STATEMENT TO

ASSEMBLY, No. 2672

with committee amendments

STATE OF NEW JERSEY

DATED: DECEMBER 4, 2003

The Senate Commerce Committee reports favorably and with committee amendments Assembly Bill No. 2672.

As amended by the committee, this bill stipulates that licenses required by law to be displayed in accordance with the provisions of the "Cosmetology and Hairstyling Act of 1984," P.L.1984, c.205 (C.45:5B-1 et seq.), may be displayed in a manner which prevents the public display of the licensee's home address, provided that the license is not permanently defaced or altered and the license and all of the information contained thereon, including the address of record, can be presented upon the request of a person conducting an investigation.

The committee amended the bill to provide that the license may be displayed in a manner which prevents the public display of the licensee's home address, provided that the license is not permanently defaced or altered. As introduced, the bill had provided that the displayed license should not include the home address of the licensee.
