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues
46 earned by the State related to services provided by county psychiatric hospitals which are
supported through this State Aid appropriation shall be considered as the first source
48 supporting the State Aid appropriation.

50 In addition to the amounts hereinabove appropriated for the Support of Patients in County
Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental
52 Health and Addiction Services determines that, in order to provide the least restrictive setting
appropriate, a patient should be admitted to a county psychiatric hospital in a county other
54 than the one in which the patient is domiciled rather than to a State psychiatric hospital, there
are hereby appropriated such additional amounts as may be required, as determined by the
Assistant Commissioner to reimburse a county for the extra costs, if any, which were
56 incurred in connection with the care of such patient in a county psychiatric hospital which
exceeded the cost of care which would have been incurred had the patient been placed in a
58 State psychiatric hospital, subject to the approval of the Director of the Division of Budget
and Accounting.

60 The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals
is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll
62 and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2)
complete or pursue in good faith the completion of eligibility applications for patients who

could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share Hospital claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), (3) the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, with respect to the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals, commencing January 1, 2010, the State shall pay to each county an amount equal to 35 percent of the total per capita costs for the reasonable cost of maintenance and clothing of county patients in State psychiatric facilities.

44 Notwithstanding the provisions of any law or regulation to the contrary and subject to any
46 required federal approval, from the amounts hereinabove appropriated in the General
48 Medical Services program classification, payment may be made for services provided as part
of the Integrated Care for Kids model for beneficiaries residing in Monmouth and Ocean

50 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
appropriated for the General Medicaid Services program classification are subject to the
following condition: Payments by the Division of Medical Assistance and Health Services

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred to and from accounts within the General Medical Services program classification in the Division of Medical Assistance and Health Services. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following conditions: the base payment rate per medical encounter, as described in N.J.A.C.10:66-4.1, for a federally qualified health center (FQHC) shall be equal to 100 percent of the Medicare FQHC prospective payment system base rate, as adjusted according to the geographic location of the FQHC, plus an add-on payment of \$19.35.

Notwithstanding the provisions of subparagraph (8) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3) and subparagraphs (3), (4), and (5) of subsection g. of section 6 of P.L.1968, c.413 (C.30:4D-6), or any other law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following conditions: in order to encourage home and community services as an alternative to nursing home placement, consistent with the federally approved Section 1115 Medicaid demonstration waiver and any approved amendments thereto, the Commissioner of Human Services is authorized to adjust financial eligibility and other requirements and services for medically needy eligibility groups and the Managed Long Term Services and Supports population, subject to the approval of the Director of the Division of Budget and Accounting and subject to any other required federal approval.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following condition: effective January 1, 2015, the Commissioner of Human Services is authorized to provide any or all types and levels of services that are provided through the Medicaid State Plan's Alternative Benefit Plan to any or all of the types of qualified applicants described in subparagraphs (1), (2), (4), (6), (7), (9), (10), (11), (12), (13), (16(a)), (17), (18) and (19) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3), subject to the approval of the Director of the Division of Budget and Accounting and subject to any required federal approval.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25 percent of the gross recovery.

2 In addition to the amounts hereinabove appropriated for payments to providers on behalf of
3 medical assistance recipients, such additional amounts as may be required are appropriated
4 from the General Fund to cover costs consequent to the establishment of presumptive
5 eligibility for children, pregnant women, single adults or couples without dependent
6 children, and parents and caretaker relatives in the NJ FamilyCare program, as established
7 pursuant to P.L.2005, c.156 (C.30:4J-8 et al.).

8 Of the amount hereinabove appropriated within the General Medical Services program
9 classification, the Division of Medical Assistance and Health Services, subject to federal
10 approval, shall implement policies that would limit the ability of persons who have the
11 financial ability to provide for their own long-term care needs to manipulate current NJ
12 FamilyCare rules to avoid payment for that care. The Division shall require, in the case of
13 a married individual requiring long-term care services, that the portion of the couple's
14 resources that is not protected for the needs of the community spouse be used solely for the
15 purchase of long-term care services.

26 the approval of the Director of the Division of Budget and Accounting.

27 Notwithstanding the provisions of any law or regulation to the contrary, and subject to federal
28 approval, of the amounts appropriated in the General Medical Services program
29 classification, the Commissioner of Human Services is authorized to develop and introduce
30 optional service plan innovations to enhance client choice for users of NJ FamilyCare
31 optional services, while containing expenditures.

32 The appropriations within the General Medical Services program classification are subject to the
33 following conditions: the Division of Medical Assistance and Health Services, in
34 coordination with the county welfare agencies, shall continue a program to outstation
35 eligibility workers in disproportionate share hospitals and federally qualified health centers,
36 provided, however, that if an alternate eligibility function at an outstanding location
37 complies with the outstation process at 42 U.S.C. s.1396a(a)(55), the county welfare agency
38 worker may be removed from the outstation location.

39 For the purposes of account balance maintenance, all object accounts appropriated in the General
40 Medical Services program classification shall be considered as one object. This will allow
41 timely payment of claims to providers of medical services but ensure that no overspending
42 will occur in the program classification.

43 The amounts hereinabove appropriated for the General Medical Services program classification
44 are conditioned upon the Commissioner of Human Services making changes to such
45 programs to make them consistent with the federal "Deficit Reduction Act of 2005,"
46 Pub.L.109-171.

47 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194

49 in the same program classification from which the recovery originated.

53 Notwithstanding the provisions of P.L.1962, c.222 (C.44:7-76 et seq.) or any law or regulation
54 to the contrary, no funds are appropriated to the Medical Assistance for the Aged program,
55 which has been eliminated.

56 The amounts hereinabove appropriated for the General Medical Services program classification
57 are available for the payment of obligations applicable to prior fiscal years.

58 Notwithstanding the provisions of any law or regulation to the contrary, and subject to the notice
59 provisions of 42 C.F.R. s.447.205, of the amount hereinabove appropriated for the General

11 for less than five full years after such lawful admittance, and are enrolled in NJ FamilyCare;
12 and c) Essential Persons (Spouses) whose coverage is funded solely by the State.

13 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
14 appropriated for the General Medical Services program classification are subject to the

19 federal government as ICFs/MR, except that individuals who are eligible through the
20 Division of Child Protection and Permanency (DCP&P) and are placed in a DCP&P
21 non-Joint Commission on Accreditation of Healthcare Organizations accredited children's

42 effective for personal care assistant services.

43 Of the revenues received as a result of sanctions to health maintenance organizations
44 participating in NJ FamilyCare managed care, an amount not to exceed \$500,000 is
45 appropriated to the General Medical Services program classification or NJ KidCare -
46 Administration account to improve access to medical services and quality care through such
47 activities as outreach, education, and awareness, subject to the approval of the Director of
48 the Division of Budget and Accounting.

subject to the approval of the Director of the Division of Budget and Accounting.

12 Notwithstanding the provisions of any law or regulation to the contrary, all financial recoveries

benchmark used shall be the WAC minus a volume discount of 25 percent. The 340B ceiling
30 price or the alternative benchmark shall only apply when its price is the lowest compared to
the pricing formulas described by (i) through (v) above. Reimbursement for covered

mandate ongoing submission of current drug acquisition data by providers of pharmaceutical
42 services and no funds hereinabove appropriated shall be paid to any entity that fails to submit

Any Medicaid cost reports not final settled for Medicaid fee-for-service reimbursement prior to July 1, 2016 shall be prospectively settled based on the per diem rate in effect and paid on June 30, 2015, adjusted to deflate to the applicable cost report year.

Of the amounts hereinabove appropriated for General Medical Services, effective January 1, 2018 such sums as are necessary shall be made available to reimburse medical professionals for advance care planning visits consistent with current Medicare reimbursement policy.

Notwithstanding the provisions of any law or regulation to the contrary, in order to ensure compliance with 42 C.F.R. 433.138(d)(4)(i) and (ii) and 42 C.F.R. 433.138(g) (2) and (3), the New Jersey Motor Vehicle Commission and the New Jersey Division of Workers' Compensation shall make their records available to the Division of Medical Assistance and Health Services or the State's authorized third party liability services contractor for the purpose of matching no less frequently than on a monthly basis with the Division of Medical Assistance and Health Services' records in order to identify current or former Medicaid/NJ FamilyCare beneficiaries who have recovered or may recover payments from any third party as defined in subsection m. of section 3 of P.L.1968, c.413 (C.30:4D-3) or in 42 U.S.C.s.1396a(a)(25)(A), for the purpose of coordination of benefits and recovery when appropriate, utilizing, if necessary, personal identifying information as common identifiers consistent with federal law.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the General Medical Services program classification is subject to the following condition: amounts received by the State from a Class II facility with greater than 500 licensed beds pursuant to an intergovernmental transfer agreement are appropriated to serve as the non-federal share of supplemental Medicaid reimbursements, subject to federal approval, and subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of N.J.A.C.10:49-7.1 et seq. or any other law or regulation to the contrary, and subject to approval by the federal government, the amounts hereinabove appropriated for General Medical Services program classification are subject to the following condition: the Division of Medical Assistance and Health Services shall increase reimbursement for ambulance services, including basic life support emergency and nonemergency ambulance services and specialty care transport services, provided to Medicaid and Medicaid fee for service recipients who are also Medicare eligible to the applicable Medicare rate.

The unexpended balance at the end of the preceding fiscal year in the Medical Coverage - Aged, Blind and Disabled account is appropriated for the same purpose.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated to the General Medical Services program classification are subject to the following condition: assisted living facilities, comprehensive personal care homes, and assisted living programs, shall receive a per diem rate of no less than \$89.50, \$79.50, and \$69.50, respectively, as reimbursement for each NJ FamilyCare beneficiary under their care.

Subject to federal approval, the appropriations for those programs within the General Medical Services program classification are conditioned upon the Department of Human Services implementing policies that would limit the ability of individuals who have the financial ability to provide for their own long-term care needs to manipulate current NJ FamilyCare rules to avoid payment for that care. The Division of Medical Assistance and Health Services

2 shall require, in the case of a married individual requiring long-term care services, that the
3 portion of the couple's resources which are not protected for the needs of the community
4 spouse be used solely for the purchase of long-term care services.

5 Notwithstanding the provisions of any law or regulation to the contrary, no payment for NJ
6 FamilyCare adult or pediatric medical day care services, as hereinabove appropriated in the
7 General Medical Services program classification, shall be provided unless the services are
8 given prior authorization by professional staff designated by the Department of Human
9 Services.

10 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
11 appropriated within the General Medical Services program classification for medical day
12 care services shall be conditioned upon the following provision: the minimum fee-for-service
13 and managed care per diem reimbursement rates for adult medical day care providers shall
14 be \$86.10.

15 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
16 appropriated within the General Medical Services program classification for medical day
17 care services shall be conditioned on the following provision: physical therapy, occupational
18 therapy, and speech therapy shall no longer serve as a permissible criteria for eligibility in
19 the adult Medical Day Care Program.

20 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
21 appropriated within the General Medical Services program classification for medical day
22 care services shall be conditioned on the following provision: effective August 15, 2010, no
23 payments for NJ FamilyCare adult medical day care services shall be provided on behalf of
24 any beneficiary who received prior authorization for these services based exclusively on the
25 need for medication administration.

26 Notwithstanding the provisions of chapter 166 of Title 10 of the New Jersey Administrative
27 Code or any other law or regulation to the contrary, the amounts hereinabove appropriated
28 within the General Medical Services program classification for medical day care services
29 shall be subject to the following condition: the daily reimbursement for fee-for-service
30 pediatric medical day care services shall remain at the rate established in the preceding fiscal
31 year.

32 Notwithstanding the provisions of chapter 85 of Title 8 of the New Jersey Administrative Code
33 or any other law or regulation to the contrary, and subject to any required federal approval,

35 classification are subject to the following conditions: (1) Class I (private), Class II (county),
36 and Class III (special care) nursing facilities being paid on a fee-for-service basis shall be
37 reimbursed at a per diem rate no less than the rate received on June 30, 2020, plus 10
38 percent, plus \$3.60, minus the first provider tax add-on and any performance add-on
39 amounts, subject to the condition that Class III (special care) facilities shall be reimbursed

42 that includes a negotiated rate shall receive that negotiated rate; (3) any Class I and Class III
43 nursing facility that is being paid by an MCO for custodial care through a provider contract
44 but has not yet negotiated a rate shall receive the equivalent fee-for-service per diem
45 reimbursement rate as it received on June 30, 2020, plus 10 percent, minus the first provider
46 tax add-on and any performance add-on amounts, and any Class II nursing facility that is
47 being paid by an MCO for custodial care through a provider contract but has not yet
48 negotiated a rate shall receive the equivalent fee-for-service per diem reimbursement rate as
49 it received on June 30, 2020, plus 10 percent, minus any performance add-on amounts, had
50 it been a Class I nursing facility; (4) monies designated pursuant to subsection c. of section
51 6 of P.L.2003, c.105 (C.26:2H-97) for distribution to nursing facilities, less the portion of

55 minimum per diem of \$188.35, shall be combined with amounts hereinabove appropriated
56 for the General Medical Services program classification for the purpose of calculating NJ
57 FamilyCare reimbursements for nursing facilities; (5) for the purposes of this paragraph, a
58 nursing facility's per diem reimbursement rate or negotiated rate shall not include, if the
59 nursing facility is eligible for reimbursement, the difference between the full calculated
60 provider tax add-on and the quality-of-care portion of the provider tax add-on, which
61 difference shall be payable as an allowable cost pursuant to subsection d. of section 6 of
62 P.L.2003, c.105 (C.26:2H-97); (6) the add-ons used for fiscal year 2022 shall be applied
63 from July 1, 2022, through September 30, 2022 and the first add-on as calculated in section
64 4 above shall be applied to both MCO and fee-for-service per diem reimbursement rates

2 effective October 1, 2022; (7) each Class I, Class II, and Class III nursing facility that has,
3 not later than December 1, 2021, submitted to the Department of Human Services (DHS) the

22 2021, and the simple average of the quarters, as calculated by the Department with available
23 data, is at or below the lower of the New Jersey or national average, as calculated by CMS,
24 for the number of hospitalizations per 1,000 long-stay resident days, (c) shall receive a

45 periodically assess the financial status of the industry.

46 Such amounts as may be necessary are hereinabove appropriated from the General Fund for the

60 established pursuant to P.L.2019, c.86, from the amounts hereinabove appropriated in the
61 General Medical Services program classification, payments may be made to support shared
62 savings initiatives, incentive payments, and other quality and cost improvements, subject to

40 Notwithstanding the provisions of any law to the contrary, amounts hereinabove appropriated
 for Aging and Disability Resource Connections (ADRC) shall be conditioned upon the
 following: federal matching funds derived from ADRC or Area Agencies on Aging Medicaid
 42 costs, pursuant to an approved cost allocation plan, shall be disbursed to counties solely for
 the expansion of long-term care services and supports for older adults and individuals
 seeking home and community based services.

2 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
3 Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
4 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
5 Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
6 name drugs.

7 Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove
8 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
9 to the Aged and Disabled (PAAD) programs are conditioned upon the Department of Human
10 Services coordinating the benefits of the PAAD programs with the prescription drug benefits
11 of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003,"
12 Pub.L.108-173, as the primary payer due to the current federal prohibition against State
13 automatic enrollment of PAAD program recipients in the federal program. The PAAD
14 program benefit and reimbursement shall only be available to cover the beneficiary cost
15 share to in-network pharmacies and for deductible and coverage gap costs, as determined by
16 the Commissioner of Human Services, associated with enrollment in Medicare Part D for
17 beneficiaries of the PAAD and Senior Gold Prescription Discount programs, and for
18 Medicare Part D premium costs for PAAD beneficiaries.

19 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
20 appropriated for the Pharmaceutical Assistance to the Aged and Disabled program is subject
21 to the following condition: any third party, as defined in subsection m. of section 3 of
22 P.L.1968, c.413 (C.30:4D-3), or in 42 U.S.C. s.1396a(a)(25)(A), including, but not limited
23 to, a pharmacy benefit manager writing health, casualty, or malpractice insurance policies
24 in the State or covering residents of this State, shall enter into an agreement with the
25 Department of Human Services to permit and assist the matching of the Department of
26 Human Services' program eligibility and/or adjudication claims files against that third party's
27 eligibility and/or adjudicated claims files for the purpose of the coordination of benefits,
28 utilizing, if necessary, social security numbers as common identifiers.

29 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
30 (C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to
31 providers in the same program classification from which the recovery originated.

32 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
33 receipts generated or savings realized in the Medical Services for the Aged or
34 Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives
35 included in the current fiscal year appropriations act may be transferred to administration
36 accounts to fund costs incurred in realizing these additional receipts or savings, subject to
37 the approval of the Director of the Division of Budget and Accounting.

38 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
39 program, P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount
40 Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits,
41 notwithstanding any provisions contained in contracts, wills, agreements, or other
42 instruments. Any provision in a contract of insurance, will, trust agreement, or other
43 instrument which reduces or excludes coverage or payment to an individual because of that
44 individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount
45 Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount
46 Program payments shall be made as a result of any such provision.

