AN ACT concerning insurance coverage for preventive services and supplementing various parts of the statutory law.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

1. a. A hospital service corporation contract that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. [1]<u>(1) Except as provided in paragraph (2) of this subsection, nothing in this section shall:</u>

EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.

Matter underlined <u>thus</u> is new matter.
Matter enclosed in superscript numerals has been adopted as follows:
[1]Senate SBA committee amendments adopted January 6, 2020.

(a) require a contract which has a network of providers to provide benefits for items or services described in subsection a. of this section that are delivered by an out-of-network provider; or

(b) preclude a contract which has a network of providers from imposing cost-sharing requirements for items or services described in subsection a. of this section that are delivered by an out-of-network provider.

(2) If a contract does not have in its network a provider who can provide an item or service described in subsection a. of this section, the contract shall cover the item or service when performed by an out-of-network provider, and shall not impose cost sharing with respect to that item or service.

c. (1) A contract shall provide coverage for an item or service described in subsection a. of this section for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued.

(2) (a) Except as provided in subparagraph (b) of this paragraph, a contract that is required to provide coverage for an item or service described in subsection a. of this section on the first day of a plan year shall provide coverage for that item or service through the last day of the plan year.

(b) The commissioner may remove a coverage requirement for an item or service during a plan year if the recommendation or guideline changes or is no longer described in subsection a. of this section.

d.[1] The provisions of this section shall apply to those hospital service corporation contracts in which the hospital service corporation has reserved the right to change the premium.

2. a. A medical service corporation contract that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the

comprehensive guidelines supported by the Health Resources and Services Administration.

b. [1](1) Except as provided in paragraph (2) of this subsection, nothing in this section shall:

(a) require a contract which has a network of providers to provide benefits for items or services described in subsection a. of this section that are delivered by an out-of-network provider; or

(b) preclude a contract which has a network of providers from imposing cost-sharing requirements for items or services described in subsection a. of this section that are delivered by an out-of-network provider.

(2) If a contract does not have in its network a provider who can provide an item or service described in subsection a. of this section, the contract shall cover the item or service when performed by an out-of-network provider, and shall not impose cost sharing with respect to that item or service.

c. (1) A contract shall provide coverage for an item or service described in subsection a. of this section for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued.

(2) (a) Except as provided in subparagraph (b) of this paragraph, a contract that is required to provide coverage for an item or service described in subsection a. of this section on the first day of a plan year shall provide coverage for that item or service through the last day of the plan year.

(b) The commissioner may remove a coverage requirement for an item or service during a plan year if the recommendation or guideline changes or is no longer described in subsection a. of this section.

d.[1] The provisions of this section shall apply to those medical service corporation contracts in which the medical service corporation has reserved the right to change the premium.

3. a. A health service corporation contract that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the

comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. [1](1) Except as provided in paragraph (2) of this subsection, nothing in this section shall:

(a) require a contract which has a network of providers to provide benefits for items or services described in subsection a. of this section that are delivered by an out-of-network provider; or

(b) preclude a contract which has a network of providers from imposing cost-sharing requirements for items or services described in subsection a. of this section that are delivered by an out-of-network provider.

(2) If a contract does not have in its network a provider who can provide an item or service described in subsection a. of this section, the contract shall cover the item or service when performed by an out-of-network provider, and shall not impose cost sharing with respect to that item or service.

c. (1) A contract shall provide coverage for an item or service described in subsection a. of this section for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued.

(2) (a) Except as provided in subparagraph (b) of this paragraph, a contract that is required to provide coverage for an item or service described in subsection a. of this section on the first day of a plan year shall provide coverage for that item or service through the last day of the plan year.

(b) The commissioner may remove a coverage requirement for an item or service during a plan year if the recommendation or guideline changes or is no longer described in subsection a. of this section.

d.[1] The provisions of this section shall apply to those health service corporation contracts in which the health service corporation has reserved the right to change the premium.

4. a. An individual health insurer policy that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. [1](1) Except as provided in paragraph (2) of this subsection, nothing in this section shall:

(a) require a policy which has a network of providers to provide benefits for items or services described in subsection a. of this section that are delivered by an out-of-network provider; or

(b) preclude a policy which has a network of providers from imposing cost-sharing requirements for items or services described in subsection a. of this section that are delivered by an out-of-network provider.

