ASSEMBLY CONSUMER AFFAIRS COMMITTEE

STATEMENT TO

**ASSEMBLY, No. 2047**

**STATE OF NEW JERSEY**

DATED: FEBRUARY 9, 2004

The Assembly Consumer Affairs Committee reports favorably Assembly Bill No. 2047.

Assembly Bill No. 2047 supplements Title 47 of the Revised Statutes to prohibit any person, including both public and private entities, from printing or displaying in any manner an individual's Social Security number on any document intended for public recording with any county recording authority.

The bill further provides that, in the case of certain documents, the county recording authority is authorized to delete, strike, obliterate or otherwise expunge a Social Security number that appears on the document without invalidating it.

As specified in the bill, the fact that such a document is recorded without deleting, striking, obliterating or otherwise expunging that Social Security number shall not render the document invalid, void, voidable or in any way defective.

Court documents, tax documents, documents that constitute non-consensual liens against an individual, documents required to contain a Social Security number by law, and documents filed with the County Surrogate are exempt and, therefore, county recording authorities may not make any changes on them.

SENATE COMMUNITY AND URBAN AFFAIRS COMMITTEE

STATEMENT TO

**ASSEMBLY, No. 2047**

**STATE OF NEW JERSEY**

DATED: SEPTEMBER 27, 2004

The Senate Community and Urban Affairs Committee reports favorably Assembly Bill No. 2047.

This bill would prohibit the printing or display of an individual's Social Security number on any document intended for public recording with a county recording authority.

The bill would authorize the county recording authority to delete, strike, obliterate, or otherwise expunge a Social Security number that appears on the document without invalidating the document.

The recording of a document without deleting, striking, obliterating, or otherwise expunging a Social Security number would not render the document defective.

Court documents, tax documents, documents that constitute non-consensual liens against an individual, documents required to contain a Social Security number by law, and documents filed with the County Surrogate would be exempt from the strike out requirement, and, therefore, would not be subject to changes by county recording authorities.