47 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
48 in the Pharmaceutical Assistance to the Aged and Disabled program classification and the
49 Senior Gold Prescription Discount Program account shall be expended for fee-for-service
50 prescription drug claims with no Medicare Part D coverage except under the following
51 conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be
52 calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National
53 Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance
54 with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition
55 Cost less a volume discount, in the absence of a NADAC price, that is consistent with the
56 NJ FamilyCare Program; (iii) the federal upper limit; or (iv) the State upper limit (SUL); and
57 (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name
58 multi-source drugs and multi-source drugs in the absence of any alternative pricing
59 benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be
60 calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with
61 the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of
62 cost acquisition data submitted by providers of pharmaceutical services for brand-name
63 multi-source and multi-source drugs, where an alternative pricing benchmark is not
64 available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a

provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when PAAD or Senior Gold is the primary payer, unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services. Name brand manufacturers must provide for the payment of rebates to the State on the same basis as provided for in subsections (a) through (c) of section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program pursuant to P.L.1975, c.194 (C.30:4D-20 et seq.), and the Senior Gold Prescription Discount Program, pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating pharmaceutical manufacturing companies execute contracts with the Department of Human Services, providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program and the Senior Gold Prescription Discount Program shall continue during the current fiscal year, provided that the manufacturer's rebates for PAAD claims paid as secondary to Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to the amount paid by the State under the PAAD and Senior Gold Prescription Discount Programs. All revenues from such rebates during the current fiscal year are appropriated for the PAAD program and the Senior Gold Prescription Discount Program.

In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled and the Senior Gold Prescription Discount programs, there are appropriated such additional amounts from the General Fund and available federal matching funds as may be required for the payment of claims, credits, and rebates, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold Prescription Discount Program are conditioned upon the Department of Human Services coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy in a Medicare Part D provider network or private third party liability plan network for beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary prescription coverage that requires use of mail order. The mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order pharmacy providers may dispense up to a 90-day supply on prescription refills with the voluntary participation of the beneficiary, subject to the approval of the Commissioner of Human Services and the Director of the Division of Budget and Accounting.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs and Senior Gold Prescription Discount Program recipients, no funds hereinabove appropriated to the PAAD program or Senior Gold Prescription Discount Program accounts shall be expended for any individual unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount Program provides all data necessary to enroll the individual in Medicare Part D, including data required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid Services.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount Program shall be conditioned upon the following provision: no funds shall be appropriated for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription Discount Program as the primary payer until such time as the original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program

2 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
materials and supplies which are covered under the federal Medicare Part B program, or for
4 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin
conditions.

6 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
8 or the Senior Gold Prescription Discount Program shall be expended to cover medications
not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
10 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
by the PAAD program and Senior Gold Prescription Discount Program which are
12 specifically excluded by the federal Medicare Prescription Drug Program. In addition, this
exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription
14 Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical
necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

16 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold
18 Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based
Senior Programs are available for the payment of obligations applicable to prior fiscal years.

20 From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$2,850,000
22 may be transferred to various accounts as required, including Direct State Services accounts,
subject to the approval of the Director of the Division of Budget and Accounting.

24 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior
26 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or the Senior Gold Prescription Discount Program benefit to any pharmacy that is
28 not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

30 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
32 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
designated the authorized representative for the purpose of coordinating benefits with the
34 Medicare drug program, including appeals of coverage determinations. The Senior Gold
Prescription Discount Program is authorized to represent program beneficiaries in the pursuit
of such coverage. Senior Gold Prescription Discount Program representation shall include,
36 but not be limited to, the following actions: pursuit of appeals, grievances, and coverage
determinations.

38 In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as
part of Community Based Senior Programs, amounts may be transferred between Direct
40 State Services and Grants-In-Aid accounts, subject to the approval of the Director of the
Division of Budget and Accounting. Notice thereof shall be provided to the Legislative
42 Budget and Finance Officer on the effective date of the approved transfer.

44 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled program, there are appropriated such additional amounts as may be
46 required from the Casino Revenue Fund and available federal matching funds for the
payment of claims, credits, and rebates, subject to the approval of the Director of the
Division of Budget and Accounting.

48 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical
50 Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the
current fiscal year's annual appropriations act may be transferred to administration accounts
52 to fund costs incurred in realizing these additional receipts or savings, subject to the approval
of the Director of the Division of Budget and Accounting.

54 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
56 payment of obligations applicable to prior fiscal years.

58 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
notwithstanding any provision contained in contracts, wills, agreements, or other
60 instruments. Any provision in a contract of insurance, will, trust agreement, or other
instrument which reduces or excludes coverage or payment to an individual because of that
62 individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments
shall be made as a result of any such provision.

2 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
4 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
name drugs.

6 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
of a plan by the Commissioner of Human Services, no funds appropriated for the
8 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer,
10 unless participating pharmaceutical manufacturing companies execute contracts with the
Department of Human Services. Name brand manufacturers must provide for the payment
12 of rebates to the State on the same basis as provided for in subsections (a) through (c) of
section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

14 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
16 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
manufacturing companies execute contracts with the Department of Human Services,
18 providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical
manufacturing companies for prescriptions purchased by the PAAD program shall continue
20 during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid
as secondary to Medicare Part D shall apply only to the amount paid by the State under the
22 PAAD program. All revenues from such rebates during the current fiscal year are
appropriated for the PAAD program.

24 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
26 Department of Human Services coordinating benefits with any voluntary prescription drug
mail-order or specialty pharmacy in a Medicare Part D provider network or private third
28 party liability plan network for beneficiaries enrolled in a Medicare Part D program or
beneficiaries with primary prescription coverage that requires use of mail-order. The
30 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order
pharmacy providers may dispense up to a 90-day supply on prescription refills with the
32 voluntary participation of the beneficiary, subject to the approval of the Commissioner of
Human Services and the Director of the Division of Budget and Accounting.

34 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
36 is conditioned upon the Department of Human Services coordinating the benefits of the
PAAD program with the prescription drug benefits of the federal "Medicare Prescription
38 Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer
due to the current federal prohibition against State automatic enrollment of PAAD program
40 recipients in the federal program. The PAAD program benefit and reimbursement shall only
be available to cover the beneficiary cost share to in-network pharmacies and for deductible
42 and coverage gap costs, as determined by the Commissioner of Human Services, associated
with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold
44 Prescription Discount Program, and for Medicare Part D premium costs for PAAD program
beneficiaries.

46 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
48 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
50 enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
52 Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD)
54 program recipients, no funds hereinabove appropriated from the PAAD account shall be
expended for any individual enrolled in the PAAD program unless the individual provides
56 all data that may be necessary to enroll the individual in Medicare Part D, including data
required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
58 Services.

60 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
shall be conditioned upon the following provision: no funds shall be appropriated for the
62 refilling of a prescription drug paid by PAAD as a primary payer until such time as the
original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, \$172,000 shall be charged to the Casino Simulcasting Fund.

The unexpended balances at the end of the preceding fiscal year of federal funds are appropriated for the same purposes. The Director of the Division of Budget and Accounting shall inform the Legislative Budget and Finance Officer by November 1 of the current fiscal year of any unexpended balances which are continued, including any unexpended balances of federal Coronavirus State Fiscal Recovery Fund assistance.

36

38

40

Notwithstanding the provisions of any law or regulation to the contrary, funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund" (SFRF) established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2, and any other similar type of federal law that may be hereafter enacted, are appropriated and are subject to the following conditions:

42

44

a. with regard to individual items of appropriation in this act, that are eligible for SFRF funding, as determined by the Executive Director of the Governor's Disaster Recovery Office, such eligible items may be paid for using SFRF funds, subject to the approval of the Director of the Division of Budget and Accounting;

COVID-19 response, recovery, and improvements at health care facilities and hospitals; and costs to support local governments impacted by the pandemic. The determination of eligibility of the specific programs, projects, and uses recommended to be funded by this appropriation shall be made by the Executive Director of the Governor's Disaster Recovery Office, who shall establish an application and review process based on Statewide need, in compliance with federal eligibility requirements, subject to the approval of the Director of the Division of Budget and Accounting. Funding recommendations shall be subject to the approval of the Joint Budget Oversight Committee (JBOC); provided, however, there is appropriated \$300,000,000 from federal funds provided to the State of New Jersey pursuant to the SFRF, an amount not to exceed \$60 million of which may be directly allocated on a one-time basis to pandemic-related programs without JBOC approval and not subject to N.J.S.A. 52:14-34.4, and the remainder of which may be directly allocated to pandemic-related programs not to exceed \$20,000,000 for each such allocation, without JBOC approval and not subject to N.J.S.A. 52:14-34.4, subject to SFRF eligibility rules as determined by the Executive Director of the Governor's Disaster Recovery Office, subject to the approval of the Director of the Division of Budget and Accounting. Notice shall be provided to JBOC with respect to each such appropriation. With respect to recommended appropriations of more than \$20,000,000, except the one-time \$60,000,000 allocation authorized herein, and with respect to appropriations exceeding a total of \$300,000,000, approval of the Joint Budget Oversight Committee shall be required; provided, however, that all such recommended appropriations submitted by the Executive Director of the Governor's Recovery Office shall be considered by JBOC at a meeting which shall occur not less frequently than quarterly, with the first quarter of the fiscal year beginning on July 1 and ending on September 30. JBOC shall meet during the third month of the first quarter of the fiscal year. In the event that JBOC fails to meet during a given quarter, any recommendation submitted to JBOC more than 45 days prior to the last day of the quarter shall be deemed approved. Nothing in this paragraph shall be construed to limit the ability of JBOC to meet more than once quarterly.

- c. subject to the approval of the Director of the Division of Budget and Accounting, appropriations shall include necessary administrative costs of the respective agencies in administering the individual programs and for the SFRF grants management costs incurred by the Department of Community Affairs, Division of Disaster Recovery & Mitigation, as the State's designated grants manager, in its oversight of the entire portfolio of funds, consistent with SFRF requirements. The administrative costs authorized in this subparagraph for an individual program shall be no more than 5 percent of the cost of that program. In the event that the administrative costs of the agencies and the division administering the programs and projects funded by the SFRF are not permitted to be paid from the federal monies received by the State, there are appropriated from the General Fund such additional sums as are required, subject to the limitations contained in this subparagraph and subject to the approval of the Director of the Division of Budget and Accounting and subject to the approval of the Joint Budget Oversight Committee.

Notwithstanding the provisions of any law or regulation to the contrary, moneys are appropriated from the federal "Coronavirus State Fiscal Recovery Fund" (SFRF) established pursuant to the federal "American Rescue Plan Act of 2021," Pub. 24 Notwithstanding the provisions of any law or regulation to the contrary, \$50,000,000 from
 26 funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund"
 28 established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2 is
 30 appropriated to the New Jersey Economic Development Authority to study and plan for
 32 new health care facilities at the University Hospital site to meet community health care
 34 needs in the City of Newark, and to fund site development and capital construction. The
 study shall take into consideration how new facilities would complement existing health
 care services and facilities in the region, and shall be submitted to the Governor, the
 Legislature, and the University Hospital Board of Directors upon completion. Funding will
 be made available subject to a determination by the Executive Director of the Governor's
 Disaster Recovery Office that the proposed use of the funds is an eligible purpose under
 the American Rescue Plan Act of 2021, subject to the approval of the Director of the
 Division of Budget and Accounting.

36 Notwithstanding the provisions of any law or regulation to the contrary, \$305,000,000 from
 38 funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund"
 established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2 is
 appropriated for deposit into the affordable housing production fund.

40 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
 42 empowered to approve payments to liquidate any unrecorded liabilities for materials
 delivered or services rendered in prior fiscal years, upon the written recommendations of
 44 any department head or the department head's designated representative. The Director of
 the Division of Budget and Accounting shall reject any recommendations for payment
 which the director deems improper.

46 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
 48 claims to providers of medical services, amounts may be transferred to and from the
 various items of appropriation within the General Medical Services program classification,
 and within the federal matching funding, in the Division of Medical Assistance and Health
 50 Services and Division of Disability Services in the Department of Human Services, and
 within the Medical Services for the Aged program classification, and within the federal
 52 matching funding, in the Division of Aging Services in the Department of Human
 Services, subject to the approval of the Director of the Division of Budget and Accounting.
 54 Notice thereof shall be provided to the Legislative Budget and Finance Officer on the
 effective date of the approved transfer.

56 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
 58 purchase by the State or by a State agency or local government unit of equipment, goods
 or services related to homeland security and domestic preparedness, that is paid for or
 60 reimbursed by federal funds awarded by the U.S. Department of Homeland Security or
 other federal agency, appropriated in the current fiscal year, may be made through the
 receipt of public bids or as an alternative to public bidding and subject to the provisions

of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development's agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal funds hereinabove appropriated, there are appropriated to the appropriate executive agencies, subject to the approval of the Director of the Division of Budget and Accounting, such additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program or any other similar federal program for the purposes, projects, and programs set forth in such law; provided, however, that if the federal law does not delineate the specific purposes, projects, and programs to be funded by the federal funds, the purposes, projects, and programs to be funded by the federal funds shall be subject to the approval of the Joint Budget Oversight Committee, and further provided, however, that the State Treasurer shall report to the President of the Senate, the Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization of all additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program.

Officials from the appropriate executive agencies are hereby authorized to take such steps, if any, as may be necessary to qualify for, apply for, receive and expend such federal funds and to make such commitments, representations and other agreements as may be required by the federal government to receive federal funds under federal law authorizing the federal economic stimulus program or any other similar federal law. Furthermore, and notwithstanding the provisions of any other law or regulation to the contrary, officials from the appropriate executive agencies may encumber any of these federal funds appropriated pursuant to this provision prior to entering into any contract, grant or other agreement obligating the federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block

Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment Act, Pub.L.111-5 and any other similar type of federal stimulus law which may be hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such amounts as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below. Notwithstanding the specific appropriations made below, in the event that the federal funds received under ARRA are not in their entirety or in part allocated to the specific purposes listed below, to permit flexibility in the handling of appropriations, amounts may be transferred to and from the various items of the appropriations listed below or may be used for such other purposes permitted under ARRA subject to the approval of the Director of the Division of Budget and Accounting and upon the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes allowed under part D of Title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block Grant Program shall be used only for implementation of programs authorized under subtitle E of Title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal funds which are appropriated pursuant to this provision, New Jersey Economic Development Authority (NJEDA), New Jersey Housing Mortgage Finance Agency (HMFA), the Office of Energy Savings, and the Board of Public Utilities (BPU) shall prepare and timely submit to the United States Department of Energy (USDOE) the reports required under subsection (c) of section 1512 of Pub.L.111-5, including without limitation the detailed information required with respect to all projects or activities for which such federal funds were expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean Energy Fund and shall be allocated by the BPU as follows. The BPU shall enter into memoranda of understanding with the applicable agencies listed below which memoranda of understanding shall provide for the transfer of such monies to the applicable agencies for the purposes listed below.

(1) \$14,216,606 to the NJEDA for a grant and loan program to be developed and administered by the NJEDA to fund public and private renewable energy, energy efficiency and alternative energy projects, with applications prioritized based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(2) \$20,187,801 for a program to be developed and administered by the BPU for grants to State departments, agencies, authorities and public colleges and universities for renewable and energy efficiency projects at such entities, including but not limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage applications, with applications prioritized by an interagency evaluation team consisting of one representative each from each of the following, BPU, NJEDA, Office of Economic Growth, New Jersey Commission on Science and Technology, and the Office of Energy Savings, based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(3) \$9,110,306.50 to the HMFA for a program to be developed and administered by the HMFA to provide financing for the construction of solar energy projects on qualified multi-family housing financed through the HMFA, such funds to be leveraged with existing State energy rebate programs and the federal investment tax credit, with grants prioritized based on the ability to create jobs, generate energy, provide benefits to property residents and to meet HMFA timeframes, and with HMFA retaining ownership of all related solar renewable energy certificates for the purpose of establishing a revolving fund to support additional solar energy projects at HMFA-supported residential properties;

(4) \$1,331,402 to the HMFA for a low-interest loan program to be developed and administered by the HMFA for energy efficiency upgrades at single-family and multi-family facilities that are at or below 250 percent of the area median income (the higher of statewide or county median income) based on a family of four, and affordable multi-family housing owners which meet HMFA's affordability requirements, and which

are not eligible for equivalent financing programs offered by the utilities or the Clean Energy Program;

(5) \$15,500,870.50 to the Clean Energy Program for energy efficiency programs administered by the BPU, to be issued to public and private entities on a first-come, first-served basis and specifically targeting customers who are either not currently eligible for Clean Energy Fund incentives or whose energy consumption patterns do not make them likely applicants;

(6) \$6,328,000 to the Office of Energy Savings in the Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons;

(7) \$4,871,651 to the State Energy Office for implementing energy conservation measures in State-owned and operated facilities; and

(8) \$2,093,363 for grants administered by the BPU to State departments, agencies, authorities and public colleges and universities for energy efficient equipment purposes which will reduce energy demand and greenhouse gas emissions by replacing aging, energy intense equipment with new, more efficient models.