(2) If a policy does not have in its network a provider who can provide an item or service described in subsection a. of this section, the policy shall cover the item or service when performed by an out-of-network provider, and shall not impose cost sharing with respect to that item or service.

c. (1) A policy shall provide coverage for an item or service described in subsection a. of this section for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued.

(2) (a) Except as provided in subparagraph (b) of this paragraph, a policy that is required to provide coverage for an item or service described in subsection a. of this section on the first day of a plan year shall provide coverage for that item or service through the last day of the plan year.

(b) The commissioner may remove a coverage requirement for an item or service during a plan year if the recommendation or guideline changes or is no longer described in subsection a. of this section.

d.[1] This section shall apply to those policies in which the insurer has reserved the right to change the premium.

5. a. A group health insurer policy that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. [1](1) Except as provided in paragraph (2) of this subsection, nothing in this section shall:

(a) require a policy which has a network of providers to provide benefits for items or services described in subsection a. of this section that are delivered by an out-of-network provider; or

(b) preclude a policy which has a network of providers from imposing cost-sharing requirements for items or services described in subsection a. of this section that are delivered by an out-of-network provider.

(2) If a policy does not have in its network a provider who can provide an item or service described in subsection a. of this section, the policy shall cover the item or service when performed by an out-of-network provider, and shall not impose cost sharing with respect to that item or service.

c. (1) A policy shall provide coverage for an item or service described in subsection a. of this section for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued.

(2) (a) Except as provided in subparagraph (b) of this paragraph, a policy that is required to provide coverage for an item or service described in subsection a. of this section on the first day of a plan year shall provide coverage for that item or service through the last day of the plan year.

(b) The commissioner may remove a coverage requirement for an item or service during a plan year if the recommendation or guideline changes or is no longer described in subsection a. of this section.

d.[1] This section shall apply to those policies in which the insurer has reserved the right to change the premium.

6. a. An individual health benefits plan that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. [1](1) Except as provided in paragraph (2) of this subsection, nothing in this section shall:

(a) require a plan which has a network of providers to provide benefits for items or services described in subsection a. of this section that are delivered by an out-of-network provider; or

(b) preclude a plan which has a network of providers from imposing cost-sharing requirements for items or services described in subsection a. of this section that are delivered by an out-of-network provider.

(2) If a plan does not have in its network a provider who can provide an item or service described in subsection a. of this section, the plan shall cover the item or service when performed by an out-of-network provider, and shall not impose cost sharing with respect to that item or service.

c. (1) A plan shall provide coverage for an item or service described in subsection a. of this section for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued.

(2) (a) Except as provided in subparagraph (b) of this paragraph, a plan that is required to provide coverage for an item or service described in subsection a. of this section on the first day of a plan year shall provide coverage for that item or service through the last day of the plan year.

(b) The commissioner may remove a coverage requirement for an item or service during a plan year if the recommendation or guideline changes or is no longer described in subsection a. of this section.

d.[1] This section shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

7. a. An small employer health benefits plan that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and

Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

5. a. A group health insurer policy that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. This section shall apply to those policies in which the insurer has reserved the right to change the premium.

6. a. An individual health benefits plan that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. This section shall apply to all individual health benefits plans in which the carrier has reserved the right to change the premium.

7. a. An small employer health benefits plan that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. This section shall apply to all small employer health benefits plans in which the carrier has reserved the right to change the premium.

8. a. A health maintenance organization contract that provides hospital or medical expense benefits and is delivered, issued, executed or renewed in this State, or approved for issuance or renewal in this State by the Commissioner of Banking and Insurance, on or after the effective date of this act, shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

b. The provisions of this section shall apply to those contracts in which the health maintenance organization has reserved the right to change the premium.

9. The State Health Benefits Commission shall ensure that every contract purchased by the commission on or after the effective date of this act that provides hospital or medical expense benefits shall provide coverage, without requiring any cost sharing, for the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

11. This act shall take effect on the 90th day next following enactment and shall apply to policies or contracts issued or renewed on or after the effective date.