In the event that any of the SEP monies appropriated pursuant to the preceding paragraph are not expended by the date required by the USDOE, the appropriations of such funds pursuant to the preceding paragraph are hereby cancelled, and such unexpended funds are hereby appropriated, subject to the approval of the USDOE and the Director of the Division of Budget and Accounting to the New Jersey Department of the Treasury to establish a revolving energy efficiency project fund (Energy Efficiency Project Fund) for the purposes of funding energy efficiency and renewable energy programs and projects in State facilities, including but not limited to State offices, State health facilities and State prisons.

The monies appropriated from the Energy Efficiency Project Fund shall be repaid to the Energy Efficiency Project Fund by the department receiving such monies as follows: of the amounts hereinabove appropriated in this Act to each department receiving monies from the Energy Efficiency Project Fund, there is hereby appropriated for deposit in the Energy Efficiency Project Fund an amount equivalent to the annual repayment due to the Energy Efficiency Project Fund or the actual savings achieved, whichever is greater.

b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby appropriated as follows:

(1) \$4,160,700 to the Office of Energy Savings in the Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons; and

(2) \$10,240,000 to the BPU for grants to cities, counties and other local units of government which are not eligible to receive directly from the federal government funds under the Block Grant Program.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Labor and Workforce Development shall consider consistent with applicable federal law a formal association of community based organizations to be a "local consortium" for the purposes of receiving funding for the delivery of English as a Second Language or Civics education/training.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred among accounts in the Children's System of Care program classification. Amounts may also be transferred to and from various items of appropriation within the General Medical Services program classification of the Division of Medical Assistance and Health Services in the Department of Human Services and the Children's System of Care Services program classification in the Department of Children and Families. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

The federal grant funds hereinabove appropriated are subject to the following condition: in the event that the agency receiving the funds from the federal government enters into an agreement with another agency as the subgrantee of such federal funds, the funds may be transferred to such subgrantee agency, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, in order to permit flexibility in the management of federal grant funds, amounts appropriated or transferred

2 from such federal funds to State departments as subgrantees of other State departments
3 may be transferred back to an item of appropriation in the original grant recipient
4 department upon completion of the funded activity, subject to the approval of the Director
5 of the Division of Budget and Accounting. Notice thereof shall be provided to the
6 Legislative Budget and Finance Officer on the effective date of the approved transfer.

7 Notwithstanding the provisions of any law or regulation to the contrary, the federal funds
8 hereinabove appropriated to the Department of Transportation are subject to the following
9 condition: in order to ensure the continued flow of necessary federal funds for important
10 State and local transportation projects, in the event the Federal Highway Administration
11 (FHWA) objects to the form of the department's request for submission of competitive bids
12 or to the form or contents of related grant agreements funded with federal funds, the
13 department shall make any changes to such requests or contracts as may be determined by
14 the FHWA to be necessary to comply with federal law; and any other department, agency
15 or authority affected by such action is required to take any further actions required in order
16 for it to be in accordance with the changes required by FHWA.

17 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
18 claims to providers of mental health and substance use disorder services, amounts may be
19 transferred to and from the various items of appropriation and within the federal matching
20 funding, within the General Medical Services program classification in the Division of
21 Medical Assistance and Health Services and the Community Services and Addiction
22 Services program classifications in the Division of Mental Health and Addiction Services,
23 subject to the approval of the Director of the Division of Budget and Accounting.

24 Notwithstanding the provisions of subsection d. of section 21 of P.L.1984, c.73 (C.27:1B-21),
25 or any other law or regulation to the contrary, transfers among the Federal Highway
26 Administration and the Federal Transit Administration federal appropriations by project,
27 under the category of Public Transportation, shall not require approval by the Joint Budget
28 Oversight Committee. Notice of a transfer approved by the Director of the Division of
29 Budget and Accounting pursuant to that section shall be provided to the Legislative Budget
30 and Finance Officer on the effective date of the approved transfer.

31 Notwithstanding the provisions of section 2 of PL.2021, c.200 (C.48:3-106.2) or any other law
32 or regulation to the contrary, the unexpended balance at the end of the preceding fiscal
33 year in the School and Small Business Energy Efficiency Stimulus Program Fund may be
34 reallocated for any of the purposes set forth in P.L.2021, c.200 as determined by the
35 President of the Board of Public Utilities, subject to the approval of the Director of the

4 17. The following transfer of appropriations rules are in effect for the current fiscal year:

6 a. To permit flexibility in the handling of appropriations, any department or agency that
receives an appropriation by law, may, subject to the provisions of this section, or unless
8 otherwise provided in this act, apply to the Director of the Division of Budget and Accounting
for permission to transfer funds from one item of appropriation to a different item of
10 appropriation. For the purposes of this section, "item of appropriation" means the spending
authority identified by an organization code, appropriation source, and program code, unique to
12 the item. If the Director consents to the transfer, the amount transferred shall be credited by the
Director to the designated item of appropriation and notice thereof shall be provided to the
14 Legislative Budget and Finance Officer on the effective date of the approved transfer. However,
the Director, after consenting thereto, shall submit the following transfer requests to the
Legislative Budget and Finance Officer for legislative approval or disapproval unless otherwise
16 provided in this act:

18 (1) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$300,000, to or from any item of appropriation;

20 (2) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$50,000, to or from any Special Purpose account, as defined by major object 5, or Grant account,
as defined by major object 6, within an item of appropriation, from or to a different item of
22 appropriation;

24 (3) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$50,000, to or from any Special Purpose or Grant account in which the identifying organization
code, appropriation source, and program code, remain the same, provided that the transfer would
26 effect a change in the legislative intent of the appropriations;

28 (4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items
of appropriation in different departments or between items of appropriation in different
appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid,
30 Capital Construction and Debt Service;

32 (5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one
item of appropriation to another item of appropriation, if the amount of the transfer to an item
in combination with the amount of the appropriation to that item would result in an amount in
34 excess of the appropriation authority for that item, as defined by the program class;

36 (6) Requests for such other transfers as are appropriate in order to ensure compliance with
the legislative intent of this act.

38 b. The Joint Budget Oversight Committee or its successor may review all transfer requests
submitted for legislative approval and may direct the Legislative Budget and Finance Officer to
approve or disapprove any such transfer request. Transfers submitted for legislative approval
40 pursuant to paragraph (4) of subsection a. of this section shall be made only if approved by the
Legislative Budget and Finance Officer at the direction of the committee.

42 c. The Legislative Budget and Finance Officer shall approve or disapprove requests for the
transfer of funds submitted for legislative approval within 10 working days of the physical
44 receipt thereof and shall return them to the Director. If any provision of this act or any
supplement thereto requires the Legislative Budget and Finance Officer to approve or disapprove
46 requests for the transfer of funds, the request shall be deemed to be approved by the Legislative
Budget and Finance Officer if, within 20 working days of the physical receipt of the request, the
48 officer has not disapproved the request and so notified the requesting officer. However, this time
period shall not pertain to any transfer request under review by the Joint Budget Oversight
50 Committee or its successor, provided notice of such review has been given to the Director.

52 d. No amount appropriated for any capital improvement shall be used for any temporary
purpose except extraordinary snow removal or extraordinary transportation maintenance, subject
to the approval of the Director of the Division of Budget and Accounting. However, an amount
54 from any appropriation for an item of capital improvement may be transferred to any other item
of capital improvement subject to the approval of the Director, and, if in an amount greater than
56 \$300,000, subject to the approval of the Legislative Budget and Finance Officer.

58 e. The provisions of subsections a. through d. of this section shall not apply to appropriations
made to the Legislative or Judicial branches of State government. To permit flexibility in the
handling of these appropriations, amounts may be transferred to and from the various items of
60 appropriation by the appropriate officer or designee with notification given to the Director on the
effective date thereof.

62 f. Notwithstanding any provisions of this section to the contrary, transfers to and from the
Special Purpose appropriation to the Governor for emergency or necessity under the Other

2 Interdepartmental Accounts program classification and transfers from the appropriations to the
3 various accounts in the category of Salary Increases and Other Benefits, both in the
4 Interdepartmental Accounts, shall not be subject to legislative approval or disapproval.

6 18. The Director of the Division of Budget and Accounting shall make such correction of
7 the title, text or account number of an appropriation necessary to make such appropriation
8 available in accordance with legislative intent. Such correction shall be by written ruling,
9 reciting in appropriate detail the facts thereof, and reasons therefore, attested by the signature of
10 the Director of the Division of Budget and Accounting and filed in the Division of Budget and
11 Accounting of the Department of the Treasury as an official record thereof, and any action
12 thereunder, including disbursement and the audit thereof, shall be legally binding and of full
13 force and virtue. An official copy of each such written ruling shall be transmitted to the
14 Legislative Budget and Finance Officer, upon the effective date of the ruling.

16 19. The Legislative Budget and Finance Officer with the cooperation and assistance of the
17 Director of the Division of Budget and Accounting is authorized to adjust this appropriations bill
18 to reflect any reorganizations which have been implemented since the presentation of the
19 Governor's Budget Message and Recommendations that were proposed for this fiscal year.

20 20. None of the funds appropriated to the Executive Branch of State government for
21 Information Processing, Development, Telecommunications, and Related Services and
22 Equipment shall be available to pay for any of these services or equipment without the review
23 of the Office of Information Technology, and compliance with Statewide policies and standards
24 and an approved department Information Technology Strategic Plan.

26 21. If the amount provided in this act for a State Aid payment pursuant to formula is
27 insufficient to meet the full requirements of the formula, all recipients of State Aid shall have
28 their allocation proportionately reduced, subject to the approval of the Director of the Division
29 of Budget and Accounting.

30 22. When the duties or responsibilities of any department or branch, except for the
31 Legislature and any of its agencies, are transferred to any other department or branch, it shall be
32 the duty of the Director of the Division of Budget and Accounting and the Director is hereby
33 empowered to transfer funds appropriated for the maintenance and operation of any such
34 department or branch to such department or branch as shall be charged with the responsibility
35 of administering the functions so transferred. The Director of the Division of Budget and
36 Accounting shall have the authority to create such new accounts as may be necessary to carry
37 out the intent of the transfer. Information copies of such transfers shall be transmitted to the
38 Legislative Budget and Finance Officer upon the effective date thereof. If such transfers may
39 be required among appropriations made to the Legislature and its agencies, the Legislative
40 Budget and Finance Officer, subject to the approval of the President of the Senate and the
41 Speaker of the General Assembly, is hereby empowered and it shall be that officer's duty to
42 effect such transactions hereinabove described and to notify the Director of the Division of
43 Budget and Accounting upon the effective date thereof.

44 23. The Director of the Division of Budget and Accounting is empowered and it shall be the
45 Director's duty in the disbursement of funds for payment of expenses classified as salary
46 increases and other benefits, employee benefits, debt service, rent, telephone, data processing,
47 motor pool, insurance, travel, postage, lease payments on equipment purchases, additions,
48 improvements and equipment, and compensation awards, to credit or transfer to the Department
49 of the Treasury, to an Interdepartmental account, or to the General Fund, as applicable, from any
50 other department, branch or non-State fund source out of funds appropriated or credited thereto,
51 such amounts as may be required to cover the costs of such payment attributable to such other
52 department, branch or non-State fund source, or to reimburse the Department of the Treasury,
53 an Interdepartmental account, or the General Fund for reductions made representing Statewide
54 savings in the above expense classifications, as the Director shall determine. With respect to
55 payment of expenses classified as utilities and maintenance contracts, the Director is empowered
56 and it shall be the Director's duty in the disbursement of funds to credit or transfer to the
57 Department of the Treasury, to an Interdepartmental account, or to the General Fund, as
58 applicable, from any other department or non-State fund source, but not from the Legislature or
59 the Judiciary, out of funds appropriated or credited thereto, such amounts as may be required to
60 cover the costs of such payment attributable to such other department or non-State fund source,
61 or to reimburse the Department of the Treasury, an Interdepartmental account, or the General

8 are appropriated such additional amounts as may be necessary for emergency repairs and
reconstruction of State facilities or property, subject to the approval of the Director of the
10 Division of Budget and Accounting and the Joint Budget Oversight Committee (JBOC).
Appropriations referred to JBOC shall be deemed approved, unless a resolution of disapproval
12 is adopted within 10 working days of receipt of notification of the proposed appropriation.

14 25. Upon request of any department receiving non-State funds, the Director of the Division
of Budget and Accounting is empowered to transfer such funds from that department to other
16 departments as may be charged with the responsibility for the expenditure thereof.

18 26. The Director of the Division of Budget and Accounting is empowered to transfer or
credit appropriations to any State agency for services provided, or to be provided, by that agency
20 to any other agency or department; provided further, however, that funds have been appropriated
or allocated to such agency or department for the purpose of purchasing these services.

22 27. Notwithstanding the provisions of any law or regulation to the contrary, should
24 appropriations in the Property Tax Relief Fund exceed available revenues, the Director of the
Division of Budget and Accounting is authorized to transfer General Fund unreserved,
26 undesignated fund balances into the Property Tax Relief Fund, providing unreserved,
undesignated fund balances are available from the General Fund, as determined by the Director
28 of the Division of Budget and Accounting.

30 28. Notwithstanding the provisions of any law or regulation to the contrary, should
appropriations in the Casino Revenue Fund exceed available revenues, the Director of the
32 Division of Budget and Accounting is authorized to transfer General Fund unreserved,
undesignated fund balances into the Casino Revenue Fund, providing unreserved, undesignated
34 fund balances are available from the General Fund, as determined by the Director of the Division
of Budget and Accounting.

36 29. Notwithstanding the provisions of P.L.1954, c.48 (C.52:34-6 et seq.), amounts
38 appropriated for services for the various State departments and agencies may be expended for
the purchase of contract services from the New Jersey Sea Grant Consortium or the New Jersey
40 Community College Consortium for Workforce and Economic Development as if each were a
State government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

42 30. Out of the amounts hereinabove appropriated, the Director of the Division of Budget and
44 Accounting is empowered to approve payment of obligations applicable to prior fiscal years,
upon the written recommendation of any department head, or the department head's designated
46 representative. The Director of the Division of Budget and Accounting shall reject any
recommendations for payment which the Director deems improper.

48 31. Whenever any county, municipality, school district, college, university, or a political
50 subdivision thereof withholds funds from a State agency, or causes a State agency to make
payment on behalf of a county, municipality, school district, college, university or a political
52 subdivision thereof, then the Director of the Division of Budget and Accounting may withhold
State aid or grant payments and transfer the same as payment for such funds, as the Director of
54 the Division of Budget and Accounting shall determine.

56 32. The Director of the Division of Budget and Accounting is empowered to establish

12 Treasurer may transfer from any fund in the State Treasurer's custody, deposited with the State
Treasurer pursuant to law, sufficient amounts to enable payments from any appropriation made
14 herein for any obligations due and owing. Any such transfer shall be restored out of the taxes
or other revenue received in the Treasury in support of this act. Except for transfers from the
16 several funds established pursuant to statutes that provide for interest earnings to accrue to those
funds, all such transfers shall be without interest. If the statute provides for interest earnings, it
18 shall be calculated at the average rate of earnings during the fiscal year from the State's general

36 the Legislature for consideration.

38 38. Unless otherwise provided, federal grant and project receipts representing reimbursement
for agency and central support services, indirect and administrative costs, as determined by the
40 Director of the Division of Budget and Accounting, shall be transmitted to the Department of the

reclassified into a dedicated account and returned to State departments and agencies, as
44 determined by the Director of the Division of Budget and Accounting, who shall notify the
Legislative Budget and Finance Officer of the amount of such funds returned, the departments
46 or agencies receiving such funds and the purpose for which such funds will be used, within 10

8 prepare and submit a copy of their spending plans involving all State, federal and other non-State
funds to the Director of the Division of Budget and Accounting and the Legislative Budget and

notes are issued for cash flow management purposes in connection with the Property Tax Relief
28 Fund, there are appropriated from the Property Tax Relief Fund such amounts as may be required
to pay the principal of those short-term notes.

30
32 45. The State Treasurer is authorized to issue short-term notes, which notes shall not
constitute a general obligation of the State or a debt or a liability within the meaning of the State
34 Constitution, and the State Treasurer is authorized to pay any costs or obligations relating to the
issuance of such short-term notes or contracts relating thereto. Such short-term notes shall be
36 issued in such amounts and at such times as the State Treasurer shall deem necessary for the

appropriated for Consolidation Implementation shall be allocated to provide reimbursement
21 to local government units that consolidate pursuant to any law, including but not limited to
P.L.2007, c.63 (C.40A:65-1 et seq.) and P.L.2009, c.118 (C.54:1-86 et seq.), or to a
23 municipality that is wholly annexed by another municipality pursuant to N.J.S.40A:7-1 et
seq., for non-recurring costs that the Director of the Division of Local Government Services,
25 or in the case of a school district consolidation the Commissioner of Education, determines
to be necessary to implement such consolidation or annexation, subject to the approval of
27 the Director of the Division of Budget and Accounting; provided, however, that in addition
to the amounts hereinabove appropriated, there are appropriated such additional amounts as
29 are determined to be necessary for reimbursement of non-recurring costs associated with
local government unit consolidations, subject to the approval of the Director of the Division
31 of Budget and Accounting; provided further that there are appropriated such additional
amounts, not to exceed \$15,000,000, as the Director of the Division of Budget and
33 Accounting, in consultation with the Commissioner of Community Affairs and the Director
of the Division of Local Government Services, shall determine to be necessary to design and
35 implement one or more voluntary county-based demonstration projects to achieve
efficiencies and future cost savings in the provision of services at the local level.