STATEMENT

This bill requires health insurers (health, hospital and medical service corporations, commercial individual and group health insurers; health maintenance organizations, health benefits plans issued pursuant to the New Jersey Individual Health Coverage and Small Employer Health Benefits Programs, the State Health Benefits Program, and the School Employees' Health Benefits Program) to provide coverage, without requiring any cost sharing, for expenses incurred in the provision of the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

ASSEMBLY FINANCIAL INSTITUTIONS AND INSURANCE COMMITTEE

STATEMENT TO

ASSEMBLY, No. 5507

STATE OF NEW JERSEY

DATED: JUNE 6, 2019

The Assembly Financial Institutions and Insurance Committee reports favorably Assembly Bill No. 5507.

This bill requires health insurers (health, hospital and medical service corporations, commercial individual and group health insurers; health maintenance organizations, health benefits plans issued pursuant to the New Jersey Individual Health Coverage and Small Employer Health Benefits Programs, the State Health Benefits Program, and the School Employees' Health Benefits Program) to provide coverage, without requiring any cost sharing, for expenses incurred in the provision of the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

SENATE BUDGET AND APPROPRIATIONS COMMITTEE

STATEMENT TO

ASSEMBLY, No. 5507

with committee amendments

STATE OF NEW JERSEY

DATED: JANUARY 6, 2020

The Senate Budget and Appropriations Committee reports favorably and with committee amendments Assembly Bill No. 5507.

This bill, as amended, requires health insurers (health, hospital and medical service corporations, commercial individual and group health insurers; health maintenance organizations, health benefits plans issued pursuant to the New Jersey Individual Health Coverage and Small Employer Health Benefits Programs, the State Health Benefits Program, and the School Employees' Health Benefits Program) to provide coverage, without requiring any cost sharing, for expenses incurred in the provision of the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

The bill provides that health insurer contracts which have a network of providers to provide benefits for preventive services are not required to pay for, and may impose cost-sharing requirements on, services that are delivered by out-of-network providers.

If a contract does not have in its network a provider who can provide a preventive service described under the bill, the contract is required to cover the service when performed by an out-of-network provider, and may not impose cost sharing with respect to that service.

The bill provides that a health insurer contract must provide coverage for preventive services for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued. A contract that is required to provide coverage for

preventive services on the first day of a plan year must provide coverage for that item or service through the last day of the plan year, except that the commissioner may remove a coverage requirement for a preventive service during a plan year if the recommendation or guideline changes or is removed.

As amended and reported by the committee, Assembly Bill No. 5507 is identical to Senate Bill No. 3803, as also amended and reported by the committee.

COMMITTEE AMENDMENTS:

The committee amended the bill to provide that health insurer contracts which have a network of providers are not required to pay for, and may impose cost-sharing requirements on, preventive services that are delivered by out-of-network providers, except, if a contract does not have in its network a provider who can provide a preventive service described under the bill, the contract is required to cover the service when performed by an out-of-network provider, and may not impose cost sharing with respect to that service.

The amendments also provide limits for when health insurer contracts must provide coverage for preventive services.

FISCAL IMPACT:

This bill is not certified as requiring a fiscal note.

comprehensive guidelines supported by the Health Resources and Services Administration.

11. This act shall take effect on the 90th day next following enactment and shall apply to policies or contracts issued or renewed on or after the effective date.

STATEMENT

This bill requires health insurers (health, hospital and medical service corporations, commercial individual and group health insurers; health maintenance organizations, health benefits plans issued pursuant to the New Jersey Individual Health Coverage and Small Employer Health Benefits Programs, the State Health Benefits Program, and the School Employees' Health Benefits Program) to provide coverage, without requiring any cost sharing, for expenses incurred in the provision of the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

SENATE COMMERCE COMMITTEE

STATEMENT TO

SENATE, No. 3803

STATE OF NEW JERSEY

DATED: JUNE 3, 2019

The Senate Commerce Committee reports favorably Senate Bill No. 3803.