37 Of the amount hereinabove appropriated for Transitional Aid to Localities, an amount may be
allocated by the Director of the Division of Local Government Services to provide
39 short-term financial assistance to a local government unit that is determined by the director
to be experiencing financial distress caused by the destruction or loss of a major local
41 business ratable. For purposes of this paragraph, a "major local business ratable" means one
or more related parcels of property owned by a single business entity, classified as
43 commercial or industrial, which comprised the largest assessed valuation of any one or more
line items of taxable property in a municipality, or generated an annual PILOT payment in
45 excess of 10% of the total municipal levy, or is otherwise determined by the director to be
of such significance to a municipality that its destruction or loss has resulted in financial
47 distress; provided, however, that notwithstanding the provisions of any law or regulation to
the contrary, the Director of the Division of Local Government Services may direct that part
49 of any such allocation be paid to an affected school district or county, or to both, in the same
manner as if the award of Transitional Aid were raised as revenue from the municipal tax
51 levy; and provided further that a local government unit determined to be experiencing
financial distress because of the loss or destruction of a major local business ratable shall not
53 be required to be subject to any additional conditions, requirements, orders, or other
operational efficiency or oversight measures authorized pursuant to P.L.2011, c.144
55 (C.52:27D-118.42a), except as determined to be appropriate by the Director of the Division
of Local Government Services.

57 Of the amount hereinabove appropriated for Transitional Aid to Localities, amounts may be
allocated by the Director of the Division of Local Government Services to any State agency
59 or department, county, or county improvement authority to pay for services provided to or
on behalf of a participating municipal government unit pursuant to a memorandum of
61 understanding between that State agency or department, county, or county improvement

1 authority, as applicable and the Division of Local Government Services, subject to the
2 approval of the Director of the Division of Budget and Accounting

3 The amount hereinabove appropriated for Transitional Aid to Localities is subject to the
4 following condition: notwithstanding the provisions of R.S.43:21-14, or any other law or
5 regulation to the contrary, the Commissioner of Labor and Workforce Development, in
6 consultation with the Commissioner of Community Affairs, is authorized to enter into
7 individualized payment plan agreements with municipalities that receive Transitional Aid
8 for the reimbursement of unemployment benefits paid to former employees of such
9 municipal government units, at reasonable interest rates based on current market conditions,
10 and on such other terms and conditions as may be determined to be appropriate by the
11 Commissioner of Labor and Workforce Development. Any municipality that enters into an
12 individualized payment plan agreement pursuant to this section shall be required to expend
13 all funds budgeted for this activity remaining as of the last day of its budget year for the
14 repayment of outstanding obligations under the plan.

15 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
16 appropriated for Transitional Aid to Localities shall be allocated to provide short-term
17 financial assistance where needed to help a municipality that is in serious fiscal distress meet
18 immediate budgetary needs and regain financial stability. A municipality shall be deemed
19 to be eligible for transitional aid if it is identified by the Director of the Division of Local
20 Government Services as experiencing serious fiscal distress where the director determines
21 that, despite local officials having implemented substantive cost reduction strategies, there
22 continue to exist conditions of serious fiscal distress, which may include but shall not be
23 limited to: substantial structural or accumulated deficits; ongoing reliance on non-recurring
24 revenues; limited ability to raise supplemental non-property tax revenues; extraordinary
25 demands for public safety appropriations; and other factors indicating a constrained ability
26 to raise sufficient revenues to meet budgetary requirements that substantially jeopardizes the
27 fiscal integrity of the municipality. Municipalities seeking transitional aid shall file an
28 application on a form prescribed by the director, which application, among other things, shall
29 set forth the minimum criteria that must be met in order for an application to be considered
30 by the director for a determination of eligibility. The director shall determine whether a
31 municipality which files an application meeting such minimum criteria is in serious fiscal
32 distress, and, if so, what amount of transitional aid should be provided to address the
33 municipality's serious fiscal distress. The transitional aid shall be provided to the
34 municipality subject to the provisions of subsection a. of section 1 of P.L.2011, c.144
35 (C.52:27D-118.42a); provided, however, that an amount of Transitional Aid to Localities as
36 determined by the Director of the Division of Local Government Services for a municipality
37 may be deemed to constitute Consolidated Municipal Property Tax Relief Aid in an amount
38 not in excess of the amount of Transitional Aid to Localities such municipality received in
39 the previous fiscal year and shall not reduce the amount of Consolidated Municipal Property
40 Tax Relief Aid such municipality shall receive for the current fiscal year. Provided, however,
41 if the Director of the Division of Local Government Services deems an amount of
42 Transitional Aid to Localities for a municipality as constituting Consolidated Municipal
43 Property Tax Relief Aid pursuant to this provision, that municipality is not relieved from
44 compliance with the requirements for transitional aid.

45 Notwithstanding the provisions of subsection d. of section 29 of P.L.1999, c.152 (C.13:8C-29)
46 or subsection d. of section 30 of P.L.1999, c.152 (C.13:8C-30), or any law or regulation to
47 the contrary, all payments to municipalities in lieu of taxes for lands acquired by the State
48 and non-profit organizations for recreation and conservation purposes shall be retained by
49 the municipality and not apportioned in the same manner as the general tax rate of the
50 municipality.

51 Notwithstanding the provisions of any law or regulation to the contrary, payments to
52 municipalities in lieu of taxes for lands acquired by the State and non-profit organizations
53 for recreation and conservation purposes shall be provided only to municipalities whose
54 payments received in fiscal year 2010 exceeded \$5,000 and shall be provided at two-thirds
55 of the payment amount provided in fiscal year 2010, subject to the approval of the Director
56 of the Division of Budget and Accounting.

57 Notwithstanding the provisions of any law or regulation to the contrary, any qualifying
58 municipality, as defined in section 1 of P.L.1978, c.14 (C.52:27D-178) for the previous fiscal
59 year, shall continue to be a qualifying municipality thereunder during the current fiscal year.

60 Notwithstanding the provisions of any law or regulation to the contrary, whenever funds
61 appropriated as State Aid and payable to any municipality, which municipality requests and
receives the approval of the Local Finance Board, such funds may be pledged as a guarantee

1 for payment of principal and interest on any bond anticipation notes issued pursuant to
 3 section 11 of P.L.2003, c.15 (C.40A:2-8.1) and any tax anticipation notes issued pursuant
 5 to N.J.S.40A:4-64 by such municipality. Such funds, if so pledged, shall be made available
 7 by the State Treasurer upon receipt of a written notification by the Director of the Division
 9 of Local Government Services that the municipality does not have sufficient funds available
 for prompt payment of principal and interest on such notes, and shall be paid by the State
 Treasurer directly to the holders of such notes at such time and in such amounts as specified
 by the director, notwithstanding that payment of such funds does not coincide with any date
 for payment otherwise fixed by law.

11 The State Treasurer, in consultation with the Commissioner of Community Affairs, is
 13 empowered to direct the Director of the Division of Budget and Accounting to transfer
 15 appropriations from any State department to any other State department as may be necessary
 to provide a loan for a term not to exceed 180 days to a local government unit faced with a
 fiscal crisis, including but not limited to a potential default on tax anticipation notes and on
 such other terms and conditions as may be required by the commissioner.

17 Notwithstanding the provisions of N.J.S.40A:4-39 or any other law or regulation to the contrary,
 19 a county that assumes responsibility for the provision of local police services in one or more
 21 municipalities utilizing a new or expanded county police force may display the anticipated
 23 revenues and appropriations associated with such county police force in its annual budget
 by annexing to that budget a statement describing the sources and amounts of anticipated
 dedicated revenues and appropriating those dedicated amounts for the purposes of the county
 police force.

40 rate of \$42 per pupil in a manner that is consistent with the provisions of the federal and

42 The unexpended balance at the end of the preceding fiscal year in the Education Rescue Grant

14 the Commissioner of Education, in his discretion, may direct that the proceeds be used by
the SDA district upon a showing of financial need for a capital maintenance project or for

be adjusted by the geographic cost adjustment developed by the Commissioner of Education
40 pursuant to P.L.2007, c.260.

13 reflect actual prebudget year enrollment as of October 2021, as set forth in the March 2022
14 State Aid notice issued by the Commissioner of Education. A district's 2022-2023 School
15 Choice enrollment shall not exceed the district's maximum funded choice student enrollment
16 as determined by the Commissioner of Education. In addition to the amounts hereinabove
17 appropriated for School Choice Aid, such additional amounts as may be required, based on
18 actual School Choice enrollment counts submitted as the result of P.L.2020, c.41, for the
19 support of School Choice Aid are appropriated, subject to the approval of the Director of the
20 Division of Budget and Accounting.

36 in the 2022-2023 school year, the charter school receives no less total support from the State
37 and the resident district than the sum of the total 2007-2008 payments from the resident
38 district and the 2007-2008 payments of Charter School Aid and Charter Schools - Council
39 on Local Mandates Aid and to ensure that such total payments provide a 2022-2023 per pupil
40 amount that is no less than the 2007-2008 per pupil amount based on average daily
41 enrollment; and 2) to provide amounts pursuant to section 12 of P.L.1995, c.426
42 (C.18A:36A-12). A charter school shall also receive an allocation to provide that in the
43 2022-2023 school year, the charter school receives no less total support from the State and
44 resident school district than in the 2021-2022 school year and to ensure that such total
45 payments provide a 2022-2023 per pupil amount that is not less than the 2021-2022 per pupil

2023, the hospital shall reimburse to the State upon closure any subsidy payments attributed
40 on the normal monthly payment basis to after the hospital's date of closure.

42 Notwithstanding the provisions of any law or regulation to the contrary, and except as otherwise

56 Report for each individually licensed hospital, the ACH Cost Report data for those hospitals

In the event the hospital completed a merger, acquisition, or business combination resulting in two cost reports filed during the calendar year, two cost reports will be combined into one or a supplemental cost report for the calendar year 2019 submitted by the affected acute care hospital by January 31, 2021 shall be used. In the event that a hospital did not report its Medicaid managed care days on the cost report utilized in this calculation, the Department of Health (DOH) shall ascertain Medicaid managed care encounter days for Medicaid and NJ FamilyCare clients as reported by insurers to the State as per source data defined in (b) above; (d) Medicaid managed care DME cost begins with the intern and residency program costs using the 2019 submitted Medicaid cost report total residency costs, reported on Worksheet B Pt I Column 21 Line 21 plus Worksheet B Pt I Column 22 Line 22 divided by the 2019 resident full time equivalent employees (FTE), reported on Worksheet S-3 Pt 1 Column 9 line 14 to develop an average cost per resident FTE for each hospital; (e) median cost per resident FTE is calculated based on the average cost per resident FTE for each hospital; (f) the median cost per resident FTE is multiplied by the 2019 resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 to develop total median residency program cost for each hospital; (g) median residency costs are multiplied by the ratio of Medicaid managed care days, reported on Worksheet S-3 Column 7 Line 2, divided by the difference of total days, reported on Worksheet S-3 Column 8 Line 14, less nursery days, reported on Worksheet S-3 Column 8 Line 13 to determine the Medicaid managed care DME cost of each hospital; (h) Medicaid managed care IME cost is defined as the Medicare IME factor multiplied by Medicaid managed care encounter payments as per source data defined in (b) above; (i) the IME factor is calculated using the Medicare IME formula as follows: $1.35 * [(1 + x)^{0.405} - 1]$, in which "x" is the ratio of submitted IME resident FTEs reported on Worksheet S-3 Pt 1 Column 9 Line 14 divided by the difference of total available beds, reported on Worksheet S-3 Column 2 Line 14, less nursery beds, reported on Worksheet S-3 Column 2 Line 13; (j) total 2019 Medicaid managed care GME costs shall equal total 2019 Medicaid managed care IME costs plus total 2019 Medicaid managed care DME costs; (k) the 2019 total Medicaid managed care DME costs is divided by the total 2019 Medicaid managed care GME costs; (l) the DME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (k) above; (m) each hospital's percentage of total 2019 Medicaid managed care DME costs shall be multiplied by the DME allocation to calculate its DME payment; (n) the 2019 total Medicaid managed care IME costs are divided by the total 2019 Medicaid managed care GME costs; (o) the IME allocation portion is calculated by multiplying the total subsidy amount by the ratio in (n) above; (p) each hospital's percentage of total 2019 Medicaid managed care IME costs shall be multiplied by the IME allocation to calculate its IME payment; (q) the sum of a hospital's DME and IME payments shall equal its subsidy payment. The total GME Subsidy amount and these payments shall not exceed \$218,000,000 and shall be paid in 12 monthly payments; (r) in the event that a hospital believes that there are mathematical errors in the calculations, or data not matching the actual source documents used to calculate the subsidy as defined above, hospitals shall be permitted to file calculation appeals within 15 working days of receipt of the subsidy allocation letter. If upon review it is determined by the DOH that the error has occurred and would constitute at least a five percent change in the hospital's allocation amount, a revised industry-wide allocation shall be issued; (s) each hospital receiving a GME allocation shall, on or before May 31, 2023, provide a report to the Commissioner of Health indicating the total number of physicians who completed their training during the preceding calendar year, and the number of those physicians who plan to practice medicine within the State of New Jersey.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Graduate Medical Education (GME) is subject to the following condition: participating hospitals shall provide to residents and fellows participating in the GME program instruction concerning prevention of opioid addiction as well as diagnosis, assessment, and treatment strategies: provided, however, that such instruction may also be

provided to other students and providers including, but not limited to, physicians, nurses, pharmacists, and social workers, working within the hospital or in the outpatient setting. To satisfy this condition, participating hospitals may develop an internal training program, enter into a partnership with a school or university, or provide financial support for residents and fellows to participate in independent educational programs or conferences that provide continuing medical education credits that are specifically focused in the subject area of addiction. To document compliance, participating hospitals shall complete a report to the Department of Health no later than May 31, 2022.

State Aid:

08	Support of Patients in County Psychiatric Hospitals (PTRF)	(\$122,711,000)
----	--	-----------------

The unexpended balance at the end of the preceding fiscal year in the Support of Patients in County Psychiatric Hospitals account is appropriated for the same purpose.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period January 1 to June 30 such that the total amount to be paid by the

2 State on behalf of county indigent patients for the calendar year shall not exceed 85 percent
of the total reasonable per capita cost; and further provided that the rate at which the State
4 will reimburse the county psychiatric hospitals shall not exceed 100 percent of the per capita
rate at which each county pays to the State for the reasonable cost of maintenance and
6 clothing of each patient residing in a State psychiatric facility, excluding the depreciation,
interest and carry-forward adjustment components of this rate, and including the
8 depreciation, interest, and carry-forward adjustment components of each individual county
psychiatric hospital's rate established for the period January 1 to December 31 by the
Commissioner of Human Services in consultation with the Commissioner of Health. The
10 initial determination of whether a county hospital rate exceeds the per capita rate that
counties pay to the State on behalf of applicable patients residing in a State psychiatric
12 facility will be based on a comparison of estimated cost used to set reimbursement rates for
the upcoming calendar year. A second comparison of the actual per diem costs of the county
14 psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports
for the period are available including an inflationary adjustment for the six-month difference
16 in fiscal reporting periods between State and county hospitals. The county hospital
carry-forward adjustment to be included in rates paid by the State will exclude costs found
18 to exceed 100 percent of the actual cost rate of the State psychiatric facilities.

20 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the
following provision: payments to county psychiatric hospitals will only be made after receipt
22 of their claims by the Division of Mental Health and Addiction Services. County psychiatric
hospitals shall submit such claims no less frequently than quarterly and within 15 days of the
24 close of each quarter.

26 With the exception of all past, present, and future revenues representing federal financial
participation received by the State from the United States that is based on payments to
hospitals that serve a disproportionate share of low-income patients, which shall be retained
28 by the State, the sharing of revenues received to defray the State Aid appropriation for the
costs of maintaining patients in State and county psychiatric hospitals shall be based on the
30 same percent as costs are shared between the State and counties.

32 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance
of patients in county psychiatric facilities shall be limited to inpatient services only, except
that such reimbursement shall be paid to a county for outpatient and partial hospitalization
34 services as defined by the Department of Human Services, if outpatient and/or partial
hospitalization services had been previously provided at the county psychiatric facility prior
36 to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed
the amount of State Aid funds paid to reimburse outpatient and partial hospitalization
38 services provided during calendar year 1997. In addition, any revision or expansion to the
number of inpatient beds or inpatient services provided at such hospitals which will have a
40 material impact on the amount of State Aid payments made for such services, must first be
approved by the Department of Human Services before such change is implemented.

42 The amount hereinabove appropriated for the Division of Mental Health and Addiction Services
for State facility operations and the amount appropriated as State Aid for the costs of county
44 facility operations are first charged to the federal Disproportionate Share Hospital (DSH)
reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues
46 earned by the State related to services provided by county psychiatric hospitals which are
supported through this State Aid appropriation shall be considered as the first source
48 supporting the State Aid appropriation.

50 In addition to the amounts hereinabove appropriated for the Support of Patients in County
Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental
Health and Addiction Services determines that, in order to provide the least restrictive setting
52 appropriate, a patient should be admitted to a county psychiatric hospital in a county other
than the one in which the patient is domiciled rather than to a State psychiatric hospital, there
54 are hereby appropriated such additional amounts as may be required, as determined by the
Assistant Commissioner to reimburse a county for the extra costs, if any, which were
56 incurred in connection with the care of such patient in a county psychiatric hospital which
exceeded the cost of care which would have been incurred had the patient been placed in a
58 State psychiatric hospital, subject to the approval of the Director of the Division of Budget
and Accounting.

60 The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals
is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll
62 and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2)
complete or pursue in good faith the completion of eligibility applications for patients who

could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the county psychiatric hospitals providing and certifying all information that is required by the State, in the form specified by the Division of Mental Health and Addiction Services, to prepare a complete, accurate, and timely claim to federal authorities for Medicaid Disproportionate Share Hospital claim revenues.

Notwithstanding the provisions of R.S.30:4-78, or any other law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: for rates effective January 1, 2013, and any prior year rate adjustments that may be required beginning January 1, 2013, the approval of the State House Commission shall not be required for the setting of such rates and the Commissioner of Human Services, in consultation with the Commissioner of Health, shall set: (1) the per capita cost rates to be paid by the State to the several counties on behalf of the reasonable cost of maintenance of State and county patients in any county psychiatric facility, including outpatient psychiatric services, (2) the per capita rates which each county shall pay to the Treasurer for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility having a legal settlement in such county ("County Patients"), (3) the rates to be paid for the reasonable cost of maintenance and clothing of the convict and criminal mentally ill in any State psychiatric facility and the cost of maintenance of County Patients residing in State developmental centers or receiving other residential functional services for the developmentally disabled. Such rates will be fixed no later than October 1 of each calendar year. Notice of such rates shall be provided by the Commissioner of Human Services to the clerk of the respective boards of chosen freeholders.

In the event that the Division of Mental Health and Addiction Services is notified that a county psychiatric hospital will cease operations for the current fiscal year, or any portion thereof, in order to assure continuity of care for patients who otherwise would have been served by the county hospital, as well as to preserve patient and public safety, the Division shall have the authority to transfer funds from the Support of Patients in County Psychiatric Hospitals account to Direct State Services and Grants-In-Aid accounts in the Division of Mental Health and Addiction Services, for the fiscal year, subject to a plan approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, with respect to the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals, commencing January 1, 2010, the State shall pay to each county an amount equal to 35 percent of the total per capita costs for the reasonable cost of maintenance and clothing of county patients in State psychiatric facilities.

Notwithstanding the provisions of subparagraph (8) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3) and subparagraphs (3), (4), and (5) of subsection g. of section 6 of P.L.1968, c.413 (C.30:4D-6), or any other law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following conditions: in order to encourage home and community services as an alternative to nursing home placement, consistent with the federally approved Section 1115 Medicaid demonstration waiver and any approved amendments thereto, the Commissioner of Human Services is authorized to adjust financial eligibility and other requirements and services for medically needy eligibility groups and the Managed Long Term Services and Supports population, subject to the approval of the Director of the Division of Budget and Accounting and subject to any other required federal approval.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated in the General Medical Services program classification are subject to the following condition: effective January 1, 2015, the Commissioner of Human Services is authorized to provide any or all types and levels of services that are provided through the Medicaid State Plan's Alternative Benefit Plan to any or all of the types of qualified applicants described in subparagraphs (1), (2), (4), (6), (7), (9), (10), (11), (12), (13), (16(a)), (17), (18) and (19) of subsection i. of section 3 of P.L.1968, c.413 (C.30:4D-3), subject to the approval of the Director of the Division of Budget and Accounting and subject to any required federal approval.

Notwithstanding the provisions of any law or regulation to the contrary, all object accounts appropriated in the General Medical Services program classification shall be conditioned upon the following provision: when any action by a county welfare agency, whether alone or in combination with the Division of Medical Assistance and Health Services, results in a recovery of improperly granted medical assistance, the Division of Medical Assistance and Health Services may reimburse the county welfare agency in the amount of 25 percent of the gross recovery.

2 In addition to the amounts hereinabove appropriated for payments to providers on behalf of
3 medical assistance recipients, such additional amounts as may be required are appropriated

7 pursuant to P.L.2005, c.156 (C.30:4J-8 et al.).

8 Of the amount hereinabove appropriated within the General Medical Services program
9 classification, the Division of Medical Assistance and Health Services, subject to federal
10 approval, shall implement policies that would limit the ability of persons who have the
11 financial ability to provide for their own long-term care needs to manipulate current NJ
12 FamilyCare rules to avoid payment for that care. The Division shall require, in the case of

31 optional services, while containing expenditures.

32 The appropriations within the General Medical Services program classification are subject to the
33 following conditions: the Division of Medical Assistance and Health Services, in
34 coordination with the county welfare agencies, shall continue a program to outstation
35 eligibility workers in disproportionate share hospitals and federally qualified health centers,
36 provided, however, that if an alternate eligibility function at an outstanding location
37 complies with the outstation process at 42 U.S.C. s.1396a(a)(55), the county welfare agency
38 worker may be removed from the outstation location.

39 For the purposes of account balance maintenance, all object accounts appropriated in the General
40 Medical Services program classification shall be considered as one object. This will allow
41 timely payment of claims to providers of medical services but ensure that no overspending
42 will occur in the program classification.

43 The amounts hereinabove appropriated for the General Medical Services program classification
44 are conditioned upon the Commissioner of Human Services making changes to such
45 programs to make them consistent with the federal "Deficit Reduction Act of 2005,"

10 Services coordinating the benefits of the PAAD programs with the prescription drug benefits
11 of the federal "Medicare Prescription Drug, Improvement, and Modernization Act of 2003,"
12 Pub.L.108-173, as the primary payer due to the current federal prohibition against State
13 automatic enrollment of PAAD program recipients in the federal program. The PAAD

19 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
20 appropriated for the Pharmaceutical Assistance to the Aged and Disabled program is subject
21 to the following condition: any third party, as defined in subsection m. of section 3 of
22 P.L.1968, c.413 (C.30:4D-3), or in 42 U.S.C. s.1396a(a)(25)(A), including, but not limited

27 eligibility and/or adjudicated claims files for the purpose of the coordination of benefits,
28 utilizing, if necessary, social security numbers as common identifiers.

29 All funds recovered pursuant to P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194
30 (C.30:4D-20 et seq.) during the preceding fiscal year are appropriated for payments to

34 Pharmaceutical Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives
35 included in the current fiscal year appropriations act may be transferred to administration
36 accounts to fund costs incurred in realizing these additional receipts or savings, subject to
37 the approval of the Director of the Division of Budget and Accounting.

38 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)

40 Program, P.L.2001, c.96 (C.30:4D-43 et seq.), shall be the last resource benefits,
41 notwithstanding any provisions contained in contracts, wills, agreements, or other
42 instruments. Any provision in a contract of insurance, will, trust agreement, or other
43 instrument which reduces or excludes coverage or payment to an individual because of that
44 individual's eligibility for, or receipt of, PAAD or Senior Gold Prescription Discount
45 Program benefits shall be void, and no PAAD and Senior Gold Prescription Discount
46 Program payments shall be made as a result of any such provision.

47 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated

50 prescription drug claims with no Medicare Part D coverage except under the following
51 conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be
52 calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National
53 Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance
54 with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition
55 Cost less a volume discount, in the absence of a NADAC price, that is consistent with the
56 NJ FamilyCare Program; (iii) the federal upper limit; or (iv) the State upper limit (SUL); and
57 (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name
58 multi-source drugs and multi-source drugs in the absence of any alternative pricing
59 benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be
60 calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with
61 the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of
62 cost acquisition data submitted by providers of pharmaceutical services for brand-name
63 multi-source and multi-source drugs, where an alternative pricing benchmark is not

2 provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the
3 calculation of single-source and brand-name multi-source legend and non-legend drug costs
4 where an alternative pricing benchmark is not available, the Department of Human Services
5 shall mandate ongoing submission of current drug acquisition data by providers of
6 pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that
7 fails to submit required data.

8 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
9 for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
10 P.L.1975, c.194 (C.30:4D-20 et seq.), or the Senior Gold Prescription Discount Program
11 (Senior Gold), pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended, when
12 PAAD or Senior Gold is the primary payer, unless participating pharmaceutical
13 manufacturing companies execute contracts with the Department of Human Services. Name
14 brand manufacturers must provide for the payment of rebates to the State on the same basis
15 as provided for in subsections (a) through (c) of section 1927 of the federal Social Security
16 Act, 42 U.S.C. s.1396r-8.

17 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated

20 pursuant to P.L.2001, c.96 (C.30:4D-43 et seq.), shall be expended unless participating
21 pharmaceutical manufacturing companies execute contracts with the Department of Human
22 Services, providing for the payment of rebates to the State. Furthermore, rebates from
23 pharmaceutical manufacturing companies for prescriptions purchased by the PAAD program
24 and the Senior Gold Prescription Discount Program shall continue during the current fiscal
25 year, provided that the manufacturer's rebates for PAAD claims paid as secondary to
26 Medicare Part D and for the Senior Gold Prescription Discount Program shall apply only to
27 the amount paid by the State under the PAAD and Senior Gold Prescription Discount
28 Programs. All revenues from such rebates during the current fiscal year are appropriated for
29 the PAAD program and the Senior Gold Prescription Discount Program.

30 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
31 Aged and Disabled and the Senior Gold Prescription Discount programs, there are
32 appropriated such additional amounts from the General Fund and available federal matching
33 funds as may be required for the payment of claims, credits, and rebates, subject to the
34 approval of the Director of the Division of Budget and Accounting.

35 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
36 the Pharmaceutical Assistance to the Aged and Disabled program and the Senior Gold
37 Prescription Discount Program are conditioned upon the Department of Human Services
38 coordinating benefits with any voluntary prescription drug mail-order or specialty pharmacy
39 in a Medicare Part D provider network or private third party liability plan network for
40 beneficiaries enrolled in a Medicare Part D program or beneficiaries with primary
41 prescription coverage that requires use of mail order. The mail-order program may waive,
42 discount, or rebate the beneficiary copayment and mail-order pharmacy providers may
43 dispense up to a 90-day supply on prescription refills with the voluntary participation of the
44 beneficiary, subject to the approval of the Commissioner of Human Services and the Director
45 of the Division of Budget and Accounting.

46 Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
47 Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
48 State automatic enrollment of Pharmaceutical Assistance to the Aged and Pharmaceutical
49 Assistance to the Aged and Disabled (PAAD) programs and Senior Gold Prescription
50 Discount Program recipients, no funds hereinabove appropriated to the PAAD program or
51 Senior Gold Prescription Discount Program accounts shall be expended for any individual
52 unless the individual enrolled in the PAAD program or Senior Gold Prescription Discount
53 Program provides all data necessary to enroll the individual in Medicare Part D, including
54 data required for the subsidy assistance, as outlined by the Centers for Medicare and
55 Medicaid Services.

56 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
57 appropriated for the Pharmaceutical Assistance to the Aged and Pharmaceutical Assistance
58 to the Aged and Disabled (PAAD) programs, and Senior Gold Prescription Discount
59 Program shall be conditioned upon the following provision: no funds shall be appropriated
60 for the refilling of a prescription drug when paid by PAAD or the Senior Gold Prescription
61 Discount Program as the primary payer until such time as the original prescription is 85
62 percent finished.

63 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
64 appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program

2 or the Senior Gold Prescription Discount Program shall be expended for diabetic testing
materials and supplies which are covered under the federal Medicare Part B program, or for
4 vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or
cosmetic drugs, including, but not limited to: drugs used for baldness, weight loss, and skin
conditions.

6 Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
8 or the Senior Gold Prescription Discount Program shall be expended to cover medications
not on the formulary of a PAAD program or Senior Gold Prescription Discount Program
10 beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered
by the PAAD program and Senior Gold Prescription Discount Program which are
12 specifically excluded by the federal Medicare Prescription Drug Program. In addition, this
exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription
14 Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical
necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

16 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), the Senior Gold
18 Prescription Discount Program, P.L.2001, c.96 (C.30:4D-43 et seq.), and Community Based
Senior Programs are available for the payment of obligations applicable to prior fiscal years.

20 From the amount hereinabove appropriated for the Pharmaceutical Assistance to the Aged -
Claims and Senior Gold Prescription Discount Program, an amount not to exceed \$2,850,000
22 may be transferred to various accounts as required, including Direct State Services accounts,

in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and Senior
26 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or the Senior Gold Prescription Discount Program benefit to any pharmacy that is
28 not enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

30 Notwithstanding the provisions of any law or regulation to the contrary, in order to maximize
drug coverage under Medicare Part D, the appropriation for the Senior Gold Prescription
32 Discount Program is conditioned on the Senior Gold Prescription Discount Program being
designated the authorized representative for the purpose of coordinating benefits with the
34 Medicare drug program, including appeals of coverage determinations. The Senior Gold
Prescription Discount Program is authorized to represent program beneficiaries in the pursuit
of such coverage. Senior Gold Prescription Discount Program representation shall include,
36 but not be limited to, the following actions: pursuit of appeals, grievances, and coverage
determinations.

38 In order to permit flexibility in implementing ElderCare Initiatives hereinabove appropriated as
part of Community Based Senior Programs, amounts may be transferred between Direct
40 State Services and Grants-In-Aid accounts, subject to the approval of the Director of the
Division of Budget and Accounting. Notice thereof shall be provided to the Legislative
42 Budget and Finance Officer on the effective date of the approved transfer.

44 In addition to the amount hereinabove appropriated for the Pharmaceutical Assistance to the
Aged and Disabled program, there are appropriated such additional amounts as may be
46 required from the Casino Revenue Fund and available federal matching funds for the
payment of claims, credits, and rebates, subject to the approval of the Director of the
Division of Budget and Accounting.

48 Notwithstanding the provisions of any law or regulation to the contrary, a sufficient portion of
receipts generated or savings realized in the Casino Revenue Fund or Pharmaceutical
50 Assistance to the Aged and Disabled Grants-In-Aid accounts from initiatives included in the
current fiscal year's annual appropriations act may be transferred to administration accounts
52 to fund costs incurred in realizing these additional receipts or savings, subject to the approval
of the Director of the Division of Budget and Accounting.

54 The amounts hereinabove appropriated for payments for the Pharmaceutical Assistance to the
Aged and Disabled program, P.L.1975, c.194 (C.30:4D-20 et seq.), are available for the
56 payment of obligations applicable to prior fiscal years.

58 Benefits provided under the Pharmaceutical Assistance to the Aged and Disabled (PAAD)
program, P.L.1975, c.194 (C.30:4D-20 et seq.), shall be the last resource benefits,
notwithstanding any provision contained in contracts, wills, agreements, or other
60 instruments. Any provision in a contract of insurance, will, trust agreement, or other
instrument which reduces or excludes coverage or payment to an individual because of that
62 individual's eligibility for or receipt of PAAD benefits shall be void, and no PAAD payments
shall be made as a result of any such provision.

2 Of the amount hereinabove appropriated in the Pharmaceutical Assistance to the Aged and
Disabled-Claims program, notwithstanding the provisions of section 3 of P.L.1975, c.194
4 (C.30:4D-22) or any law or regulation to the contrary, the copayment in the Pharmaceutical
Assistance to the Aged and Disabled program shall be \$5 for generic drugs and \$7 for brand
name drugs.

6 Notwithstanding the provisions of any law or regulation to the contrary, subject to the approval
of a plan by the Commissioner of Human Services, no funds appropriated for the
8 Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended, when PAAD is the primary payer,
10 unless participating pharmaceutical manufacturing companies execute contracts with the
Department of Human Services. Name brand manufacturers must provide for the payment
12 of rebates to the State on the same basis as provided for in subsections (a) through (c) of
section 1927 of the federal Social Security Act, 42 U.S.C. s.1396r-8.