This bill requires health insurers (health, hospital and medical service corporations, commercial individual and group health insurers; health maintenance organizations, health benefits plans issued pursuant to the New Jersey Individual Health Coverage and Small Employer Health Benefits Programs, the State Health Benefits Program, and the School Employees' Health Benefits Program) to provide coverage, without requiring any cost sharing, for expenses incurred in the provision of the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

SENATE BUDGET AND APPROPRIATIONS COMMITTEE

STATEMENT TO

SENATE, No. 3803

with committee amendments

STATE OF NEW JERSEY

DATED: JANUARY 6, 2020

The Senate Budget and Appropriations Committee reports favorably Senate Bill No. 3803, with committee amendments.

This bill, as amended, requires health insurers (health, hospital and medical service corporations, commercial individual and group health insurers; health maintenance organizations, health benefits plans issued pursuant to the New Jersey Individual Health Coverage and Small Employer Health Benefits Programs, the State Health Benefits Program, and the School Employees' Health Benefits Program) to provide coverage, without requiring any cost sharing, for expenses incurred in the provision of the following preventive services:

(1) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;

(3) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

(4) with respect to women, any additional preventive care and screenings not described in paragraph (1) as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

The bill provides that health insurer contracts which have a network of providers to provide benefits for preventive services are not required to pay for, and may impose cost-sharing requirements on, services that are delivered by out-of-network providers.

If a contract does not have in its network a provider who can provide a preventive service described under the bill, the contract is required to cover the service when performed by an out-of-network provider, and may not impose cost sharing with respect to that service.

The bill provides that a health insurer contract must provide coverage for preventive services for plan years that begin on or after the date that is one year after the date the recommendation or guideline is issued. A contract that is required to provide coverage for

preventive services on the first day of a plan year must provide coverage for that item or service through the last day of the plan year, except that the commissioner may remove a coverage requirement for a preventive service during a plan year if the recommendation or guideline changes or is removed.

As amended and reported by the committee, Senate Bill No. 3803 is identical to Assembly Bill No. 5507, as also amended and reported by the committee.

COMMITTEE AMENDMENTS:

The committee amended the bill to provide that health insurer contracts which have a network of providers are not required to pay for, and may impose cost-sharing requirements on, preventive services that are delivered by out-of-network providers, except, if a contract does not have in its network a provider who can provide a preventive service described under the bill, the contract is required to cover the service when performed by an out-of-network provider, and may not impose cost sharing with respect to that service.

The amendments also provide limits for when health insurer contracts must provide coverage for preventive services.

FISCAL IMPACT:

This bill is not certified as requiring a fiscal note.

Governor Murphy Signs Legislative Package Protecting the Affordable Care Act in New Jersey

01/16/2020

TRENTON – Governor Phil Murphy today signed a package of bills to safeguard the provisions of the Affordable Care Act (ACA) in New Jersey. The bills, which will codify into state law the basic protections for health care consumers that are part of the Affordable Care Act, include protections for no-cost preventative care and contraception, prohibit exclusions for pre-existing conditions, allow children to stay on their parents' plan until age 26, and incorporate mental health and maternity care as part of essential benefits, among others. The Governor highlighted the importance of these bills during an armchair discussion with Hackensack Meridian Health Chief Executive Officer Bob Garret.

"At a time when the Affordable Care Act is under siege by the Trump Administration and being challenged in the courts, New Jersey has a responsibility to protect and provide access to high-quality, affordable health care for all of our residents," **said Governor Murphy.** "I applaud my colleagues in the Legislature for taking the critical steps necessary to ensure that the provisions of the Affordable Health Care Act are codified into state law and for working to make the health of our residents a top priority."

The Governor signed the following bills into law:

A5500 (Greenwald, Lopez, Lampitt/Pou, Lagana) - Expands rate review process in DOBI for certain individual and small employer health benefits plans.

A5501 (McKeon, Vainieri Huttle, Speight/Pou, Weinberg) - Requires continuation of health benefits dependent coverage until child turns 26 years of age.

A5503 (Reynolds-Jackson, Swain/Vitale, Cryan) - Establishes open enrollment period under Individual Health Coverage Program.

A5504 (Benson, Schaer/Cryan, Diegnan) - Applies 85 percent loss ratio requirement to certain large group health benefits carriers.

A5506 (Tully, Danielsen/Singleton, Diegnan) - Repeals statute authorizing offering of "Basic and Essential" health benefits plans under individual health benefits plans and other statutes concerning basic health plans; makes conforming amendments.