14 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program, pursuant to
16 P.L.1975, c.194 (C.30:4D-20 et seq.), shall be expended unless participating pharmaceutical
manufacturing companies execute contracts with the Department of Human Services,
18 providing for the payment of rebates to the State. Furthermore, rebates from pharmaceutical
manufacturing companies for prescriptions purchased by the PAAD program shall continue
20 during the current fiscal year, provided that the manufacturers' rebates for PAAD claims paid
as secondary to Medicare Part D shall apply only to the amount paid by the State under the
22 PAAD program. All revenues from such rebates during the current fiscal year are
appropriated for the PAAD program.

24 Notwithstanding the provisions of any law or regulation to the contrary, the appropriations for
the Pharmaceutical Assistance to the Aged and Disabled program are conditioned upon the
26 Department of Human Services coordinating benefits with any voluntary prescription drug
mail-order or specialty pharmacy in a Medicare Part D provider network or private third
28 party liability plan network for beneficiaries enrolled in a Medicare Part D program or
beneficiaries with primary prescription coverage that requires use of mail-order. The
30 mail-order program may waive, discount, or rebate the beneficiary copayment and mail-order
pharmacy providers may dispense up to a 90-day supply on prescription refills with the
32 voluntary participation of the beneficiary, subject to the approval of the Commissioner of
Human Services and the Director of the Division of Budget and Accounting.

34 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated to the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
36 is conditioned upon the Department of Human Services coordinating the benefits of the
PAAD program with the prescription drug benefits of the federal "Medicare Prescription
38 Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, as the primary payer
due to the current federal prohibition against State automatic enrollment of PAAD program
40 recipients in the federal program. The PAAD program benefit and reimbursement shall only
be available to cover the beneficiary cost share to in-network pharmacies and for deductible
42 and coverage gap costs, as determined by the Commissioner of Human Services, associated
with enrollment in Medicare Part D for beneficiaries of the PAAD and the Senior Gold
44 Prescription Discount Program, and for Medicare Part D premium costs for PAAD program
beneficiaries.

46 Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated
in the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program and the Senior
48 Gold Prescription Discount Program accounts shall be available as payment as a PAAD
program or Senior Gold Prescription Discount Program benefit to any pharmacy that is not
50 enrolled as a participating pharmacy in a pharmacy network under Medicare Part D.

Consistent with the requirements of the federal "Medicare Prescription Drug, Improvement, and
52 Modernization Act of 2003," Pub.L.108-173, and the current federal prohibition against
State automatic enrollment of Pharmaceutical Assistance to the Aged and Disabled (PAAD)
54 program recipients, no funds hereinabove appropriated from the PAAD account shall be
expended for any individual enrolled in the PAAD program unless the individual provides
56 all data that may be necessary to enroll the individual in Medicare Part D, including data
required for the subsidy assistance, as outlined by the Centers for Medicare and Medicaid
58 Services.

60 Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove
appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program
shall be conditioned upon the following provision: no funds shall be appropriated for the
62 refilling of a prescription drug paid by PAAD as a primary payer until such time as the
original prescription is 85 percent finished.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended to cover medications not on the formulary of a PAAD program beneficiary's Medicare Part D plan. This exclusion shall not apply to those drugs covered by PAAD which are specifically excluded by the federal Medicare Prescription Drug Program. In addition, this exclusion shall not impact the beneficiary's rights, guaranteed by the "Medicare Prescription Drug, Improvement, and Modernization Act of 2003," Pub.L.108-173, to appeal the medical necessity of coverage for drugs not on the formulary of a Medicare Part D plan.

Notwithstanding the provisions of any law or regulation to the contrary, no amounts hereinabove appropriated for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program shall be expended for diabetic testing materials and supplies which are covered under the federal Medicare Part B program, or for vitamins, cough/cold medications, drugs used for the treatment of erectile dysfunction, or cosmetic drugs including but not limited to: drugs used for baldness, weight loss, and skin conditions.

Notwithstanding the provisions of any law or regulation to the contrary, no funds appropriated in the Pharmaceutical Assistance to the Aged and Disabled program classification and the Senior Gold Prescription Discount Program account shall be expended for fee-for-service prescription drug claims with no Medicare Part D coverage except under the following conditions: (1) the maximum allowable cost for legend and non-legend drugs shall be calculated based on Actual Acquisition Cost (AAC) defined as the lowest of (i) the National Average Drug Acquisition Cost (NADAC) Retail Price Survey, developed in accordance with subsection (f) of section 1927 of the Social Security Act; (ii) Wholesale Acquisition Cost less a volume discount, in the absence of a NADAC price, that is consistent with the NJ FamilyCare Program; (iii) the federal upper limit or (iv) the State upper limit (SUL); and (v) cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source drugs and multi-source drugs in the absence of any alternative pricing benchmarks; (2) pharmacy reimbursement for legend and non-legend drugs shall be calculated based on (i) the lower of the AAC plus a professional fee, that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge; or (ii) the lower of cost acquisition data submitted by providers of pharmaceutical services for brand-name multi-source and multi-source drugs, where an alternative pricing benchmark is not available, plus a professional fee that is consistent with the NJ FamilyCare Program; or a provider's usual and customary charge. To effectuate the calculation of SUL rates and/or the calculation of single-source and brand-name multi-source legend and non-legend drug costs where an alternative pricing benchmark is not available, the Department of Human Services shall mandate ongoing submission of current drug acquisition data by providers of pharmaceutical services. No funds hereinabove appropriated shall be paid to any entity that fails to submit required data.

All funds recovered under P.L.1968, c.413 (C.30:4D-1 et seq.) and P.L.1975, c.194 (C.30:4D-20 et seq.), during the current fiscal year are appropriated for payments to providers in the same program classification from which the recovery originated.

Notwithstanding the provisions of any law or regulation to the contrary, of the amount hereinabove appropriated for the Community Based Senior Programs (CRF) account, \$172,000 shall be charged to the Casino Simulcasting Fund.

The determination of eligibility of the specific programs, projects, and uses recommended to be funded by this appropriation shall be made by the Executive Director of the Governor's Disaster Recovery Office, who shall establish an application and review process based on Statewide need, in compliance with federal eligibility requirements, subject to the approval of the Director of the Division of Budget and Accounting. Funding recommendations shall be subject to the approval of the Joint Budget Oversight Committee (JBOC); provided, however, there is appropriated \$300,000,000 from federal funds provided to the State of New Jersey pursuant to the SFRF, an amount not to exceed \$60 million of which may be directly allocated on a one-time basis to pandemic-related programs without JBOC approval and not subject to N.J.S.A. 52:14-34.4, and the remainder of which may be directly allocated to pandemic-related programs not to exceed \$20,000,000 for each such allocation, without JBOC approval and not subject to N.J.S.A. 52:14-34.4, subject to SFRF eligibility rules as determined by the Executive Director of the Governor's Disaster Recovery Office, subject to the approval of the Director of the Division of Budget and Accounting. Notice shall be provided to JBOC with respect to each such appropriation. With respect to recommended appropriations of more than \$20,000,000, except the one-time \$60,000,000 allocation authorized herein, and with respect to appropriations exceeding a total of \$300,000,000, approval of the Joint Budget Oversight Committee shall be required; provided, however, that all such recommended appropriations submitted by the Executive Director of the Governor's Recovery Office shall be considered by JBOC at a meeting which shall occur not less frequently than quarterly, with the first quarter of the fiscal year beginning on July 1 and ending on September 30. JBOC shall meet during the third month of the first quarter of the fiscal year. In the event that JBOC fails to meet during a given quarter, any recommendation submitted to JBOC more than 45 days prior to the last day of the quarter shall be deemed approved. Nothing in this paragraph shall be construed to limit the ability of JBOC to meet more than once quarterly.

- c. subject to the approval of the Director of the Division of Budget and Accounting, appropriations shall include necessary administrative costs of the respective agencies in administering the individual programs and for the SFRF grants management costs incurred by the Department of Community Affairs, Division of Disaster Recovery & Mitigation, as the State's designated grants manager, in its oversight of the entire portfolio of funds, consistent with SFRF requirements. The administrative costs authorized in this subparagraph for an individual program shall be no more than 5 percent of the cost of that program. In the event that the administrative costs of the agencies and the division administering the programs and projects funded by the SFRF are not permitted to be paid from the federal monies received by the State, there are appropriated from the General Fund such additional sums as are required, subject to the limitations contained in this subparagraph and subject to the approval of the Director of the Division of Budget and Accounting and subject to the approval of the Joint Budget Oversight Committee.

24 Notwithstanding the provisions of any law or regulation to the contrary, \$50,000,000 from
 26 funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund"
 28 established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2 is
 30 appropriated to the New Jersey Economic Development Authority to study and plan for
 32 new health care facilities at the University Hospital site to meet community health care
 34 needs in the City of Newark, and to fund site development and capital construction. The
 study shall take into consideration how new facilities would complement existing health
 care services and facilities in the region, and shall be submitted to the Governor, the
 Legislature, and the University Hospital Board of Directors upon completion. Funding will
 be made available subject to a determination by the Executive Director of the Governor's
 Disaster Recovery Office that the proposed use of the funds is an eligible purpose under
 the American Rescue Plan Act of 2021, subject to the approval of the Director of the
 Division of Budget and Accounting.

36 Notwithstanding the provisions of any law or regulation to the contrary, \$305,000,000 from
 38 funding allocated to the State from the federal "Coronavirus State Fiscal Recovery Fund"
 established pursuant to the federal "American Rescue Plan Act of 2021," Pub. L. 117-2 is
 appropriated for deposit into the affordable housing production fund.

40 Out of the appropriations herein, the Director of the Division of Budget and Accounting is
 42 empowered to approve payments to liquidate any unrecorded liabilities for materials
 delivered or services rendered in prior fiscal years, upon the written recommendations of
 44 any department head or the department head's designated representative. The Director of
 the Division of Budget and Accounting shall reject any recommendations for payment
 which the director deems improper.

46 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
 48 claims to providers of medical services, amounts may be transferred to and from the
 various items of appropriation within the General Medical Services program classification,
 and within the federal matching funding, in the Division of Medical Assistance and Health
 50 Services and Division of Disability Services in the Department of Human Services, and
 within the Medical Services for the Aged program classification, and within the federal
 52 matching funding, in the Division of Aging Services in the Department of Human
 Services, subject to the approval of the Director of the Division of Budget and Accounting.
 54 Notice thereof shall be provided to the Legislative Budget and Finance Officer on the
 effective date of the approved transfer.

56 Notwithstanding the provisions of any law, regulation or Executive Order to the contrary, any
 58 purchase by the State or by a State agency or local government unit of equipment, goods
 or services related to homeland security and domestic preparedness, that is paid for or
 60 reimbursed by federal funds awarded by the U.S. Department of Homeland Security or
 other federal agency, appropriated in the current fiscal year, may be made through the
 receipt of public bids or as an alternative to public bidding and subject to the provisions

of this paragraph, through direct purchase without advertising for bids or rejecting bids already received but not awarded. The equipment, goods or services purchased by a local government unit shall be referred to in the grant agreement issued by the State administrative agency administering such funds and shall be authorized by resolution of the governing body of the local government unit entering into the grant agreement. Such resolution may, without subsequent action of the local governing body, simultaneously accept the grant from the State administrative agency, authorize the insertion of the revenue and offsetting appropriation in the budget of the local government unit, and authorize the contracting agent of the local government unit to procure the equipment, goods or services. A copy of such resolution shall be filed with the chief financial officer of the local government unit, the State administrative agency and the Division of Local Government Services in the Department of Community Affairs. Purchases made without public bidding shall be from vendors that shall either (1) be holders of a current State contract for the equipment, goods or services sought, or (2) be participating in a federal procurement program established by a federal department or agency, or (3) have been approved by the State Treasurer in consultation with the New Jersey Domestic Security Preparedness Task Force. All homeland security purchases herein shall continue to be subject to all grant requirements and conditions approved by the State administrative agency. The Director of the Division of Purchase and Property may enter into or participate in purchasing agreements with one or more other states, or political subdivisions or compact agencies thereof, for the purchase of such equipment, goods or services, using monies appropriated under this act, to meet the domestic preparedness and homeland security needs of this State. Such purchasing agreement may provide for the sharing of costs and the methods of payments relating to such purchases. Furthermore, a county government awarding a contract for Homeland Security equipment, goods or services, may, with the approval of the vendor, extend the terms and conditions of the contract to any other county government that wants to purchase under that contract, subject to notice and documentation requirements issued by the Director of the Division of Local Government Services.

Of the amounts appropriated for Income Maintenance Management, amounts may be transferred to the various departments in accordance with the Division of Family Development's agreements, subject to the approval of the Director of the Division of Budget and Accounting. Any unobligated balances remaining from funds transferred to the departments shall be transferred back to the Division of Family Development subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the federal funds hereinabove appropriated, there are appropriated to the appropriate executive agencies, subject to the approval of the Director of the Division of Budget and Accounting, such additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program or any other similar federal program for the purposes, projects, and programs set forth in such law; provided, however, that if the federal law does not delineate the specific purposes, projects, and programs to be funded by the federal funds, the purposes, projects, and programs to be funded by the federal funds shall be subject to the approval of the Joint Budget Oversight Committee, and further provided, however, that the State Treasurer shall report to the President of the Senate, the Speaker of the General Assembly, the Chair of the Senate Budget and Appropriations Committee, and the Chair of the Assembly Budget Committee at least quarterly on the receipt and utilization of all additional federal funds received during this fiscal year pursuant to any federal law authorizing a federal economic stimulus program.

Officials from the appropriate executive agencies are hereby authorized to take such steps, if any, as may be necessary to qualify for, apply for, receive and expend such federal funds and to make such commitments, representations and other agreements as may be required by the federal government to receive federal funds under federal law authorizing the federal economic stimulus program or any other similar federal law. Furthermore, and notwithstanding the provisions of any other law or regulation to the contrary, officials from the appropriate executive agencies may encumber any of these federal funds appropriated pursuant to this provision prior to entering into any contract, grant or other agreement obligating the federal funds, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, federal funds provided under the State Energy Program (SEP) and the Energy Efficiency and Conservation Block

Grant Program (Block Grant Program), pursuant to the American Recovery and Reinvestment Act, Pub.L.111-5 and any other similar type of federal stimulus law which may be hereinafter enacted (collectively referred to as ARRA), are appropriated. Subject to the approval of the Director of the Division of Budget and Accounting as set forth below, such appropriations are to include the administrative costs of the respective agencies in administering the specified programs provided such use is consistent with ARRA and federal approvals. In the event that the administrative costs are not permitted to be paid from the ARRA monies received by the State, there is hereby appropriated from the Clean Energy Fund, subject to the approval of the Director of the Division of Budget and Accounting such amounts as shall be necessary to pay for the administrative costs of the agencies administering the specified programs listed below. Notwithstanding the specific appropriations made below, in the event that the federal funds received under ARRA are not in their entirety or in part allocated to the specific purposes listed below, to permit flexibility in the handling of appropriations, amounts may be transferred to and from the various items of the appropriations listed below or may be used for such other purposes permitted under ARRA subject to the approval of the Director of the Division of Budget and Accounting and upon the recommendation of the State Treasurer. The federal funds provided pursuant to ARRA with respect to the SEP shall be used only for purposes allowed under part D of Title III of the Energy Policy and Conservation Act (42 U.S.C. 6321 et seq.), and the federal funds provided pursuant to ARRA with respect to the Block Grant Program shall be used only for implementation of programs authorized under subtitle E of Title V of the Energy Independence and Security Act of 2007 (42 U.S.C. 17151 et seq.). With respect to all federal funds which are appropriated pursuant to this provision, New Jersey Economic Development Authority (NJEDA), New Jersey Housing Mortgage Finance Agency (HMFA), the Office of Energy Savings, and the Board of Public Utilities (BPU) shall prepare and timely submit to the United States Department of Energy (USDOE) the reports required under subsection (c) of section 1512 of Pub.L.111-5, including without limitation the detailed information required with respect to all projects or activities for which such federal funds were expended or obligated.

a. SEP. SEP monies received by the State under ARRA are hereby appropriated to the Clean Energy Fund and shall be allocated by the BPU as follows. The BPU shall enter into memoranda of understanding with the applicable agencies listed below which memoranda of understanding shall provide for the transfer of such monies to the applicable agencies for the purposes listed below.

(1) \$14,216,606 to the NJEDA for a grant and loan program to be developed and administered by the NJEDA to fund public and private renewable energy, energy efficiency and alternative energy projects, with applications prioritized based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(2) \$20,187,801 for a program to be developed and administered by the BPU for grants to State departments, agencies, authorities and public colleges and universities for renewable and energy efficiency projects at such entities, including but not limited to, wind, solar, or hydro energy, biofuels, geothermal, and energy storage applications, with applications prioritized by an interagency evaluation team consisting of one representative each from each of the following, BPU, NJEDA, Office of Economic Growth, New Jersey Commission on Science and Technology, and the Office of Energy Savings, based on the ability to create jobs, reduce greenhouse gas emissions, save or create energy, and provide for innovative technology;

(3) \$9,110,306.50 to the HMFA for a program to be developed and administered by the HMFA to provide financing for the construction of solar energy projects on qualified multi-family housing financed through the HMFA, such funds to be leveraged with existing State energy rebate programs and the federal investment tax credit, with grants prioritized based on the ability to create jobs, generate energy, provide benefits to property residents and to meet HMFA timeframes, and with HMFA retaining ownership of all related solar renewable energy certificates for the purpose of establishing a revolving fund to support additional solar energy projects at HMFA-supported residential properties;

(4) \$1,331,402 to the HMFA for a low-interest loan program to be developed and administered by the HMFA for energy efficiency upgrades at single-family and multi-family facilities that are at or below 250 percent of the area median income (the higher of statewide or county median income) based on a family of four, and affordable multi-family housing owners which meet HMFA's affordability requirements, and which

are not eligible for equivalent financing programs offered by the utilities or the Clean Energy Program;

(5) \$15,500,870.50 to the Clean Energy Program for energy efficiency programs administered by the BPU, to be issued to public and private entities on a first-come, first-served basis and specifically targeting customers who are either not currently eligible for Clean Energy Fund incentives or whose energy consumption patterns do not make them likely applicants;

(6) \$6,328,000 to the Office of Energy Savings in the Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons;

(7) \$4,871,651 to the State Energy Office for implementing energy conservation measures in State-owned and operated facilities; and

(8) \$2,093,363 for grants administered by the BPU to State departments, agencies, authorities and public colleges and universities for energy efficient equipment purposes which will reduce energy demand and greenhouse gas emissions by replacing aging, energy intense equipment with new, more efficient models.

In the event that any of the SEP monies appropriated pursuant to the preceding paragraph are not expended by the date required by the USDOE, the appropriations of such funds pursuant to the preceding paragraph are hereby cancelled, and such unexpended funds are hereby appropriated, subject to the approval of the USDOE and the Director of the Division of Budget and Accounting to the New Jersey Department of the Treasury to establish a revolving energy efficiency project fund (Energy Efficiency Project Fund) for the purposes of funding energy efficiency and renewable energy programs and projects in State facilities, including but not limited to State offices, State health facilities and State prisons.

The monies appropriated from the Energy Efficiency Project Fund shall be repaid to the Energy Efficiency Project Fund by the department receiving such monies as follows: of the amounts hereinabove appropriated in this Act to each department receiving monies from the Energy Efficiency Project Fund, there is hereby appropriated for deposit in the Energy Efficiency Project Fund an amount equivalent to the annual repayment due to the Energy Efficiency Project Fund or the actual savings achieved, whichever is greater.

b. Block Grant Program. Block Grant monies received by the State under ARRA are hereby appropriated as follows:

(1) \$4,160,700 to the Office of Energy Savings in the Department of the Treasury for the purposes of energy efficiency and renewable energy programs and projects in State facilities, including State offices, State health facilities and State prisons; and

(2) \$10,240,000 to the BPU for grants to cities, counties and other local units of government which are not eligible to receive directly from the federal government funds under the Block Grant Program.

Notwithstanding the provisions of any law or regulation to the contrary, the Department of Labor and Workforce Development shall consider consistent with applicable federal law a formal association of community based organizations to be a "local consortium" for the purposes of receiving funding for the delivery of English as a Second Language or Civics education/training.

In order to permit flexibility in the handling of appropriations and ensure the timely payment of claims to providers of medical services, amounts may be transferred among accounts in the Children's System of Care program classification. Amounts may also be transferred to and from various items of appropriation within the General Medical Services program classification of the Division of Medical Assistance and Health Services in the Department of Human Services and the Children's System of Care Services program classification in the Department of Children and Families. All such transfers are subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

The federal grant funds hereinabove appropriated are subject to the following condition: in the event that the agency receiving the funds from the federal government enters into an agreement with another agency as the subgrantee of such federal funds, the funds may be transferred to such subgrantee agency, subject to the approval of the Director of the Division of Budget and Accounting. Notice thereof shall be provided to the Legislative Budget and Finance Officer on the effective date of the approved transfer.

Notwithstanding the provisions of any law or regulation to the contrary, in order to permit flexibility in the management of federal grant funds, amounts appropriated or transferred

2 from such federal funds to State departments as subgrantees of other State departments
3 may be transferred back to an item of appropriation in the original grant recipient
4 department upon completion of the funded activity, subject to the approval of the Director
5 of the Division of Budget and Accounting. Notice thereof shall be provided to the
6 Legislative Budget and Finance Officer on the effective date of the approved transfer.

7 Notwithstanding the provisions of any law or regulation to the contrary, the federal funds
8 hereinabove appropriated to the Department of Transportation are subject to the following
9 condition: in order to ensure the continued flow of necessary federal funds for important
10 State and local transportation projects, in the event the Federal Highway Administration
11 (FHWA) objects to the form of the department's request for submission of competitive bids
12 or to the form or contents of related grant agreements funded with federal funds, the
13 department shall make any changes to such requests or contracts as may be determined by
14 the FHWA to be necessary to comply with federal law; and any other department, agency
15 or authority affected by such action is required to take any further actions required in order
16 for it to be in accordance with the changes required by FHWA.

17 In order to permit flexibility in the handling of appropriations and ensure the timely payment of
18 claims to providers of mental health and substance use disorder services, amounts may be
19 transferred to and from the various items of appropriation and within the federal matching
20 funding, within the General Medical Services program classification in the Division of
21 Medical Assistance and Health Services and the Community Services and Addiction
22 Services program classifications in the Division of Mental Health and Addiction Services,
23 subject to the approval of the Director of the Division of Budget and Accounting.

24 Notwithstanding the provisions of subsection d. of section 21 of P.L.1984, c.73 (C.27:1B-21),
25 or any other law or regulation to the contrary, transfers among the Federal Highway
26 Administration and the Federal Transit Administration federal appropriations by project,
27 under the category of Public Transportation, shall not require approval by the Joint Budget
28 Oversight Committee. Notice of a transfer approved by the Director of the Division of
29 Budget and Accounting pursuant to that section shall be provided to the Legislative Budget
30 and Finance Officer on the effective date of the approved transfer.

31 Notwithstanding the provisions of section 2 of PL.2021, c.200 (C.48:3-106.2) or any other law
32 or regulation to the contrary, the unexpended balance at the end of the preceding fiscal
33 year in the School and Small Business Energy Efficiency Stimulus Program Fund may be
34 reallocated for any of the purposes set forth in P.L.2021, c.200 as determined by the

receives an appropriation by law, may, subject to the provisions of this section, or unless
8 otherwise provided in this act, apply to the Director of the Division of Budget and Accounting
for permission to transfer funds from one item of appropriation to a different item of
10 appropriation. For the purposes of this section, "item of appropriation" means the spending
authority identified by an organization code, appropriation source, and program code, unique to
12 the item. If the Director consents to the transfer, the amount transferred shall be credited by the
Director to the designated item of appropriation and notice thereof shall be provided to the
14 Legislative Budget and Finance Officer on the effective date of the approved transfer. However,
the Director, after consenting thereto, shall submit the following transfer requests to the

24 (3) Requests for the transfer of State and other nonfederal funds, in amounts greater than
\$50,000, to or from any Special Purpose or Grant account in which the identifying organization

28 (4) Requests for the transfer of State funds, in amounts greater than \$50,000, between items
of appropriation in different departments or between items of appropriation in different
appropriation classifications herein entitled as Direct State Services, Grants-In-Aid, State Aid,
30 Capital Construction and Debt Service;

32 (5) Requests for the transfer of federal funds, in amounts greater than \$300,000, from one

34 excess of the appropriation authority for that item, as defined by the program class;

36 (6) Requests for such other transfers as are appropriate in order to ensure compliance with
the legislative intent of this act.

38 b. The Joint Budget Oversight Committee or its successor may review all transfer requests

46 requests for the transfer of funds, the request shall be deemed to be approved by the Legislative
Budget and Finance Officer if, within 20 working days of the physical receipt of the request, the
48 officer has not disapproved the request and so notified the requesting officer. However, this time
period shall not pertain to any transfer request under review by the Joint Budget Oversight
50 Committee or its successor, provided notice of such review has been given to the Director.

52 d. No amount appropriated for any capital improvement shall be used for any temporary
purpose except extraordinary snow removal or extraordinary transportation maintenance, subject

54 from any appropriation for an item of capital improvement may be transferred to any other item
of capital improvement subject to the approval of the Director, and, if in an amount greater than
56 \$300,000, subject to the approval of the Legislative Budget and Finance Officer.

58 e. The provisions of subsections a. through d. of this section shall not apply to appropriations
made to the Legislative or Judicial branches of State government. To permit flexibility in the
handling of these appropriations, amounts may be transferred to and from the various items of
60 appropriation by the appropriate officer or designee with notification given to the Director on the
effective date thereof.

62 f. Notwithstanding any provisions of this section to the contrary, transfers to and from the

12 thereunder, including disbursement and the audit thereof, shall be legally binding and of full
13 force and virtue. An official copy of each such written ruling shall be transmitted to the
14 Legislative Budget and Finance Officer, upon the effective date of the ruling.

16 19. The Legislative Budget and Finance Officer with the cooperation and assistance of the

24 and an approved department Information Technology Strategic Plan.

26 21. If the amount provided in this act for a State Aid payment pursuant to formula is
27 insufficient to meet the full requirements of the formula, all recipients of State Aid shall have
28 their allocation proportionately reduced, subject to the approval of the Director of the Division
29 of Budget and Accounting.

30 22. When the duties or responsibilities of any department or branch, except for the

52 department, branch or non-State fund source, or to reimburse the Department of the Treasury,
53 an Interdepartmental account, or the General Fund for reductions made representing Statewide
54 savings in the above expense classifications, as the Director shall determine. With respect to

State government agency pursuant to subsection (a) of section 5 of P.L.1954, c.48 (C.52:34-10).

42 30. Out of the amounts hereinabove appropriated, the Director of the Division of Budget and
44 Accounting is empowered to approve payment of obligations applicable to prior fiscal years,

SENATE BILL NO. 2023

To the Senate:

Today I am pleased to sign Senate Bill No. 2023, which formally enacts our State budget for Fiscal Year 2023. In this budget, my partners in the Legislature and I have succeeded in building on the historic fiscal progress made over the last four years, maintaining my commitment to prioritizing affordability, and prudently using this year's revenue gains and federal funds to deliver record tax relief and make transformative one-time investments. I am making only minor, technical changes in order to ensure consistency with legislative intent and with my agreement with legislative leadership concerning the State's spending plan for Fiscal Year 2023. Accordingly, I am appending to Senate Bill No. 2023, at the time of my signing it, this statement of items, or parts thereof, to which I object and which shall not take effect.

Governor Murphy Signs Fiscal Year 2023 Appropriations Act into Law

06/30/2022

Fiscally Responsible Plan includes a Record Surplus, another Full Pension Payment, and Substantially More Debt Reduction

Budget Makes New Jersey More Affordable by Delivering Record Tax Relief, Historic Levels of School Funding, Aid to Municipalities and Small Businesses

Transformative Investments will Modernize Operations, Continue to Spur Economic Development, and Jumpstart Whole Industries

TRENTON – Governor Phil Murphy today signed the Fiscal Year 2023 (FY2023) Appropriations Act into law. The FY2023 budget builds on the historic progress made over the last four years, maintaining the Governor’s commitment to prioritizing affordability, while delivering record tax relief and making transformative one-time investments.

The budget once again provides the highest level of school funding in history as the State continues to deliver on a seven-year plan to fully implement the constitutionally-sound school funding formula, makes a second consecutive full pension payment for the first time in more than a quarter century, and supports significant investments in the economy.

“This budget both invests in New Jersey’s future while preparing for an uncertain global economy,” **said Governor Murphy**. “We have wisely avoided using what may be temporary windfalls for long-term programs. At the same time, we are making significant investments in new capital projects that will make New Jersey a better state to live in while creating countless good-paying jobs. This budget continues to make New Jersey a stronger and more affordable state where opportunity can thrive.”

“This year’s budget includes record tax relief that will go directly to the residents of New Jersey. In a time where we are witnessing inflation rise at a rapid rate, the incentives in this budget, such as funding to build affordable housing, will help the households, families, and seniors in our state who need it most,” **said Lt. Governor Sheila Y. Oliver, who serves as Commissioner of the Department of Community Affairs**. “I am incredibly proud of Governor Murphy, the New Jersey Legislature, and this Administration as a whole for what we have been able to accomplish with this budget. We will continue to meet our promise of making New Jersey a stronger, fairer, more affordable state of opportunity.”

The Governor was joined by Senate President Nicholas Scutari, Assembly Speaker Craig Coughlin, State Treasurer Elizabeth Maher Muoio, Senate Budget Chair Paul Sarlo, and Assembly Budget Chair Eliana Pintor Marin at Cranford High School where he signed the Appropriations Act.

“Since our first days in office, fiscal responsibility has been a guiding principle. Four years later, we have received two of only four credit rating upgrades that the State has seen since the 1960s,” **said State Treasurer Muoio**. “Going into this year’s budget, the Governor made it clear we needed to continue on this path by building our surplus even higher, reducing our debt even further, meeting our obligations, and delivering tax relief. And that is exactly what we have done.”

This is a budget that puts the focus on our priorities of making New Jersey more affordable, addressing the financial needs of working people and expanding the state’s economy. It emphasizes tax relief, debt reduction, strategic investments and taxpayer safeguards in case of an economic downturn,” **said Senate President Scutari**. “It includes the largest property tax relief program and the largest surplus in state history, as well as investments in what could be transformational capital projects. We have the benefit of strong revenues, federal funds and a sound fiscal foundation, but we have to be prudent. We want to ensure that the savings and benefits in this budget are sustained.”

“No new taxes, more than two billion in historic tax relief and close to five billion in transformative infrastructure investments – this budget delivers for the working and middle-class people of our state,” **said Speaker Coughlin**. “Funding childcare, our schools, mass transit, healthcare, housing, help for our small businesses and paying down debt, our strong and fiscally responsible budget meaningfully addresses everyday kitchen table issues for New Jersey families.”

“This is a responsive and responsible budget that addresses the economic challenges of our time. It provides the largest tax

cut and the largest surplus in state history. It also makes use of state and federal resources to reduce debt and make strategic investments in our future. And we restored the budget provision that gives the Legislature the shared responsibility for approving the use of federal funds," **said Senate Budget Chair Sarlo**. "This is a state budget that will address immediate needs, provide significant tax relief, install economic safeguards and support future opportunities."

"This is a budget that we should be proud of," **said Assembly Budget Chair Eliana Pintor Marin**. "This budget focuses on making massive investments in tax relief to make New Jersey more affordable while supporting middle-class residents and seniors who are struggling. In almost every single area this budget does something to fix a problem, help a group in need, or build upon past success."

The FY2023 budget agreement forged between the Governor and the Legislature maintains and builds upon the priorities the Governor unveiled during his budget address in March, continuing to get New Jersey's fiscal house in order while redirecting more than 74 percent of the total budget back out in the form of grants-in-aid for property tax relief, social services, and higher education, as well as State aid to schools, community colleges, municipalities, and counties.

Fiscal Responsibility

The \$50.6 billion budget for FY2023 includes a **record \$6.8 billion surplus**, which is 13.4 percent of budgeted appropriations, roughly three times the surplus proposed in last year's budget and dwarfing the surplus inherited four years ago.

The budget continues to deliver on the Governor's promise to public employees by making a **\$6.82 billion pension payment**, including contributions from the State lottery, which marks the second consecutive year that the State will meet 100 percent of the Actuarially Determined Contribution (ADC). With the proposed FY2023 payment, the Murphy Administration will be responsible for nearly 68 percent of State pension contributions since FY1995.

The budget agreement also builds upon the sizable debt reduction efforts undertaken in FY2022 by making an additional **\$5.15 billion deposit into the Debt Defeasance and Prevention Fund** to support capital construction on a pay-as-you-go basis and avoid future debt issuances. Cumulatively over the past fiscal year, the State has now put \$8.9 billion towards reducing current debt and avoiding new debt, saving the State billions in interest payments.

The budget allocates a portion of the latest deposit to support critical capital investments throughout the state, including:

- Over \$1.9 billion for the Schools Development Authority's (SDA) school facilities projects, emergent needs, and capital maintenance, including more than \$1.5 billion for SDA districts, and \$350 million for all other districts; and
- Over a billion dollars for critical transportation projects and train station upgrades throughout the state, including Newark Penn Station and Walter Rand in Camden. A full list can be found in the [enabling legislation](#).

The budget also allocates \$2.13 billion in federal American Rescue Plan (ARP) funds for critical investments across the state, leaving over \$1 billion remaining to be allocated in FY2024.

Affordability

The budget includes numerous investments to make New Jersey more affordable to live and raise a family, chief among them being the \$2 billion **ANCHOR – the Affordable New Jersey Communities for Homeowners and Renters - Property Tax Relief Program**. ANCHOR replaces the previous Homestead Benefit program and will provide relief to more than 1.15 million homeowners – double the amount under Homestead – and more than 900,000 renters, all of whom are currently excluded from the Homestead Benefit.