A5507 (McKeon, Conaway, Mukherji/Pou, Ruiz) - Requires health benefits coverage for certain preventive services.

A5508 (Zwicker, Murphy, Sumter/Ruiz, Pou) - Revises law requiring health benefits coverage for certain contraceptives.

A5248 (Conaway, Mukherji, McKeon/Gill, Singleton) - Preserves certain requirements that health insurance plans cover essential health benefits.

S626 (Vitale, Diegnan/Vainieri Huttle, Chiaravalloti, Downey, Danielsen) - Clarifies prohibition on preexisting condition exclusions in health insurance policies.

"It is more than health insurance, it is security. It is the safety you feel in knowing that if something goes wrong you have somewhere to go," **said Senator Pou.** "While not every New Jerseyan has health insurance coverage, there are a lot more people covered now because of the Affordable Care Act than there were before the landmark legislation led by the Obama administration. This life-saving federal program, however, is currently being attacked by Trump and the Republicans in Congress and I am proud of the Governor and Legislature for

standing up for residents and making the ACA the law of our state, regardless of who is in the White House."

"With the President trying to do everything he can to destroy the Affordable Care Act, I'm glad the legislature and the administration worked together to ensure that the people who benefitted from the ACA will be protected in New Jersey," **said Senator Vitale**. "We cannot leave the health and safety of New Jerseyans up to the whims of the oval office. These laws, along with the state health care exchange signed earlier, will go a long way to make sure our state can offer affordable health care to all of our residents."

"The Affordable Care Act gave millions of people across the country access to health care and protected those with pre-existing conditions from being discriminated against by health insurance companies," **said Senator Singleton.**"Taking away a person's health insurance, regardless of whether or not they will be able to find an alternative, is disgraceful. New Jersey is a state that protects its residents, and by strengthening the ACA in this state, we will continue to protect working and middle class families."

"Contraception was named as one of the top ten public health achievements of the 20th century by the Centers for Disease Control and Prevention. That was twenty years ago, whether or not insurance plans cover contraceptives shouldn't be a question today," **said Senator Ruiz.** "It's a matter of public health and it's a matter of gender equity. People should have access to birth control and this law will help ensure that they do."

A5500

"The affordable care act has helped tens of thousands of New Jersey residents gain access to healthcare for themselves and their families," **said Assemblyman Greenwald.** "With this law, we are keeping healthcare affordable for working families by preventing unreasonable rate hikes for the insured, preserving the substantial progress we've made on increasing access to quality healthcare in New Jersey."

"The Affordable Care Act has changed the lives of many New Jersey families," **said Assemblywoman Lopez.** "Protecting families against unjustified rate changes is critical to maintaining and expanding access to healthcare in the state for many more residents."

"This is the next practical step in protecting thousands of New Jerseyans who have been afforded healthcare benefits under the Affordable Care Act," **said Assemblywoman Lampitt.** "The key is to ensure health insurance remains affordable for all residents by keeping an eye on and preventing unnecessary rate increases."

A5501

Assemblymembers McKeon, Vainieri Huttle, and Speight issued a joint statement:

"With many college graduates returning home while they look for jobs, there was a steep rise in residents ages 19 -26 without access to healthcare. For those who did have insurance through their parents, the cost became an additional, unexpected burden on families. The Affordable Care Act has significantly helped to reduce the uninsured rate for young adults under the age of 26 by allowing parents to cover them in their own plans without the requirement of a separate premium. Codifying this into New Jersey State law will help families ensure their children, whether they are continuing their education or at home temporarily, are provided for in terms of healthcare."

A5503

Assemblymembers Reynolds-Jackson and Swain issued the following statement:

"Changes on the federal level of ACA have deliberately shortened the open enrollment period by 50 percent placing consumers at a great disadvantage. There's less time to research their coverage options and enroll. As New Jersey embarks on the creation of a State-based healthcare exchange, it is critical to ensure open enrollment periods which provide enough time, promotion and access for residents."

A5504

"The Affordable Care Act was groundbreaking in expanding health insurance coverage for millions of Americans. It is important for our state that we maintain the essential protections of Obamacare for all our families," **said Assemblyman Benson.** "This new state law will help guarantee the money residents spend on their health insurance overwhelmingly goes to the medical care and services they need."