For a middle-class family receiving \$1,500 in ANCHOR relief, the average property burden will be reduced to a level not seen since 2012.

Under the agreement forged with legislative leadership, benefits will be fully phased-in immediately, rather than over three years, and simplified so that checks may be mailed sooner:

- 870,000-plus homeowners with a household income of under \$150,000 will receive a \$1,500 property tax benefit each year;
- 290,000-plus homeowners with a household income between \$150,000 and \$250,000 will receive a \$1,000 property tax benefit each year; and

- 900,000-plus renters with incomes up to \$150,000 will receive \$450 each year to help offset rent increases caused by increasing property taxes.

Cementing New Jersey’s status as the best state to start and raise a family, the budget creates a **new Child Tax Credit (CTC)** for families making up to \$80,000 a year, bolstering the Administration’s suite of financial support policies aimed at assisting families, such as the expanded Child and Dependent Care Credit, the Earned Income Tax Credit, and significant early childhood investments.

The new credit makes New Jersey one of only 11 states to build upon the federal CTC for qualifying families and includes taxpayers without Social Security numbers who use individual tax identification numbers (ITIN).

The refundable CTC will provide a maximum of \$500 per child under the age of six for taxpayers making \$30,000 or less, according to the following rate structure:

Income	Amount of Credit Per Child Under 6
Under \$30,000	\$500
Over \$30,000 but not over \$40,000	\$400
Over \$40,000 but not over \$50,000	\$300
Over \$50,000 but not over \$60,000	\$200
Over \$60,000 but not over \$80,000	\$100

The budget agreement also includes the **new back-to-school sales tax holiday announced last week**, which will help families weather rising inflation by saving significant dollars on essential items.

Furthering the commitment to affordability, the budget also contains **no new taxes or fees** and proposes a year of **“fee holidays”** for drivers renewing their licenses, certain health care professionals applying for or renewing their licenses, couples getting married, and residents visiting State Parks, as first proposed by the Governor in March.

The budget also helps offset property taxes by including a one-time **\$75 million boost in aid to towns** through a Municipal Relief Fund.

Transformative Investments

The budget also makes significant, transformative investments to **address long-standing challenges**.

First and foremost, the budget continues to make **historic investments in public education**, with an additional \$650 million in K-12 formula aid for a total of \$9.9 billion in FY 2023. Since 2018, the State has increased K-12 formula aid by more than \$1.8 billion, far outpacing investments by any other administration.

This budget includes additional facilities funding of \$75 million for every school district for maintenance and emergent projects, and \$10 million for charter and renaissance school facilities.

The budget also significantly advances the Governor’s goal of **universal pre-K** with an additional \$68 million for Preschool Education Aid, \$40 million of which will go towards new districts, creating almost 3,000 more seats for three- and four-year-olds. Since 2018, the Murphy Administration has already increased pre-K spending by over \$310 million and created nearly 9,000 new seats.

Additionally, the budget deploys \$120 million in ARP funding to the Schools Development Authority to **upgrade existing and build new preschool facilities**, enabling more districts to support New Jersey’s youngest students and receive State Preschool Education Aid. The budget also includes \$30 million to be utilized by the NJ Economic Development Authority (EDA) to build on their Child Care Facilities Improvement Program, supporting the ability for providers to deliver high-quality care in safe and supportive learning environments.

The proposed budget also continues building on the Governor's commitment to **improve higher education access and affordability**. Due to a \$94 million increase in direct aid to higher education institutions through the Outcomes-Based Allocation since FY2021, tens of thousands of eligible students will receive free tuition during their third and fourth year at public four-year colleges through the Garden State Guarantee. The budget also increases support for the Educational Opportunity Fund and Tuition Aid Grants, creates a higher income threshold for Community College Opportunity Grants to match the Garden State Guarantee's limits, and creates the Some College, No Degree initiative to encourage college completion.

The budget includes **\$305 million** to create thousands of new 100 percent affordable housing units through the **Affordable Housing Production Fund**.

Additionally, the budget includes **significant investments to combat climate change**, including nearly \$30 million to meet the Electric Vehicle Act's mandate of a 100 percent electric State fleet by 2035 and funding for a new grant program to support the implementation of the country's first-in-the-nation climate change education standards.

The budget also allocates State funding and over \$200 million in ARP* funding for a number of strategic economic development investments to bolster key industries, advance the innovation economy, spur a swift and inclusive recovery, accelerate statewide growth, and modernize State government.

**ARP investments are specifically noted below. All other investments are funded through the State budget, unless specifically noted.*

These strategic investments include:

- **\$70 million for Strategic Innovation Centers** to support research and development, innovation, and entrepreneurship in key industries;
- **\$100 million for Real Estate Projects Funding (including \$30 million ARP funds)** to redevelop blighted commercial properties and other stranded assets, drive development around transit assets, and support projects led by developers of color;
- **\$37 million for a Manufacturing Industry Initiative** (including \$2 million ARP funds) to grow and strengthen the State's manufacturing sector, including programs to spur capital investment, increase the adoption of new technology, attract new suppliers to the state, and expand workforce development and training opportunities;
- **\$15 million for the Film Industry Strategic Support Fund**, including funds for the proposed Film Academy, which will partner with institutions of higher education to train a workforce for NJ's growing film industry;
- **\$5 million for the Evergreen Fund Accelerator** to jumpstart this ground-breaking venture funding program before it completes its tax credit auction;
- Maintaining the Governor's FY2022 **investments in the Main Street Recovery Fund**, which supports small businesses and downtowns as they recover and thrive. The program includes the Small Business Lease Grant, Small Business Improvement Grant, Main Street Micro-business Loans, and Main Street Lenders Grant;
- **\$15 million for Arts Support and Placemaking** (ARP funds) to provide support for capital projects led by small to medium sized arts organizations and incentivize placemaking and catalytic development in downtowns;
- **\$25 million for New Jersey's Revolutionary War-linked** (ARP funds) sites to support historical tourism;
- **\$15 million for the Neighborhood Revitalization Tax Credit/Neighborhood Preservation Program** (\$10 million in ARP funds) to allow these popular DCA programs to meet demand from investors and fund additional community development projects;
- **\$10 million for the Real Estate Gap Financing Program** (ARP funds) to enable the EDA to assist projects with cost increases resulting from pandemic-related supply chain disruptions;
- **\$40 million for the Resident Experience Program, or "ResX,"** (ARP funds) to help effectuate the 21st Century Integrated Digital Experience Act and the State's Strategic Technology Plan. This multi-year effort, led by the Offices of Information Technology and Innovation, will streamline, simplify, and improve how New Jersey delivers benefits and services to residents, including a unified modern login system across key benefit programs and additional "one-stop" websites;
- **\$24 million for Unemployment Insurance (UI) and Motor Vehicle Commission (MVC) upgrades** (ARP funds) to enhance the ResX experience above, including funding for the Department of Labor to replace antiquated UI systems and hardware and the MVC to improve its camera workstations and update other software and equipment;
- **\$40 million in additional funds for NJ TRANSIT** (ARP funds) to improve the customer experience and boost resiliency by investing in fare modernization, particularly for bus operations, disaster recovery software, and procurement technology;
- **\$60 million to rehabilitate aging State facilities** (ARP funds) to be administered by Treasury, including the Newark MVC agency and HVAC and air units in the Labor building and Justice Complex, as well as a pilot to reduce emissions in

State buildings through electrification;

- **\$85 million for local government support** (Mostly ARP funds), including funding to support and accelerate work on the [nine-mile Greenway project](#); State 9-1-1 fee revenues to fund Public Safety Answering Point (PSAP) upgrades and consolidation; and an increase in State funding across popular grant programs, including \$25 million more for Local Recreational Improvement Grants, \$20 million more for Local Aid and Economic Development Grants, and \$10 million more for Grants for Urban Parks programs; and
- **\$67.5 million** for Local Transportation Projects Fund.

Protecting Health and Safety

Working together, the Governor and Legislature have ensured that the budget responds to needs across the State that were often exacerbated by the pandemic.

The budget includes nearly \$20 million in State and federal funds to implement the landmark **Statewide Universal Newborn Home Nurse Visitation program** that the Governor enacted last July. This includes \$6 million in ARP funding so the Department of Children and Families (DCF) can develop the data system and network necessary to implement this program.

As part of the First Lady's **Nurture NJ initiative**, the budget also includes \$15 million in State funding to raise Medicaid rates for maternity care providers, as well as funds for midwifery education and Connecting NJ Hubs to support families with young children.

The Administration will continue to prioritize health care affordability by implementing new efforts to benchmark health care cost growth while working with the Legislature to make prescription drugs more affordable. This includes funding for the second year of the **Cover All Kids** initiative and increases State subsidies for **Get Covered NJ**, the state's official health insurance marketplace, which contributed to record enrollment for 2022.

The budget also funds a sizable **anti-hunger package**, spearheaded by Speaker Coughlin, which will increase funding for Emergency Feeding Organizations by \$65 million and provide \$18 million to create a minimum SNAP payment that will help nearly 50,000 households.

The budget also includes funding for a **mental health package** led by the Senate that establishes a statewide behavioral health crisis system of care (including the 9-8-8 mental health crises and suicide prevention hotline) and a \$5 million behavioral health care provider loan redemption program. The budget also allocates over \$50 million in ARP funding to strengthen youth mental health supports through an interagency effort to improve access to services, increase awareness and resilience-building, and provide peer supports, professional development, and training, for mental health in communities, in schools, and on college campuses. The budget also increases the pipeline for behavioral health care workers and increases rates for community mental health providers and pediatric psychiatrists.

The budget includes the "**Thriving by Three**" **child care program** championed by Senate Majority Leader Ruiz, as well as an extension for Enrollment Based Payments and a new EDA program to engage small business associations to help provide employee child care benefits.

The budget also positions New Jersey as a **national leader on lead poisoning prevention** by investing \$180 million in ARP funding to enable the Department of Community Affairs (DCA) to abate lead-based paint hazards in over 4,000 homes – targeting where a child is currently diagnosed with an elevated blood lead level - and remediating lead-based hazards in 5,000 more homes.

The budget also invests \$300 million in ARP dollars to make transformative investments in critical water infrastructure upgrades. The **Water Infrastructure Fund**, to be administered by the Department of Environmental Protection (DEP), will create thousands of additional engineering and construction jobs, ensure that underserved communities can benefit from the once-in-a-generation investment, reduce the costs of mandatory water infrastructure upgrades for families, and encourage shared services.

The budget also provides over \$50 million for a major reproductive health package, which increases funds for Family Planning Services, and includes new programs for Family Planning Facilities Upgrades, a Reproductive Health Care Provider Clinical Training Program, and the Reproductive Health Security Grant Program.

This budget includes \$50 million in additional State and federal funding to increase Medicaid rates for nursing facilities that were among the hardest hit during the pandemic, strengthens quality improvement incentives for nursing homes, and

increases facility monitoring and oversight.

The budget promotes community-based, independent living for people with disabilities by increasing rates for providers of developmental disability residential services by \$15 million using State and federal resources.

Governor Murphy Signs Fiscal Year 2023 Appropriations Act into Law

Governor Phil Murphy signed the Fiscal Year 2023 (FY2023) Appropriations Act into law. The FY2023 budget builds on the historic progress made over the last four years, maintaining the Governor's commitment to prioritizing affordability, while delivering record tax relief and making transformative one-time investments.

The budget once again provides the highest level of school funding in history as the State continues to deliver on a seven-year plan to fully implement the constitutionally-sound school funding formula, makes a second consecutive full pension payment for the first time in more than a quarter century, and supports significant investments in the economy.

"This budget both invests in New Jersey's future while preparing for an uncertain global economy," said **Governor Murphy**. "We have wisely avoided using what may be temporary windfalls for long-term programs. At the same time, we are making significant investments in new capital projects that will make New Jersey a better state to live in while creating countless good-paying jobs. This budget continues to make New Jersey a stronger and more affordable state where opportunity can thrive."

Governor Murphy Signs Legislation to Protect Reproductive Health Care Providers and Out-of-State Residents Seeking Reproductive Services in New Jersey

With abortion expected to become illegal or heavily restricted in about half of all states now that the U.S. Supreme Court has overturned *Roe v. Wade*, Governor Phil Murphy signed two bills to protect individuals who receive and provide reproductive health care services in New Jersey.

"While others throughout the country are revoking a woman's right to reproductive freedom, New Jersey will continue to defend this fundamental right in our state," said **Governor Murphy**. "By bolstering protections against potential repercussions for both health care professionals and patients, we are sending a message to all who seek or provide reproductive health care within our borders that we welcome and support you. These laws represent our commitment to standing by a woman's right to make her own decisions about her body, and will serve to make our state a beacon of freedom to every woman in America."

"While the U.S. Supreme Court's decision in *Dobbs* may be among the most devastating and profoundly wrong rulings in American history, it will not stop us from using every available tool to continue protecting the right to choose," said **Acting Attorney General Matthew J. Platkin**. "These two critical laws further our commitment to protecting abortion rights for New Jersey residents and anyone else who comes to our State seeking care. These laws also provide critical protections for health care providers and for patients' privacy. I am grateful for Governor Murphy's commitment to protecting women's rights and reproductive freedom, and I am grateful to the Legislature for passing these important bills."

Governor Murphy Announces New Jersey Motor Vehicle Commission Chief Administrator Sue Fulton to Join Biden-Harris Administration

Governor Phil Murphy announced that Sue Fulton, Chief Administrator of the New Jersey Motor Vehicle Commission (NJ MVC), will depart the Murphy Administration as of July 1 to join the Biden-Harris Administration as an Assistant Secretary for the U.S. Department of Veterans Affairs. Latrecia “Trish” Littles-Floyd, current NJ MVC Security, Investigations, and Internal Audit Director, and former Lieutenant Colonel in the New Jersey State Police, will serve as Acting Chief Administrator beginning July 1.

“Sue has been a leading voice and an invaluable asset to my administration and to the state of New Jersey during her time at NJ MVC,” said Governor Murphy. “Under Sue’s committed leadership, the MVC has evolved into an agency that is more efficient, better organized, and fully equipped to respond to the needs of motorists across the state. While she will be missed, I look forward to seeing her continued leadership and future accomplishments as she serves the Biden-Harris Administration in her new role.”

“I also look forward to the future of NJ MVC under the leadership of Trish Littles-Floyd,” continued Governor Murphy. “Trish served our state in the New Jersey State Police, where she dedicated over 20 years to making our state stronger and fairer. She has also led NJ MVC in her capacity as Security, Investigations, and Internal Audit Director. This unique experience, coupled with her dedication to serving New Jerseyans, make her extremely qualified to serve as Acting Chief Administrator.”

“It has been an extraordinary honor to serve the people of New Jersey and Governor Murphy these past four years,” said NJ MVC Chief Administrator Sue Fulton. “The NJMVC team showed their determination, skill, and knowledge in revamping the MVC despite unprecedented obstacles. We serve more customers with more convenience in less time than ever before. Trish has been part of that transformation and I’m delighted to see her bring her leadership, experience, and commitment to the Chief Administrator post.”

Acting Attorney General Platkin, National Coalition of Attorneys General Issue Joint Statement Reaffirming Commitment to Protecting Access to Abortion Care

Acting Attorney General Matthew J. Platkin and a national coalition of Attorneys General issued a joint statement reaffirming their commitment to supporting and expanding access to abortion care. Despite the U.S. Supreme Court decision in *Dobbs v. Jackson Women’s Health Organization*, access to safe and legal abortion remains robustly protected in numerous states across the country, including New Jersey. As highlighted by the multistate coalition’s efforts in a U.S. Supreme Court amicus brief filed in *Dobbs*, the participating Attorneys General will continue to fight to support the rights of pregnant people nationwide.

Statement from Governor Murphy on the Supreme Court’s Decision in *West Virginia v. Environmental Protection Agency*

“Throughout the past week, the Supreme Court’s far-right majority has made it abundantly clear: governments can control women’s bodies, but not the guns that endanger our communities or the polluters who imperil the future of our planet. Today’s decision in *West Virginia v. Environmental Protection Agency* rolls back federal progress under the Clean Air Act and threatens to exacerbate climate change while severely impacting the health of Americans across the country. In the wake of yet another tragic ruling, we will continue to do everything in our power to combat the climate crisis and preserve New Jersey’s environmental and public health. And we will continue charging toward our ambitious goal of creating a 100-percent clean energy economy by 2050.”

SENATE BILL NO. 2023

To the Senate:

Today I am pleased to sign Senate Bill No. 2023, which formally enacts our State budget for Fiscal Year 2023. In this budget, my partners in the Legislature and I have succeeded in building on the historic fiscal progress made over the last four years, maintaining my commitment to prioritizing affordability, and prudently using this year's revenue gains and federal funds to deliver record tax relief and make transformative one-time investments. I am making only minor, technical changes in order to ensure consistency with legislative intent and with my agreement with legislative leadership concerning the State's spending plan for Fiscal Year 2023. Accordingly, I am appending to Senate Bill No. 2023, at the time of my signing it, this statement of items, or parts thereof, to which I object and which shall not take effect.