“This law allows for continued oversight of health insurance companies so that our state can make sure they are properly applying customers’ payments,” **said Assemblyman Schaer.** “There is no room for frivolous spending when it comes to health; the hard-earned money coming out of our residents’ paychecks for health insurance should go towards actually giving them the treatments, tests, procedures and medications they need.”

A5507

Assemblymembers McKeon, Conaway and Mukherji joint statement:

“Preventive healthcare is critical to helping individuals’ live longer, healthier lives. In the long run, preventive medicine and services helps families’ keep healthcare costs down and avoid potential health problems. These are services every resident relies on for themselves and their children. The Affordable Care Act ensured more residents’ access to preventive care than before. Setting these same standards under the State-based healthcare exchange will continue to protect New Jersey families’ and their access to these critical services.”

“It’s understandable that the government wanted to encourage Americans to purchase ACA health insurance by initially offering simple and inexpensive plans,” **said Assemblyman Tully.** “However, we now know these ‘Basic and Essential Plans’ simply do not cover the healthcare services many people require, which is why the ACA no longer allows them. In case the ACA is ever dismantled at the federal level, this law will make sure providers in our state do not begin offering these limited plans again.”

“Although some people were drawn to the lower-cost healthcare plans the ACA once provided, many didn’t realize just how limited their coverage would be,” **said Assemblyman Danielsen.** “When it comes to healthcare, the services provided can literally mean the difference between life and death. From high stakes procedures to daily medicine, no one should have to lose their life or experience crushing medical debt due to a lack of coverage. This will help make sure such restrictive plans can never be offered in the future.”

Assemblymembers Zwicker, Murphy, and Sumter joint statement:

“Federal changes to the Affordable Care Act aimed to jeopardize women’s access to safe, preventive care. This new law will remove those obstacles in New Jersey and preserve the benefits afforded to residents’ under the ACA. With this law, women will continue to have insurance that covers contraception without having to pay out of pocket.”

“Because of the Affordable Care Act, as many as 133 million people – or 51 percent of Americans – who have pre-existing conditions are guaranteed that condition will be covered by their health insurer,” **said Assemblywoman Vainieri Huttle.** “But the ACA has been threatened in the past few years. This new law will safeguard this crucial protection for patients should anything ever happen to the ACA.”

“When the ACA was passed, state law was never changed to include the mandate for coverage of pre-existing conditions,” **said Assemblyman Chiaravalloti.** “This important update sends a clear message that we in New Jersey believe health care is not a privilege, but a right.”

“People with pre-existing conditions had their lives changed when the Affordable Care Act became law in 2010,” **said Assemblywoman Downey.** “For the first time, they could not be denied coverage by an insurance company because of their conditions, from diabetes to allergies to cancer. We cannot go back to a world where people had less access to critical medications or treatments because of poor insurance coverage. With this law, we ensure that will never happen in New Jersey.”

“No one should ever be penalized for having a medical condition,” **said Assemblyman Danielsen.** “The ACA paved the way for Americans to begin seeing what was possible when they had access to coverage for pre-existing conditions. So many people now have far better quality of life as a result, and that’s something we will fight to protect and guarantee for all New Jersey residents.”

“As a physician, I firmly believe that access to health care is a right, not a privilege,” **said Assemblyman Conaway.** “We took a tremendous step forward toward securing that right for all Americans under the Affordable Care Act. The legislation signed today will enshrine the essential health benefits and guiding principles of the ACA into State law, so that New Jerseyans will continue receiving the same benefits if the ACA were ever struck down.”

“We hear stories far too often of patients facing discrimination because of their age or disability,” **said Assemblyman Mukherji.** “No one should be penalized or taken advantage for having a health condition. This is the law of the land nationwide, and we’ve now reaffirmed these values here in New Jersey.”

“Essential health benefits are exactly that: essential,” **said Assemblyman McKeon.** “Our children need vision and oral care; our new mothers need maternity care; and at any moment, anyone may need emergency services. I’m proud to live in a state that values the health and wellbeing of its residents, so much that it guarantees certain protections under the law.”
